and floor amendment (1127h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Groen offered floor amendment (1124h).

**Floor Amendment (1124h)**

Amend the title of the bill by replacing it with the following:

AN ACT increasing the rate of the road toll, establishing the New Hampshire state and municipal road and bridge account, establishing the commission to study revenue alternatives to the road toll, and relative to police presence in highway work zones.

Amend the bill by replacing all after section 9 with the following:

10 New Section; Presence of Uniformed Officers in Highway Work Zones. Amend RSA 228 by inserting after section 7 the following new section:

228:7-a Presence of Uniformed Officers in Highway Work Zones.

I. State expenditures for the use of uniformed officers as a presence in highway work zones shall be limited to one percent of project construction costs in fiscal year 2014 and 0.5 percent in fiscal year 2015 and thereafter.

II. The department shall determine when the presence of uniformed officers in work zones on class IV and V highways is required.

11 Effective Date.

I. Sections 1 through 8 and section 10 of this act shall take effect July 1, 2013.

II. The remainder of this act shall take effect upon its passage.

## AMENDED ANALYSIS

This bill:

- I. Establishes the New Hampshire state and municipal road and bridge account.
  - II. Increases the road toll for gasoline and diesel fuel.
  - III. Provides for adjustment in payments by the department of transportation to municipalities for highway construction and reconstruction aid when such payments are based on estimated revenue.
  - IV. Credits the revenue from certain unrefunded tolls resulting from the increase in the road toll to the highway and bridge betterment account.
  - V. Establishes a commission to study revenue alternatives to the road toll for the funding of the state's highways and bridges.
  - VI. Limits the expenditure of state funds for the use of uniformed officers as a presence in highway work zones.
  - VII. Authorizes the department of transportation to determine when police presence is required on highway construction sites on class IV and V highways.
- Rep. Groen spoke in favor and yielded to questions.  
Rep. Campbell spoke against.  
On a division vote, 138 members having voted in the affirmative and 220 in the negative, floor amendment (1124h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.

**(Rep. Kaen in the Chair)**

Reps. Burt and Renzullo spoke against and yielded to questions.  
Rep. Lovejoy spoke in favor and yielded to questions.  
Reps. Waterhouse and Young spoke in favor.  
Rep. Rideout spoke against.

**(Speaker Norelli in the Chair)**

Rep. Campbell spoke in favor and yielded to questions.  
Rep. Dumaine requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

**REGULAR CALENDAR (CONT'D)**

**HB 455**, establishing a committee to study the use of a cash balance retirement plan for new state employees. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**  
Rep. Jeffrey P. Goley for the Majority of Executive Departments and Administration: There was a study done last session on defined contribution plans. During that study some information was also

collected on cash balance plans. There was enough information collected and available on the subject that the sponsor was able to put detailed language in this study bill setting out the specifics of the cash balance plan to be studied. The majority of the committee believes there is already enough information available on the subject and a study committee is not needed at this time. Moreover, a subcommittee of interested committee members could study this and other retirement alternatives at any time without the need to create another study committee by statute. Vote 10-8.

Rep. Shawn P. Sweeney for the Minority of Executive Departments and Administration: This bill establishes a committee to study a potentially viable alternative to the current defined benefit pension system for new employees. The cash balance plan has been identified among potential solutions to the growing concerns over new members being added to the current pension system, with its billion dollar unfunded liability that requires increasing contribution rates, now and into the future. The degrading financial viability of this expanding system requires our response. There are reasonable arguments to be made for or against one plan or another, but no reasonable argument against researching alternatives.

### MOTION TO LAY ON THE TABLE

Rep. Dan McGuire moved that **HB 455**, establishing a committee to study the use of a cash balance retirement plan for new state employees, be laid on the table.

On a division vote, 161 members having voted in the affirmative and 194 in the negative, the motion failed.

The question now being adoption of the majority committee report of Inexpedient to Legislate. Majority committee report adopted.

**HB 683-FN**, relative to the retirement system status of the director and assistant director of the division of homeland security and emergency management. **OUGHT TO PASS.**

Rep. Lucy M. Weber for Executive Departments and Administration: This bill pertains only to the director and assistant director of Homeland Security and Emergency Management. It allows either to elect not to become a member of the retirement system, or to be eligible to continue group II status if he or she was a group II member or retiree prior to appointment. The majority was aware of concern about treating these two positions differently from other non-classified positions, but was persuaded of the compelling reasons for the departure. The current and past holders of these positions have come from the larger of our New Hampshire policy or fire departments, bringing with them a wealth of knowledge and experience in handling emergency situations in New Hampshire. To require such a qualified candidate to forfeit group II benefits would make it less likely that future appointees will be from New Hampshire, as appointees vested in the retirement systems of other states can serve with no loss of benefits. The majority thought it is in the best interests of all of our citizens to ensure that persons holding these positions most critical to our safety be those with the most available knowledge and experience of the workings of New Hampshire's emergency system. We believe an emergency is no place for on-the-job training. Vote 13-5.

Rep. Worsman spoke against.

Rep. Weber spoke in favor.

Rep. Hansen requested a roll call; sufficiently seconded.

On a division vote, 194 members having voted in the affirmative and 162 in the negative, the motion was adopted.

**REGULAR CALENDAR (CONT'D)**

**HB 260-FN**, relative to voluntary services provided to children in need under RSA 169-D. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Katherine D. Rogers for Finance: Legislators heard from their communities about the “downshifting” of costs when services for children in need of services (CHINS) was nearly eliminated in the current budget. This bill, as amended, expands the definition of a child in need of services under RSA 169-D which was severely restricted in the current biennium. It creates a voluntary CHINS program and requires that the appropriate voluntary services have been attempted and proven unsuccessful prior to a petition being filed with the court. This bill gives people who would otherwise go to court to access services under the voluntary option and may result in lower cost services for three reasons in addition to savings in court, prosecution and defense costs. 1. Voluntary services are limited in their scope - no access is given to residential services, which are only available through the court system. 2. Voluntary services are also limited in length, while court-ordered services have no such limitation. 3. Service plans developed under the voluntary services procedures will include the department in the planning process, so its resources are much less likely to be at the mercy of a judge ordering something that the department doesn’t consider necessary. Additionally this bill invokes a “circuit breaker” that allows the department to suspend voluntary services and just provide services under the court process for the remainder of the biennium should costs be more substantial than expected. The bill also directs the department to collect data regarding the CHINS program and provides for the suspension of voluntary services if appropriated funds will be insufficient to support services for the remainder of the biennium. The bill additionally requires school board truancy policies to include certain information relative to student attendance. Vote 16-7.

**Amendment (0968h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to the children in need of services (CHINS) program.

Amend the bill by replacing all after the enacting clause with the following:

1 Children in Need of Services; Applicability of Chapter. RSA 169-D:1, IV and V are repealed and reenacted to read as follows:

IV. To protect the integrity of the family by authorizing adjudication and the imposition of dispositional judgment requiring participation in a plan of services only after appropriate voluntary alternatives have been unsuccessful; and

V. When appropriate voluntary service options have been unsuccessful, to provide effective judicial procedures through which family service plans are executed and enforced, and which assure the parties fair hearings at which their constitutional and other rights as citizens are recognized and protected.

2 Definition of Child in Need of Services. RSA 169-D:2, II is repealed and reenacted to read as follows:

II. “Child in need of services” means a child under the age of 18:

(a) Who is subject to compulsory school attendance, and who is habitually, willfully, and without good and sufficient cause truant from school;

(b) Who habitually runs away from home, or who repeatedly disregards the reasonable and lawful commands of his or her parents, guardian, or custodian and places himself or herself or others in unsafe circumstances;

(c) Who has exhibited willful repeated or habitual conduct constituting offenses which would be violations under the criminal code of this state if committed by an adult or, if committed by a person 16 years of age or older, would be violations under the motor vehicle code of this state; or

(d) With a diagnosis of severe emotional, cognitive, or other mental health issues who engages in aggressive, fire setting, or sexualized behaviors that pose a danger to the child or others and who is otherwise unable or ineligible to receive services under RSA 169-B or RSA 169-C; and

(e) Is expressly found to be in need of care, guidance, counseling, discipline, supervision, treatment, or rehabilitation.

3 New Paragraph; Children in Need of Services; Definition of Truant Added. Amend RSA 169 D:2 by inserting after paragraph XIII the following new paragraph:

XIV. "Truant" means a child between the ages of 6 and 18 years who is either not attending school as required by law or who is not participating in an alternative learning plan under RSA 193:1. "Truancy" shall have the same meaning as in RSA 189:35-a.

4 Children in Need of Services; Petition. Amend RSA 169-D:5, I to read as follows:

***I.(a) A petition alleging that a child is in need of services under RSA 169-D:2, II(a) may be filed by a truant officer or school official from the school district where the child is attending school with a judge or clerk of the court in the judicial district where the child is found or resides. In accordance with RSA 189:36, II, a truant officer or school official shall not file a petition alleging that a child is in need of services under RSA 169-D:2, II(a) until all steps in the school district's intervention process under RSA 189:34, II have been followed.***

***(b) A petition alleging that a child is in need of services under RSA 169-D:2, II(b) or RSA 169-D:2, II(c) may be filed by a parent, legal guardian or custodian, school official, or law enforcement officer with a judge or clerk of the court in the judicial district in which the child is found or resides.***

***(c) A petition alleging that a child is in need of services under RSA 169-D:2, II(d) may, with the consent of the department, be filed by a parent, legal guardian or custodian, school official, or law enforcement officer with a judge or clerk of the court in the judicial district in which the child is found or resides.***

***I-a.*** The petition shall be in writing and verified under oath. The following notice shall be printed on the front of the petition in bold in no smaller than 14 point font size: "See back for important information and financial obligations." The back of the petition shall include a notice of liability for parents and other individuals chargeable by law for the child's support and necessities.

5 New Paragraph; Petition. Amend RSA 169-D:5 by inserting after paragraph II the following new paragraph:

***II-a.*** Any petition filed shall include language demonstrating that appropriate voluntary services have been attempted, the nature of voluntary services attempted, and the reason court compulsion is necessary. If, upon review of the petition, the court is not satisfied that the petition includes sufficient information to find that appropriate voluntary services were attempted and unsuccessful, the court shall, prior to scheduling the child's initial appearance, refer the petition to the department, which shall proceed pursuant to RSA 169-D:9.

6 New Section; Voluntary Services. Amend RSA 169-D by inserting after section 5-b the following new section:

**169-D:5-c Voluntary Services.** The department may offer the child and family, on a voluntary basis, any services permitted under RSA 169-D:17. The department may decline to offer services to a child or family if it concludes that the child does not meet the definition of child in need of services in RSA 169-D:2, II. Notwithstanding RSA 541-A, denials of voluntary services shall not be subject to appeal, however the department's decision to decline services shall not preclude any person from bringing a petition pursuant to RSA 169-D:5, I. If the department declines services in a case referred to it by the court, the department shall notify the court that it has declined voluntary services and the bases therefor. Voluntary services shall not include the out-of-home placement of the child. Voluntary services provided pursuant to this section shall be time limited, not to exceed 9 months.

7 Issuance of Summons and Notice. RSA 169-D:6, I is repealed and reenacted to read as follows:

***I.(a)*** After a legally sufficient petition has been filed, unless the case is referred to the department pursuant to RSA 169-D:5 or a consent order is entered and approved, the court shall schedule an

initial appearance and issue a summons, including a copy of the petition, to be served personally upon the person having custody or control of the child or with whom the child may be, requiring that person to appear with the child on the specified date and time. Refusal of the child to participate in the development of a voluntary service plan may constitute sufficient information that voluntary service and support options have been unsuccessful.

(b) If personal service is not possible, service shall occur at the usual place of abode of the person having custody or control of the child or with whom the child may be, requiring that person to appear with the child at a specified place and time which time shall not be less than 24 hours after service. If the person so notified is not the parent or guardian of the child, then a parent or guardian shall be notified, provided they and their residence are known.

8 Diversion and Pre-adjudicatory Procedure. RSA 169-D:9 is repealed and reenacted to read as follows:

169-D:9 Pre-adjudicatory Procedure.

I. Except in emergencies, the department, its agent, or any person or agency it designates shall determine what voluntary service options are available to the child and family. A referral for this determination may be made by any person permitted to bring a petition under RSA 169-D:5, I. To achieve this purpose, the department may designate a multi-disciplinary team to consider the facts and circumstances of the case, the needs of the child and family, and available diversion programs, services, and resources. This conference shall be attended by the child, if appropriate, his or her parents, legal guardians or custodians, and representatives of any public institution or agency having legal responsibility over the child, and may be attended by parties invited by the family and representatives of any public or private institutions or agencies having discretionary ability to coordinate and/or supply services to the child or family. If the child does not attend a multi-disciplinary conference, an appropriate individual shall be designated to solicit the child's input and help the child understand available service options and supports.

II. If available, a multi-disciplinary conference may be held at any time before or after a petition is filed but shall be held before the child's initial appearance pursuant to RSA 169-D:11.

III. At any time before or after a petition is filed, the child, his or her caretakers, and the department may effect an individualized voluntary family services plan, which shall include:

(a) Identification of the circumstances which contributed to the need for services.

(b) A description of the services that are needed for the child, the child's caretakers, or other family members, the availability of such services within the community, and a plan for ensuring that any such services that are available will be secured and provided.

(c) The name of the person within the each affected public service agency who is directly responsible for assuring that specific services identified in the plan are provided.

(d) An estimate of the time anticipated to be necessary to accomplish the goals set out in the plan.

(e) Any other provisions deemed appropriate by the parties.

(f) Designation of a responsible person or agency for oversight of the plan.

IV. A voluntary family services plan shall set forth in writing the terms and conditions agreed to by the child, the child's caretaker, and all parties responsible for implementation of the voluntary services plan. A written copy of the plan shall be submitted to each party or person responsible for implementation of the plan.

V. A voluntary services plan may be amended by agreement of the parties at any time. If a petition has been filed, the amended plan shall be submitted to the court.

VI. If a petition has been filed, the voluntary family services plan shall be submitted to the court. A voluntary services plan shall stay the proceedings for a period not to exceed 90 days from the date of implementation, unless the parties agree, in writing, to an extension for additional periods not to exceed 90 days. If the parties determine services are necessary for longer than 180 days, the department shall submit a report to the court which outlines the progress that has been achieved during the duration of services and explains why continued services are necessary. Such reports shall be filed every 180 days until voluntary services are discontinued. If, upon reviewing the report, the court questions the need for continued services, it shall schedule a show cause hearing, at which the child, if appropriate, the child's parent or caretaker, and the department shall appear.

VII. When the petitioning person or agency, the court, the department, or a member of the multi-disciplinary team suspects that a child has a disability, an administrator at the responsible school district shall be notified. If appropriate, the school district shall refer the child for evaluation to determine if the child is in need of special education and related services.

VIII. A voluntary family services plan shall not be considered in an adjudicatory hearing pursuant to RSA 169-B or 169-D, or a criminal trial. Evidence of the existence of such agreement shall not be used against the child over objection in any juvenile adjudicatory hearing or criminal trial.

IX. Any incriminating statement made by the child during discussions or conferences incident to the voluntary family services plan shall not be used against the child, over objection, in adjudicatory hearing pursuant to RSA 169-B or 169-D, or a criminal trial. Any such statement may be reported as the basis for a referral to the department pursuant to RSA 169-C, if there is reasonable basis to believe that a child's physical or mental health or welfare is endangered by abuse or neglect.

X. A voluntary family services plan suspends the proceedings on the petition. If the child satisfies the terms of the voluntary family services plan, he or she shall be discharged from further services or supervision, and the pending complaint or petition shall be dismissed with prejudice.

9 Children in Need of Services; Release Prior to Initial Appearance. Amend RSA 169-D:10, II and III to read as follows:

II. Pending the initial appearance, the court shall release the child to one of the following, which in the court's opinion is the least restrictive and most appropriate:

- (a) A parent or guardian;
- (b) A relative or suitable adult;

(c) *Where there are reasonable grounds to believe that the child is a runaway under RSA 169-D:2, II(b) or that the child is a child in need of services under RSA 169-D:2, II(d),* the custody of department of health and human services for placement in a foster home, as defined in RSA 169-C:3, XIII, a group home, a crisis home, or a shelter care facility with expenses chargeable as provided in RSA 169-D:29; or

(d) [Repealed.]

(e) An alcohol crisis center certified to accept juveniles.

III. *Where there are reasonable grounds to believe that the child is a runaway under RSA 169-D:2, II(b) or that the child is a child in need of services under RSA 169-D:2, II(d) and [Should] there [be] is no shelter care/detention bed available, nor an appropriate parent, guardian, or custodian as defined in paragraph II of this section available, the court or the officer taking the child into temporary custody shall notify the department. If the child cannot be referred to an alternative to secure detention, the court shall make an order authorizing the department to place the child. The department shall then promptly arrange for placement of the child.*

10 Initial Appearance. Amend RSA 169-D:11, II(c) and (d) to read as follows:

(c) Establish any conditions for release; ~~and~~

(d) Set a hearing date[-]; ~~and~~

(e) *Inquire of the child and a parent or guardian of the child if the child has been:*

(1) *Determined to have an intellectual disability; or*

(2) *Determined to have a mental illness, emotional or behavioral disorder, or another disorder that may impede the child's decision-making abilities; or*

11 Children in Need of Services; Release Pending Adjudicatory Hearing. Amend RSA 169-D:13, I to read as follows:

I. Following the initial appearance, a child alleged to be in need of services may be ordered by the court subject to such conditions as the court may order, to be:

(a) Retained in the custody of a parent, guardian, or custodian; or

(b) Released in the supervision and care of a relative; or

(c) *Where the petition alleges that the child is a habitual runaway under RSA 169-D:2, II(b) or that the child is a child in need of services under RSA 169-D:2, II(d),* released to the custody of the department of health and human services for placement in a foster home, as defined in RSA 169-C:3, XIII, a group home, a crisis home, or a shelter care facility with expenses chargeable as provided in RSA 169-D:29.

(d) [Repealed.]

I-a. *Where the petition alleges that the child is a habitual truant under RSA 169-D:2, II(a), that the child repeatedly disregards the reasonable and lawful commands of his or her parents, guardian, or custodian under RSA 169-D:2, II(b), or that the child repeatedly or habitually engages in conduct that constitutes violation level offenses under RSA 169-D:2, II(c), the court shall not order the out-of-home placement of the child.*

12 Children in Need of Services; Dispositional Hearing. Amend RSA 169-D:17, I to read as follows:

I. If the court finds the child is in need of services, it shall order the least restrictive and most appropriate disposition considering the facts in the case, the investigation report, and the dispositional recommendations of the parties and counsel. The dispositional recommendation of the department of health and human services shall include the costs of the recommended services, placements, and programs. Such disposition may include:

(a) Permitting the child to remain with a parent, guardian, relative, or custodian, subject to such limitations and conditions as the court may prescribe, including:

(1) Ordering the child or parent, guardian, relative, or custodian, or both, to accept individual or family counseling;

(2) Placing the child on conditional release for a term of 2 years or less.

(b)(1) Releasing the child in the supervision and care of a relative or suitable adult; or

(2)(A) *Where the petition alleges that the child is a habitual runaway under RSA 169-D:2, II(b) or that the child is a child in need of services under RSA 169-D:2, II(d), releasing the child to the custody of the department of health and human services for placement in a foster home, as defined in RSA 169-C:3, XIII, a group home, a crisis home, or a shelter care facility with expenses charged in accordance with RSA 169-D:29.*

*(B) Notwithstanding subparagraph (A), where the petition alleges that the child is a habitual truant under RSA 169-D:2, II(a), that the child repeatedly disregards the reasonable and lawful commands of his or her parents, guardian, or custodian under RSA 169-D:2, II(b), or that the child repeatedly or habitually engages in conduct that constitutes violation level offenses under RSA 169-D:2, II(c), the court shall not order the out-of-home placement of the child.*

(c) Imposing a fine or restitution, or both, on a child who has committed an offense which, if committed by an adult, would be a violation under the criminal code of this state; or has committed an offense which, if committed by a person 16 years of age or older, would be a violation under the motor vehicle code of this state; or has violated an ordinance or bylaw of a city or town. Such fine shall not exceed the fine which may be imposed against an adult for the same offense.

(d) Ordering the minor to perform up to 50 hours of uncompensated public service subject to the approval of the elected or appointed official authorized to give approval of the city or town in which the offense occurred. The court's order for uncompensated public service shall include the name of the official who will provide supervision to the minor. However, no person who performs such public service under this subparagraph shall receive any benefits that such employer gives to its other employees, including, but not limited to, workers' compensation and unemployment benefits and no such employer shall be liable for any damages sustained by a person while performing such public service or any damages caused by that person unless the employer is guilty of gross negligence.

(e) Requiring any child to attend structured after-school or evening programs which address some of the child's compliance issues, as well as supervise the child during the time of the day in which the child most values his or her freedom and the time which is most often used to perform unruly acts. The cost of said programs shall be paid by private insurance, if available, or otherwise by the child, parent, guardian, or person having custody of the child, or may be available to the child free of charge based on the limited means of the family or based on the program's receipt of other funding. Payment shall be made pursuant to RSA 169-D:29 only for those programs that have been certified pursuant to RSA 170-G:4, XVIII.

13 New Section; Data Collection. Amend RSA 169-D by inserting after section 30 the following new section:

169-D:31 Data Collection.

I. The department shall establish a system to collect data related to:

(a) The person or entity who referred the child for services and/or filed the petition.

(b) The racial and ethnic identity of the child.

(c) The insurance status and coverage of child served.

(d) The length of time a child receives services under this chapter, including the time prior and subsequent to the filing of a petition.

(e) The identity of any public or private organization to whom the department has referred a child or family.

(f) Any other information, including outcome data, that may assist the department and the court in evaluating the availability and effectiveness of services for children who receive assistance under this chapter.

(g) The number of cases in which the department received a referral of a child for services but declined to provide services pursuant to RSA 169-D:5-c, along with the basis for those decisions.

II. The department shall, upon request, make available to members of the public, compilations of the data which do not contain identifying information.

14 School Board Truancy Policy. Amend RSA 189:34, II(b) to read as follows:

(b) A process for intervention designed to address individual cases of truancy as quickly as possible and to reduce the number of habitual truants in the school district. ***The process shall consider and document the effect, if any, on the child's attendance of the following: inconsistent and ineffective school attendance policies; poor record keeping; notification provided to parents or guardians of the child's absences; unsafe school environment; poor school climate; poor relations with teachers; and the adequacy of the identification of the child's special education needs.*** The board shall provide for the participation of parents in the development of the policy. The policy shall include early parental involvement in the intervention process. The policy shall also designate an employee in each school as the person responsible for truancy issues.

15 Children in Need of Services; Suspension of Voluntary Services. The fiscal committee of the general court may authorize the suspension of voluntary services under RSA 169-D upon certification by the commissioner of the department of health and human services that appropriated funds will be insufficient to support voluntary services for the remainder of the biennium ending June 30, 2015.

16 Effective Date. This act shall take effect September 1, 2013.

### AMENDED ANALYSIS

This bill:

I. Expands the definition of a child in need of services under RSA 169-D and revises the circumstances under which the court may order various services or placements. The bill also directs the department of health and human services to collect certain data regarding the CHINS program and provides for the suspension of voluntary services if appropriated funds will be insufficient to support voluntary services for the remainder of the biennium.

II. Requires school board truancy policies to include certain information relative to student attendance.

Rep. Carol McGuire requested a roll call; sufficiently seconded.

Gagnon, Raymond  
and the committee amendment was adopted.  
Rep. Pitre voted Yea and intended to vote Nay.

The question now being adoption of the committee report of Ought to Pass with Amendment.  
On a division vote, 211 members having voted in the affirmative and 140 in the negative, the committee report was adopted and ordered to third reading.

**HB 432-FN**, relative to health care costs for county and state inmates. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Stephen P. Spratt for the Majority of Finance: This bill revises health care reimbursement rates for inpatient, outpatient and emergency room care for county and state prisoners, further defines health care facilities and independent provider rates and limits rates for prisoners who are eligible for Medicaid to current Medicaid rates. This bill helps contain taxpayer costs for inmate medical care. Vote 20-3. Rep. Dan McGuire for the Minority of Finance: This bill requires hospitals and other health care providers to serve county prisoners for a price specified in the bill. While this kind of thing is rampant throughout our health financing laws, forcing someone to work, particularly for a non-negotiated rate of pay, is involuntary servitude, i.e. slavery. Laws like this drive providers out of business, decreasing the availability of health care, increasing wait times and costs. Since the law doesn't do anything positive to create savings, such as cutting red tape, all it does is inefficiently shift costs from counties onto health care providers and customers. The cost of jails ought to be borne by the general taxpayer, not disguised as rising health insurance costs.

**Majority Amendment (0907h)**

Amend the bill by replacing all after the enacting clause with the following:

1 Medical Services for County Prisoners. Amend RSA 623-C:1, I to read as follows:

I.(a) Except as provided in subparagraphs (b) through ~~[(f), no hospital or emergency room shall charge a county or its agent]~~ (g) *the county department of corrections or its agent shall pay health care facilities licensed pursuant to RSA 151 no more than 110 percent of the Medicare allowable rate for inpatient, outpatient, or emergency room care provided for prisoners in county correctional facilities.*

(b) *Except as provided in subparagraphs (c) through (e), and subparagraph (i), the county department of corrections or its agent shall pay independent health care providers licensed in this state no more than 125 percent of the Medicare allowable rate for care provided for prisoners in county correctional facilities.*

(c) Allowances provided by hospitals shall qualify as community benefits under RSA 7:32-d, III(b).

~~[(e)]~~ (d) ~~[Hospitals]~~ *The county department of corrections shall pay health care facilities licensed pursuant to RSA 151 and reported by the department of health and human services as having a negative operating margin in the most recent year for which [hospital-audited] audited financial data is available [shall charge] no more than 125 percent of the Medicare rate.*

~~[(d)]~~ (e) *Nothing in this section shall preclude the superintendent of a county correctional facility from negotiating and executing medical service rate agreements with health care facilities licensed pursuant to RSA 151, or other licensed medical providers, for the provision of medical or dental services to county prisoners at the lowest rate possible, or utilizing rates in existing agreements.*

(f) The superintendent of a county correctional facility may waive the application of subparagraph (a) if the superintendent determines such action is necessary to ensure prisoner access to medically necessary care.

~~[(e)]~~ The superintendent of a county correctional facility may waive the application of subparagraph (a) if the superintendent determines such action to be necessary for the efficient operations of the county correctional facility.

~~(f) Nothing in this paragraph shall require a hospital to admit any person]~~

(g) *The superintendent of a county correctional facility may waive the application of subparagraph (a) if the superintendent determines such action to be necessary for the efficient operations of the county correctional facility.*

(h) *The superintendent of a county correctional facility may at any time audit any claim or seek clarification on any payment made pursuant to this section, or both. Upon request by the superintendent, the provider shall furnish information on pricing methodology and shall detail any internal process controls for ensuring accurate pricing of claims processed under this section. Claim information shall be provided in the industry standard format, including but not limited to the application of global surgery provisions, billing for surgical assistants, and bundling.*

(i) *If a county prisoner's medical care is covered by Medicaid, the health care facility licensed pursuant to RSA 151, or the licensed health care provider, or both, shall be paid at the Medicaid rate for services provided.*

2 Medical Services for State Prisoners. Amend RSA 623-C:2, I and II to read as follows:

I.(a) Except as provided in subparagraphs (b) through ~~[(d)]~~ (f), the *state* department of corrections or its agent shall pay health care facilities ~~[and hospitals]~~ **licensed pursuant to RSA 151 no more than** 110 percent of the Medicare allowable rate for inpatient, outpatient, or emergency room care provided for prisoners in state correctional facilities. ~~[In this chapter, "health care facilities" mean ambulatory and specialty medical services centers licensed under RSA 151, and shall include but not be limited to surgical, rehabilitation, long term, oncology, and dialysis centers, but shall not include physician practices and community health care clinics]~~

(b) **Except as provided in subparagraphs (c) through (e), and subparagraph (h), the state department of corrections or its agent shall pay independent health care providers licensed in this state no more than 125 percent of the Medicare allowable rate for care provided for prisoners in state correctional facilities.**

(c) Allowances provided by hospitals shall qualify as community benefits under RSA 7:32-d, III(b).

(d) **The state department of corrections shall pay health care facilities licensed pursuant to RSA 151 and reported by the department of health and human services as having a negative operating margin in the most recent year for which audited financial data is available no more than 125 percent of the Medicare rate.**

~~[(e)]~~ (e) The commissioner of the *state* department of corrections may waive the application of subparagraph (a) if the commissioner determines such action is necessary to ensure prisoner access to medically necessary care.

~~[(f)]~~ (f) The commissioner of the *state* department of corrections may waive the application of subparagraph (a) if the commissioner determines such action to be necessary for the efficient operations of the state correctional facility.

(g) **The commissioner of the state department of corrections may at any time audit any claim or seek clarification on any payment made pursuant to this section, or both. Upon request by the commissioner, the provider shall furnish information on pricing methodology and shall detail any internal process controls for ensuring accurate pricing of claims processed under this section. Claim information shall be provided in the industry standard format, including but not limited to the application of global surgery provisions, billing for surgical assistants, and bundling.**

(h) **If a state prisoner's medical care is covered by Medicaid, the facility or the licensed health care provider, or both, shall be paid at the Medicaid rate for services provided.**

II. Nothing in this section shall preclude the commissioner of the *state* department of corrections from ~~[having the discretion to negotiate and execute]~~ **negotiating and executing** medical service rate agreements with ~~[hospitals or]~~ health care facilities **licensed pursuant to RSA 151, or other licensed medical providers**, for the provision of medical **or dental** services to state prisoners at the lowest rate possible, or utilizing rates in existing agreements.

3 Effective Date. This act shall take effect July 1, 2013.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. On a division vote, 238 members having voted in the affirmative and 106 in the negative, the majority committee report was adopted and ordered to third reading.

**HB 615-FN-A**, relative to the New Hampshire national guard recruitment and retention scholarship fund and making an appropriation therefor. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Katherine D. Rogers for the Majority of Finance: The bill makes an appropriation of \$25,000 to the New Hampshire national guard recruitment and retention scholarship fund for the fiscal year ending June 30, 2014. The committee wholeheartedly supports the policy of this bill and, in following past practices of not passing "legislative specials," has inserted into HB 1 (the budget bill) a new line item for this appropriation. HB 1's new line item within the adjutant general's department for \$25,000 in fiscal year 2014 as well as FY 2015 doubles the amount HB 615 requested, and by so doing the committee has memorialized this program as a permanent fixture thereby assuring the continuation of this program. The program had previously depended on a revenue stream from the rental of national guard property that no longer exists. The committee intends to "enshrine" this program into House fiscal policy and work to reward those who serve us in the New Hampshire national guard. Vote 15-8.

Rep. Karen C. Umberger for the Minority of Finance: The minority of the committee believes that HB 615 should have been amended to include the New Hampshire national guard recruitment and retention scholarship fund of \$25,000 in both FY 14 and FY 15 to match the funding that is proposed in HB 1. This action would have formally established the House position of funding the scholarships for both FY 14 and FY 15 rather than the possibility that, because of the majority's position of ITL, the funding could be eliminated.

The question being adoption of the majority committee report of Inexpedient to Legislate. Rep. Katherine Rogers spoke against.

### LAI ON THE TABLE

Rep. Katherine Rogers moved that **HB 615-FN-A**, relative to the New Hampshire national guard recruitment and retention scholarship fund and making an appropriation therefore, be laid on the table. Adopted.

### REGULAR CALENDAR (CONT'D)

**HB 185-FN**, relative to the fuel oil discharge cleanup fund. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Richard Ames for the Majority of Ways and Means: This bill adds one-quarter of a penny to the current one penny per gallon fuel oil importation fee, restoring the fee to the 1.25 cent level that it was at as of the end of Fiscal Year 2010. All income generated by this fee is deposited into the fuel oil discharge cleanup fund, a discharge prevention and contamination cleanup program established by the legislature in 1993 under RSA 146-E. The program is administered by the oil fund disbursement board with assistance from the department of environmental services (DES); the restoration of the fee to 1.25 cents per gallon is recommended by the board and by DES. The program offers significant public health and environmental protection benefits to NH homeowners, businesses, schools and local governments, paying fuel oil contamination costs not covered by insurance. The program also funds the state's SAFETANK program, helping qualified low income families to replace or bring into compliance residential fuel oil tanks in danger of release. SAFETANK prevention funding is designed to avoid costly cleanups (e.g., \$1,500 invested in prevention can save \$17,500 in average cleanup costs). DES estimates that the balance in the fuel oil discharge cleanup fund will fall to \$220,000 by June 30, 2013, too low to meet the fund's program responsibilities. The NH business and industry association (BIA) testified at the Ways and Means hearing in support of the quarter of a penny fee adjustment called for by this bill, citing the fund's cost effectiveness and contribution to economic development. The majority of the committee agrees that this fee restoration is needed to enable continuation of this cost effective program. Vote 11-7.

Rep. Russell T. Ober for the Minority of Ways and Means: The purpose of this bill is to increase the cost of the fuel oil importation fee by 0.25 cents per gallon. This fee provides money for the fuel oil discharge cleanup fund known as the FOD fund. The total income for this fund for the last nine years has averaged \$3M per year, and the total expenses for the fund for the same period of time have averaged \$2.9M. Since the current fee is covering expenses, the minority believes that no change should be made. The SAFETANK program, which is discretionary spending, can be adjusted according to the budget for FOD. Work can be continued on the cleanup program without this increase. The cost to the user of fuel oil should not be increased at this time. Therefore, the minority believes this bill should be ITL.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Baldasaro requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.  
Rep. Robertson declared a conflict of interest and did not participate.

**HB 295**, requiring criminal background checks for volunteers and employees at youth skill camps.  
**MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Thomas C. Schamberg for the Majority of Ways and Means: A legislative committee from last summer recommended operators of youth skill camps, except for municipally operated camps, perform background checks on all employees and volunteers. Long and short term camps have to certify to the department of environmental services (DES) that no employee has a violent or abusive criminal record. The bill creates a dedicated fund to support implementation of both long and short term youth camp regulations. The regulatory assessment of long term camps is underfunded, and dollars are being diverted from other parts of the agency to cover costs. The board of directors of the NH camp directors association endorsed the DES request for a recreation (long-term) camp license fee of \$200, which they realize will fully pay for their costs. Together with the youth skill (short-term) camp fee of \$25, this will meet the annual expenses of \$36,500 expended by DES. These camps feel they need to be regulated to reassure parents that their children are being safeguarded. Vote 11-7.  
Rep. Laurie J. Sanborn for the Minority of Ways and Means: The minority wholeheartedly supports the policy of requiring criminal background checks for volunteers and employees at youth skill camps, as we currently do for recreation camps. However, we cannot support the fee increase, which changes from \$50 to \$200 for each recreation camp and \$0 to \$25 for skill camps. We are also not comfortable with creating an additional dedicated fund.

### Majority Amendment (1021h)

Amend RSA 485-A:24, I as inserted by section 3 of the bill by replacing it with the following:

***I. No person shall for profit or for charitable purposes operate any recreation camp, as defined in RSA 485-A:23, I, designed or intended as a vacation or recreation resort, without a license issued by the department. Said license is to be conditioned upon the maintenance of clean, healthful sanitary conditions and methods, as determined and approved by said department, good only for the calendar year in which it is issued and subject to suspension or revocation at any time for cause. The fee for such license shall be \$50 to \$200 which shall be paid into the [state treasury] recreation camp and youth skill camp fund established in RSA 485-A:24-a.***

### AMENDED ANALYSIS

This bill requires youth skill camp operators to certify to the department of environmental services that their employees and volunteers have undergone a criminal background check. The bill also establishes a recreation camp and youth skill camp fund and increases the license fee for recreation camps.

### MOTION TO LAY ON THE TABLE

Rep. Vaillancourt moved that **HB 295**, requiring criminal background checks for volunteers and employees at youth skill camps, be laid on the table.

On a division vote, 165 members having voted in the affirmative and 184 in the negative, the motion failed.

The question now being adoption of the majority committee amendment.

On a division vote, 204 members having voted in the affirmative and 145 in the negative, the majority committee amendment was adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.  
Rep. Vaillancourt spoke against.

Rep. Almy spoke in favor.

Rep. Sapareto requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

### **HB 411-FN-A, repealing a future reduction in vessel registration fees. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Mary R. Cooney for the Majority of Ways and Means: This bill repeals a reduction in vessel registration fees scheduled to take effect on July 1, 2015. This would mean cutting the fees back to 1992 levels, one-half of their present levels. When these fees were raised in 2008, the intent was to build up a fund to be used to offset the cost of a new marine patrol headquarters and boathouse. The reason for the sunset was to allow the committee to reassess the size of the increase once this cost was known, not to end it. The current combination headquarters-boathouse is in serious disrepair. It has been settling into the ground for two decades and is unstable. The roof does not meet snow load requirements, the electrical and mechanical systems are archaic, and the building is not ADA compliant. This revenue stream is necessary to make the expected bond payments for the new headquarters as well as to pay for needed upgrades to equipment and to restore many of the summer boating officers who had been cut from 50 or 60 down to 30 officers last summer due to lack of funding. Tourism is one of our biggest industries. This bill supports tourism by promoting safe boating, monitoring invasive aquatic weeds, and providing protection to all using the lakes and shorelines. Vote 11-7.

Rep. Jordan G. Ulery for the Minority of Ways and Means: The general court raised fees four years ago. This bill reneges on the promise of reducing fees. The marine patrol needs a new building, and the agency funding was lapsed last term, which meant the planning was stopped. The agency needs to justify its needs within the scope of the general fund and the general court needs to honor its word to the people. We need to keep the trust of the people.

The question being adoption of the majority committee report of Ought to Pass.  
 Rep. Tucker requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

**BILLS REMOVED FROM THE CONSENT CALENDAR OF MARCH 13, 2013**

**HB 389**, relative to discovery in misdemeanor and violation cases. **INEXPEDIENT TO LEGISLATE.** Rep. Philip E. Ginsburg for Criminal Justice and Public Safety: The bill would provide that a person issued a summons for a misdemeanor or violation could obtain at no cost a copy of the police report and other discoverable information in the case. The committee heard that court rules and professional ethics require that this information be provided to the person by law enforcement and the court, and that remedies for failure to provide it are available in the trial process. The committee heard no evidence that this change in the law was necessary. Vote 20-0.

Rep. James Belanger spoke against and yielded to questions.

Rep. Pantelakos spoke in favor.

On a division vote, 226 members having voted in the affirmative and 98 in the negative, the committee report was adopted.

**HB 679**, relative to renovations to the vocational technical center at Alvirne high school. **INEXPEDIENT TO LEGISLATE.**

Rep. Ralph G. Boehm for Education: This bill requires the department of education to include Alvirne high school technical center in the department's list of capital improvement projects. This bill is not necessary because all technical centers are automatically on the list. Alvirne high school is on the list for 2020-21. Vote 20-0.

Rep. Christiansen spoke against.

**MOTON TO LAY ON THE TABLE**

Rep. Christiansen moved that **HB 679**, relative to renovations to the vocational technical center at Alvirne high school, be laid on the table.

Motion failed.

The question now being adoption of the committee report of Inexpedient to Legislate.  
Committee report adopted.

**HB 189**, repealing the commission to study water infrastructure sustainability funding. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Suzanne H. Gottling for Resources, Recreation and Development: The committee unanimously supported the bill, as amended, to extend the water infrastructure sustainability commission to November 1, 2013 in order to issue its final report. The commission conducted several years of research and issued an interim report. The bill, as amended, allows the work of the commission to be completed. Vote 19-0.

**Amendment (0511h)**

Amend the title of the bill by replacing it with the following:

AN ACT extending the commission to study water infrastructure sustainability funding.

Amend the bill by replacing all after the enacting clause with the following:

1 Commission to Study Water Infrastructure Sustainability Funding. Amend 2009, 245:5, as amended by 2010, 21:1; 2011, 144:1; and 2012, 148:2 to read as follows:

245:5 Report. The commission shall make an interim report on or before November 1, 2009, and another on November 1, 2010, with a final report of its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, **2013**.

2 Effective Date. This act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill extends the commission to study water infrastructure sustainability funding for one year. Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment. Rep. Kappler spoke against.

**MOTION TO LAY ON THE TABLE.**

Rep. Kappler moved that **HB 189**, extending the commission to study water infrastructure sustainability funding, be laid on the table.

On a division vote, 135 members having voted in the affirmative and 172 in the negative, the motion failed.

The question now being adoption of the committee report of Ought to pass with Amendment.

Rep. Gottling spoke in favor.

On a division vote, 238 members having voted in the affirmative and 83 in the negative, the committee report was adopted and ordered to third reading.

**HB 527, repealing the exotic aquatic weeds and species committee. INEXPEDIENT TO LEGISLATE.**

Rep. James D. Aguiar for Resources, Recreation and Development: This bill would have repealed RSA 487:30 which created the exotic aquatic weeds and species committee. Said committee was empowered to: (a) Study the spread of exotic aquatic weeds and exotic aquatic species in the waters of New Hampshire including education, management, and potential means to eliminate the spread of these weeds and species; (b) aid the in the control and eradication of milfoil; and (c) solicit, hold, and expend gifts, grants, and donations from any source to carry out the purposes of the committee. The committee heard testimony supporting the continuation of this body. Clean, healthy waterways are critical to the economy of New Hampshire and the exotic aquatic weeds and species committee has played a positive role in protecting this vital natural resource. Vote 19-0.

Rep. Kappler spoke against.

Rep. Suzanne Smith spoke in favor.

Committee report adopted.

**HB 549, establishing a committee to study a constitutional amendment to prevent dedicated funding for a specific purpose from being diverted from that purpose. INEXPEDIENT TO LEGISLATE.**

Rep. Russell T. Ober for Ways and Means: There have been several instances where dedicated funds lost their money to the general fund, usually when money in the budget was inadequate. The total banning of the practice would also have major side effects. Further, a committee to study wording for a constitutional amendment seems unnecessarily complex. Vote 17-1.

Reps. Bixby and Spang spoke against.

Rep. Almy spoke in favor.

Rep. Grossman requested a roll call; not sufficiently seconded.

On a division vote, 246 members having voted in the affirmative and 54 in the negative, the committee report was adopted.

**BILLS REMOVED FROM THE CONSENT CALENDAR**

**HB 316-FN**, relative to regulating alkaline hydrolysis for the disposal of human remains. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Carol M. McGuire for Executive Departments and Administration: The policy of authorizing alkaline hydrolysis having been approved by the House, ED&A concentrated on the regulatory aspects. Rulemaking authority is appropriate for this process, and the fees will cover the cost of regulations. The committee amendment specifies technical requirements for the facility, the pressure vessel, and proper discharge of fluid residues, resolving some concerns brought up at the public hearing. Vote 11-1.

### **Amendment (0993h)**

Amend RSA 325-B:3 as inserted by section 1 of the bill by inserting after paragraph II the following new paragraph:

III. Alkaline hydrolysis for dissolution of human remains shall comply with the following requirements:

(a) The alkaline hydrolysis facility shall only utilize a commercially available, purpose-built system.

(b) Dissolution systems which operate above atmospheric pressure shall only employ an American Society of Mechanical Engineers' (ASME) certified pressure vessel as a dissolution chamber.

(c) The dissolution system shall use parameters of heat, time, and solution circulation sufficient to achieve complete dissolution of all tissue remains.

(d) The alkaline dissolution process shall ensure that the discharge liquid that is a byproduct of the dissolution process meets the facility's sewage collection and treatment facility requirements regarding acceptable temperature, biological oxygen demand/chemical oxygen demand (BOD/COD), and pH level and shall comply with Environmental Protection Agency regulations in 40 CFR Part 403.5.

(e) Equipment used for alkaline hydrolysis of human remains may not be used for the disposal of animals or other biological materials.

(f) No facility using the alkaline hydrolysis process may discharge liquid as a byproduct of the process into a septic system. This prohibition does not prevent the facility from discharging into a holding tank that is periodically pumped and transported to a suitable disposal facility. Facilities who choose to discharge into a holding tank which is transferred to a sewage treatment facility are not exempt from the effluent requirements for BOD/COD and pH levels specified by that facility or compliance with Environmental Protection Agency regulations in 40 CFR Part 403.5.

### **MOTION TO LAY ON THE TABLE**

Rep. Kappler moved that **HB 316-FN**, relative to regulating alkaline hydrolysis for the disposal of human remains, be laid on the table.

Rep. Kappler requested a roll call; sufficiently seconded.

The question now being adoption of the committee amendment.

On a division vote, 264 members having voted in the affirmative and 32 in the negative, the committee amendment was adopted.

Committee report adopted and ordered to third reading.

**HB 344-FN-L**, relative to aid to school districts for the cost of special education. **INEXPEDIENT TO LEGISLATE.**

Rep. Susan M. Ford for Finance: This bill removes the requirement that catastrophic special education funds to be prorated among the school districts entitled to such aid shall be at least 80 percent of the districts' entitlement for catastrophic aid. The committee believes that catastrophic aid will be addressed within HB 1 and recommends ITL for this stand-alone appropriations bill. Vote 22-0.

**LAI ON THE TABLE**

Rep. Ladd moved that **HB 344-FN-L**, relative to aid to school districts for the cost of special education, be laid on the table.

Motion adopted.

**RESOLUTION**

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, April 3, 2013 at 10:00 a.m.

**MOTION TO LAY ON THE TABLE**

Rep. Lambert moved that the third reading motion be laid on the table.

Rep. Lambert withdrew his motion.

Third reading motion adopted.

**LATE SESSION****Third reading and final passage**

**HB 246**, relative to falsity by employer.

**HB 399-FN**, establishing the New Hampshire liberty act.

**HB 686**, relative to approval of liquor commission contracts.

**HB 269-L**, authorizing a city or town to conduct a special meeting necessitated by changes in adequate education funding.

**HB 524**, relative to national guard facilities, the national guard scholarship fund, and the state active duty death benefit.

**HB 184-FN**, relative to the oil discharge cleanup fund.

**HB 259-FN**, relative to special licenses for taking lobster while engaged in recreational scuba diving.

**HB 304-FN**, relative to OHRV registration transfer fees, removing the penalty of completion of a training program for certain OHRV and snowmobile violations, and deleting OHRV and snowmobile vanity plates or decals.

**HB 507-FN**, relative to the maximum permit application fee for certain municipal dredging projects.

**HB 652-FN**, relative to the judicial branch information technology fund.

**HB 135**, relative to physical force in defense of a person and relative to the definition of non-deadly force.

**HB 617-FN-A-L**, increasing the rate of the road toll, establishing the New Hampshire state and municipal road and bridge account, and establishing the commission to study revenue alternatives to the road toll.

**HB 260**, relative to the children in need of services (CHINS) program.

**HB 432-FN**, relative to health care costs for county and state inmates.

**HB 185-FN**, relative to the fuel oil discharge cleanup fund.

**HB 295**, requiring criminal background checks for volunteers and employees at youth skill camps.

**HB 411-FN-A**, repealing a future reduction in vessel registration fees.

**HB 189**, extending the commission to study water infrastructure sustainability funding.

**HB 316-FN**, relative to regulating alkaline hydrolysis for the disposal of human remains.

**UNANIMOUS CONSENT**

Reps. Gary Richardson, Baldasaro and Spang addressed the House

**MOTION TO PRINT REMARKS**

Rep. Shurtleff moved that the remarks made by Rep. Baldasaro be printed in the Permanent Journal. Adopted.

**REMARKS**

**Rep. Baldasaro:** Thank you, Madam Speaker. Before I get started here, last year many of us on both sides here came together with a bill to come up with a day in order to celebrate Welcome Home

Vietnam Veterans Day. Representatives here like Kris Roberts, Steve Shurtleff, Robert Theberge, Ken Weyler or Don LeBrun. If I missed any that were pushing this here, thank you for helping us get this forward because you made some extraordinary connections with Vietnam veterans throughout the state. I know this day, some Vietnam veterans did not want it, but there are many out there that really did appreciate it so I did get with the Governor and she jumped right on it. I have a history of working with Governor Hassan on veteran's issues when she was a senator and she didn't hesitate when putting this together. Before I read that, I would like all the veterans in the room to please stand. Thank you for your service. I'm going to first read the words from William Reddell, who is our Adjutant General here and I was not a Vietnam veteran. I joined the Marines in 1975 in October so in January or so I went to my first unit and I seen, first hand, how the Vietnam veterans that were waiting to be discharged, how they were treated out in town at Camp Lejeune. It was really my first experience as a young Marine. I didn't know any better. I thought that's the way military were treated, you know, and I was shocked at the names they called them. I won't even reinvent it again, but I was disgusted. Over the years as my time as a Marine, I seen things start to change, especially when I got back from Desert Storm and the parades and everything else. We actually brought back the respect to the military that our Vietnam veterans so dearly deserved. I will start out real quick here because if anybody is interested here, on Saturday, March 30<sup>th</sup> at 2:00 p.m., the State of New Hampshire is officially recognizing the service of its Vietnam veterans with a Welcome Home ceremony at the Army Aviation Support facility on Regional Drive in Concord. A year ago, on the war's 50<sup>th</sup> anniversary, the Legislature passed a law making March 30<sup>th</sup> to honor Vietnam veterans. Now, keep in mind, these are General Reddell's words that I am going to read here, "The men and women who served in Vietnam were never properly thanked. They never received a homecoming. There were no ceremonies or parades. There were no banners hanging from highway overpasses. No police escorts. They were shunned from the moment they touched down on American soil. Instead of being embraced at terminals across the country, many of our warriors slipped into a bathroom to change out of their uniform. As a nation, we treated them as outcasts. Now in their 60's and 70's, those same veterans swore that the next generation of war hero's coming home would receive the gratitude they deserve. From Desert Storm to Operation Enduring Freedom, Iraqi Freedom and New Dawn, never again would our nation treat our returning veterans so badly. They delivered on their promise. Now it is our turn to show them the same respect and gratitude they have so justifiably earned. Saturday's ceremony is an opportunity for all of us to say Thank you, job well done. As citizen soldiers and airmen, it's an opportunity for us to return the favor. It's an opportunity for us to pay a debt that is 40 years overdue and a central step towards healing a national wound. I strongly encourage you to consider the significance of what your attendance will mean to our Vietnam veterans, for if not for us, then who. If not now, then when. Please join me and the Governor and our Congressional Delegation in welcoming home our Vietnam veterans on Saturday." That is from General Reddell, who is the Adjutant. Now, from the Governor.

**The State of New Hampshire**

**By Her Excellency**

**Margaret Wood Hassan, Governor**

**A Proclamation**

**WELCOME HOME VIETNAM VETERANS DAY**

**MARCH 30, 2013**

**WHEREAS**, In 2007, the United States Congress, by separate Senate and House Resolutions, declared that a Welcome Home Vietnam Veterans Day should be established; and

**WHEREAS**, The Vietnam War was fought in Vietnam from 1961 to 1975, and involved North Vietnam and Viet Cong in conflict with the United States and South Vietnam; and

**WHEREAS**, In 1965, there were 80,000 United States troops in Vietnam, and by 1969 a peak of approximately 543,000 troops was reached; and

**WHEREAS**, On March 30, 1973, the United States armed forces completed the withdrawal of combat troops from Vietnam; and

**WHEREAS**, More than 58,000 members of the United States armed forces lost their lives in Vietnam and more than 300,000 were wounded; and

**WHEREAS**, Upon their return home, members of the United States Armed Forces who served bravely and faithfully for the United States during the Vietnam War were caught in the crossfire of public debate about the involvement of the United States in the war; and

**WHEREAS**, Vietnam veterans served honorably, risking their lives in answer to the nation's call; and

**WHEREAS**, In peacetime, Vietnam veterans have continued to make enormous contributions to our communities, our state, and our nation; and

**WHEREAS**, The establishment of a Welcome Home Vietnam Veterans Day is an appropriate way to honor those members of the United States armed forces who served in Vietnam during the Vietnam War;

**NOW, THEREFORE, I, MARGARET WOOD HASSAN, GOVERNOR** of the State of New Hampshire, do hereby proclaim **MARCH 30, 2013** as **WELCOME HOME VIETNAM VETERANS DAY** in the State of New Hampshire to acknowledge and commemorate the military service of American men and women in Vietnam.

Given this 30th day of March, in the year of Our Lord two thousand and thirteen, and the independence of the United States of America, two hundred and thirty-seven.

Margaret Wood Hassan, Governor

This is awesome what the Governor did and what many of our other veterans did. I don't know if Russ Ober is here. Russ Ober was a big supporter. He left there. I wish he was sitting there. In closing on this here, about five years ago, I put on a Welcome Home Vietnam Veterans in Londonderry at the school. One of the guests we had was Mike Huckabee and we had Chuck Norris there. Why this is emotional to many, it would sadden me and it's tough for an old Marine to put a tear in his eye, but I sat there up at the stage and I seen Vietnam veterans. When we broke out the banner that said Welcome Home Vietnam Veterans, there were tears. They went through the tough days and that was their opportunity and I know there are Vietnam veterans that are here in this room that have not left yet and they deserve every bit of praise like every other warrior that came forward and shed blood and I thank you for your service brothers and sisters. Welcome home. Thank you.

### RECESS MOTION

Rep. Shurtleff moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports.  
Adopted.

The House recessed at 6:30 p.m.

### RECESS

**(Rep. Shurtleff in the Chair)**

### RESOLUTION

Rep. Davis offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 2, 11, 12, 13, 14, 15, 17, 18, 19, 20, 21, 22, 24, 28, 29, 30, 33, 34, 35, 42, 43, 44, 45, 47, 48, 49, 50, 51, 52, 54, 58, 60, 62, 64, 67, 68, 69, 71, 76, 81, 82, 83, 84, 85, 88, 89, 90, 92, 93, 94, 96, 97, 101, 102, 104, 105, 106, 107, 112, 117, 119, 122, 124, 127, 128, 131, 132, 133, 136, 139, 146, 153, 157, 159, 161, 165, 171, 178, 185, 187, 188, 189, 192 and 194 shall be by this resolution read a first and second time by the therein listed titles and referred to the therein designated committees.  
Adopted.

### INTRODUCTION OF SENATE BILLS

#### First, second reading and referral

**SB 2**, relative to the calculation of the local tax cap. (Municipal and County Government)

#### NONCONCURRENCE

**HB 198**, relative to town boundary perambulation.

**HB 251**, relative to the legislative members of the home education advisory council.

**HB 347**, authorizing cottage housing development as an innovative land use control.

**HB 444**, establishing a committee to study the use of autonomous vehicles in New Hampshire.

#### RECESS

#### (Speaker Norelli in the Chair)

Rep. Kaen moved that the House adjourn.

Adopted.

## HOUSE JOURNAL No. 14

Wednesday, April 3, 2013

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Reverend Canon Charles LaFond, Canon for Congregational Life of the Episcopal Diocese of New Hampshire.

God of life and love, be present to justice and mercy in this Chamber as waters which cool the desert. Be present to unkindness and cruelty in this Chamber as fire which burns and cleanses. Be present to compassion and our desire to improve the lives of the financially poor and the working poor as oil which anoints and blesses. Be present to hard work and respectful conversation as love which softens hard hearts and gladdens gentle ones. And all for Your mercy's sake. Amen.

Representative Cynthia Chase, Lieutenant, US Navy and member from Keene, Representative Linda Lauer, Lieutenant, US Navy and member from Bath, Representative Karen Umberger, Colonel, US Air Force and member from Kearsarge and Representative Regina Birdsell, Yeoman 1<sup>st</sup> Class, US Coast Guard and member from Hampstead, led the Pledge of Allegiance.

Representative Gladys Johnsen, member from Keene, led the singing of the National Anthem.

### LEAVES OF ABSENCE

Reps. Heffron, Sanborn, Spainhower and Thompson, the day, illness.

Reps. Booras, Cali-Pitts, Richard Eaton, Ferrante, Thomas Katsiantonis, Menear, Palangas, Rokas, Marjorie Smith, Tamburello and Tremblay, the day, important business.

Reps. John Kelley and Tucker, the day, illness in the family.

### INTRODUCTION OF GUESTS

Skyler Jones, daughter of Rep. Jones. Suzanne Egan, guest of Rep. Timothy Smith. Sue Cote, sister of Rep. Beaulieu. Fourth graders from Maple Wood School, guests of the Somersworth Delegation.

### COMMUNICATION

March 28, 2013

Dear Madame Speaker,

It is with deep regret that I offer my resignation from the New Hampshire House of Representatives, as I will soon be moving out of my current district. I would like to thank the voters of Manchester Ward 7 for the opportunity to serve as their representative for the last eight and half years, and I thank the members of this House for working with me over that time. Best of luck as you continue to address the issues important to the state of New Hampshire.

Sincerely,  
Representative Patrick Garrity

### MOTION TO VACATE

Rep. Weber moved that the House vacate the reference of the following bills:

**SB 14**, relative to the rulemaking authority of and administrative fine authority for the department of resources and economic development.

**SB 24**, relative to Medicaid rates.

**SB 119-FN-A**, directing the joint legislative historical committee to conduct a study of state house flag restoration and preservation.

**SB 155-FN-A**, requiring revenue from commemorative liquor bottles to be used for the preservation of state house Civil War battle flags, and

**SB 185**, establishing a commission on housing policy and regulation.  
to the Committee on Executive Departments and Administration.

Adopted.

The Speaker referred **SB 14** to the Committee on Resources, Recreation and Development, **SB 24** to the Committee on Health, Human Services and Elderly Affairs, **SB 119-FN-A** and **SB 155-FN-A** to the Committee on Legislative Administration, and **SB 185** to the Committee on Municipal and County Government.

### MOTION TO VACATE

Rep. Gary Richardson moved that the House vacate the reference of the following bills: **SB 136**, relative to the rights of the immediate family of crime victims, and **SB 137-FN**, relative to sibling visitation rights. to the Committee on Judiciary.  
Adopted.

The Speaker referred **SB 136** to the Committee on Criminal Justice and Public Safety, and **SB 137-FN** to the Committee on Children and Family Law.

### MOTION TO SUSPEND HOUSE RULES

Reps. Shurtleff and Chandler moved that House Rules be so far suspended as to allow consideration at the present time, without the required printing of a Committee Report in the House Calendar and, if passed, go to immediate 3<sup>rd</sup> reading, of **SB 74**, relative to an exemption for entities that furnish hot water through a district energy system.

Rep. Shurtleff spoke in favor.

Adopted by the necessary two-thirds vote.

### CLERK'S NOTE

Although not in the House Calendar, the following statement was available to House members on this bill, **SB 74**, relative to an exemption for entities that furnish hot water through a district energy system.

### CONSIDERATION OF SB 74

**SB 74**, relative to an exemption for entities that furnish hot water through a district energy system. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Beatriz Pastor for Science, Technology and Energy: This bill amends RSA 362 and updates current statute by clarifying the definition of hot water companies. The committee agrees that hot water district heating can help liberate towns and cities from dependency on petroleum heating products, fostering the use of local and renewable energy sources. Hot water district energy systems can draw on a variety of energy sources, including biomass and geothermal. They can also capture waste heat from industry and surplus heat from incineration, industrial processes and sewage. Hot water district energy systems are an excellent option for providing relief to oil-dependent communities, increasing efficiency and reducing emissions. By clarifying the current definitions in RSA 362, SB 74 opens the door to new, cheaper and/or less volatile local energy sources, leveling the playing field for the development of hot water district energy systems in our state, and keeping energy dollars in New Hampshire. Vote 14-0.

### Amendment (1155h)

Amend the bill by replacing section 1 with the following:

1 New Section; Hot Water Companies; When Public Utilities. Amend RSA 362 by inserting after section 4-c the following new section:

362:4-d Hot Water Companies; When Public Utilities. The term "public utility" shall not include any corporation, company, association, joint stock association, partnership, or person, their lessee, trustee, or receiver appointed by any court, or assignee, by virtue of its being engaged in the manufacture, furnishing, or sale of hot water through a district energy system. In this section, "hot water" means water that has a temperature of no more than 200 degrees Fahrenheit that circulates in a district heating system under pressure of no more than 232 pounds per square inch.

### AMENDED ANALYSIS

This bill exempts any entity that manufactures, furnishes, or sells hot water through a district energy system from being a public utility.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.  
Rep. Pastor spoke in favor.  
Adopted.

### RESOLUTION

Rep. Shurtleff moved that **SB 74**, relative to an exemption for entities that furnish hot water through a district energy system, be read a third time and passed.  
Adopted.

### Third reading and final passage

**SB 74**, relative to an exemption for entities that furnish hot water through a district energy system.

### REGULAR CALENDAR

**HB 1-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2014 and June 30, 2015. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Mary Jane Wallner for the Majority of Finance: The proposed budget for 2014/2015 represents a process of re-building from the 2012/2013 budget, in which a number of the state's most important programs and services experienced significant reductions. In the health and human services area, appropriations did not meet projected need, and a waitlist for individuals with developmental disabilities began again after having been eliminated in the prior budget. Inadequate services continued in mental health services, leading to a system in chaos, with dozens of people experiencing psychiatric crisis waiting in emergency rooms across the state for a bed to open at New Hampshire Hospital. The state is facing federal litigation over its ability to provide mental health services to citizens in the community. The near-elimination of the Children in Need of Services program (CHINS) has shifted costs for at-risk minors to local budgets and left children with serious behavioral problems untreated. Funding for higher education was slashed, with appropriations to the university system decreased by half and by a third to the community colleges. Tuitions jumped, and the community colleges have seen enrollment stagnate. Building a budget for fiscal years 2014 and 2015 has not been easy. We started from a point of previous budget reductions, made more difficult by tax cuts layered upon an economy still in recovery from the worst economic recession in memory. This is a careful budget, too, increasing general funds 3% over the biennium. Our priorities include rebuilding New Hampshire's essential human services, safety net, and education infrastructure. Our budget restores full funding to eliminate the Developmental Disabilities waitlist for the more than 650 individuals currently waiting and those who will turn 21 and become eligible in the next two years. We have made major investments in the state's 10 year mental health plan, significantly improving treatment resources for our residents who suffer from serious mental illness. The CHINS program will be restored, serving hundreds of at-risk children before they wind up in the criminal justice system. New Hampshire Legal Assistance receives additional funding, to help restore the appropriation cut in the last biennium, and funding for legal representation for indigent parents in cases of abuse and neglect is restored. We have begun to restore funding to our larger hospitals to help make up for the uncompensated care they provide. This budget also adopts the expansion of Medicaid to thousands of New Hampshire residents who are newly eligible under the Affordable Care Act at a net general fund cost for the biennium of \$1.3 million. Full funding is restored to the community colleges, a top source of enrollment and thus revenue for the university system. The university system will receive an investment of more than \$150 million. This budget also repeals the education tax credit program, which will divert public resources to private and religious schools. \$25 million is appropriated to assist local and county taxpayers: \$5 million extra Meals and Rooms tax revenue to cities and towns, \$15 million to counties for long term care, and \$5 million to 60 cities and towns for drinking water, waste water, and landfill grants. We invest \$5 million in LCHIP to save important New Hampshire resources. The proposed budget for 2014/2015 makes significant investments to fund the essential services citizens expect of government. These investments will help New Hampshire continue to be the best state in which to live, work, and raise a family. Vote 14-8. Rep. Neal M. Kurk for the Minority of Finance: This budget is balanced on paper, but in ways that create more problems than they solve. This budget relies on rather rosy revenue estimates - some \$31 million higher than prudent estimates by those with an exceptional track record for accuracy. The same "rosy revenue estimates" approach was taken to balance the 2009/10 budget, and it required

a special session of the legislature to resolve. This budget relies on \$17 million of one-time tobacco settlement money to pay for on-going appropriations. As a result, the next budget will start off \$17 million in deficit. This budget relies on \$60 million in additional revenue from a 30c tobacco tax increase - 10c more than the House position - and on \$14 million by suspending business tax reductions scheduled to take effect this July. The result: small and large businesses hurt, fewer jobs created and a slower economy - not good public policy when 40,000 Granite Staters are looking for work. A 12c increase in the gas tax only makes matters worse. This budget intentionally underfunds at least two important state functions - a likely \$4 million shortfall in the overtime line at the state prison for men and a likely \$1.2 million shortfall in indigent parent defense funds - and authorizes the Fiscal Committee to cover the shortfalls by tapping into any surplus or increasing any deficit. This is not truth in budgeting. This budget also diverts about \$27 million more from the highway fund to the general fund than current statute authorizes. This money pays for traffic-related expenses in the Department of Safety. Were the current statute followed, the highway fund would receive an additional \$27 million, cutting over 3c per gallon off any proposed gas tax increase. This budget substantially expands the size of state government. In total funds, it's 10.2% larger than the current budget, growing state government at more than 5% per year at a time when the state's economy is growing around 2%. Part of that growth is expanded Medicaid under the Affordable Care Act ("Obamacare"). The cost: \$1.3 million in this budget, with likely tens of millions more in future years. Yet, despite all of its additional revenue, this budget fails to provide the \$7.2 million building aid for new school projects contemplated in the recent changes to the school building aid program. Indeed, for all its appropriations for health and human services, this budget does little to encourage economic growth and, in fact, sends the message to our business community that we plan to take millions more from them to grow state spending. This will hurt our state's employers' ability to invest, expand and create jobs. This is the wrong message to send.

#### **Majority Amendment (1166h)**

This amendment was printed in its entirety in House Record No. 28A, March 29, 2013 and is made part of this Journal by reference.

Rep. Baldasaro spoke against.

Rep. Rosenwald spoke in favor.

Majority committee amendment adopted.

#### **MOTION TO LAY ON THE TABLE**

Rep. Vaillancourt moved that **HB 1-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2014 and June 30, 2015, be laid on the table.

Rep. Shurtleff requested a roll call; sufficiently seconded.

### COMMUNICATION

April 3, 2013

Ms. Karen Wadsworth  
Clerk of the House of Representatives  
State House  
Concord, NH 03301

Dear Karen:

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Hillsborough District No. 9 (Manchester Ward-2)

William J. O'Neil, d, Manchester (309 Ash St.) 03104

Sincerely,  
William M. Gardner, Secretary of State

### REGULAR CALENDAR (CONT'D)

**HB 2-FN-A-L**, relative to state fees, funds, revenues, and expenditures. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Mary Jane Wallner for the Majority of Finance: This bill, referred to as the trailer bill, enables House Bill 1. The Finance Committee accepted the Ways and Means Committee's revenue estimates. In addition, we agreed to the Governor's request to restore the 10 cents cut from the tobacco tax in the previous budget and raise it by an additional 20 cents. We accepted the Governor's recommendation to suspend or delay new business tax credits. The passage of these initiatives by the prior legislature was irresponsible in that concurrent program cuts were never identified. House Bill 2 creates a new Office of Innovation and Efficiency to help ensure that state government functions are streamlined. We have fully funded the delayed drinking water, waste water and landfill projects in FY '15 so as to benefit 60 communities. There is a new provision that if transfers of real estate deeds occur, extra revenue goes to the Land and Community Heritage Investment Program (LCHIP). HB 2 returns the Liquor Commission to a single commissioner, appointed by the Governor and approved by the Executive Council. The bill includes a new scholarship for members of the National Guard. Because we have been unable to start funding new programs, HB 2 does not contain funding for additional school building aid, except in certain cases where safety is an issue, nor from additional charter schools. It also repeals the education tax credit program created in the previous budget that will otherwise divert millions of dollars in public resources to private and religious schools. HB 2 includes language to expand the Medicaid program to low income residents who are not otherwise eligible, along with a provision that the state may opt out of expansion at any time. A recent study suggests Medicaid expansion will contribute to \$2.5 billion in federal funds flowing into New Hampshire during this decade, creating more than 5,000 jobs, and leading to economic expansion. The Insurance Commissioner has stated that Medicaid expansion is expected to have a beneficial effect on the commercial insurance market. Uncompensated care will begin to decline; mitigating the cost shifting that is so harmful to businesses. The bill also contains a new distribution formula for uncompensated care. In addition, the bill establishes a commission to seek out a long term solution for this revenue stream. The bill lowers the cap on costs counties pay for long term care. It extends the nursing home bed moratorium and makes changes to the Certificate of Need process, eliminating conflict of interest on the board and repealing the sunset. HB 2 includes the increase in the gas tax (road toll) passed by the House. Finally, it includes a so-called "waterfall" provision to include specific appropriations if there is a surplus in this fiscal year and FY 2014. Vote 14-8.

Rep. Neal M. Kurk for the Minority of Finance: Too many of the statutory changes in this bill are not in the best interests of New Hampshire. Section 9 increases the so-called "cap" on the amount of money counties must pay for their residents' nursing home and other long-term care services. The higher the cap, the more it costs county property taxpayers, and the less is paid by the state's general fund. The result of the cap increase is a true downshift of at least \$7 million to county property taxpayers. Section 60 authorizes expanded Medicaid at a significant, yet-to-be-determined cost to the state budget that could be as high as \$85 million over the next six years. Section 88 limits the amount of money available to fund existing charter schools, and section 152 imposes a moratorium on new charter schools. This is not in the best interests of the state's school children. Section 91 repeals the education tax credits that fund the "opportunity scholarship" program enacted last session, potentially denying 2,500 low- and middle-income students the chance to join their wealthier peers and attend a school of their choice. Section 130 transfers to the governor part of the legislature's budgetary prerogative, allowing her unlimited authority to "raid" any amount from any and all dedicated funds to deal with the current budget deficit. The majority's surplus/deficit statement indicates the amount needed to be \$22.6 million. Despite a requirement that such transfers from dedicated funds to the general fund be approved by the Fiscal Committee, all dedicated funds, including LCHIP, Fish and Game and renewable energy funds, are at risk.

#### **Majority Amendment (1169h)**

This amendment was printed in its entirety in House Record No. 28, March 29, 2013 and is made part of this Journal by reference.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Kurk offered floor amendment (1193h).

#### **Floor Amendment (1193h)**

Amend the bill by replacing section 9 with the following:

9 Department of Health and Human Services; Bureau of Adult and Elderly Services; County Payment of Funds for Persons Eligible to Receive Nursing Home Services; Limitation on County Payments; Credit. RSA 167:18-a, II-III is repealed and reenacted to read as follows:

II.(a) The total billings to all counties made pursuant to this section shall not exceed the amounts set forth below for state fiscal years 2014-2015:

(1) State fiscal year 2014, \$109,000,000.

(2) State fiscal year 2015, \$109,000,000.

(b) The caps on total billings for fiscal years after fiscal year 2015 shall be established by the legislature at least on a biennial basis.

III.(a) The counties shall have an aggregate credit of \$5,000,000 against amounts due under this section for each fiscal year beginning July 1, 2008. The credit shall be allocated as follows:

(1) For fiscal year 2009, \$4,000,000 shall be allocated among the counties based upon the proportion each paid for such expenditures in the prior fiscal year, and \$1,000,000 shall be allocated among the counties based upon their relative proportions of residents age 65 or older who are Medicaid recipients.

(2) For fiscal year 2010, \$2,000,000 shall be allocated among the counties based upon the proportion each paid for such expenditures in the prior fiscal year, and \$3,000,000 shall be allocated among the counties based upon their relative proportions of residents age 65 or older who are Medicaid recipients.

(3) For fiscal year 2011 and for each fiscal year thereafter, \$5,000,000 shall be allocated among the counties based upon their relative proportions of residents age 65 or older who are Medicaid recipients.

(b) The credit shall be made available as soon as possible after the start of the fiscal year. The department shall adopt county credit criteria in consultation with the county-state finance commission and in accordance with the provisions of RSA 541-A. The total aggregate obligation of the counties shall be reduced by the amount of the credit in each fiscal year.

(c) For the biennium ending June 30, 2015, the counties shall have an additional credit against the amounts due for long term care expenditures under RSA 167:18-a. The credit in the amount of \$2,500,000 for the fiscal year ending June 30, 2014 and \$2,500,000 for the fiscal year ending June 30, 2015 shall be in addition to the \$5,000,000 annual credit set forth in subparagraph (a). The percentage of the credit that each county receives shall be the same as its percentage of the total Medicaid bed days in county nursing homes in the preceding year, and shall be made available to the county as soon as possible after the start of the fiscal year. The total aggregate obligation of the counties shall be reduced by the amount of the credit in each fiscal year.

Amend section 8 of the bill by inserting after paragraph III the following new paragraph:

IV. In addition to any other sums appropriated to the department of health and human services for the biennium ending June 30, 2015, the following appropriations and charges are hereby authorized for the department of health and human services. Said appropriations shall be a charge against the funds as specified in the individual appropriation:

<u>Accounting Unit</u>	<u>Class</u>	<u>Dept/Agency</u>	<u>Fund Source</u>	<u>FY 2014</u>	<u>FY 2015</u>
05-95-48		HHS: Elderly and Adult Services			
		Nursing Services- County			
05-95-48-4815-5942		Participation			
		Nursing Services- County	Private Local		
05-95-48-4815-5942	005	Participation	Funds(Counties)	(\$900,000)	(\$6,050,000)
		Nursing Services- County			
05-95-48-4815-5942		Participation	General Funds	\$900,000	\$6,050,000

Amend the bill by inserting the following new section:

170 Uncompensated Care Fund; Transfer to General Fund. The sums of \$900,000 for the fiscal year ending June 30, 2014 and \$6,050,000 for the fiscal year ending June 30, 2015 are hereby transferred from the uncompensated care fund to the general fund as unrestricted revenue. These amounts shall be in addition to amounts listed as unrestricted revenue from the Medicaid enhancement tax in the operating budget.

#### AMENDED ANALYSIS

110. Makes transfers from the uncompensated care fund to the general fund.

Rep. Kurk spoke in favor.

Rep. Spratt spoke against and yielded to questions.

Rep. Gary Richardson requested a roll call; sufficiently seconded.

and floor amendment (1193h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Lynne Ober offered floor amendment (1196h).

**Floor Amendment (1196h)**

Amend the bill by replacing section 3 with the following:

3 School Building Aid; Alternative School Building Aid.

I. Notwithstanding RSA 198:15-a through RSA 198:15-hh and RSA 198:15-u through RSA 198:15-w, the commissioner of the department of education shall issue no school building aid or alternative school building aid for any project approved on or after July 1, 2013 through June 30, 2014.

II.(a) The commissioner of the department of education, upon recommendation of the state fire marshal, may grant a waiver to the suspension of school building aid under paragraph I if the state fire marshal or designee determines, based on reasonable information and belief, that:

(1) The condition of such school building or portion thereof constitutes a clear and imminent danger to the life or safety of occupants or other persons, and requires remediation prior to July 1, 2015; or

(2) A structural deficiency in the function or operation of a school building or portion thereof presents a substantial risk to the life or safety of the occupants or other persons, and is more than a technical violation of the fire code, and requires remediation prior to July 1, 2015.

(b) Any school building aid provided under a waiver granted pursuant to this paragraph shall be limited to the costs associated with the remediation of the conditions or structural deficiencies set forth in this paragraph.

Amend the bill by replacing paragraph III of section 160 with the following:

III.(a) Any surplus determined under paragraphs I and II shall be used to fund the programs listed in the following order of priority:

	<u>FY 2014</u>	<u>FY 2015</u>
(1) Uncompensated Care	\$6,400,000	\$26,500,000
(2) University System of New Hampshire	\$6,000,000	\$6,000,000
(3) Chartered Public Schools	\$1,012,550	\$1,446,500

(b) The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

(c) Funding authorized for chartered public schools in subparagraph III(a)(3) shall be in addition to any other funding authorized and in excess of any limitations on funding established for the biennium in this act. If surplus general funds determined in paragraphs I and II are sufficient to fund chartered public schools in subparagraph III(a)(3), the provisions of section 152 of this act shall be null and void.

Amend the bill by inserting the following new sections:

170 Appropriation; School Building Aid. The sum of \$7,200,000 for the fiscal year ending June 30, 2015 is hereby appropriated to the department of education for the school building aid program established in RSA 198. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

171 Uncompensated Care Fund; Transfer to General Fund. The sum of \$7,200,000 for the fiscal year ending June 30, 2015 is hereby transferred from the uncompensated care fund to the general fund as unrestricted revenue. This amount shall be in addition to amounts listed as unrestricted revenue from the Medicaid enhancement tax in the operating budget.

### AMENDED ANALYSIS

3. Provides that no school or building aid or alternative school building aid grants shall be made to school districts for projects approved on or after July 1, 2013 through June 30, 2014, and provides for a waiver of the suspension of school building aid.

110. Appropriates funds for the school building aid program for the fiscal year ending June 30, 2015.

111. Makes transfers from the uncompensated care fund to the general fund.

Rep. Lynne Ober spoke in favor.

Rep. Wallner spoke against.

Rep. Gary Richardson requested a roll call; sufficiently seconded.

and floor amendment (1196h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Lynne Ober offered floor amendment (1163h).

### **Floor Amendment (1163h)**

Amend the bill by replacing section 160 with the following:

#### **160 Use of Surplus General Funds to Mitigate Certain Spending Reductions.**

I. Notwithstanding the provisions of RSA 9:13-e, at the close of the fiscal year ending June 30, 2013 and the fiscal year ending June 30, 2014, any surplus, as determined by the official audit performed pursuant to RSA 21-I:8, II(a) shall be used to fund the programs in paragraph III in priority order in fiscal year 2014 and 2015, respectively.

II. In the event of a general fund operating budget surplus, the comptroller shall notify the fiscal committee of the general court and the governor by January 30 requesting that such surplus, to the extent available, be appropriated to the programs listed in paragraph III in priority order in fiscal year 2014 and 2015, respectively.

III.(a) Any surplus determined under paragraphs I and II shall be used to fund the programs listed in the following order of priority:

	<u>FY 2014</u>	<u>FY 2015</u>
(1) Building Aid	\$0	\$7,200,000
(2) Uncompensated Care	\$6,400,000	\$26,500,000
(3) University System of New Hampshire	\$6,000,000	\$6,000,000
(4) Chartered Public Schools	\$1,012,550	\$1,446,500

(b) The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

(c) In the event that surplus general funds are sufficient to fund school building aid in fiscal year 2015 in subparagraph III(a)(1), the provisions of section 3 of this act shall not apply to fiscal year 2015.

(d) Funding authorized for chartered public schools in subparagraph III(a)(4) shall be in addition to any other funding authorized and in excess of any limitations on funding established for the biennium in this act. If surplus general funds determined in paragraphs I and II are sufficient to fund chartered public schools in paragraph III(a)(4), the provisions of section 152 of this act shall be null and void.

IV.(a) Any funds remaining from the fiscal year 2013 surplus after the appropriations in paragraphs I and II shall be deposited in the revenue stabilization reserve account.

(b) Any funds remaining from the fiscal year 2014 surplus after the appropriations in paragraphs I and II shall remain in the general fund.

Rep. Lynne Ober spoke in favor.

Rep. Wallner spoke against.

Rep. Gary Richardson requested a roll call; sufficiently seconded.

and floor amendment (1177h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Umberger offered floor amendment (1178h).

### Floor Amendment (1178h)

Amend the bill by replacing section 130 with the following:

130 Department of Administrative Services; Transfer of Dedicated Funds; General Fund Reimbursement.

I. Notwithstanding RSA 6:12 or any other law to the contrary, for the fiscal year ending June 30, 2013, the governor is hereby authorized to identify an amount of dedicated funds for transfer to

the general fund, sufficient to cover the budget shortfall. The department of administrative services, with prior approval of the fiscal committee of the general court, shall transfer the amounts of the funds identified by the governor to the general fund.

II. For the fiscal year ending June 30, 2013, the commissioner of administrative services shall file a report of all reimbursements of general fund costs resulting from settlements or other means to the fiscal committee of the general court.

III. The following dedicated funds listed in RSA 6:12, I (b) shall be exempt from paragraph I of this section:

(17) Money received under RSA 481:32, which shall be credited to the dam maintenance fund established under RSA 482:55.

(33) Money received in accordance with RSA 216-A:3-i which shall be credited to the state park fund.

(40) Moneys received under RSA 106-H which shall be credited to the enhanced 911 system fund established in RSA 106-H:9.

(42) Moneys received under RSA 233-A:13 and RSA 270-E: 5, II(d) which shall be credited to the statewide public boat access fund established in RSA 233-A:13.

(60) The designated portion of moneys received under RSA 261:97-a, which shall be credited to the conservation number plate trust fund established in RSA 261:97-b.

(99) Moneys deposited in the unemployment compensation and employment service administration fund under RSA 282-A:138.

(100) Moneys deposited in the unemployment compensation fund under RSA 282-A:103.

(110) Moneys deposited in the OHRV and snowmobile fund under RSA 215-A:3, VII and RSA 215-C:2, VIII.

(116) Moneys deposited in the trust fund for the New Hampshire land and community heritage investment trust program under RSA 227-M:7.

(160) Moneys deposited in the fish and game search and rescue fund under RSA 206:42.

(186) Moneys deposited in the wildlife habitat account under RSA 214:1-f, V.

(254) Moneys deposited in the game management account established in RSA 206:34-b.

Rep. Umberger spoke in favor and yielded to questions.

Rep. Daniel Eaton spoke against.

Rep. Gary Richardson requested a roll call; sufficiently seconded.

and floor amendment (1194h) failed.

The House recessed at 12:45 p.m.

**RECESS**

The House reconvened at 1:55 p.m.

**(Speaker Norelli in the Chair)**

**REGULAR CALENDAR – HB 2-FN-A-L CONT'D**

The question being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Kurk offered floor amendment (1195h).

**Floor Amendment (1195h)**

Amend the bill by replacing sections 98-99 with the following:

98 Tobacco Tax Rate Increased. Amend RSA 78:7 to read as follows:

78:7 Tax Imposed. A tax upon the retail consumer is hereby imposed at the rate of [~~\$1.68~~] **\$1.88** for each package containing 20 cigarettes or at a rate proportional to such rate for packages containing more or less than 20 cigarettes, on all cigarettes sold at retail in this state. The payment of the tax shall be evidenced by affixing stamps to the smallest packages containing the cigarettes in which such products usually are sold at retail. The word "package" as used in this section shall not include individual cigarettes. No tax is imposed on any transactions, the taxation of which by this state is prohibited by the Constitution of the United States.

99 Tobacco Tax Rate. Amend RSA 78:7-c to read as follows:

78:7-c Tax Imposed on Tobacco Products Other Than Cigarettes. A tax upon the retail consumer is hereby imposed on tobacco products other than cigarettes at a rate of [~~48~~] **53.7** percent of the wholesale sales price. The tax under this section may be rounded to the nearest cent if the commissioner determines that the amount of tax would not thereby be made materially disproportionate. No such tax is imposed on any transactions, the taxation of which by this state is prohibited by the Constitution of the United States. No such tax shall be imposed on premium cigars.

Amend the bill by inserting the following new section:

170 Uncompensated Care Fund; Transfer to General Fund. The sums of \$10,000,000 for the fiscal year ending June 30, 2014 and \$10,000,000 for the fiscal year ending June 30, 2015 are hereby transferred from the uncompensated care fund to the general fund as unrestricted revenue. These amounts shall be in addition to amounts listed as unrestricted revenue from the Medicaid enhancement tax in the operating budget.

**AMENDED ANALYSIS**

110. Makes transfers from the uncompensated care fund to the general fund.

Rep. Kurk spoke in favor and yielded to questions.

Rep. Hatch spoke against and yielded to questions.

Rep. Gary Richardson requested a roll call; sufficiently seconded.

and floor amendment (1195h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Cebrowski offered floor amendment (1186h).

**Floor Amendment (1186h)**

Amend the bill by inserting the following new section:

170 New Position; Department of Resources and Economic Development.

I. The intent of this section is to provide additional funds to the division of economic development within the department of resources and economic development to strengthen New Hampshire's economy by recruiting and relocating more advanced manufacturing and high technology businesses with higher paying jobs to the state and increasing the exports of existing New Hampshire businesses. This will result in an increase in the state's business tax revenue for needed state services.

II. There is established in the department of resources and economic development, division of economic development in accounting unit 03-35-35-3505-3612, an industrial agent-at-large position for the purpose of promoting international trade by New Hampshire industries.

III. In addition to any other sums appropriated for the biennium ending June 30, 2015, the following appropriations and charges are hereby authorized for the department of resources and economic development, division of economic development. Said appropriations shall be a charge against the funds as specified in the individual appropriation:

<u>Accounting Unit</u>	<u>Class</u>	<u>Department/Agency</u>	<u>Fund Source</u>	<u>FY 2014</u>	<u>FY 2015</u>
03-35-35-3505-3600	046	Consultants	General Funds	\$2,500	\$2,500
03-35-35-3505-3600	066	Employee Training	General Funds	\$5,000	\$5,000
03-35-35-3505-3600	069	Promotional Marketing Exp	General Funds	\$100,000	\$100,000
03-35-35-3505-3600	070	In State Travel	General Funds	\$1,000	\$1,000
03-35-35-3505-3610	080	Out of State Travel	General Funds	\$20,000	\$20,000
03-35-35-3505-3612	010	Personal Services-Perm Clas	General Funds	\$48,770	\$50,915
03-35-35-3505-3612	060	Benefits	General Funds	\$25,818	\$27,672

**AMENDED ANALYSIS**

110. Establishes an industrial agent-at-large position in the department of resources and economic development and makes appropriations to fund the position.

Rep. Daniel Eaton spoke against.

Rep. Cebrowski spoke in favor, yielded to questions and requested a roll call; sufficiently seconded.

and floor amendment (1219h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.  
Rep. Hoell offered floor amendment (1190h).

### Floor Amendment (1190h)

Amend RSA 200-N:3, V as inserted by section 90 of the bill by replacing it with the following:

V. Procedures for determining the amount of funds available each fiscal year for scholarships, provided that not more than \$200,000 per fiscal year shall be disbursed.

**AMENDED ANALYSIS**

57. Establishes a needs-based scholarship program and limits the amount of scholarship funds disbursed in a fiscal year.

Rep. Ford spoke against and yielded to questions.

Rep. Hoell spoke in favor and requested a roll call; sufficiently seconded.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.  
Rep. Hoell offered floor amendment (1204h).

### Floor Amendment (1204h)

Amend the bill by replacing section 84 with the following:

84 Adequate Education Grants; Tuition Payments to Chartered Public Schools. Amend RSA 198:42, IV to read as follows:

IV. For the fiscal year-beginning July 1, [2011] **2013**, and every fiscal year thereafter, the ~~[department of education may expend funds up to 110 percent of budgeted amounts as]~~ **amount** necessary to fund chartered public school tuition payments under RSA 194-B:11, I[- Said amounts ~~are~~] is hereby appropriated to the department from the education trust fund established under RSA 198:39. The education trust fund shall be used to satisfy the state's obligation under this paragraph. The payment shall be issued regardless of the balance of funds available in the education trust fund. ~~[In the event that chartered public school tuition payments exceed budgeted amounts by over 10 percent, the department of education may expend funds in excess of said amounts, with the approval of the fiscal committee of the general court and governor and council. Said funds shall be paid from the education trust fund established under RSA 198:39 upon the warrant of the governor out of any money in the fund not otherwise appropriated.]~~

Amend the bill by deleting section 88.

### AMENDED ANALYSIS

54. Appropriates the amount necessary to fund chartered public schools each fiscal year, and requires the state board of education to approve chartered public school applications involving changes in enrollment and review whether a proposed chartered public school will serve a geographic or programmatic need in the state.

Delete paragraph 55.

Reps. Dan McGuire and Shaw spoke in favor.

### (Rep. Kaen in the Chair)

Rep. Myler spoke against.

Rep. Hoell requested a roll call; sufficiently seconded.

and floor amendment (1204h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.  
Rep. Kurk offered floor amendment (1199h).

### Floor Amendment (1199h)

Amend the bill by inserting the following new section:

170 Moratoriums; Wind Turbine Plants; Electric Transmission Line Projects. Notwithstanding any provision of law to the contrary, there are hereby established moratoriums on the construction of wind turbine plants and electric transmission line projects in the state of New Hampshire until June 30, 2014. The site evaluation committee, established in RSA 162-H:3, shall issue no certificates for wind turbine plants and electric transmission line projects under RSA 162-H while such moratoriums are in effect.

### AMENDED ANALYSIS

110 Establishes moratoriums on the construction of wind turbine plants and on electric transmission line projects until June 30, 2014.

Rep. Kurk spoke in favor and yielded to questions.

Rep. Pastor spoke against.

Rep. Gary Richardson requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

### **HB 25-FN-A, making appropriations for capital improvements. OUGHT TO PASS WITH AMENDMENT.**

Rep. David B. Campbell for Public Works and Highways: The Capital Budget addresses the non-highway capital improvements, needs, repairs and investments in state-owned buildings, facilities, parks, Career Technical Centers, post-secondary public institutions, etc. As capital expenditures, these costs are bonded typically over 20 years, and less for equipment and information technology. Critical and deferred maintenance makes up a large part of this budget. The Capital Budget as amended reduces the General Fund portion as proposed by the Governor by over \$5.2 million, and provides for various matching funds, which bring in over \$51 million in new federal monies. The State's capital needs far exceed what it can afford, but importantly this budget is less than the State Treasurer's recommended maximum of \$125 million in General Fund bonds based on the State's debt ratio and affordability. The committee also reduced the amount of Highway Funds to be bonded by almost \$7 million (34%) from the bill as proposed. The biggest and most controversial item in this budget was the expenditure of \$38 million in this biennial budget for a new Women's State Prison. The committee tried to spread these costs out over two biennia, but ultimately, concluded this was impractical based on input from Administrative Services (regarding contractual issues) and the Attorney General's office (regarding a current law suit over the Women's Prison). The Committee established the site for the prison as adjacent to the existing Men's Prison in Concord. This will

result in savings by utilizing existing infrastructure, programs and staffing efficiencies. This bill also requires a great deal of legislative accountability by the Capital Budget Overview Committee. Administrative Services received additional funding under this bill for a number of prioritized deferred maintenance projects (mostly new roofs) in Executive, Legislative and Judicial buildings. This budget also completes the funding of the repair and refurbishment of the State House dome and adds a new voting system for Representatives Hall. As in the last several biennia, the committee has recommended that the House provide funds for renovation and upgrading of equipment for two regional Career and Technical Centers (CTE's). The two funded in HB25 are located in Whitefield and Salem and serve a total of 29 communities and their respective high schools' technical education programs. Environmental Services receives about 80% in matching federal funds for municipal waste water and drinking water programs. Additionally, money is appropriated for dam repair and replacement. Health and Human Services also receives a great deal of federal funds under this budget. This bill includes \$2.1 million for the construction of ten new Psychiatric Crisis Beds at the State Hospital. This bill funds the Bureau of Information Technology and continues to make computer, network and security upgrades, including additional funds for the Business One Stop Center. The Business One Stop Center is designed to make it easier for new and existing businesses to interact with the State, and help NH compete for businesses with other states by becoming a model for business access and efficiency. However, the committee reduced the funding of this project by \$2.6 million based on its' view of what could be completed in two years. The capital bonding for the Judicial Branch includes completing the funding of the E-Court initiative, saving time and travel expenses for State, County and Local officials. HB 25 funds important equipment upgrades at the Veteran's Home by receiving a 2/3 federal match of over \$1 million. In an effort to continue to maximize liquor revenues to the state this Capital Budget includes funding for three new liquor stores (in Salem, Epping and Warner) from the Liquor Enterprise Fund. The recent stores recommended by the Liquor Commission have paid themselves back well ahead of the estimates. For example, the Nashua store paid itself back in one year, and without decreasing sales in nearby stores, which still showed positive growth. The committee increased the Department of Resources and Economic Development bonds by almost \$1.5 million for state-wide State Park system critical repairs and renovations such as roof replacements, fire tower repairs, new toilets and parking lot repairs and expansions. As in prior Capital Budgets this bill continues to fund another \$1 million in Hampton Beach seawall repairs. The committee also phased and funded 40% (\$2 million) of the Department of Safety's request for radio tower and infrastructure upgrades and funded the renovations of the Marine Patrol Headquarters (the source of funds is the Navigation Safety Fund) at \$9.38 million, which is \$1.7 million less than the Governor's recommendation. Committee members felt strongly that bonding Kindergarten construction was not appropriate for the capital budget and removed it, with assurances from the Senate Finance Committee that it will be addressed in the operating budget. The Committee accepted the Governor's recommendation of \$7.5 million for the University System of New Hampshire, down from the \$35 million it received in each of the past six capital budgets. This bill also funds \$8 million (an increase of \$500,000 over the Governor's budget) for the Community College System of New Hampshire, which will in addition to their critical capital needs, allow for substantial completion of a new Auto Collision, Marine and Culinary facility in Laconia. After deferred maintenance and critical capital needs, the committee's priorities were to fund projects which have a positive payback, thereby saving taxpayer dollars, and projects which attract and promote tourism. This bill provides for hundreds of construction jobs throughout the state in all ten counties. Vote 19-0.

#### **Amendment (1150h)**

Amend the bill by replacing all after the enacting clause with the following:

1 Capital Appropriations. The sums hereinafter detailed are hereby appropriated for the projects specified to the departments, agencies, and branches named:

##### **I. Adjutant General**

A. Unspecified Minor Military Construction	\$5,500,000
Less Federal	<u>-5,500,000</u>
Net state appropriation subparagraph A	0
B. Land For Manchester Field Maintenance Shop	1,000,000
C. Statewide Readiness Center Restoration and Modernization	1,750,000
Less Federal	<u>-875,000</u>
Net state appropriation subparagraph C	875,000

D. Federal Property Conv to Readiness Cntr and Maint. Shop	1,000,000
Less Federal	<u>-750,000</u>
Net state appropriation subparagraph D	250,000
E. Manchester Field Maintenance Shop Design	2,500,000
Less Federal	<u>-2,500,000</u>
Net state appropriation subparagraph E	0
F. Columbarium Expansion	675,000
Less Federal	<u>-675,000</u>
Net state appropriation subparagraph F	0
Total state appropriation paragraph I	\$2,125,000
II. Department of Administrative Services	
A. Statewide Projects	
1. Emergency Repairs-All State Owned Facilities	\$500,000
2. Statewide Energy Efficiency Improvements	500,000
B. General Services	
1. Records and Archives-New Roof	480,000
2. DHHS HVAC Repairs	775,000
3. Morton Building Cooling Tower	217,000
4. State House Dome Repair	472,445
5. Health and Human Services Vault Upgrade	145,000
6. House of Representatives Voting System Software- LED Summary Displays	560,000
7. State House Annex – Replace Roof	450,000
8. Facilities Condition Analysis	400,000
9. Legislative Office Building Elevator Upgrade	330,000
C. Facilities and Asset Management	
1. Dolloff Domestic Water Main Replacement	260,000
2. Driveway/Parking and Walkway Paving Phase 3	790,000
3. Main Building Asbestos Abatement/Lead Paint Control	630,000
4. Main Building Window Replacement Phase 1	450,000
D. Court Facilities	
1. Coos County Courthouse-Bullnose Repairs	240,000
2. Concord District Courthouse-New Roof	245,000
3. Rockingham County Superior Court – Replace Roof	551,250
4. Rockingham County Superior Court – Replace Cooling Tower	217,000
5. Lebanon District Court – Replace Roof	<u>142,000</u>
Total state appropriation paragraph II	\$8,354,695
III. Department of Agriculture, Markets and Food	
A. New Hampshire Building-Eastern States Expo-Roof Replacement	<u>\$235,000</u>
Total state appropriation paragraph III	\$235,000
IV. Department of Corrections	
A. 224 Bed Women's Prison and Transitional Housing Facility*	\$38,000,000
B. Remove and Replace 2, 20,000 Gallon Oil Tanks and one 5,000 Gallon Diesel Tank	130,000
C. Electronic Medical Records System	<u>500,000</u>
Total state appropriation paragraph IV	\$38,630,000
* The project in subparagraph A shall utilize the construction management method of contracting. The design for the project shall be submitted no later than April 1, 2014 to the capital budget overview committee for approval and shall include sufficient acreage for possible expansion to 350 beds for future needs. The primary location for the siting of the facility shall be in Concord on state lands adjacent to the men's prison. If an alternative location is deemed necessary, the siting for the facility shall be subject to prior approval of the capital budget overview committee. The department shall report quarterly to the capital budget overview committee on the status of the project.	
V. Department of Education	
A. Renovation of CTE Center-Whitefield- State Share*	\$13,500,000
B. Renovation of CTE Center-Salem- State Share*	<u>10,775,000</u>
Total state appropriation paragraph V	\$24,275,000

\* The funds appropriated to the department of education in subparagraphs A and B for CTE centers in Whitefield and Salem shall not be spent, obligated, or encumbered until such time as an action plan has received approval from the capital budget overview committee.

VI. Department of Environmental Services

A. Dam Repairs and Reconstruction	\$3,115,000
B. Drinking Water SRF Matching Funds	3,487,988
C. Clean Water SRF Matching Funds	1,970,352
Less Other Funds*	<u>-1,970,352</u>
Net state appropriation subparagraph C	0
D. Flood Warning and Operations Improvements	<u>225,000</u>
Total state appropriation paragraph VI	\$6,827,988

\* To provide funds for the appropriation made in subparagraphs VI, C, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$1,970,352 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes pursuant to subparagraph VI, C shall be made from the state water pollution control and drinking water revolving loan funds established in RSA 486:14.

VII. Department of Health and Human Services

A. Glencliff Fire and ADA Code Compliance	470,000
B. APS Security and Safety Upgrades	500,000
C. Glencliff Residential Building Security	225,000
D. Glencliff Hydro Dam Repair	655,000
E. New Heights Incremental Modernization	16,843,842
Less Federal	<u>-11,959,128</u>
Net state appropriation subparagraph E	4,884,714
F. Child Support Systems Maintenance and Enhancement	5,550,000
Less Federal	<u>-3,663,000</u>
Net state appropriation subparagraph F	1,887,000
G. Food Protection Data System	280,000
Less Other Funds*	<u>-210,000</u>
Net state appropriation subparagraph G	70,000
H. Psychiatric Crisis Beds	2,150,000
I. Bridges Modernization Project	1,000,000
Less Federal	<u>-500,000</u>
Net state appropriation subparagraph I	<u>500,000</u>
Total state appropriation paragraph VII	\$11,341,714

\* To provide funds for the appropriation made in subparagraph VII, G, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$210,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes pursuant to subparagraph VII, G shall be made from the public health services special fund under RSA 143:11.

VIII. Department of Information Technology

A. Business One Stop	\$2,000,000
B. Enterprise Licensing Solution	2,295,000
C. Network Access Control	<u>560,000</u>
Total state appropriation paragraph VIII	\$4,855,000

IX. Judicial Branch

A. E-Court Initiative	\$3,500,000
B. Furnishings and Security Equipment-Cheshire County Courthouse	<u>200,000</u>
Total state appropriation paragraph IX	\$3,700,000

X. Department of Justice

A. Installation of Video Conferencing Hardware	\$62,000
B. ProLaw Upgrade	497,010
Less Other Funds*	<u>-27,187</u>
Net state appropriation subparagraph B	<u>469,823</u>
Total state appropriation paragraph X	\$531,823

\* To provide funds for the appropriation made in subparagraphs X, B, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$27,187 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes pursuant to subparagraph X, B shall be made from agency income.

#### XI. Liquor Commission

A. New Salem Retail Store	\$5,400,000
Less Other Funds*	<u>-5,400,000</u>
Net state appropriation subparagraph A	0
B. Hampton North and South Renovations	6,380,000

3 Capital Appropriation; University System of New Hampshire. The sums hereinafter detailed are appropriated for the projects specified:

A. Lump Sum for Capital Projects	<u>\$7,500,000</u>
Total state appropriation section 3	<u>\$7,500,000</u>

4 Expenditures; General. The appropriation made for the purposes mentioned in sections 1 and 2 of this act and the sums available for those projects shall be expended by the trustees, commissions, commissioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 21-I and RSA 228.

5 Expenditures; University System of New Hampshire.

I. The appropriations made for the purposes mentioned in section 3 of this act and the sums available for these projects shall be expended by the trustees of the university system of New Hampshire. All contracts for the construction of all or any part of said buildings or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less than 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. The appropriations made in section 3 of this act are available for all costs incidental to the completion of the projects enumerated including the costs of the services of architects, engineers, and other consultants of such kind and capacity as the university system board of trustees, in its discretion, may wish to employ on such terms and conditions as the board determines. These moneys shall be spent under the direction of the university system board of trustees.

III. If, in the judgment of the trustees of the university system, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder; or, if the next lowest bid should be rejected, the contract may be awarded to the third lowest bidder.

IV. The board of trustees of the university system has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a contract for the construction on terms considered most advantageous to the university system and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

V. Notwithstanding paragraphs I, III, and IV, the sums appropriated by section 3 of this act for all or any of the projects listed in section 3 of this act, may be expended and awarded by the trustees of the university system; provided that all contracts for all or any part of the building or facilities shall follow construction management procurement procedures and guidelines. If the trustees select construction management pursuant to this paragraph, paragraphs I, III, and IV shall not apply and the trustees shall retain the right to reject or negotiate following accepted construction management practices.

6 Land Acquisition. Any land acquired under the appropriations made in sections 1 and 2 of this act, if any, as may be acquired under the appropriation except such land if any as may be acquired for the water resources board, shall be purchased by the commissioner of the department of transportation or the commissioner of administrative services, as appropriate, with the approval of governor and council.

7 Bond Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, and 3 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$176,430,748 and for said purposes may issue bonds and

notes in the names and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. The source of funds shall be as follows: general fund \$124,201,396, highway funds \$13,277,500, and other funds \$38,951,852.

8 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 3 shall be made when due from the general funds in the state.

II. The payment of principal and interest on bonds issued for the projects in section 2 shall be made from the highway fund.

9 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

II. To accept any federal funds which are, or become available for any project under sections 1 and 2 of this act beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 7 of this act shall be reduced by the same amount.

10 Transfers. The individual project appropriations provided in sections 1 and 2 of this act shall not be transferred or expended for any other purposes; provided that if there is a balance remaining after an individual project, which is fully funded by state funds, is completed, accepted, and final payment made, said balance or any part thereof may be transferred by Governor and Council, to any other individual project or projects, which are also fully funded by state funds, within the same section and from the same funding source, provided that prior approval of the capital budget overview committee is obtained.

11 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1 and 2 of this act is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such projects and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 7 of this act shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

12 Bureau of Public Works Design and Construction Inspection Services; Davis-Bacon Act Compliance. The appropriations for those projects which are managed by the bureau of public works design and construction, department of administrative services, may be expended to fund temporary personnel for the purpose of providing construction inspection services and Davis-Bacon Act Compliance services for projects utilizing federal funds, for those projects included in this act.

I. The sum of \$3,000,000 from the unencumbered balances of the projects amended by sections 17 through 23 of this act are hereby transferred to the department of information technology for the purpose of funding the capital project of productivity suite desktop security.

II. All contracts and projects and plans and specifications therefor for the project authorized in this section shall be awarded in accordance with the provisions of RSA 21-I.

III. The appropriations in sections 17 through 23 of this act as amended and transferred in this section are hereby extended and shall not lapse until June 30, 2015.

25 Commission Established; Construction of 400th Anniversary Memorial at Ragged Neck in Rye Harbor State Park.

I. There is hereby established a commission to oversee the design, siting, and construction of a memorial commemorating the 400th anniversary of the discovery of the Isles of Shoals by John Smith at Ragged Neck in Rye Harbor State Park, using the funds appropriated in section 1, paragraph XII, G of this act.

II. The members of the commission shall be as follows:

- (a) Two members of the house of representatives, one from each major political party, appointed by the speaker of the house of representatives.
- (b) Two members of the senate, one from each major political party appointed by the president of the senate.
- (c) The commissioner of the department of resources and economic development, or designee.
- (d) The commissioner of the department of cultural resources, or designee.
- (e) One person appointed by the governor.

III. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

IV. The commission shall advise the department of resources and economic development, division of parks and recreation, on the design, siting, and construction of a monument at Ragged Neck in Rye Harbor State Park commemorating the 400th anniversary of the discovery of the Isles of Shoals by John Smith. The commission shall approve the design and location of the memorial prior to construction. The commission shall also monitor the raising of private funds required for the state match to expend the state capital appropriation for the construction of the memorial.

V. The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named house member. The first meeting of the commission shall be held within 45 days of the effective date of this section. Four members of the commission shall constitute a quorum. The commission shall meet as necessary until completion of the project.

110. The appropriation made to the department of transportation in 1999, 226:1, XIII, C, extended by 2001, 202:28, XXXIII extended by 2003, 240:34, LXXVI extended by 2005, 259:25, LVI extended by 2007, 264:29 LXXIV extended by 2009, 145:19, 64 extended by 2011, 253:28, 98 for acquisition for railroad and airport properties.

111. The appropriation made to the New Hampshire veterans' home in 2011, 253:1, XV, A for electronic medical records.

27 Effective Date.

I. Section 26 of this act shall take effect June 30, 2013.

II. The remainder of this act shall take effect July 1, 2013.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.  
Rep. Beaudoin offered floor amendment (1207h).

#### **Floor Amendment (1207h)**

Amend paragraph IV of section 1 of the bill by replacing it with the following:

##### **IV. Department of Corrections**

A. Remove and Replace 2, 20,000 Gallon Oil Tanks and one 5,000 Gallon Diesel Tank	130,000
---	---------

B. Electronic Medical Records System	<u>500,000</u>
--------------------------------------	----------------

Total state appropriation paragraph IV	\$630,000
--	-----------

Amend the total state appropriation section 1 by replacing it with the following:

Total state appropriation section 1	\$78,701,396
-------------------------------------	--------------

Amend the bill by replacing section 7 with the following:

7 Bond Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, and 3 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$138,430,748 and for said purposes may issue bonds and notes in the names and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. The source of funds shall be as follows: general fund \$86,201,396, highway funds \$13,277,500, and other funds \$38,951,852.

Amend the bill by inserting after section 26 the following and renumbering the original section 27 to read as 28:

27 Committee Established; State Prison for Women. There is established a committee to study alternatives to the construction of a new facility for the state prison for women.

I. The members of the committee shall be as follows:

(a) Four members of the house of representatives, appointed by the speaker of the house of representatives.

(b) Two members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The committee shall study alternatives to the construction of a new facility for the state prison for women. The committee shall examine whether the state should confine the number of female prisoners over the capacity of the current state prison for women at the Strafford county correctional facility or at other county correctional facilities with excess capacity. The committee shall also determine the feasibility of expanding the current facilities at the state prison for women in Goffstown.

IV. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

V. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2013.

Reps. Beaudoin and Burt spoke in favor.

Rep. Campbell spoke against and yielded to questions.

Rep. Burt requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

**RESOLUTION**

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, April 24, 2013 at 10:00 a.m.

Adopted.

**LATE SESSION****Third reading and final passage**

**HB 1-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2014 and June 30, 2015.

**HB 2-FN-A-L**, relative to state fees, funds, revenues, and expenditures.

**HB 25-FN-A**, making appropriations for capital improvements.

**UNANIMOUS CONSENT**

Rep. Carroll addressed the House.

**RECESS MOTION**

Rep. Shurtleff moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports.

Adopted.

The House recessed at 5:00 p.m.

**RECESS**

**(Rep. Graham in the Chair)**

**RESOLUTION**

Rep. Shurtleff offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 3, 25, 27, 75, 98, 99, 108, 123, 129, 134, 143, 147, 148, 162,

163, 164, 166, 169, 175, 180, 184, 191 and 198 and Senate Concurrent Resolution numbered 1 shall be by this resolution read a first and second time by the therein listed titles and referred to the therein designated committees.  
Adopted.

## INTRODUCTION OF SENATE BILLS AND SCR

### First, second reading and referral

**SB 3-FN**, eliminating certain ramp tolls on the Everett turnpike in the town of Merrimack. (Public Works and Highways)

**SB 25**, relative to the treatment of medical support in child support cases. (Children and Family Law)

**SB 27**, relative to monitoring by the department of education of programs for children with disabilities. (Education)

**SB 75**, relative to games of chance. (Ways and Means)

**SB 98**, authorizing group net metering for limited electrical energy procedures and establishing a committee to study reimbursement rates for excess electricity generated by customer-generator groups. (Science, Technology and Energy)

**SB 99**, requiring the site evaluation committee to direct a study of site evaluation criteria and establishing a committee to study the criteria for siting of wind powered electric generating facilities, other electric generating facilities, and transmission facilities. (Science, Technology and Energy)

**SB 108**, relative to the liability of landowners who permit use of their land for recreational activities. (Judiciary)

**SB 123-FN-L**, relative to the use of proceeds from the regional greenhouse gas initiative program. (Science, Technology and Energy)

**SB 129-FN**, relative to court-ordered placements in shelter care facilities and at the Sununu Youth Services Center, relative to the children in need of services (CHINS) program, and establishing a committee to study programs for children in need. (Children and Family Law/Finance)

**SB 134-FN**, relative to the division of higher education and the higher education commission. (Education/Ways and Means)

**SB 143-FN**, relative to benefits for unemployed persons who are attempting to establish a business. (Labor, Industrial and Rehabilitative Services)

**SB 147-FN**, relative to prescription drugs in workers' compensation cases. (Labor, Industrial and Rehabilitative Services)

**SB 148-FN**, relative to electric renewable portfolio standards. (Science, Technology and Energy)

**SB 162-FN**, repealing the student tuition guaranty fund and making provisions for the disbursement of remaining funds, and relative to the membership of the higher education commission. (Education/Finance)

**SB 163**, establishing a commission to recommend legislation to prepare for projected sea level rise and other coastal and coastal watershed hazards. (Resources, Recreation and Development)

**SB 164**, authorizing coastal management provisions in master plans. (Resources, Recreation and Development)

**SB 166**, relative to critical incident stress management and crisis intervention services. (Health, Human Services and Elderly Affairs/Judiciary)

**SB 169**, relative to non-covered services under dental insurance plans. (Commerce and Consumer Affairs)

**SB 175**, relative to crossing public waters of the state for public utility purposes. (Science, Technology and Energy)

**SB 180-FN-A**, establishing a recovery fund for victims of the Financial Resources Mortgage (FRM) fraud and continually appropriating a special fund. (Commerce and Consumer Affairs/Finance)

**SB 184-FN**, excluding conservation officers of the fish and game department from requirements for emergency medical and trauma services. (Executive Departments and Administration/Finance)

**SB 191-FN-A**, establishing a state energy strategy. (Science, Technology and Energy)

**SB 198**, relative to the authority of county correctional officers. (Municipal and County Government)

**SCR 1**, relative to special use permits in the White Mountain National Forest. (Resources, Recreation and Development)

## COMMITTEE ASSIGNMENT

The Speaker made the following committee assignment:  
Rep. William O'Neil on the Committee on Transportation.

RECESS

**(Rep. Wallner in the Chair)**

**RESOLUTION**

Rep. Leishman offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, Senate Bill numbered 152 shall be by this resolution read a first and second time by the therein listed title and referred to the therein designated committee.  
Adopted.

**INTRODUCTION OF SENATE BILL**

**First, second reading and referral**

**SB 152-FN-A-L**, relative to video lottery and table gaming. (Joint Committee on Finance and Ways and Means)

**RECESS**

**(Rep. Gale in the Chair)**

**ENROLLED BILLS REPORT**

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 126, 194, 208, 236, 309 and 543.

Rep. Shurtleff, Sen. Prescott for the Committee

**SENATE MESSAGES**

**CONCURRENCE**

**HB 111**, relative to the acquisition of property rights at Akers Pond dam in the town of Errol by the fish and game department and the acquisition of property rights at Northwood Lake dam in the town of Epsom and Hermit Lake dam in the town of Sanbornton by the department of environmental services.

**HB 112-FN**, relative to reclamation trust funds.

**HB 146**, increasing the speed limit on a portion of I-93 to 70 miles per hour.

**HB 147-FN**, repealing a duty of the assessing standards board concerning municipal reimbursement for the cost of assessments.

**HB 156**, relative to the appointment and duties of the state fire marshal.

**HB 157**, renaming Blood Pond in the town of Lancaster as Evans Pond.

**HB 180**, relative to the definitions of "student athlete" and "student sports" for the management of concussion and head injury.

**HB 181**, repealing the equalization standards board.

**HB 182**, relative to appointments to the assessing standards board.

**HB 190**, relative to professional misconduct of dental hygienists.

**HB 202-FN**, relative to beverage and liquor licenses for bed and breakfasts.

**HB 206**, relative to political advertising.

**HB 216**, relative to the use of the title "fire marshal."

**HB 237**, relative to home production of wine for personal or family use.

**HB 267**, relative to the board of accountancy.

**HB 282**, relative to mixed use school buses, relative to licensing and criminal records of driver education instructors, and relative to background checks for department of safety employees.

**HB 293**, relative to the adverse events reporting system.

**HB 339-FN**, establishing a committee to study existing debt collection laws and practices.

**HB 349**, relative to OHRV operation of certain 4-wheel drive vehicles on trails within Jericho Mountain state park.

**HB 368**, relative to the telecommunications planning and development initiative.

**HB 372**, relative to state agency telecommunications services.

**HB 376**, relative to the shop licensure requirements for barbers, cosmetologists, manicurists, and estheticians.

**HB 416**, shortening the appeals process for a permitting decision under RSA 482-A, relative to fill and dredge in wetlands.

**HB 418**, establishing a committee to study a program to address children in need.

**HB 428**, relative to funds for dam maintenance, removal and improvement.

**HB 482-FN**, regarding infestation of bed bugs in rental housing.

**HB 486-FN-A**, making an appropriation for the purpose of paying residential care providers at the Chase Home for Children.

**HB 509**, requiring the department of administrative services to provide the New Hampshire Department of American Legion with office space.

**HB 516**, establishing a committee to study the overlap of federal, state, and local regulation relative to environmental issues.

**HB 517**, relative to the incidental combustion of untreated wood at certain municipal transfer stations.

**HB 519**, requiring the division of higher education to develop a policy on academic credit for a student's military occupation, military training, coursework, and experience.

**HB 560**, repealing the board of trust company incorporation.

**HB 598**, relative to the reasonable compensation deduction under the business profits tax.

**HB 629-FN**, relative to the criteria for approving and calculating school building aid grants.

**HB 639**, relative to beverage container and packaging approval.

**HB 676-FN-A-L**, extending the Coos county job creation tax credit.

### CONCURRENCE WITH AMENDMENT

**SB 74**, relative to an exemption for entities that furnish hot water through a district energy system.

### NONCONCURRENCE

**HB 159**, requiring patriotic exercises in public schools on federal Constitution Day.

**HB 171**, relative to the civil penalty for failure to make payment of workers' compensation.

**HB 172**, requiring the labor commissioner to maintain certain statistical information regarding payment of workers' compensation.

**HB 247-FN**, increasing compensation for wrongful incarceration.

### LAI D ON THE TABLE

**HB 183**, relative to processing absentee ballots.

**HB 265**, relative to procedures by absentee voters.

**HB 301**, relative to notice of sale in foreclosure proceedings.

**HB 370-FN**, repealing the education tax credit program.

### RE-REFERRED TO COMMITTEE

**HB 230**, relative to administrative supervision of insurers.

### RECESS

**(Speaker Norelli in the Chair)**

Rep. Kaen moved that the House adjourn.

Adopted.

## HOUSE JOURNAL No. 15

Wednesday, April 24, 2013

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Jared A. Rardin, Pastor of the South Congregational Church in Concord.

Before we pray, I'd like to offer these words from the Governor from our neighboring state to the South, Deval Patrick, who spoke at last week's Memorial Service for the victims of the Boston Marathon bombings: "So, we will recover and repair. We will grieve our losses and heal. We will rise and we will endure. We will have accountability without vengeance; vigilance without fear. And we will remember, I hope and pray, long after the buzz of Boylston Street is back and the media has turned its attention elsewhere, that the grace this tragedy exposed is the best of who we are." I base this prayer today on that last phrase. I invite us to take a moment of silence to honor both the dead and the injured, but to give thanks as well for the countless living who helped bring a real gift out of this tragedy: the recognition of "the best of who we are." In the wake of the Boston Marathon bombings, O God, we find ourselves saddened but somehow grateful, concerned but somehow less afraid, for in the midst of tragedy; You helped to expose the best of who we are. We were privileged to behold the coming together of people of every walk of life imaginable in countless acts of mercy, compassion. You took strangers and turned them into companions. You took terror and turned it into trust. You took desperation and turned it into devotion. And so, like the people in Boston this past Patriot's Day, may we allow the struggles we face in our lives and in this Chamber expose the best in us: Give us justice without scapegoats; accountability without vengeance; vigilance without fear; strength without retribution; principle without pettiness; peace without violence. Grant us, like so many that fateful Monday, the love to run into harm's way in order to help a stranger. Help us as a society not miss the chance to address whatever is wrong in the lives of so many young males in our country so that they no longer need to turn to violent means of getting attention or resolving inner conflicts. And help us to learn from the life of one eight-year-old boy in particular who lost his life but who shared with us perhaps the most resonant words of the past two weeks: *No more hurting people. Peace.* Amen.

Representative Robert Haefner, member from Hudson, led the Pledge of Allegiance.

The National Anthem was sung by Max Sjostrom, a 7<sup>th</sup> grade student from Gorham.

### LEAVES OF ABSENCE

Reps. Arsenault, Boisvert, Marcia Hammon, Jill Hammond, Nickolas Levasseur, McCarthy, McCloskey, Miller, Rokas and Tanner, the day, illness.

Reps. Andrews, Berube, Burns, Cushing, Dobson, Elliott, Friel, Gary Hopper, Infantine, Introne, Lerandeau, Myler, Nigrello, Michael O'Brien, O'Connor, Rideout, Jeffrey Shackett, Sherman, Timothy Smith, Tasker, Ulery and Carol Williams, the day, important business.

Reps. Grossman, Kelleigh Murphy and Scarlotto, the day, illness in the family.

### INTRODUCTION OF GUESTS

Raluca Negulescu of Romania, a participant in the Department of State's Professional Fellows Program, guest of Reps. Backus and Long. Jim Tatro, Master of the New Hampshire State Grange and other Grange members, guests of those Reps. who are Grange Members. Dawn Domenico, wife of Rep. Meaney. Visitors from the Hollis Senior Citizens Association and Nicholas Gamache, guests and grandson of Rep. James Belanger. The Honorable Carolyn Brown, former member from Conway and her grandchildren Tim and Alyx Guyer, guests of Rep. Umberger. Ellen Chase and Jonathan Botkin, wife and guest of Rep. John Mann. Eamon Silvia-Chandley, and Kris, Ben and Anna Tardiff, son and guests of Rep. Chandley. William Hunt, guest of Rep. Tremblay. Kris, Linda and Sam Sjostrom, parents and brother of the singer, guests of the House.

### MOTION TO VACATE

Rep. Wallner moved that the House vacate the reference of **SB 153-FN**, relative to legislative approval of collective bargaining agreements entered into by the state, to the Committee on Finance. Adopted.

The Speaker referred **SB 153-FN** to the Committee on Labor, Industrial and Rehabilitative Services.

**MOTION TO VACATE**

Rep. Porter moved that the House vacate the reference of **SB 198**, relative to the authority of county correctional officers, to the Committee on Municipal and County Government.  
Adopted.

The Speaker referred **SB 198** to the Committee on Criminal Justice and Public Safety.

**MOTION TO SUSPEND HOUSE RULES**

Reps. Shurtleff and Chandler moved that House Rules be so far suspended as to allow for late introduction of **SB 196-FN**, relative to the definition of push-polling.  
Adopted by the necessary two-thirds vote.

**RESOLUTION**

Rep. Kaen offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bill numbered 196 shall be by this resolution read a first and second time by the therein listed title and referred to the therein designated committee.  
Adopted.

**INTRODUCTION OF SENATE BILL****First, second reading and referral**

**SB 196-FN**, relative to the definition of push-polling. (Election Law)

**CONSENT CALENDAR**

Rep. Shurtleff moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**SB 35**, relative to the master jury list, removed by Rep. Kurk.

**SB 43**, relative to the property taxation of qualifying historic buildings, removed by Rep. Warden.  
Consent Calendar adopted.

Rep. St. James declared a conflict of interest on **SB 34** and did not participate in the vote on the Consent Calendar.

**SB 52**, relative to names of limited partnerships. **OUGHT TO PASS.**

Rep. Chris Muns for Commerce and Consumer Affairs: This bill is a request of the secretary of state. This bill is a technical correction which allows a limited partnership to use the abbreviation "L.P." in its name. Vote 18-0.

**SB 127-FN**, relative to registration of certain state contracts with the department of state and repealing the information practices act. **OUGHT TO PASS.**

Rep. Richard D. McNamara for Commerce and Consumer Affairs: This bill increases the dollar amount of certain state contracts registered with the secretary of state and brings them into compliance with the threshold for contract review and approval by the executive council. This bill also repeals the information practices act which was passed in the 1970s and is not relevant. Vote 17-1.

**SB 140-FN**, requiring a pharmacy to substitute generically equivalent drugs for any prescription paid for by state funds. **INEXPEDIENT TO LEGISLATE.**

Rep. Jill S. Hammond for Commerce and Consumer Affairs: This bill would have required a pharmacy to substitute generically equivalent drugs for any prescription paid for by state funds. The health plans used by the state already widely follow this policy, and this bill is unnecessary. Vote 18-0.

**SB 161**, relative to electronic funds transfers. **OUGHT TO PASS.**

Rep. Ruth S. Heden for Commerce and Consumer Affairs: This bill is a request of the banking department. It updates our laws to be consistent with the electronic transfer act and the Uniform Commercial Code. The UCC Board and NH banking association are in support. Vote 18-0.

**SB 81**, authorizing phlebotomists to withdraw blood for alcohol concentration tests. **OUGHT TO PASS.**

Rep. Larry G. Gagne for Criminal Justice and Public Safety: This bill will add phlebotomists to the list of medical professionals allowed to withdraw blood for alcohol concentration tests. The bill is a request from the department of safety because many times in smaller police jurisdictions it is difficult to get other professionals to withdraw blood. Vote 15-0.

**SB 136**, relative to the rights of the immediate family of crime victims. **INEXPEDIENT TO LEGISLATE.**

Rep. Steve Vaillancourt for Criminal Justice and Public Safety: While sympathetic with the intentions of the senator who filed this bill at the request of a constituent, the committee does not believe it is either necessary or wise to amend the victim's rights legislation which has served the state well for decades. This bill would do four things, two of which are not needed; one of which is not possible without tremendous cost; and one of which is not wise. The bill states that a victim has the right to refuse any communication with the accused; that is already the case. The bill states that a victim's family member has a right to display a photo of the victim during sentencing. This is already being done. The bill notes that a secure and separate waiting area (rather than secure but not necessarily separate) be provided during court proceedings. This might not be possible without reconfiguring courtrooms. Finally, the bill requires police investigators to inform victims' families within 24 hours of a crime. While this might seem like a good idea, the committee is convinced law enforcement is already doing this in a timely manner and it would not be wise to stipulate 24 hours when valuable time could be better spent solving the crime. Vote 14-0.

**SB 33**, making technical changes to the judicial retirement plan. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Lucy M. Weber for Executive Departments and Administration: The bill amends RSA 100-C:11, II, specifying who advises the chief justice on the appointment of trustees to the judicial retirement system board. It eliminates language that referred to the administrative justices of the district and probate courts, as these positions are now included in the circuit court. The bill specifies that the chief justice would seek the advice and consent of the administrative council, a four member body created by court rule. The committee amendment specifies the four persons by specific job title: the chief justice of the superior court, the administrative judge and deputy administrative judge of the circuit court, and the director of the administrative office of the courts. Vote 17-0.

**Amendment (1255h)**

Amend the bill by replacing section 2 with the following:

2 Administration; Appointment. Amend RSA 100-C:11, II to read as follows:

II. The board of trustees of the judicial retirement plan shall consist of 7 members. The governor and council shall appoint 2 trustees, one of whom the governor shall designate to serve as chairman of the board of trustees, and who shall be qualified persons with business experience and not members of the judicial retirement plan, and who shall serve for a term of 3 years and until such trustee's successor is appointed and qualified, except that the original appointment of one of the trustees shall be for a term of one year. The chief justice of the state supreme court, with the advice and consent of the chief justice of the superior court, ~~and the administrative [justices of the district and probate courts]~~ **judge and deputy administrative judge of the circuit court, and the director of the administrative office of the courts**, shall appoint 3 trustees, at least 2 of whom shall be active members of the judicial retirement plan and one of whom may be a retired member, and who shall serve for a term of 3 years and until such trustee's successor is appointed and qualified, except that the original appointment of one of the trustees shall be for a term of one year, and the original appointment of another of the trustees shall be for a term of 2 years. One member of the state senate shall be appointed biennially by the senate president as a trustee of the board, and one member of the house of representatives shall be appointed biennially by the speaker of the house as a trustee of the board.

**SB 42**, relative to applications for licensure by the real estate appraisers board. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Jeffrey P. Goley for Executive Departments and Administration: Real estate appraiser regulatory programs in New Hampshire are overseen by the federal appraisal subcommittee. The subcommittee monitors state regulatory programs by commissioning a biennial audit of the state's real estate appraiser programs for compliance with federal requirements. New Hampshire's next federal audit is scheduled for July 2013. This bill was a request of the board in order to be in compliance with federal standards, which include the requirement for a criminal history record check consisting of finger printing for new licensees. SB 42 also removes statutory references from RSA 310-B:12, Nonresident Licensure or Certification by Reciprocity that do not comply with the Federal Dodd-Frank Reform Act. The amendment changes the effective date to "upon passage" due to the necessity of it being enacted prior to the July 2013 audit. Vote 16-2.

**Amendment (1254h)**

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect upon its passage.

**SB 54**, relative to appeals from the department of administrative services bureau of public works design and construction. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Steven P. Beaudoin for Executive Departments and Administration: This bill's intent is to simplify the appeals process whenever there is a dispute concerning the plans submitted by the bureau of public works design and construction. Current statute requires a formal hearing. This bill will allow for a simple informal review by the director of the division of plant and property management. This informal review will allow minor disputes to be resolved with the least delay or expense. The bill will result in there being fewer and shorter delays in construction of public works projects. The amendment as adopted by the committee eliminates duplication by removing the requirement established in RSA 21-L:14 that the department of transportation also hear the appeal. Vote 18-0.

**Amendment (1256h)**

Amend the bill by replacing all after section 2 with the following:

3 Department of Transportation; Powers and Duties of the Appeals Board. Amend RSA 21-L:15, I to read as follows:

I. The board shall hear and decide appeals from decisions of the commissioner relative to contract interpretation or other decisions affecting persons not employed by the department, municipalities, or private property, except condemnations of property for public uses, and the assessment of damages therefor. Decisions of division directors shall be appealed to the commissioner. Decisions of the commissioner may be appealed to the appeals board, except decisions relative to aeronautical matters, which may be appealed to the aviation users advisory board established under RSA 21-L:8, and decisions relative to common carriers by rail, which may be appealed to the railroad appeals board established under RSA 21-L:16. ~~[The board shall also hear appeals from the department of administrative services relating to such matters involving public works design and construction as have been delegated to the department of administrative services or as were administered prior to July 1, 2005 by the division of public works, department of transportation.]~~

4 Applicability. The amendments to RSA 21-L:86 and RSA 21-L:15, I made by sections 2 and 3 of this act shall not apply to matters pending before the transportation appeals board, the division of plant and property management, or the commissioner of administrative services on the effective date of this act.

5 Effective Date. This act shall take effect 60 days after its passage.

**SB 93**, relative to plumbers and mechanical contractors on state boards. **OUGHT TO PASS.**

Rep. Mary S. Nelson for Executive Departments and Administration: This bill is a housekeeping measure which changes references to the New Hampshire Plumbing and Mechanical Contractors Association to conform to the current actual name of the organization: Plumbers, Fuel Gas Fitters, and HVAC Association of New Hampshire. Vote 18-0.

**SB 178**, establishing a committee to review and make recommendations regarding consolidating all state energy positions throughout state departments. **INEXPEDIENT TO LEGISLATE.**

Rep. Carol M. McGuire for Executive Departments and Administration: The committee felt that the charge of this study committee was inadequately defined and to a large degree redundant due to the duties of the governor's office of energy and planning. Since the public utilities commission - which has a substantial energy component - requested at the hearing that they be excluded from this study, the committee felt that this study would not produce any useful information that the office of energy and planning could not equally well provide. The committee had further concerns about a study committee composed of one Senator and five Representatives. Vote 16-0.

**SB 28**, relative to the department of transportation inventory fund and relative to the effective date of the transfer of the electricians' board to the joint board for licensure and certification. **OUGHT TO PASS.**

Rep. Lynne M. Ober for Finance: This bill amends RSA 228:24, which established a transportation fund, by increasing the cap to \$2,000,000 and changing the name from public works and highway inventory fund to department of transportation inventory fund. The existing cap is currently being exceeded because prices have gone up significantly since the establishment of this fund and the department said

that in an effort to meet the cap, they were unable to keep adequate inventory of parts and supplies needed to complete repairs on equipment, resulting in repair delay. The inventory fund is a revolving fund that does not require a draw upon the highway fund. There is no budgetary impact with raising the cap. This bill also moves the already approved transfer of the electricians' board to the joint board upon passage of the bill. The move is scheduled for July 1, 2013. Performing the transfer slightly earlier than anticipated will help facilitate a federal audit that will cover one section of the joint board. Completing the transfer prior to July 1, 2013 will allow the transfer to receive full attention and allow all details to be covered and completed prior to the beginning of the audit. Vote 18-0.

**SB 34**, relative to the appointment of bail commissioners. **OUGHT TO PASS.**

Rep. Joseph M. Hagan for Judiciary: The liberty interests of even citizens accused of crime are of paramount importance to New Hampshire. Therefore, bail proceedings must be free from bias or conflict of interest. This bill mandates that the circuit court shall not appoint any bail commissioner with bias or conflict of interest. Vote 19-0.

**SB 44**, relative to the disposal of controlled drugs by law enforcement officers. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gary S. Hopper for Judiciary: This is a housekeeping measure that changes the authority for the disposal of controlled substances from the district court to the circuit court (last term we changed the scope of the authority for the district court) and clarifies the process for the disposal of controlled substances. Vote 19-0.

#### Amendment (1250h)

Amend the bill by replacing section 2 with the following:

2 Pharmaceutical Drug Take-Back Program Authorized. Amend RSA 318-E:1, III to read as follows:

III. The department of justice, *with the consent of the* pharmacy board, *the* department of safety, and *the* department of environmental services shall [~~jointly~~] establish [~~guidelines by rule~~] *rules*[:] pursuant to RSA 541-A[:] for the collection, storage, and disposal of collected drugs in accordance with applicable state and federal statutes and regulations.

Referred to the Committee on Executive Departments and Administration.

**SB 68**, relative to the escrow fund for court facility improvements. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Rick H. Watrous for Judiciary: This bill was requested by the supreme court and makes technical corrections regarding the escrow fund for court facility improvements, including changing the name of the fund to the escrow fund for judicial branch facility improvements. The bill also decreases the percentage of court filing fees to be deposited in such escrow fund. Vote 19-0.

#### Amendment (1278h)

Amend the bill by replacing section 1 with the following:

1 Court Facilities Escrow Fund. Amend RSA 490:26-c, I to read as follows:

I. [~~Seven~~] *Six* percent of each entry fee collected in the [~~judicial branch family division and in the~~] supreme, [~~district~~] superior, and [~~probate~~] *circuit* courts shall be deposited in escrow for [~~court~~] *judicial branch* facility improvements. Moneys in the escrow fund shall be used for improvements to [~~existing~~] *judicial branch* facilities by the department of administrative services as recommended and approved by the supreme court.

Amend the bill by replacing all after section 2 with the following:

3 Contingency. If section 1 of this act takes effect, section 7 of HB 652-FN of the 2013 regular legislative session shall not take effect.

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bills makes technical corrections regarding the escrow fund for court facility improvements, including changing the name of the fund to the escrow fund for judicial branch facility improvements. The bill also decreases the percentage of court filing fees to be deposited in such escrow fund.

**SB 69**, relative to superior court jurisdiction over domestic violence petitions. **OUGHT TO PASS.**

Rep. David Woodbury for Judiciary: This bill transfers jurisdiction over domestic violence petitions from the superior court to the family division of the circuit court. This is in keeping with the

assumption by the family division of responsibility for family law related issues generally. The issue of protection from domestic violence is related to family law and belongs with the family division. There was no opposition to this change in committee. Vote 19-0.

**SB 105**, relative to disclosure of expert testimony in civil cases and relative to the recording of depositions. **OUGHT TO PASS.**

Rep. Paul S. Berch for Judiciary: There are two purposes for this bill. First, this bill would regulate discovery in civil cases into the bases of an expert's opinion. This bill would bring New Hampshire in conformity with federal practice and limit gamesmanship in civil litigation. It would reduce the costs and length of pre-trial litigation. In fact, many litigants already follow the federal rules. The second provision allows a party in a civil case to record a deposition by video, with proper notice and payment of costs. This provision would eliminate unnecessary applications to courts. Vote 19-0.

**SB 107**, relative to probate administration. **OUGHT TO PASS.**

Rep. David Woodbury for Judiciary: This bill originated in a committee charged with simplifying probate administration. It eases the burden of proving a will in common form when witnesses may be unavailable. It dispenses with the requirement of an inventory, a bond or an accounting in some cases and the disposition of assets is essentially uncontested. Inventories, when filed, no longer in most cases, require an appraiser. Vote 19-0.

**SB 2**, relative to the calculation of the local tax cap. **OUGHT TO PASS.**

Rep. James E. Coffey for Municipal and County Government: This bill is an amendment to RSA 32:5-b that corrects an error of omission in which the existing statute fails to account for the use of fund balance to reduce property taxes. Should a school district or municipality that has adopted a local tax cap desire to use its fund balance to reduce the tax rate, the reduced rate would become the base from which the local tax cap for the ensuing year would be calculated. Without this bill, local officials would be discouraged from using fund balance to reduce taxes. This bill resolves that problem to reduce taxes by adding the fund balance used into the following year's tax rate calculation. Vote 16-0.

**SB 12**, relative to protection and preservation of significant archeological deposits. **OUGHT TO PASS.**

Rep. Kris E. Roberts for Municipal and County Government: This bill would require as a condition of subdivision approval for any subdivision requiring an alteration of terrain permit under RSA 485-A:17 that the applicant (s) protect or document archeological resources in areas of archeological sensitivity that have been noted in the community's master plan. SB 12 is a well-thought out compromise by all stake-holders. SB 12 insures that archeological deposits are either protected, documented or a combination of both, thus preserving New Hampshire history. SB 12 allows communities, if they choose, to document potential areas of archeological interest in their master plans, thus ensuring that developers are well aware of possible areas of archeological sensitivity. Under current law small groups of individuals have had the ability to hold-up or even prevent the construction of not only sub-divisions, but schools, fire stations, and other facilities based on the possibility of archeological deposits. While all archeological deposits have value and should be documented, not all archeological deposits have such a value that requires their preservation. As display with the construction of the new Keene Middle School where a possible 11,000 year old community site was uncovered, the community, the state, the construction manager and other stake holders were able to work together to protect and document the valuable findings. Vote 16-0.

**SB 62**, authorizing the placement of a certain sign in the town of Danbury. **OUGHT TO PASS.**

Rep. David A. Bickford for Municipal and County Government: This bill allows Ragged Mountain Ski Area to replace its directional sign at the junction of Route 104 and Ragged Mountain Road. This bill is needed because Route 104 in this area is restricted by RSA 236:73. Vote 16-0.

**SB 80**, relative to expanding the community revitalization tax relief program to provide incentives for rehabilitating historic structures. **OUGHT TO PASS.**

Rep. Priscilla P. Lockwood for Municipal and County Government: This bill will expand the community revitalization tax relief program to provide incentive for rehabilitating historic structures rather than tearing them down. The community has the option of accepting this program. Vote 16-0.

**SB 139-FN-L**, relative to mileage fees for sheriffs and deputy sheriffs. **OUGHT TO PASS.**

Rep. David A Bickford for Municipal and County Government: This bill changes the calculation of mileage fees for sheriffs and deputies for serving process to the "sheriff's office or substation" from "residence of sheriff." Vote 16-0.

**REGULAR CALENDAR****SB 132-FN**, establishing a committee to study police special details. **INEXPEDIENT TO LEGISLATE.**

Rep. Dianne E. Schuett for Executive Departments and Administration: The bill proposed to study the efficacy of police special details, particularly at traffic construction sites. The committee was presented with a recent department of transportation study delineating use of police details versus flag persons at state construction sites. The committee also believed that decisions on whether to employ police or flag persons on municipal construction sites should be left to local control. Therefore, the committee could see no need for this study. Vote 14-3.

Committee report adopted.

**SB 157-FN**, establishing a New Hampshire disaster relief fund. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Susan M. Ford for Finance: SB 157-FN combines two existing funds that were created as a means to collect and distribute private donations to help people in need recover from storms, particularly those persons whose disaster-related needs may not be adequately met by federal assistance. There shall be established in the office of the state treasurer a nonlapsing fund that is to be kept separate from all other funds and which shall be designated as the New Hampshire disaster relief fund. Currently there is \$154,287 between the two funds. Vote 16-2.

**Amendment (1318h)**

Amend the bill by replacing all after the enacting clause with the following:

1 Findings. The general court finds that:

I. New Hampshire has been severely impacted by several storms over the past few years resulting in the declaration of states of emergency throughout the state;

II. Homes, businesses, and personal property were damaged or destroyed in many areas across the state; and

III. It is in the interest of the citizens of the state to provide a means to collect and distribute private donations to help people in need recover from the storms, particularly those persons whose disaster-related needs may not be adequately met by federal assistance.

2 New Subparagraph; Special Fund. Amend RSA 6:12, I(b) by inserting after subparagraph (310) the following new subparagraph:

(311) Moneys designated for the New Hampshire disaster relief fund, established in RSA 21-P:46-a.

3 New Section; New Hampshire Disaster Relief Fund. Amend RSA 21-P by inserting after section 46 the following new section:

21-P:46-a New Hampshire Disaster Relief Fund.

I. There shall be established in the office of the state treasurer a nonlapsing fund that is to be kept separate from all other funds and which shall be designated as the New Hampshire disaster relief fund, into which private donations for disaster relief assistance shall be deposited and continually appropriated to the director for disaster relief. Two existing funds, one in the legislative branch known as the disaster fund, and one in the office of the state treasurer, known as the New Hampshire disaster relief fund 2011, shall be made part of the New Hampshire disaster relief fund.

II. Funds deposited in the New Hampshire disaster relief fund shall be made available to individuals who suffer damage and loss as a result of a declared disaster. All disbursements from the fund shall be approved by the director of homeland security and emergency management, in consultation with the individual assistance committee appointed under paragraph III.

III. The director shall appoint an individual assistance committee to review, evaluate, and make recommendations on requests for individual assistance. The committee shall be comprised of representatives from the nonprofit community, human service organizations, disaster response organizations, the Community Action Programs, and volunteer organizations, who shall serve at the pleasure of the director. The director shall designate a committee chair.

IV. The director shall maintain complete records of all funds received into and disbursed from, the New Hampshire disaster relief fund and shall report all such disbursements to the individual assistance committee and the state treasurer every 6 months following the effective date of this section.

4 Effective Date. This act shall take effect upon its passage.

Amendment adopted.

Committee report adopted and ordered to third reading.

**SB 71**, establishing a committee to study the use and misuse of prescription drugs in workers' compensation cases. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Donald L. LeBrun for the Majority of Health, Human Services and Elderly Affairs: This bill establishes a committee to study the extent of misuse and abuse of opiates and other commonly abused prescription medications by injured workers and the direct and/or indirect social and economic costs of such misuse. The amendment requires that one of the House Committee members be from the Labor, Industrial and Rehabilitative Services and one member from the Health, Human Services and Elderly Affairs. Vote 13-4.

Rep. Richard E. Meaney for the Minority of Health, Human Services and Elderly Affairs: New Hampshire already has a statewide task force addressing the issue of prescription drug abuse, so this bill is unnecessary. Further, this bill singles out injured people on the workers compensation program and does not address other users or potential users of prescribed medications. The bill does not guarantee privacy or confidentiality of patient information, either individually or in aggregate. Privacy laws may even prevent the proposed study committee from having access to data and records needed to address this issue.

### **Majority Amendment (1228h)**

Amend subparagraph I(b) of section 2 of the bill by replacing it with the following:

(b) Three members of the house of representatives, one of whom shall be a member of the health, human services and elderly affairs committee and one of whom shall be a member of the labor, industrial and rehabilitative services committee, appointed by the speaker of the house of representatives.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Meaney spoke against and yielded to questions.

Rep. LeBrun spoke in favor.

On a division vote, 193 members having voted in the affirmative and 145 in the negative, the majority committee report was adopted and ordered to third reading.

**SB 83**, relative to the controlled drug prescription health and safety program. **OUGHT TO PASS.**

Rep. Laurie Harding for Health, Human Services and Elderly Affairs: This bill moves New Hampshire closer to the implementation of a prescription monitoring program. The legislature finally passed a bill in 2012 that would make NH the 49th state to authorize such a program. The program will be a small step towards managing a rampant prescription drug abuse problem more effectively. SB 83 removes the sunset provision from the law that was passed last year which will increase the likelihood that New Hampshire will get a federal grant to jump start the program. In addition, the audit of the program to be done by the office of the Legislative Budget Assistant is moved out from 2014 to 2017. Lastly, a representative from the New Hampshire Hospital Association is added to the advisory committee. Vote 17-0.

Rep. Carol McGuire requested a roll call; sufficiently seconded.

None

and the committee report was adopted and ordered to third reading.

**SB 146-FN-L**, relative to aid to the permanently and totally disabled and old age assistance. **OUGHT TO PASS.**

Rep. Thomas M. Sherman for Health, Human Services and Elderly Affairs: Under current law, persons receiving benefits via old age assistance (OAA) or aid to the permanently and totally disabled (ATPD) are prohibited from any other relief from the state or local governments. This prohibition is unique to this population and functions as a "Catch 22" for participants in these programs whose needs outstrip their program stipend. This enabling legislation lifts this prohibition, allowing but not requiring the state and municipalities to provide assistance as needed beyond that provided through OAA or ATPD grants. Vote 16-1.

On a division vote, 297 members having voted in the affirmative and 46 in the negative, the committee report was adopted.

Referred to the Committee on Municipal and County Government.

**SB 60**, relative to assisted living facilities and landlord tenant law. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Sylvia E. Gale for the Majority of Judiciary: This bill would exclude assisted living facilities and community residences for the developmentally disabled and chronically ill from the definition of tenants for purposes of landlord/tenant law. The committee heard testimony from a number of providers as well as consumers of assisted living facilities and all testimony was in favor of the bill's passage. The committee was advised that efforts are near completion to revamp and revise RSA 151 specific to the licensing and regulation of all "residential care" facilities and "supported-residential care" facilities, which will provide clarification and further assign licensing responsibilities over "assisted living" and other care facilities. The majority of the committee agreed that removing these residents from the jurisdiction of laws pertaining to landlords and tenants is an important step toward affording these residents optimal care and protection in their current supported living environments. Vote 13-6.

Rep. Michael J. Sylvia for the Minority of Judiciary: This bill cobbles together a solution to a problem which the minority feels would be better addressed at the root cause. If passed, this issue of "assisted living" lacking a proper definition and being handled under the proper statute will still need to be addressed. This bill may do as intended but it may also introduce unexpected problems. Majority committee report adopted and ordered to third reading.

**SB 96**, relative to vexatious litigants. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Robert H. Rowe for the Majority of Judiciary: This bill was promoted into legislation by a citizen who had been subjected to vicious, repetitive and non-meritorious law suits in both state and federal courts. The suits were instituted by one individual. The purpose of this bill was to stop such frivolous law suits, although they are rare. The majority of the committee was sympathetic to the goal of the bill, but voted inexpedient to legislate for a number of reasons. First, the courts and judges in both federal and state courts currently have extensive power to discourage and penalize such law suits through financial penalties and the contempt process. Second, it might lessen the power judges currently have. Third, portions of the bill were considered to be in violation of Part I, Article 14 of the New Hampshire constitution. Vote 11-8.

Rep. Frank H. Heffron for the Minority of Judiciary: This bill would address the problem of frivolous lawsuits initiated for the primary purpose of harassment. It would require that a person found by a judge to have filed such a suit three or more times may be required to retain an attorney or other person of good character, in subsequent actions, or post a bond to cover attorney's fees and anticipated damages. The minority acknowledges that this bill is far from perfect, but nevertheless considers that its passage would be a step in the right direction toward correcting a problem that inflicts serious damage to those who are sued without good reason.

The question being adoption of the majority committee report of Inexpedient to Legislate.  
Rep. Berch moved Recommit.

Rep. Rowe spoke against.

Reps. Berch and Vaillancourt spoke in favor.

On a division vote, 280 members having voted in the affirmative and 67 in the negative, the motion was adopted.

Recommitted to the Committee on Judiciary.

**SB 106**, relative to confidentiality in adult guardianship cases. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Paul L. Hackel for the Majority of Judiciary: RSA 464-A:8, VI specifies that all court records should be confidential only to the extent as they directly relate to alleged specific functional limitations of the proposed ward. This bill eliminates the limitation of the confidentiality because the committee felt that it would be extremely difficult to eliminate sections of the records. The supreme court requested this change. The committee supported this change by strong bi-partisan support. Vote 18-1.

Rep. Michael J. Sylvia for the Minority of Judiciary: This bill commands the court shall make records, reports and evidence confidential. In the opinion of the minority the command ought to be the more permissive "may" in place of "shall."

Majority committee report was adopted and ordered to third reading.

**SB 108**, relative to the liability of landowners who permit use of their land for recreational activities. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Joseph M. Hagan for Judiciary: This bill would extend that no cause of action for injury be allowed to persons building or maintaining recreational activity sites on private lands allowed by the owner for public use. The present law only covers the owners of such property for injuries to recreational users. Vote 15-4.

#### Amendment (1289h)

Amend the bill by replacing all after section 1 with the following:

2 New Paragraph; Landowner Liability; Duty of Care. Amend RSA 212:34 by inserting after paragraph II the following new paragraph:

II-a. Except as provided in paragraph V, a landowner who permits the use of his or her land for outdoor recreational activity pursuant to this section and who does not charge a fee or seek any other consideration in exchange for allowing such use, owes no duty of care to persons on the premises who are engaged in the construction, maintenance, or expansion of trails or ancillary facilities for outdoor recreational activity.

3 Landowner Liability; Duty of Care. Amend RSA 212:34, VI to read as follows:

VI. Except as provided in paragraph V, no cause of action shall exist for a person injured using the premises as provided in paragraph II, *engaged in the construction, maintenance, or expansion of trails or ancillary facilities as provided in paragraph II-a*, or given permission as provided in paragraph III.

4 Effective Date. This act shall take effect January 1, 2014.

#### AMENDED ANALYSIS

This bill provides that, with limited exceptions, landowners who permit the use of their land for outdoor recreational activity owe no duty of care to individuals engaged in the construction, maintenance, or expansion of trails or ancillary facilities for such activity.

Amendment adopted.

Committee report adopted and ordered to third reading.

**SB 187**, posthumously emancipating enslaved Africans in New Hampshire. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Peter M. Sullivan for Judiciary: In 1779, twenty African slaves from Portsmouth petitioned the New Hampshire General Court for their freedom. Sadly, our predecessors chose not to honor their request. The committee believes that the time to honor the rights of these courageous men has come. As they stated in their petition, "freedom is an inherent right of the human species, not to be surrendered." We agree, and unanimously support the tragically late emancipation of these New Hampshire heroes. Vote 18-0.

**Amendment (1275h)**

Amend the bill by replacing section 2 with the following:

2 Emancipation. The following men are hereby declared emancipated freed men in gratitude for their service to the colonial foundations of New Hampshire:

Samuel Wentworth	Winsor Moffatt
Cato Warner	Garrett Colton
Kittindge Tuckerman	Peter Frost
Seneca Hall	Nero Brewster
Pharoah Rogers	Quam Sherburne
Cato Newmarch	Will Clarkson
Zebulon Gardner	Cipio Hubbard

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment. Reps. Groen, Pantelakos, Cali-Pitts, Levesque, Peter Sullivan and Jeudy spoke in favor. Rep. Marjorie Smith spoke in favor and yielded to questions. Rep. Levesque requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

**BILLS REMOVED FROM THE CONSENT CALENDAR**

**SB 35**, relative to the master jury list. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Peter M. Sullivan for Judiciary: This bill revises New Hampshire's law regarding the list used by the court system to develop jury pools. As the court system implements an electronic jury management system, changes were needed to protect the private information of New Hampshire residents. This bill is the product of a collaborative effort between the judicial branch, the secretary of state, and privacy advocates, and properly balances privacy and effective court management. Vote 19-0.

**Amendment (1263h)**

Amend the bill by replacing sections 1 and 2 with the following:

1 Jurors; Definitions; Master Jury List. RSA 500-A:1, IV is repealed and reenacted to read as follows:

IV. "Master jury list" means the list blended and compiled from the voter lists, which shall be provided by the secretary of state pursuant to RSA 654:45, VI on encrypted removable media, and from the official record of persons 18 years of age or older who hold a current New Hampshire driver's license or a department of safety identification card, which shall be provided by the department. Information contained in the master jury list shall be private and confidential and shall not be subject to RSA 91-A.

2 Preparation of Master Juror List. Amend RSA 500-A:2 to read as follows:

500-A:2 Preparation of Master Jury List. The office shall annually ~~[prepare and deliver]~~ *provide* to the clerk of court a master jury list for each county or judicial district thereof. A duplicate list shall be retained by the office. Voter lists and department of safety lists, as well as the master jury list, are confidential documents to be used by the office and the respective trial courts only for purposes of jury selection, *and shall contain only the names and addresses of persons listed; additional information, such as date of birth, shall be available to the office only for the purpose of resolving discrepancies in the information provided.*

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.  
Rep. Kurk offered floor amendment (1341h).

#### Floor Amendment (1341h)

Amend the bill by replacing section 2 with the following:

2 Preparation of Master Juror List. Amend RSA 500-A:2 to read as follows:

500-A:2 Preparation of Master Jury List. The office shall annually ~~[prepare and deliver]~~ *provide* to the clerk of court a master jury list for each county or judicial district thereof. A duplicate list shall be retained by the office. Voter lists and department of safety lists, as well as the master jury list, are confidential documents to be used by the office and the respective trial courts only for purposes of jury selection. *Voter lists shall contain only the names and addresses of persons listed; additional information, such as date of birth, shall be available to the office only for the purpose of resolving discrepancies in the master jury list.*

Reps. Kurk, Marjorie Smith and Rowe spoke in favor.

Floor amendment (1341h) adopted.

Committee report adopted and ordered to third reading.

**SB 43**, relative to the property taxation of qualifying historic buildings. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Bruce L. Tatro for Municipal and County Government: This bill enables towns and cities to appraise qualifying historic buildings at a reduced rate and tax the property at that reduced rate. This would encourage preservation of these historic buildings. Vote 16-0.

#### Amendment (1230h)

Amend RSA 79-G:2 as inserted by section 1 of the bill by replacing it with the following:

79-G:2 Adoption of this Chapter. A town or city may adopt the provisions of this chapter by vote of its legislative body using the following procedures:

I. In a town, other than a town that has adopted a charter pursuant to RSA 49-D, the question shall be placed on the warrant of the annual town meeting, by the governing body or by petition under RSA 39:3.

II. In a city or town that has adopted a charter under RSA 49-C or RSA 49-D, the legislative body may consider and act upon the question in accordance with its normal procedures for passage of resolutions, ordinances, and other legislation.

III. If a majority of those voting on the question vote "yes," the provisions of this chapter shall take effect within the town or city on the date set by the legislative body, or in the tax year beginning April 1 following its adoption, whichever shall occur first.

IV. A town or city may rescind the provisions of this chapter in the manner described in paragraphs I-III.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.  
Rep. Warden spoke against.  
Reps. Porter and Frederick Rice spoke in favor and yielded to questions.  
Rep. Burt requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

### MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Peter Sullivan moved that the House reconsider its action whereby, on a roll call vote of 344-2, it adopted the committee report of Ought to Pass with Amendment on **SB 187**, posthumously emancipating enslaved Africans in New Hampshire.

Rep. Peter Sullivan spoke in favor.

Rep. Burke requested a roll call; not sufficiently seconded.

On a division vote, 255 members having voted in the affirmative and 79 in the negative, the motion was adopted.

### CONSIDERATION OF SB 187

The question being adoption of the committee report of Ought to Pass with Amendment.  
Rep. Porter requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

**RESOLUTION**

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, May 8, 2013 at 10:00 a.m.

Adopted.

**LATE SESSION****Third reading and final passage**

**SB 52**, relative to names of limited partnerships.

**SB 127-FN**, relative to registration of certain state contracts with the department of state and repealing the information practices act.

**SB 161**, relative to electronic funds transfers.

**SB 81**, authorizing phlebotomists to withdraw blood for alcohol concentration tests.

**SB 33**, making technical changes to the judicial retirement plan.

**SB 42**, relative to applications for licensure by the real estate appraisers board.

**SB 54**, relative to appeals from the department of administrative services bureau of public works design and construction.

**SB 93**, relative to plumbers and mechanical contractors on state boards.

**SB 28**, relative to the department of transportation inventory fund and relative to the effective date of the transfer of the electricians' board to the joint board for licensure and certification.

**SB 34**, relative to the appointment of bail commissioners.

**SB 68**, relative to the escrow fund for court facility improvements.

**SB 69**, relative to superior court jurisdiction over domestic violence petitions.

**SB 105**, relative to disclosure of expert testimony in civil cases and relative to the recording of depositions.

**SB 107**, relative to probate administration.

**SB 2**, relative to the calculation of the local tax cap.

**SB 12**, relative to protection and preservation of significant archeological deposits.

**SB 62**, authorizing the placement of a certain sign in the town of Danbury.

**SB 80**, relative to expanding the community revitalization tax relief program to provide incentives for rehabilitating historic structures.

**SB 139-FN-L**, relative to mileage fees for sheriffs and deputy sheriffs.

**SB 157-FN**, establishing a New Hampshire disaster relief fund.

**SB 71**, establishing a committee to study the use and misuse of prescription drugs in workers' compensation cases.

**SB 83**, relative to the controlled drug prescription health and safety program.

**SB 60**, relative to assisted living facilities and landlord tenant law.

**SB 106**, relative to confidentiality in adult guardianship cases.

**SB 108**, relative to the liability of landowners who permit use of their land for recreational activities.

**SB 187**, posthumously emancipating enslaved Africans in New Hampshire.

**SB 35**, relative to the master jury list.

**SB 43**, relative to the property taxation of qualifying historic buildings.

**UNANIMOUS CONSENT**

Speaker Norelli and Rep. Beaulieu addressed the House.

**RECESS MOTION**

Rep. Shurtleff moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming Committees of Conference.

Adopted.

The House recessed at 12:12 p.m.

**RECESS**

**(Rep. Weber in the Chair)**

**ENROLLED BILLS REPORT**

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 157 and 486.

Rep. Shurtleff, Sen. Prescott for the Committee

**RECESS**

**(Rep. Shurtleff in the Chair)**

**ENROLLED BILL AMENDMENT**

**HB 509**, requiring the department of administrative services to provide the New Hampshire Department of American Legion with office space.

**Amendment (1363-EBA)**

Amend the title of the bill by replacing it with the following:

AN ACT requiring the department of administrative services to provide the American Legion Department of New Hampshire with office space.

Amend section 1 of the bill by replacing line 2 with the following:

American Legion Department of New Hampshire. Amend RSA 21-I:11 by inserting after paragraph Amend RSA 21-I:11, X-a as inserted by section 1 of the bill by replacing line 1 with the following:

X-a. Provide the American Legion Department of New Hampshire, a private nonprofit

Adopted.

**HB 591**, relative to an abusive work environment and the health and safety of public employees.

**HB 624-FN**, waiving the residency requirement for in-state tuition rates for veterans attending the university system of New Hampshire.

**RECESS**

**(Speaker Norelli in the Chair)**

Rep. Shurtleff moved that the House adjourn.

Adopted.

## HOUSE JOURNAL No. 16

Wednesday, May 8, 2013

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Jared A. Rardin, Pastor of the South Congregational Church in Concord.

O God, we tend to seek You in the glamorous, the glorious, and the grandiose things in life: sunsets, glaciers, canyons and milky ways. And they are indeed reflections of Your infinite creativity. What we forget is that even the smallest moments, the most mundane of things are imbued with You. You are there with us in the car as we inch our way through traffic to get our kids to school or our parents to a doctor. You are there when we pause to take a deep breath when it's 11:30 at night and the dishes still aren't done and there are a pile of emails to respond to. You will be there when we ponder the wide-ranging scope of bills we need to deliberate on here today. Help us to remember: to remember the gift of an occasional pause; to remember the humanity, the aspirations, the losses and the beauty in each and every person here; to remember that what we do here is not merely about programs or projects, but about real people with real lives. Be with all in this body who are ill or facing surgery. And be especially with the people who live at the margins of our society: the homeless, the jobless, the lonely, the isolated, the maligned, the forgotten, and the disliked. Let our work today in some way lift them up. In Your Holy name we pray. Amen.

Representative James MacKay, member from Concord, led the Pledge of Allegiance.

The National Anthem was sung by Paige Bradley, a 14 year-old from Plymouth and the granddaughter of Rep. Bradley.

### LEAVES OF ABSENCE

Reps. Andrews, Beaudoin, Bishop, Boisvert, Booras, DeSimone, Harriott-Gathright, Nicholas Levasseur, McCarthy, Parsons, Chip Rice, Tanner and Thompson, the day, illness.

Reps. Andrews-Ahern, Azarian, Bailey, Dumaine, Henle, Kaen, Sally Kelly, Lerandeau, McKinney, Pelletier, Ramsey, Jeffrey Shackett, Timothy Smith, Takesian, Tremblay, Thomas Walsh and Kenneth Ward, the day, important business.

Reps. Kelleigh Murphy and Thomas, the day, illness in the family.

Rep. James Webb, the day, death in the family.

### INTRODUCTION OF GUESTS

Sharon, Nathan and Cindy Bradley, A. J. Sousa and Annie Deppe; family and guests of Rep. Bradley and our singer. Fourth graders from the Epping Elementary School, guests of the Rockingham District 9 delegation. Suzanne Dakoulas, guest of Rep. Beaulieu. Arthur McDonald, son of Rep. Carol Williams. Charlie Bean, Jed and James Hounsell and The Honorable Mark Hounsell, former Senator from Conway, guests of Reps. Bucu and Umberger. Carol Appel, guest of the House.

Lee Nordyke of Campbell High School and Oscar Reid and Sarah Libby of Kearsarge Regional High School, Pages for the day.

### MEMORIAL DECLARATION

Dr. Kenneth I. Appel

October 8, 1932 – April 19, 2013

**WHEREAS**, it is with great reverence that the New Hampshire House of Representatives honors the life of Dr. Kenneth I. Appel of Dover; and

**WHEREAS**, Kenneth Appel, born in Brooklyn, New York, had a long and distinguished career as a world-renowned mathematician, in addition to being a beloved professor, Army veteran, community volunteer, and wonderful family man; and

**WHEREAS**, Kenneth Appel, having earned a Ph.D. in Mathematics from the University of Michigan in 1959, later became a math professor at the University of Illinois in Urbana; and

**WHEREAS**, in 1976, Dr. Appel collaborated with Dr. Wolfgang Haken to prove the long-held “four color” mathematical theorem that four colors are enough to fill in any map without any two regions of the same color touching; and

**WHEREAS**, this historical feat was accomplished by logging 1,200 hours on the University’s IBM 370-168 computer, forever changing the field of mathematics and resulting in Dr. Appel and Dr. Haken being awarded the Delbert Ray Fulkerson prize by the American Mathematical Society and the Mathematical Programming Society in 1979; and

**WHEREAS**, New Hampshire is privileged that Dr. Appel later moved to New Hampshire where he chaired the UNH Mathematics Department, retiring as Professor Emeritus in 2003; now therefore be it **DECLARED**, that the New Hampshire House of Representatives, by virtue of the Speaker’s signature inscribed below, extends its prayers and heartfelt sympathy to Dr. Appel’s wife Carole, his loving family, his former students and colleagues, and his multitude of friends.

Terie Norelli, Speaker of the House

Offered by the New Hampshire House of Representatives this 8<sup>th</sup> day of May, 2013.

### **MOMENT OF SILENCE**

A moment of silence was observed in memory of Dr. Kenneth I. Appel.

**(Rep. Daniel Eaton in the Chair)**

### **SENATE MESSAGES**

### **REQUESTS CONCURRENCE WITH AMENDMENTS**

**HB 232**, relative to the membership of the governor’s commission on alcohol and drug abuse prevention, intervention, and treatment. (Amendment printed SJ 4-18-13)

Rep. James MacKay moved that the House concur and spoke in favor.

Adopted.

**HB 556**, establishing a committee to study the resolution of barriers to the use of telehealth technology in New Hampshire. (Amendment printed SJ 4-18-13)

Rep. James MacKay moved that the House concur and spoke in favor.

Adopted.

**HB 488-FN**, changing the definition of “cigarette” under the tobacco tax to match the definition of “cigarette” under the Master Settlement Agreement. (Amendment printed SJ 4-18-13)

Rep. Almy moved that the House concur and spoke in favor.

Adopted.

### **CONSENT CALENDAR**

Rep. Shurtleff moved that the Consent Calendar with the relevant amendments as printed in the day’s House Record be adopted.

**SB 170**, relative to advance directives pertaining to life-sustaining treatment, removed by Rep. Peterson.

**SB 194-FN**, requiring the department of health and human services to implement the Medicaid family planning expansion, removed by Rep. Comerford.

**SB 119-FN-A**, directing the joint legislative historical committee to conduct a study of state house flag restoration and preservation, removed by Rep. Gary Richardson.

**SB 155-FN-A**, requiring revenue from commemorative liquor bottles to be used for the preservation of state house Civil War battle flags, removed by Rep. Notter.

**SB 11-L**, relative to water and sewer utility districts and water or sewer utility districts, removed by Rep. Hoell.

**SB 101**, relative to collocation and modification of personal wireless services facilities, removed by Rep. Borden.

Consent Calendar adopted.

**SB 129-FN**, relative to court-ordered placements in shelter care facilities and at the Sununu Youth Services Center, relative to the children in need of services (CHINS) program, and establishing a committee to study programs for children in need. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Daniel C. Itse for Children and Family Law: This bill clarifies the definition and purpose of shelter care facilities and the youth development center (YDC) and ensures that juveniles can not

be committed to YDC unless it is proven by clear and convincing evidence that they are a danger to themselves or the community. It further prevents unnecessary detention by requiring eligibility for parole review every six months with an exception for violent crimes; there is an opportunity for waivers. The amendment makes two changes. First, it removes a study committee that is the subject of HB 418 which has been passed by the House and the Senate. Second, it removes a definition of CHINS that conflicts with the House position in HB 260 which has passed the House twice. The House position provides that services may be provided prior to adjudication. Vote 16-0.

#### **Amendment (1378h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to court-ordered placements in shelter care facilities and at the Sununu Youth Services Center.

Amend the bill by replacing all after section 8 with the following:

9 Effective Date. This act shall take effect 60 days after its passage.

#### **AMENDED ANALYSIS**

This bill:

I. Limits the commitment of children to the youth development center to cases where a court is presented with evidence that a juvenile is dangerous.

II. Provides a definition for shelter care facility in cases involving juvenile delinquency and children in need of services.

III. Requires that the department make treatment available in both non-secure and secure settings.

IV. Creates a presumption of parole after 6 months for children at the youth development center for non-violent offenses.

V. Provides for a right to counsel for children facing revocation of their parole from the youth development center, which cannot be waived if the child has a disability.

VI. Provides for periodic court review of cases where a juvenile is held at the youth development center for more than 6 months.

Referred to the Committee on Finance.

**SB 173**, relative to criminal background checks for individuals volunteering or applying for employment at licensed child care facilities. **OUGHT TO PASS.**

Rep. Ruth P. Gulick for Children and Family Law: The kind of assiduous investigation and rigorous licensing procedure applied to foster homes would now apply to residential care institutions and child placement agencies with the passage of this bill. It involves fingerprinting, criminal record check and, importantly, a records check through the FBI. The national scope of the investigation may reveal "red flags" occurring outside the state of New Hampshire. It applies to individuals over the age of 17 living in any residence whether they are the primary caregiver or not. Licensees are obligated to remove any person deemed to be a potential threat to children. Failure to comply with the provisions of this act will result in revocation of the provider's license. Vote 15-1. Referred to the Committee on Criminal Justice and Public Safety.

**SB 38**, relative to pharmacy rights during an audit. **OUGHT TO PASS.**

Rep. John B. Hunt for Commerce and Consumer Affairs: This agreed-upon bill by both the pharmacies and the pharmacy managers, establishes the rights and procedures for the conduct of audits of the records with pharmacies. The bill sets up the timing and the recurrences of audits. It also includes an appeal process. Finally the law will not affect audits due to alleged fraud or abuse and does not apply to Medicare or Medicaid funds. Vote 18-0.

**SB 51**, relative to the definition of "professional service." **OUGHT TO PASS WITH AMENDMENT.**

Rep. Pamela Z. Tucker for Commerce and Consumer Affairs: The original purpose of this bill was to add two more professions to the definition of professional services for both professional corporations and professional LLC's. The bill was amended to broaden the definition to include any profession that is regulated by state statute instead of the limiting it to specific professions. The amendment also codifies the language with the uniform partnership act. The larger scope of the definition of professional service will eliminate the need for future legislation to add new professions that were not previously listed. Vote 18-0.

**Amendment (1479h)**

Amend the bill by replacing all after the enacting clause with the following:

1 Professional Corporations; Definitions; Professional Service. Amend RSA 294-A:1, VI to read as follows:

VI. "Professional service" means [~~any service which may lawfully be rendered only by certified public accountants, public accountants, architects, attorneys, podiatrists, chiropractors, dentists, pharmacists, professional engineers, land surveyors, registered professional nurses, optometrists, physicians and surgeons, physician assistants, psychologists, veterinarians, and all other professionals licensed, registered, certified, or otherwise authorized and permitted to practice independently under the provisions of RSA 309-B, 310-A, 311, 315, 316-A, 317-A, 318, 326-B, 327, 328-D, 329, 329-B, 330-A, or 332-B and which may not lawfully be rendered by a corporation organized under the law of this state applicable to business corporations~~] *a type of highly skilled and educated, technical, and specialized personal service rendered to the public by persons who are licensed or certified, and regulated by state statute.*

2 Professional Limited Liability Companies; Definitions; Professional Service. Amend RSA 304-D:1, VI to read as follows:

VI. "Professional service" means [~~any service which may lawfully be rendered only by certified public accountants, public accountants, architects, attorneys, podiatrists, chiropractors, dentists, pharmacists, professional engineers, land surveyors, registered professional nurses, optometrists, physicians and surgeons, psychologists, veterinarians, and all other professionals licensed, registered, certified, or otherwise authorized and permitted to practice independently under the provisions of RSA 309-B, 310-A, 311, 315, 316-A, 317-A, 318, 326-B, 327, 329, 329-B, 330-A, or 332-B~~] *a type of highly skilled and educated, technical, and specialized personal service rendered to the public by persons who are licensed or certified, and regulated by state statute.*

3 Uniform Partnership Act; Definitions; Professional Service. Amend RSA 304-A:2, IX to read as follows:

IX. "Professional service" means [~~any service which may lawfully be rendered only by certified public accountants, public accountants, architects, attorneys, podiatrists, chiropractors, dentists, pharmacists, professional engineers, land surveyors, registered professional nurses, optometrists, physicians and surgeons, physician assistants, psychologists, and veterinarians licensed, registered, certified, or otherwise authorized under the provisions of RSA 309-B, 310-A, 311, 315, 316-A, 317-A, 318, 326-B, 327, 328-D, 329, 329-B, 330-A, or 332-B~~] *a type of highly skilled and educated, technical, and specialized personal service rendered to the public by persons who are licensed or certified, and regulated by state statute.*

4 Effective Date. This act shall take effect July 1, 2013, at 12:01 a.m.

**AMENDED ANALYSIS**

This bill modifies the definition of "professional service" as it applies to professional corporations, professional limited liability companies, and partnerships.

**SB 94**, relative to portable electronics insurance. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Laura M. Jones for Commerce and Consumer Affairs: This bill clarifies the applicability of the law regulating insurance claims adjusters as it applies to portable electronics insurance claims. SB 94 allows licensed insurance claims adjusters or producers to supervise up to 25 persons using a preprogrammed computer system to process claims, and enables the New Hampshire insurance department to enforce state laws if a problem arises. The amendment replaces unnecessary language with the definition of the automated claims adjudication system that is utilized when individuals file an insurance claim. Vote 18-0.

**Amendment (1451h)**

Amend RSA 402-B:2, II(d)(1) as inserted by section 1 of the bill by replacing it with the following:

(1) "Automated claims adjudication system" means a preprogrammed computer system that is utilized only by licensed insurance claims adjusters, licensed insurance producers, or supervised individuals operating pursuant to this subparagraph, designed for the collection, data entry, calculation, and final resolution and settlement of claims with respect to portable electronics insurance in compliance with the claims settlement requirements of the insurance laws of this state.

**SB 117-FN**, establishing a commission to study the regulation of pharmacy benefits managers. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Edward A. Butler for Commerce and Consumer Affairs: A pharmacy benefit manager (PBM) is a third party administrator of prescription drug programs. PBMs act as an intermediary between the payor and everyone else in the health-care system. Their contracts can include incentives for cutting costs. They are primarily responsible for processing and paying prescription drug claims. PBMs fall somewhere in between an insurance service and a pharmacy entity but are regulated by neither. This bill, as amended, will establish a legislative study committee to determine if regulation is needed. Vote 18-0.

### **Amendment (1311h)**

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the regulation of pharmacy benefits managers.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study the regulation of pharmacy benefits managers.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(b) One member of the senate, appointed by the president of the senate.

II. The committee shall solicit information from the following:

(a) The insurance department.

(b) The department of administrative services.

(c) The pharmacy board.

(d) The New Hampshire Medical Society.

(e) The New Hampshire Nurses' Association

(f) A large pharmacy chain.

(g) An independent pharmacy.

(h) A pharmacy benefit manager who is neither employed by a pharmacy or has any ownership interest in a pharmacy.

(i) A private employer that utilizes the services of a pharmacy benefit manager.

III. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall study the regulation of pharmacy benefits managers. The committee's study shall include, but not be limited to, whether pharmacy benefits managers should be regulated by the state and how and when the regulation should be implemented.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Three members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2013.

6 Effective Date. This act shall take effect upon its passage.

### **AMENDED ANALYSIS**

This bill establishes a committee to study the regulation of pharmacy benefits managers.

**SB 184-FN**, excluding conservation officers of the fish and game department from requirements for emergency medical and trauma services. **OUGHT TO PASS.**

Rep. Carol M. McGuire for Executive Departments and Administration: This bill exempts fish and game department officers from state licenses for emergency medical care providers. The department requires appropriate training and certification as "wilderness first responders" as well as CPR and first aid, but the emergency medical care provider license is redundant for the type of emergency medical care they provide. In addition, the licensing is on a two year cycle, while the department training is on a three year cycle, causing additional paperwork and cost. Fish and game officers who actually are EMTs (currently one) will continue to maintain their licenses for this more advanced care. Vote 19-0.

Referred to the Committee on Finance.

**SB 24**, relative to Medicaid rates. **OUGHT TO PASS.**

Rep. Barbara S. Helmstetter for Health, Human Services and Elderly Affairs: This bill eliminates the requirement for the department of health and human services to produce a report on Medicaid reimbursement rates before each biennial legislative session. This report is produced at great expense of time to the department and of money to the taxpayer. The information is all publicly available and the report has not served its intended purpose. Vote 17-2.

**SB 166**, relative to critical incident stress management and crisis intervention services. **OUGHT TO PASS.**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This legislation addresses management of the acute and cumulative psychological trauma that is part of critical incident that police experience. It forms a trained crisis intervention team. It is natural that police personnel would find peer counseling more acceptable than other counselors. This is a major step forward in recognizing and counseling those impacted by work experienced trauma. Stress management team members have specialized training and are licensed peer counselors. Vote 18-1.  
Referred to the Committee on Judiciary.

**SB 171**, relative to the council for children and adolescents with chronic health conditions. **OUGHT TO PASS.**

Rep. Mariellen J. MacKay for Health, Human Services and Elderly Affairs: The council for children and adolescents with chronic health conditions was established in 1990. Senate Bill 171 changes the name to council for youth with chronic conditions. It adds one council member who is less than 30 years of age. Children with chronic health conditions are living longer with the benefits of today's advancements in medicine. The council helps to support the families and the children through resources and advocacy. Vote 18-0.

**SB 95**, relative to choice of pharmacy under workers' compensation. **OUGHT TO PASS.**

Rep. Michael D. Cahill for Labor, Industrial and Rehabilitative Services: This bill serves to codify current practice allowing injured workers to select a pharmacy of their own choosing, just as workers are allowed to select their own physician under workers' compensation law. Vote 18-0.

**SB 147-FN**, relative to prescription drugs in workers' compensation cases. **OUGHT TO PASS.**

Rep. Charles F. Weed for Labor, Industrial and Rehabilitative Services: The committee agreed with the merit of this bill and notes that the workers compensation advisory council unanimously endorsed this legislation. The committee hearing and deliberation discussed the requirements and regulation of generics are such that active ingredients and amounts are largely identical to brand name drugs. Some were aware of contraindications caused by binders and coloring agents which when discovered to be problematic for a patient leads to prescription of brand name medications. Vote 18-0.

**SB 49**, relative to appeals of planning board decisions. **OUGHT TO PASS WITH AMENDMENT.**

Rep. David A. Bickford for Municipal and County Government: This bill requires appeals of planning board decisions concerning a subdivision or site plan to go to the board of adjustment prior to appeal to the superior court. Presently appeals can go to the court or board of adjustment and sometime get filed with both simultaneously. This bill will create an orderly flow of appeals. Vote 15-0.

**Amendment (1264h)**

Amend RSA 677:15, I-a(b) as inserted by section 1 of the bill by replacing it with the following:

(b) If, upon an appeal to the superior court under this section, the court determines, on its own motion within 30 days after delivery of proof of service of process upon the defendants, or on motion of any party made within the same period, that any matters contained in the appeal should have been appealed to the board of adjustment under RSA 676:5, III, the court shall issue an order to that effect, and shall stay proceedings on any remaining matters until final resolution of all matters before the board of adjustment. Upon such a determination by the superior court, the party who brought the appeal shall have 30 days to present such matters to the board of adjustment under RSA 676:5, III. Except as provided in this paragraph, no matter contained in the appeal shall be dismissed on the basis that it should have been appealed to the board of adjustment under RSA 676:5, III.

**SB 50**, relative to expiration of variances and special exceptions. **OUGHT TO PASS.**

Rep. James P. Belanger for Municipal and County Government: Currently there is a lack of uniformity among NH municipalities as to when a special exception that is not exercised expires. This legislation

provides that all variances and special exceptions expire in (2) two years from date of final approval unless exercised through construction pursuant to permission granted by the ZBA. This also permits a municipality to modify the duration of a variance or special exception by local zoning regulation when good cause dictates a longer period of time. Enacting a standard variance and special exception duration limitation promotes uniformity and predictability in land use decisions. Vote 15-0.

**SB 58**, relative to the taxation of water works or flood control land held in another town or city. **OUGHT TO PASS.**

Rep. James E. Coffey for Municipal and County Government: This bill promotes negotiations between municipalities regarding water works or flood control land owned by one town but situated in another. It promotes constructive discussion about payment in lieu of taxes without setting any specific requirements. Vote 18-0.

**SB 111**, permitting municipalities to establish a capital reserve plan for expenditure of capital reserve funds and relative to electronic billing by municipal utilities. **OUGHT TO PASS.**

Rep. James P. Belanger for Municipal and County Government: This bill permits municipalities to appropriate funds for more than one year by a super majority vote to avoid costs of bonding. Multiple year appropriations for long term projects (such as road rebuilding) will guarantee that a project can continue until completed in more than one year although there is a provision to rescind such funding by majority vote in a future legislative session. This bill also permits municipal utility bills for notices to be in electronic form if specifically requested by the recipient. Vote 14-1.

**SB 172-FN-L**, relative to public funds. **OUGHT TO PASS.**

Rep. Kathleen M. Stroud for Municipal and County Government: This bill modifies the investment options of the state treasurer and the treasurers of the political subdivisions of the state. This legislation builds on existing programs and allows for easier access to funds. Vote 15-0.

**SB 197**, relative to the inclusion of a default budget in separate warrant articles submitted by sewer commissions. **OUGHT TO PASS WITH AMENDMENT.**

Rep. James E. Coffey for Municipal and County Government: This bill correctly separates the water and sewer operations from the general fund budget of a municipality that is subject to default budgets to allow a separate default for water and sewer operations, when they are presented as separate articles. These operations are required to be held in separate funds and are normally funded by user fees. Vote 15-0.

#### **Amendment (1448h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to the inclusion of a default budget in separate warrant articles submitted by sewer and water commissions.

Amend the bill by replacing section 1 with the following:

1 Sewer Funds; Separate Warrant Article; Default Budget. Amend RSA 149-I:10, II and III to read as follows:

II. Except when a capital reserve fund is established pursuant to paragraph III, all sewer funds shall be held in the custody of the municipal treasurer. Estimates of anticipated sewer rental revenues and anticipated expenditures from the sewer fund shall be submitted to the governing body as set forth in RSA [32:6] 32:4 if applicable, and shall be included *either* as part of the municipal *operating* budget *or as a separate warrant article* submitted to the local legislative body for approval. *In a town or district that has adopted the official ballot referendum form of meeting, any such separate warrant article shall include a default amount as provided in RSA 40:13, XI-a.* If the municipality has a properly-established board of sewer commissioners, then notwithstanding RSA 41:29 or RSA 48:16, the treasurer shall pay out amounts from the sewer fund only upon order of the board of sewer commissioners. Expenditures shall be within amounts appropriated by the local legislative body. The sewer commission shall also remit to the municipality those costs incurred by the municipality in support of sewer operations, including but not limited to financial audit, facility insurance, treasurer compensation, and office support.

III. At the option of the local governing body, or of the board of sewer commissioners if any, all or part of any surplus in the sewer fund may be placed in one or more capital reserve funds and ~~[placed]~~ *held* in the custody of the trustees of trust funds pursuant to RSA 35:7. If such a reserve

fund is created, then the governing body, or board of sewer commissioners if any, may expend such funds pursuant to RSA 35:15 without prior approval or appropriation by the local legislative body, but all such expenditures shall be reported to the municipality pursuant to RSA 149-I:25. This section shall not be construed to prohibit the establishment of other capital reserve funds for any lawful purpose relating to municipal water systems.

Amend the bill by replacing all after section 2 with the following:

3 Water Funds; Separate Warrant Article; Default Budget. Amend RSA 38:29, II and III to read as follows:

II. Except when a capital reserve fund is established pursuant to paragraph III, all water funds shall be held in the custody of the municipal treasurer. Estimates of anticipated water rate revenues and anticipated expenditures from the water fund shall be prepared and submitted to the governing body as set forth in RSA [32:3] **32:4**, if applicable, and shall be included *either* as part of the municipal *operating* budget *or as a separate warrant article* submitted to the local legislative body for approval. *In a town or district that has adopted the official ballot referendum form of meeting, any such separate warrant article shall include a default amount as provided in RSA 40:13, XI-a.* If the municipality has a properly established board of water commissioners, then notwithstanding RSA 41:29 or RSA 48:16, the treasurer shall pay out amounts from the water fund only upon order of the board of water commissioners. Expenditures shall be within amounts appropriated by the local legislative body. *The water commission shall also remit to the municipality those costs incurred by the municipality in support of water operations, including but not limited to financial audit, facility insurance, treasurer compensation, and office support.*

III. At the option of the local governing body, or of the board of water commissioners, if any, all or part of any surplus in the water fund may be placed in one or more capital reserve funds held in the custody of the trustees of trust funds pursuant to RSA 35:7. If such a reserve fund is created, then the governing body, or board of water commissioners, if any, may expend such funds pursuant to RSA 35:15 without prior approval or appropriation by the local legislative body, but all such expenditures shall be reported to the municipality pursuant to RSA 38:21. This [paragraph] *section* shall not be construed to prohibit the establishment of other capital reserve funds for any lawful purpose relating to municipal water systems.

4 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill permits water and sewer commissions to submit separate warrant articles, which include default budgets, for approval by the legislative body of towns.

**SB 84**, relative to road toll administration, relative to motor vehicles carrying property for hire, and relative to administration of the international registration plan. **OUGHT TO PASS.**

Rep. Martin L. Jack for Public Works and Highways: This bill makes several technical corrections that affect the road toll bureau as requested by the department of safety. First, it clarifies that fuel distributor licenses are on a July to June schedule with the initial license expiring the following June. Second, it reduces from \$50 to \$10 the penalty for failing to report a fuel delivery, since existing law is considered to be excessively punitive. Third, it authorizes the department to write off unpaid road toll as bad debt if it is determined to be uncollectible. Fourth, it repeals an obsolete statute on registration of intrastate-only motor carriers. No carrier is currently registered under this statute and it has been superseded by using federal interstate operating authority or federal unified carrier registration. Finally, only the audit function of administering the international registration plan is retained in the road toll bureau. Vote 16-0.

**SB 188-FN**, relative to municipally-owned utilities. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John A. Graham for Public Works and Highways: This bill clarifies provisions of RSA 228:22. Currently, if state highway work requires a municipally owned utility to relocate underground facilities, then the state bears the cost of the relocation. In 2012 the city of Nashua purchased Pennichuck Corp and retained the existing corporation, making Pennichuck a non-profit corporation which is municipally owned. Pennichuck provides water service to 29 communities in New Hampshire from Conway to Pelham. This bill, as amended, provides the same level of relief for the ratepayers of Pennichuck that are enjoyed by other municipal water utilities under existing law. The amendment requires that the utility must be owned in its "entirety" by a municipality. Vote 15-2.

**Amendment (1252h)**

Amend the bill by replacing section 1 with the following:

1 Transportation; Cost of Retrenching for Relocation of Underground Facilities. Amend RSA 228:22 to read as follows:

228:22 Cost of Trenching for Relocation of Underground Utilities. When the commissioner shall determine that a highway reconstruction, relocation, or maintenance project financed in whole or in part by state funds and conducted under department of transportation supervision or control necessitates the relocation of any municipally-owned subterranean utilities facilities, any trenching and backfilling required for such relocation shall be part of the cost of such reconstruction, relocation, or maintenance and shall be provided by the governmental agency which is carrying out such highway work at no cost to the municipally-owned utility, and the governmental agency shall pay the municipality for the book value (original cost less allowable depreciation) at the time the municipally-owned subterranean facility is retired. Provided, however, that if a public utility other than a municipally-owned utility makes use of a relocation trench provided for in this section, said utility shall pay the governmental agency carrying out such work its proportionate share of the cost of such trenching and backfilling. *For purposes of this section, the term "municipally-owned utility" means any utility that is owned in its entirety, directly or indirectly, by a municipality or by a department, instrumentality, company, or corporation that is owned in its entirety, directly or indirectly, by a municipality. For purposes of this section, the term "municipally-owned subterranean facility" means any subterranean facility that is owned, directly or indirectly, by a municipality or by a department, instrumentality, company, or corporation that is owned, directly or indirectly, by a municipality.*

**SB 192-FN-L**, establishing a committee to study the establishment of a state infrastructure bank. **OUGHT TO PASS.**

Rep. John R. Cloutier for Public Works and Highways: This bill would create a six-member legislative study committee, consisting of three senators and three representatives, to examine the idea of establishing a state infrastructure bank. Such a bank is a financial vehicle that would encourage private and local participation in surface transportation projects and has already been created in 39 other states, according to the bill's sponsors. The above-described participation could also include leveraging federal funds. The overwhelming committee majority believes this innovative idea to help pay for our crumbling infrastructure is worth studying. Vote 15-3.

Referred to the Committee on Finance.

**SB 14**, relative to the rulemaking authority of and administrative fine authority for the department of resources and economic development. **OUGHT TO PASS.**

Rep. Sid Lovett for Resources, Recreation and Development: This bill repeals the sunset of the authority of the department of resources and economic development (DRED) to adopt rules on assessing administrative fines. By written agreement by the commissioner of DRED any authorized municipal official may utilize the summons procedure under RSA 31:39d to cite individuals for violations of state park administrative rules or forest and land administration or both. Authorized municipalities shall retain 100% of any fine collected in accordance with DRED schedule. Vote 18-1. Referred to the Committee on Ways and Means.

**SB 131-FN-L**, relative to a permitting process for the removal of submerged logs from certain great ponds. **OUGHT TO PASS.**

Rep. Shannon E. Chandley for Resources, Recreation and Development: This bill allows the governor and executive council to grant municipalities the right to remove submerged logs from certain great ponds. Currently, there is no procedure in place to authorize the removal of these logs. Authorization may be granted if the logs pose a hazard to navigation, public safety or the environment provided that the municipality demonstrates that removal does not create a greater hazard than if the logs were left in place. Vote 19-1.

**SB 175**, relative to crossing public waters of the state for public utility purposes. **OUGHT TO PASS.**

Rep. Robert A. Backus for Science, Technology and Energy: The bill will permit utilities and other providers to cross public waters or lands on existing poles without having to pursue the same permitting procedures required for new pole installations. Providers will still have to provide an affidavit to the PUC that the attachment and crossing complies with the National Electric Safety

Code and they have a valid attachment agreement. The bill does not apply to gas or new electrical line crossings. It will save expense without any diminishment of safety or other areas of public concern. Vote 15-0.

**SB 30**, making technical corrections to tax laws. **OUGHT TO PASS.**

Rep. Gilman C. Shattuck for Ways and Means: This bill, a request of the department of revenue administration, makes four simple corrections to tax law: defines what information may be exchanged with the United States department of treasury and the United States food and drug administration; defines willful disclosure of confidential or privileged information and penalties thereof, using language consistent with federal law; defines the obligation of a taxpayer to report to the department changes made by the United States internal revenue service and the obligation of the department to notice the taxpayer of its review of the taxpayer's return; fees applicable to a check drawn on a foreign bank shall be paid by person tendering check. Vote 16-0.

### REGULAR CALENDAR

**SB 25**, relative to the treatment of medical support in child support cases. **OUGHT TO PASS.**

Rep. Carolyn M. Gargas for Children and Family Law: This bill clarifies calculation of the medical support obligation in child support cases. Under current law medical costs are to be based on medical insurances; however, the residential parent could be liable for uninsured medical expenses. This bill corrects this situation. The bill is in response to a court decision and is at the request of the department of health and human services. Vote 14-2.

Committee report adopted and ordered to third reading.

**SB 137-FN**, relative to sibling visitation rights. **INEXPEDIENT TO LEGISLATE.**

Rep. Cynthia L. Chase for Children and Family Law: While the committee felt great sympathy for the circumstances which prompted this bill, according to *Troxel v Granville*, United States Supreme Court 2000, this bill is clearly unconstitutional. Vote 16-0.

Committee report adopted.

**SB 104**, establishing a commission to study the current community-based system of commodities reporting by junk or scrap metal dealers in New Hampshire. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Kermit R. Williams for the Majority of Commerce and Consumer Affairs: Metal theft is a serious problem in New Hampshire. A solution for that problem is not simple. Thefts often happen at unoccupied construction sites or vacant houses. Thieves will try to sell quickly, before the police are on their trail. Most scrap metal dealers want to do the right thing and purchase only legitimately obtained metal, but need help to identify potential stolen goods. Because metal prices change constantly, a dealer wants to sell quickly before the price drops, but it can take a long time for police to identify stolen property. Some cities and towns in the state have their own systems to track potentially stolen secondhand merchandise, including not only scrap metal but jewelry and other goods sold through pawn shops or other methods. Other towns have no system, so smart thieves will choose a place to sell where they are not tracked. The scrap industry is strongly motivated to help the state create a comprehensive system to catch metal thieves and identify stolen merchandise, without being included in a general stolen-goods tracking system, such as those for pawn shops. This bill creates a commission with members from the legislature, industry and law enforcement whose goal will be to find ways to protect theft victims and catch thieves without hurting the legitimate recycling business. Vote 11-7.

Rep. Pamela Z. Tucker for the Minority of Commerce and Consumer Affairs: This bill, while well intended, is to create yet another study committee where one is not needed. We heard in testimony that the data base needed already exists. The various parties listed in the bill can already meet without legislative authority and may be better served without state intervention by just having interested and knowledgeable parties involved. We are opposed to creating this committee because it will result in the creation of another fee on businesses, as stated in the text of the bill.

Majority committee report adopted and ordered to third reading.

**SB 134-FN**, relative to the division of higher education and the higher education commission. **OUGHT TO PASS WITH AMENDMENT.**

Rep. June M. Frazer for Education: This bill amends the duties and membership of the higher education commission and revises the application and approval process for institutions of higher

learning to seek and receive approval from the higher education commissions; establishes the higher education commission fund and repeals department of education rulemaking authority for tuition waiver and scholarship programs for children of firefighters, police officers and foster children and places approval of out-of-state branches of institutions of higher learning within the authority of the higher education commission. Vote 18-0.

### **Amendment (1426h)**

Amend the bill by replacing all after the enacting clause with the following:

1 Division of Higher Education. RSA 21-N:8-a is repealed and reenacted to read as follows:

21-N:8-a Division of Higher Education.

I. There is hereby established within the department the division of higher education, under the supervision of an unclassified director of higher education who shall be responsible for providing support to the higher education commission established in paragraph II.

II.(a) There is hereby established a higher education commission which shall consist of the following members:

(1) The president of the university of New Hampshire, the president of Keene state college, the president of Plymouth state university, and the president of Granite State college.

(2) Two presidents from institutions within the community college system of New Hampshire, to be chosen by the board of trustees of the community college system.

(3) The chancellor of the university system of New Hampshire.

(4) The chancellor of the community college system of New Hampshire.

(5) The commissioner of the department of education.

(6) Six representatives of the private 4-year colleges in New Hampshire appointed by the governor and council on recommendation by the New Hampshire College and University Council, with no more than one representative from any one college.

(7) One member to be appointed by the governor and council as a representative from a for-profit college or university not a member of the New Hampshire College and University Council.

(8) Four members to be appointed by the governor and council who shall be residents of the state and of the lay public, having no official connection with any college, university, or private postsecondary career school as an employee, trustee, or member on a board of directors.

(9) Two members to be appointed by the governor and council, on recommendation by the New Hampshire Council for Professional Education, who shall be residents of the state and shall represent private postsecondary career schools.

(b) The terms of appointed members, except as otherwise indicated above, shall be for 5 years and until a successor is appointed and qualified. Vacancies shall be filled for the unexpired term.

(c) Commission appointments shall be made in such a way as to preserve broad and equitable representation on the basis of gender, ethnicity, and socioeconomic groups in the state.

(d) The members of the commission shall serve without compensation, but may be reimbursed for actual travel and other expenses incurred in the performance of their duties on the commission from funds appropriated to the department of education specifically for this purpose.

(e) The commission shall:

(1) Regulate institutions of higher education pursuant to RSA 292:8-b through RSA 292:8-kk. The commission may accept accreditation by a recognized accrediting association in place of its own independent evaluation.

(2) Administer financial aid programs as provided in state and federal law for students attending higher education institutions, except as otherwise provided by law.

(3) Apply for, accept, and expend state, federal, or other grants.

(4) Oversee the functions of the Veterans Education Services as authorized by Congress.

(5) Establish and collect reasonable annual fees related to the performance of statutory duties.

(6) Enter into cooperative interstate or international agreements to further operating efficiencies, student access, and educational opportunities.

(7) Be the designee for the integrated postsecondary education data system as developed by the United States Department of Education.

(8) Adopt rules, pursuant to RSA 541-A relative to:

(A) Organization and operation of the higher education commission established in this section.

(B) Approval and regulation of institutions of higher education pursuant to RSA 292:8-b through RSA 292:8-kk.

(C) Administration of financial aid programs for institutions of higher education, except as otherwise provided by law.

(D) Establishment and collection of reasonable fees for functions performed by the division of higher education and the higher education commission as required in this section.

(9) Assume other responsibilities as may be provided in state or federal law.

III. There is hereby established in the office of the treasury the higher education fund to be administered by the higher education commission. The fund shall be nonlapsing and continually appropriated to the higher education commission for the purposes established in this chapter. All fees collected by the commission relative to the performance of its duties shall be deposited into the fund.

2 Scholarships for Orphans of Veterans. Amend RSA 193:21 to read as follows:

193:21 Payment. The amounts payable to recipients shall be determined by the department of education, division of higher education. The ~~[department]~~ **higher education commission established in RSA 21-N:8-a** shall determine the eligibility in accordance with rules adopted under RSA 541-A of the children who make application for the benefits provided for in this subdivision.

3 Higher Education Corporations; Organization. Amend RSA 292:8-c through RSA 292:8-h to read as follows:

292:8-c Organization. The articles of agreement for the purpose of organizing a corporation for the establishment of an institution ~~[for postsecondary education or]~~ **of higher learning** shall be submitted to the commission for its consent for said incorporation.

292:8-d Approval. No articles of agreement for the incorporation of institutions ~~[for postsecondary or higher education]~~ **of higher learning** shall be recorded in the office of the secretary of state unless or until consent for said incorporation has been obtained from the commission.

292:8-e General Statement. The commission shall approve as a corporation of higher learning only such institutions as have been evaluated according to procedures and standards established by the commission. **The commission may accept accreditation or program approval by a recognized accrediting body in place of its own independent evaluation.**

292:8-ee Freedom From Liability. No employee of the division, member of the commission, or any member of an evaluation committee established under any provision of this subdivision shall be held personally liable, either as an individual or as a member of a group, ~~[for any loss which may accrue to an educational institution as a result of the denial of degree granting authority under any section of this subdivision]~~, so long as said employee or member was acting in good faith in the furtherance of duties as an employee of the division or member of the commission or an evaluation committee. All such members shall be entitled to the protections afforded by RSA 99-D.

292:8-f Submission of Plans. Any person **or entity** desiring to establish an institution of higher learning shall submit to the commission ~~[at the time approval is requested for its articles of incorporation;]~~ its plans, which shall be evaluated by the commission ~~[prior to granting its certificate]~~. Such evaluation shall include among other things the adequacy of the buildings or proposed buildings, instructional facilities and provisions for safety and well-being of its students, the qualifications of the faculty, the character of the program of studies and the adequacy of financial resources. **All fees collected by the commission under this section shall be deposited into the higher education fund established in RSA 21-N:8-a, III.**

292:8-ff Continuing Review.

I. The commission shall conduct periodic reevaluations of educational institutions incorporated under this chapter ~~[and of any degree granting authority under RSA 292:8-h]~~.

II. The commission shall conduct a special reevaluation of any educational institution, if:

- (a) The institution is sold or transferred to, or merged with, another entity; or
- (b) There is a substantial change in the governance of the institution.

III. The commission shall suspend or revoke the ~~[accreditation]~~ **approval** or degree granting authority of any institution which no longer meets the standards established by rule under RSA 21-N:8-a, II(e).

IV. Any institution which has not conducted regular instruction for 3 consecutive years and whose charter has not been repealed shall, before announcing a resumption of instruction, submit plans **to the commission** and be evaluated and approved under RSA 292:8-f.

V. Any institution which has not awarded a particular degree for 4 years shall seek and receive approval by the commission before **resuming the** awarding of that degree.

292:8-g Limitation on Name. Notwithstanding the provisions of RSA 292:3 no person, school, association or corporation shall use in any way the term "junior college" or "college" or "university" in connection with an institution, or use any other name, title or descriptive matter tending to designate that it is an institution of higher learning unless it has been incorporated under the provisions of this chapter. ~~[The provisions of this section shall not apply to a person, school, association or corporation which has been authorized to use said terms by law prior to January 1, 1965.]~~ Any person, school, association or corporation authorized by a special act of the legislature shall not change its name to include any of said terms under the provisions of RSA 292:8-l unless its amendment therefor shall be submitted to and approved by the commission prior to being filed in the office of the secretary of state.

292:8-h Granting of Degrees.

I. This section shall apply to all educational institutions within the state granting degrees or seeking to do so, except the following:

(a) Any institution now granting degrees which has been in continuous operation since before 1775;

(b) [Repealed.]

(c) ~~[Publicly supported institutions placed by the legislature under the authority of the state board of education]~~ ***Institutions of the university system of New Hampshire pursuant to RSA 187-A and institutions of the community college system of New Hampshire pursuant to RSA 188-F.***

II. No educational institution shall grant degrees unless authorized by name to do so by an act of the legislature.

III. The commission shall specify the degrees an institution may grant, and the commission may renew, for a set term of years, degree granting authority ~~[granted by the legislature. The commission's actions shall be subject to biennial certification by the legislature].~~ The commission shall report its ~~[action]~~ **activity** by January 31 of each odd-numbered year to both the house and senate standing committees on education.

***IV. Any out-of-state institution of higher learning planning to establish a branch campus or offer courses, programs, or degrees in this state, shall apply to the commission for evaluation and approval of its plans. If such plans are not approved or if approval is withdrawn by the commission, all operations and publicity of the out-of-state institution shall cease without delay.***

4 University System of New Hampshire; Tuition Waivers. Amend RSA 187-A:20-a and RSA 187-A:20-b to read as follows:

187-A:20-a Tuition Waived for Children of Certain Firefighters and Police Officers; Room and Board Scholarships.

I. A person who is a New Hampshire resident, who is under 25 years of age, and who enrolls in a program leading to a certificate, associate, or bachelor degree at any public postsecondary institution within the state~~[- approved by the department of education, division of higher education,]~~ shall not be required to pay tuition for attendance at such institution if he or she is the child of a firefighter or police officer who died while in performance of his or her duties, and whose death was found to be compensable pursuant to RSA 281-A.

II.(a) Any person entitled to a waiver of tuition under this section may apply for a room and board scholarship while attending the institution, to the extent of available funds. ~~[Applications for a room and board scholarship shall be filed annually with the director of the division of higher education. The department of education shall adopt rules, pursuant to RSA 541-A,]~~ ***The board of trustees of the university system of New Hampshire and the board of trustees of the community college system of New Hampshire shall have the authority to develop policies for their respective institutions*** relative to the development of criteria for awarding scholarships, development of scholarship application forms, application deadlines, scholarship amounts, provisions for continuing eligibility, and other procedures necessary to administer the room and board scholarships.

(b) There is hereby established in the office of the state treasurer a nonlapsing fund to be known as the room and board scholarship fund. The state treasurer shall invest the fund pursuant to RSA 6:8 and earnings shall be added to the fund. The fund shall be continually appropriated to the ~~[division of higher education]~~ ***university system of New Hampshire*** for the purpose of providing room and board scholarships as provided in this section, and shall not be diverted or used for any other purpose. The ~~[director of the division of higher education]~~ ***board of trustees of the university***

*system of New Hampshire and the board of trustees of the community college system of New Hampshire* may apply for and accept gifts, grants, and donations from any source to be used for the purpose of providing room and board scholarships as provided in this section.

187-A:20-b Tuition Waiver for Children in State Foster Care or Guardianship.

I. An eligible individual who enrolls full-time in a program leading to a certificate, associate, or bachelor degree at any public postsecondary institution within the state ~~[that is approved by the department of education, division of higher education,]~~ shall not be required to pay tuition or fees for attendance at such institution.

II. In this section, an eligible individual is a person who is less than 23 years of age and who is or was:

- (a) In state foster care for the immediate 6-month period prior to his or her 18th birthday;
- (b) In state guardianship or custody at the time of his or her 18th birthday;
- (c) Adopted while in state guardianship or adopted from the care, custody, and control of the department following a surrender of parental rights; or
- (d) In an out-of-home placement under the supervision of the division for juvenile justice services at the time of his or her 17th birthday.

III.(a) Eligible individuals interested in a tuition waiver shall annually apply ~~[to the division of higher education on a form]~~ **on forms** provided ~~[by the division of higher education]~~ and within the deadlines established by the ~~[division of higher education]~~ **university system of New Hampshire and the community college system of New Hampshire for their respective institutions.** No more than ~~[20]~~ **10** tuition waivers per year shall be granted ~~by the university system of New Hampshire and no more than 10 tuition waivers per year shall be granted by the community college system of New Hampshire.~~ The ~~[department of education shall adopt rules, pursuant to RSA 541-A, relative to the development of]~~ **university system of New Hampshire and the community college system of New Hampshire shall have the authority to develop** eligibility criteria **for their respective institutions** designed to give the children with the greatest financial need first priority in the tuition waiver program ~~[- the creation of an application form, application deadlines, and provisions].~~ **Such eligibility criteria shall also include provisions** for continuing eligibility ~~[which require]~~ **based on** continued full-time enrollment ~~[as provided in this section]~~ and ~~[maintaining]~~ satisfactory academic progress as defined by the institution.

(b) Beginning November 1, 2008, and no later than November 1 each year thereafter, the division of children, youth, and families shall submit a report to the health and human services oversight committee, established in RSA 126-A:13, and the house children and family law committee, or their successor committees, detailing the status of the tuition waiver program.

**IV. An eligible individual may also apply for a room and board scholarship under the provisions of RSA 187-A:20-a, II without having to comply with the provisions of RSA 187-A:20-a, I.**

5 Higher Education Corporations; Reports Required. Amend RSA 292:8-kk to read as follows: 292:8-kk Reports Required.

I. When any institution of higher learning ceases the regular conduct of instruction, ~~[either temporarily or permanently, whether or not the corporation is dissolved, the original written academic record, or a legible, certified copy thereof as defined by the institution, of]~~ **2 certified transcripts and an electronic copy of the same** for each student who ~~[has been]~~ **was** registered for instruction at the institution shall be forwarded to the commission together with **a course catalogue for each year in which the institution operated, and** an explanation of the institution's credit and grading system. The commission shall preserve these records and upon request of the individual concerned, shall furnish a certified copy~~[- or reasonable number of such copies,]~~ of the individual's record. The fee for each record so furnished to be paid to the commission shall be sufficient to cover related costs.

II. All transcript request fees collected by the commission under this section shall be deposited into ~~[a nonlapsing, revolving fund to be used for managing the storage, maintenance, and retrieval of closed school transcripts]~~ **the higher education fund established in RSA 21-N:8-a, III.**

6 New Subparagraph; Application of Receipts; Higher Education Fund. Amend RSA 6:12, I(b) by inserting after subparagraph (310) the following new subparagraph:

(311) The higher education fund established in RSA 21-N:8-a, III.

7 Repeal. The following are repealed:

I. RSA 21-N:9, III, relative to department of education rulemaking for tuition waiver and scholarship programs for children of firefighters, police officers, and foster children, is repealed.

II. RSA 186:13-b, relative to approval of branches of out-of-state institutions.

III. RSA 186:13-c, relative to penalties for establishing an unapproved branch of an out-of-state institution.

8 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill:

I. Revises the duties and membership of the higher education commission.

II. Revises the application and approval process for institutions of higher learning to seek and receive approval from the higher education commission.

III. Establishes the higher education fund.

IV. Transfers rulemaking authority for tuition waiver and scholarship programs for children of firefighters and police officers, and for foster children from the department of education to the university system of New Hampshire and the community college system of New Hampshire.

V. Places approval of out-of-state branches of institutions of higher learning within the authority of the higher education commission.

Amendment adopted.

Committee report adopted and referred to the Committee on Ways and Means.

**SB 162-FN**, repealing the student tuition guaranty fund and making provisions for the disbursement of remaining funds, and relative to the membership of the higher education commission. **OUGHT TO PASS WITH AMENDMENT.**

Rep. June M. Frazer for Education: This bill repeals the student tuition guaranty fund which was funded from an annual fee established by rule and assessed against each school duly licensed by the commission and all applicants for a license under RSA 188-G:2. The bill further requires the higher education commission to disburse all remaining funds except accrued interest to the private postsecondary career schools responsible for contributing the funds. The interest will go to the general fund. Vote 18-0.

#### Amendment (1401h)

Amend the title of the bill by replacing it with the following:

AN ACT repealing the student tuition guaranty fund and making provisions for the disbursement of remaining funds.

Amend the bill by deleting section 5 and renumbering the original section 6 to read as 5.

#### AMENDED ANALYSIS

This bill repeals the student tuition guaranty fund and requires the higher education commission to disburse all remaining funds to the private postsecondary career school responsible for contributing the funds.

Amendment adopted.

Committee report adopted and referred to the Committee on Finance.

**SB 189-FN**, relative to the licensure of fuel gas fitters and plumbers by a mechanical licensing board established within the department of safety and transferring regulation of plumbers to the mechanical licensing board. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Dianne E. Schuett for the Majority of Executive Departments and Administration: The bill, as amended, revises standards for licensure of fuel gas fitters and places those trades along with the plumbing trades into the mechanical licensing board under the supervision of the department of safety. The committee worked with the fire marshal's office in the department of safety and the various trades and their current governing boards to craft an amendment that addressed the changing nature of these fields. The committee amendment defines the various trades dealing with heating oil, liquefied propane and natural gas and describes the specific duties which can be performed by each title from installation of pipes or appliances to service, repair or even demolition of complete systems. The amendment also requires the following qualifying standards: a fuel gas installation technician must have 1,000 hours of field experience, or equivalent in an approved educational setting installing, servicing or repairing gas appliances or equipment within 60-months and may count up to 500 hours installing, servicing or repairing heating oil fired appliances or equipment to meet the 1,000 hours; a fuel gas service technician must have 2,000 hours of field experience, or equivalent

in an approved educational setting installing, servicing or repairing gas appliances or equipment, or gas piping within 60-months and may count up to 750 hours installing, servicing or repairing heating oil fired appliances or equipment to meet the 2,000 hours; a fuel gas piping installer must have 1,000 hours of field experience, or equivalent in an approved educational setting installing gas piping within 60-months and may count up to 500 hours installing, servicing or repairing heating oil fired appliances or equipment to meet the 1,000 hours. The amendment further changes the expiration of all licenses under this section to the end of January every two years for conformity. It also allows for a licensed business entity to apply for and receive permits so that the tradesman does not use work time to do so. Finally, it spells out exemptions for students in high school vocational programs, employees of public water systems and certain welders working under the supervision of a licensed fuel gas fitter or master plumber. The majority of the committee believes that the bill, as amended, provides appropriate competency in these licensed trades to ensure the safety of the citizens of our state. Vote 17-2.

Rep. Daniel C. Hansberry for the Minority of Executive Departments and Administration: This bill reduces the training hours currently required to be a licensed fuel gas service technician from 5,000 to 2,000. Additionally, it permits 750 of the 2,000 hours to be fulfilled while servicing oil fired appliances. This results in only 1250 hours of the trainee's experience being completed while working on gas fired equipment. The net effect is a 75% reduction in the number of hours presently required for training on gas fired equipment in order to be licensed. The minority acknowledges that there is a shortage of gas service technicians, however, it does not believe the way to address it is by lowering the standards for licensure. Utilizing such an approach lowers the quality of service provided to the consumer and potentially compromises public safety.

#### **Majority Amendment (1464h)**

Amend the bill by replacing section 5 with the following:

5 Definitions. RSA 153:27 is repealed and reenacted to read as follows:

153:27 Definitions. In this subdivision:

I. "Board" means the mechanical licensing board established in RSA 153:27-a.

II. "Domestic appliance technician" means any person engaged in the installation, servicing, and repair of liquefied propane or natural gas domestic appliances designed specifically for residential use, limited to residential clothes dryers and their venting systems, domestic stove tops, cook stoves and ranges and their venting systems, or outdoor cooking equipment and pool heaters.

III. "Fuel gas fitter" means a hearth system installation and service technician, a fuel gas installation technician, a fuel gas service technician, or a fuel gas piping installer regulated by this subdivision.

IV. "Fuel gas fitting" means the installation, repair, alteration, service, demolition or removal of pipes, fixtures, fittings, appliances, or apparatus necessary for supplying natural gas or propane for residential or non-residential use from the point of delivery and all gas piping before connection to the combustion zone and including the applicable venting of flue gases to the outside atmosphere and the provisions for air for combustion and ventilation.

V. "Fuel gas installation technician" means any person engaged in the installation of inside and outside piping from the outlet of the gas meter or first stage regulator or residential and non-residential heating equipment systems or water heating systems using liquefied propane gas or natural gas.

VI. "Fuel gas piping installer" means any person engaged in the installation of liquefied propane gas or natural gas piping or who is a New Hampshire licensed plumber, approved by the board through affidavit, experience, education or training in the use of NFPA 54, national fuel gas code as adopted pursuant to RSA 153:5 in the state fire code.

VII. "Fuel gas service technician" means any person engaged in the servicing and repair of inside and outside piping from the outlet of the gas meter or first stage regulator or residential and non-residential heating equipment systems or water heating systems using liquefied propane gas or natural gas.

VIII. "Fuel gas trainee" means any person engaged in the process of meeting the licensing requirements of this subdivision, who shall work under the supervision of a licensed fuel gas fitter in the repair or installation of inside and outside piping from a gas meter or first stage regulator, and the repair or installation of residential and nonresidential heating equipment systems, hot water heating systems, or hearth equipment systems utilizing liquefied propane gas or natural gas.

IX. "Hearth system installation and service technician" means any person engaged in the installation, servicing, and repair of liquefied propane or natural gas hearth appliances and venting systems.

X. "Journeyman plumber" means any person who customarily performs the work of installing, maintaining, and repairing plumbing and drainage under the direction of a master plumber.

XI. "License" means any license issued pursuant to this subdivision.

XII. "Master plumber" means any person, firm, corporation, or limited liability company that, as a business, hires or employs a person or persons to do plumbing work, or, without hiring any person, does that work as a principal business or as auxiliary to a principal business for its own account.

XIII. "Person" means an individual, natural person.

XIV. "Plumbing" means the practice, materials, and fixtures used in the installing, maintenance, extension, and alteration of all piping, fixtures, plumbing appliances, and plumbing appurtenances within or adjacent to any structure, in connection with sanitary drainage or storm drainage facilities; venting systems; and public or private water systems. For the purposes of this subdivision, the term "plumbing" shall not apply beyond the first fitting beyond the foundation wall of the building or 5 feet of pipe from the building.

XV. "Plumbing apprentice" means any person who is engaged in learning and assisting in the installation of plumbing and drainage under an apprenticeship program that meets the requirements of the state apprenticeship advisory council established in RSA 278.

XVI. "Water treatment system" means any apparatus for treating or processing water to modify, enhance, or improve its quality or to meet a specific water quality need, desire, or standard, and the pipes, fittings, and other components servicing such apparatus.

XVII. "Water treatment technician" means any person who installs, maintains, or repairs water treatment systems.

XVIII. "Water treatment trainee" means any person who is engaged in learning about and assisting in installing, maintaining, or repairing water treatment systems under the direct supervision of a water treatment technician certified under this subdivision.

Amend RSA 153:27-a as inserted by section 6 of the bill by inserting after paragraph V the following new paragraph:

VI. The secretary of the board shall receive at least monthly an accounting from the department of all moneys derived under the provisions of this subdivision.

Amend the bill by replacing section 7 with the following:

7 Rulemaking Mechanical Licensing Board. RSA 153:28 is repealed and reenacted to read as follows:

153:28 Rulemaking.

I. Notwithstanding RSA 21-G:9, the board, with an affirmative vote of at least 4 of the appointed board members, in consultation with the state fire marshal and with the approval of the commissioner of safety, shall adopt rules, pursuant to under RSA 541-A, necessary for the proper implementation of the licensure requirements established in this subdivision, which shall include the following:

(a) Standards regarding requirements for education or its equivalent, field experience or its equivalent in an approved educational setting, and testing for applicants for initial licensure for the following specialty licenses:

(1) Hearth system installation and service technician.

(2) Fuel gas installation technician; provided that the standards adopted in rules shall require 1,000 hours of field experience, or its equivalent in an approved educational setting, within a 60-month period relevant to the installation, servicing, and repair of gas appliances or equipment and that up to 500 hours of relevant field experience installing, servicing, or repairing heating oil fired appliances or equipment within the 60-month period may be used to meet the required 1,000 hours.

(3) Fuel gas service technician; provided that the standards adopted in rules shall require 2,000 hours of field experience, or its equivalent in an approved educational setting, within a 60-month period relevant to the installation, servicing, and repair of gas appliances, equipment, or gas piping and that up to 750 hours of relevant field experience installing, servicing, or repairing heating oil fired appliances or equipment within the 60-month period may be used to meet the required 2,000 hours.

(4) Fuel gas piping installer; provided that the standards adopted in rules shall require 1,000 hours of field experience, or its equivalent in an approved educational setting, within a 60-month

period relevant to the installation of gas piping and that up to 500 hours of relevant field experience installing, servicing, or repairing heating oil fired appliances or equipment within the 60-month period may be used to meet the required 1,000 hours.

- (5) Fuel gas trainee.
- (6) Domestic appliance technician.
- (7) Master plumber.
- (8) Journeyman plumber.
- (9) Apprentice plumber.

(b) Standards for license renewal and continuing education requirements. Continuing education requirements may be fulfilled in full or in part by training programs approved by the board. The rules shall address the number of hours of continuing education for each specialty license, and education applicable to holders of multiple specialty licenses.

(c) The implementation of reciprocity agreements entered into pursuant to paragraph V.

II. Notwithstanding RSA 21-G:9, the board, with an affirmative vote of at least 4 of the appointed board members, in consultation with the state fire marshal and with the approval of the commissioner of safety, shall establish application fees for licensure, for renewal, for late renewal, and for reinstatement of licenses under this subdivision pursuant to RSA 541-A. Such licensing fees including any endorsements shall not exceed \$500 per individual. The board shall also adopt fees for replacement licenses, for certified copies and reports, for inspections done pursuant to this subdivision, for letters of verification requested by individuals or jurisdictions relating to licensure and certification, and for transcribing and transferring records and other services. The fee for examination by third parties shall be separate from the fees established by the board. Fees shall be sufficient to produce estimated revenues equal to 125 percent of the direct operating expenses of the previous fiscal year. Fees collected shall be deposited in the general fund.

III. Notwithstanding RSA 21-G:9, the board, with an affirmative vote of at least 4 of the appointed board members, in consultation with the state fire marshal and with the approval of the commissioner of safety, shall adopt technical standards for fuel gas fitting and plumbing by rule under RSA 541-A. The board shall use applicable codes as adopted by the state of New Hampshire.

IV. The state fire marshal shall assist and support the board in administering and enforcing the provisions of this subdivision.

V. The board may enter into reciprocity agreements which shall permit the licensing of fuel gas fitters and plumbers from states which have a mutual mechanical licensing reciprocity agreement with this state, for all mechanical licenses listed in paragraph I(a) provided the board determines that the requirements for licensure in that state are equivalent to, or greater than, those established by this subdivision.

Amend RSA 153:29-a, I and II as inserted by section 8 of the bill by replacing them with the following:

I. The ~~[commissioner]~~ **board** may issue a business entity a ~~[gas fitter]~~ license without examination or continuing education requirements to corporations, partnerships, or limited liability companies engaged in fuel gas fitting **and/or plumbing**, provided one or more officers of the corporation, or designee, or one or more members of the partnership, or designee, or one or more managing members of the limited liability company, or designee, hold an active and current license as a ~~[liquefied propane service technician or natural]~~ **fuel gas service technician or master plumber for the appropriate mechanical business entity license, or any combination thereof, provided that the licensee of record is properly licensed for each of the business entities listed by the applicant** under this subdivision. Within 30 days after the death or withdrawal of the licensed person as a corporate officer, or designee, or member of the partnership, or designee, or one or more managing members of the limited liability company, or designee, the licensed person, corporation, partnership, or limited liability company shall give notice thereof to the ~~[commissioner]~~ **board** and, if no other officer, partner, manager or designee, is licensed as a ~~[liquefied propane service technician or natural]~~ **fuel gas service technician or master plumber**, the corporation, or partnership, or limited liability company shall not act as a fuel gas fitter **or plumber** until some other officer, member, or designee, has obtained a license as a ~~[liquefied propane service technician or natural]~~ **fuel gas service technician or master plumber**. Notwithstanding any other provision of law, the ~~[commissioner]~~ **board** shall not require a fee for a ~~[corporation]~~ **business entity** engaged in fuel gas fitting **and/or plumbing** where a licensed ~~[liquefied propane service technician or natural]~~ **fuel gas service technician or master plumber** is the sole ~~[shareholder]~~ **individual holding the license** of the ~~[corporation]~~ **business entity**.

II. All licenses issued under this section shall expire every 2 years on the last day of ~~[December]~~ **January**. The ~~[commissioner]~~ **board** shall renew a valid license issued under this section on receipt of an application for renewal and the required fee before the expiration date of the license. Amend RSA 153:29-a as inserted by section 8 of the bill by inserting after paragraph IV the following new paragraph:

***V. A licensed business entity may apply for and receive a permit from any municipality within the state.***

Amend RSA 153:35 as inserted by section 8 of the bill by replacing it with the following:

153:35 Local Enforcement. The rules adopted ***by the mechanical licensing board*** pursuant to RSA 153:28, may be enforced by the building inspection department or by any officer designated by the administrative authority of the city or town~~;~~ ~~provided, however, that a city or town may adopt and enforce ordinances more stringent than the rules adopted under this subdivision~~.

Amend RSA 153:36, III through V as inserted by section 8 of the bill by replacing them with the following:

***III. The license requirements of this subdivision shall not apply to any plumbing or fuel gas fitting installations in residential buildings performed by students enrolled in a high school vocational plumbing or fuel gas fitting program approved by the department of education or an approved postsecondary vocational plumbing or fuel gas fitting program, provided such work is performed under the supervision of either a person holding a valid license for the trade that he or she is supervising or by a licensed plumber or fuel gas fitter who is a supervisor of students in cooperative education placements from such programs; and in those cases where the installation is in a new building being constructed as a part of the vocational program, that the installation will be inspected and approved by an individual or group of individuals chosen by the local school districts from persons nominated by the mechanical licensing board. Any person nominated by the board shall hold a master plumber's, fuel gas installation technician, fuel gas service technician, or piping installer license issued by the board.***

***IV. The license requirements of this subdivision shall not apply to employees of public drinking water systems and public water system operators certified by the department of environmental services for drinking water treatment.***

***V. The license requirements of this subdivision shall not apply to any welder who shall hold a current and valid certification for welding as authorized by the American Society of Mechanical Engineers (ASME), who is supervised by a licensed fuel gas fitter or master plumber, for the sole purpose of joining pipe and pipe fittings, through the appropriate certified welding processes, to piping systems, under the direct supervision of the licensed fuel gas fitter or master plumber.***

Amend the bill by replacing section 14 with the following:

14 Application of Act; Transition; Licensure; Rules.

I. Plumbers licensed by the board established in RSA 329-A, prior to repeal by this act, shall continue to be validly licensed until expiration, suspension, or revocation of the license by the mechanical licensing board according to RSA 153:27-37 as amended by this act.

II. Rules of the plumbers board adopted under the provisions of RSA 329-A shall continue to be effective until amended, replaced, superseded, or repealed by the mechanical licensing board pursuant to RSA 153:28.

III. Water treatment technicians certified by the plumbers board prior to the repeal of the plumbers board by this act shall continue to be validly certified until expiration, suspension, or revocation of the certification by the mechanical licensing board according to RSA 153:38 as inserted by this act.

IV. Gas fitters licensed by the department of safety under RSA 153:27-37 prior to the effective date of this act shall continue to be validly licensed until expiration, suspension, or revocation of the license by the mechanical licensing board according to RSA 153:27-37 as amended by this act.

V. Rules adopted by the department of safety under the provisions of RSA 153:28 prior to the effective date of this act shall continue to be effective until amended, replaced, superseded, or repealed by the mechanical licensing board pursuant to RSA 153:28.

VI. Individuals involved in the installation of residential and non-residential heating equipment systems, water heating systems, or appliances using heating oil and individuals involved in the servicing and repair of heating equipment, water heating systems, or appliances using heating oil, certified by the department of safety under RSA 153:16-b prior to the effective date of this act, shall continue to be validly certified until the expiration, suspension, or revocation of the certification by the mechanical licensing board under RSA 153:16-b as amended by this act.

VII. Rules adopted by the department of safety for the voluntary certification program under RSA 153:16-b prior to the effective date of this act shall continue to be effective until amended, replaced, superseded, or repealed by the mechanical licensing board pursuant to RSA 153:16-b as amended by this act.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to pass with Amendment. Rep. Hansberry spoke against and yielded to questions.

Rep. Danais spoke in favor.

On a division vote, 294 members having voted in the affirmative and 53 in the negative, the majority committee report was adopted and referred to the Committee on Ways and Means.

**SB 45**, relative to electronic prescriptions. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Laurie Harding for the Majority of Health, Human Services and Elderly Affairs: This bill begins to address a problem related to the ability of the consumer to obtain a prescription in a timely fashion. Current law requires that the health benefit plan maintain an approval process that does not exceed 48 hours "by which covered persons may obtain coverage for a medically necessary nonformulary prescription drug." The language in SB 45 states that the drug will be considered approved if the exception process exceeds 48 hours. This bill was recommended by a prescription drug study committee in 2012 and has full support of all the involved stakeholders. Vote 16-2.

Rep. Richard E. Meaney for the Minority of Health, Human Services and Elderly Affairs: People will not be denied access to medications if this bill fails, since it solely focuses on third party payment for prescriptions. This bill could promote increased rates of denial of patients' prescriptions by insurance companies because of 48 hour approval period is too short. Insurance companies could automatically deny requests in order to better evaluate the safety, cost and quality of care of the requested medications. The National Committee for Quality Alliance recommends that health plans make decisions within 72 hours for urgent requests. The timeline in this bill is unreasonable and places a greater burden on the already over-regulated and over-burdened health insurance industry.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Meaney spoke against and yielded to questions.

Rep. DiMartino spoke in favor.

On a division vote, 247 members having voted in the affirmative and 101 in the negative, the majority committee report was adopted and ordered to third reading.

**SB 64**, relative to public informational meetings on dams. **OUGHT TO PASS.**

Rep. Leigh A. Webb for Resources, Recreation and Development: This bill, supported by the department of environmental services (DES) and the New Hampshire municipal association, eliminates the requirement that municipalities pay for the notice of a public informational meeting when a private dam owner wishes to conduct unscheduled breach or lowering of water level. The committee heard testimony that the existing requirement was unduly burdensome to certain communities and may, in fact, constitute an unfunded mandate. The responsibility for the notice is, instead, shifted to the dam owner. The bill recognizes the municipality's interest in the information process by stipulating that the local governing body will cooperate with the dam owner in holding a public meeting. In addition, the bill specifies that the public informational meeting be held at least 15 days prior to the breaching of the dam or lowering of the water level of the pond or lake. Vote 13-3. Committee report adopted and ordered to third reading.

Rep. John Hunt declared a conflict of interest and did not participate.

**SB 124-FN**, establishing an integrated land development permit. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Suzanne H. Gottling for the Majority of Resources, Recreation and Development: This bill establishes a voluntary alternative process for any project requiring two or more permits from the department of environmental services (DES). This integrated land development permit encompasses four programs: terrain alteration, wetlands, sewage disposal systems and shoreland water quality protection. An applicant may consult with DES before participating. After applying, there is an extensive pre-application technical review followed by a final review. The program allows for early

notification to and involvement of all interested parties such as municipalities, regional commissions, state divisions and departments and federal entities. It significantly shortens the time for completion of the state permitting process. The amendment specifies how a municipality is included in the entire process and sunsets the two positions needed for initial implementation of the program. Vote 14-5. Rep. Andrew Renzullo for the Minority of Resources, Recreation and Development: This bill establishes an integrated land development permit designed to consolidate four separate permits. The minority supports this concept. Unfortunately, the bill (as amended) contains wording establishing two additional positions in the department of environmental services (DES). The minority cannot support this increase in the size of state government, especially as the integrated permit is designed to be an efficiency program.

### **Majority Amendment (1501h)**

Amend RSA 489:3, II as inserted by section 1 of the bill by replacing it with the following:

II. Municipalities may review materials, engage in discussions with the department, conduct independent site visits with the consent of the property owner and the applicant, if other than the property owner, and provide written comment to the department during any or all phases of the integrated land development permit process. Municipalities may attend site visits, attend meetings or participate in discussions between the applicant and the department in accordance with the following:

(a) Municipalities may participate in meetings or other discussions between the department and the applicant during the conceptual and pre-application phases of the integrated land development permit process under RSA 489:5 and RSA 489:6 with the consent of the applicant.

(b) Municipalities may participate in site visits conducted by state or federal regulatory agencies during the conceptual and pre-application phases of the integrated land development permit process under RSA 489:5 and RSA 489:6 with the consent of the property owner and the applicant, if other than the property owner.

(c) If the department concludes that it would promote the efficient and timely consideration of a final application under RSA 489:7, the department may invite the municipality in which the subject property is located to participate in meetings or other discussions between the department and the applicant or attend site visits conducted by state or federal regulatory agencies.

(d) To the extent practicable, site visits by municipalities for the purposes of commenting on a permit application or permit issued under this chapter shall be coordinated with entry upon the property by state or federal regulatory agencies under RSA 489:3, VI.

Amend subparagraph II(b) as inserted by section 2 of the bill by replacing it with the following:

(b) An Environmentalist IV (LG 27) position to be supported by general funds, to provide technical, multi-disciplinary expertise in the permitting review of large, complex projects under the integrated land development permit program.

Amend RSA 489:6, V as inserted by section 1 of the bill by replacing it with the following:

V. The department may invite any state or federal entities notified under paragraph I to participate in pre-application technical review discussions. Other persons or entities may be included at the request of the applicant.

Amend the bill by replacing all after section 7 with the following:

8 Repeal. Paragraph II of section 2 of this act, relative to positions established within the department of environmental services, is repealed.

#### **9 Effective Date.**

I. Sections 1, 6, and 7 of this act shall take effect January 1, 2015.

II. Sections 3-5 of this act shall take effect 60 days after its passage.

III. Section 8 of this act shall take effect June 30, 2015.

IV. The remainder of this act shall take effect upon its passage.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Renzullo spoke against.

### **(Speaker Norelli in the Chair)**

Rep. Gottling spoke in favor.

Rep. Ebel requested a roll call; sufficiently seconded.

and the majority committee report was adopted and referred to the Committee on Finance.

**SB 163**, establishing a commission to recommend legislation to prepare for projected sea level rise and other coastal and coastal watershed hazards. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Brian Wazlaw for Resources, Recreation and Development: The bill establishes a commission that will recommend legislation, rules and other actions to address the risks certain hazards pose. The commission will bring together state agencies, environmental organizations, scientists, businesses and insurers to examine projected sea level rise, coastal watershed hazards such as storms, river flooding and storm water run off and the risks such hazards pose to municipalities and the state of New Hampshire. The commission will review national oceanic and atmospheric administration and other scientific agency projections of coastal storm inundation and flood risk to determine the appropriate information, data and property risks. The amendment corrects the names of two regional planning boards. Vote 12-8.

**Amendment (1367h)**

Amend RSA 483-E:2, I(q)-(r) as inserted by section 1 of the bill by replacing them with the following:

(q) A representative of the Strafford regional planning board, appointed by that body.

(r) A representative of the Rockingham regional planning board, appointed by that body.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Renzullo spoke against.

Reps. Wazlaw, Muns and Frederick Rice spoke in favor and yielded to questions.

Rep. Tamburello requested a roll call; sufficiently seconded.

Smith, Steven

and the committee report was adopted and ordered to third reading.

**SB 164**, authorizing coastal management provisions in master plans. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Suzanne J. Smith for the Majority of Resources, Recreation and Development: This bill, as amended, allows municipalities to include a coastal management section in their master plans. Municipalities who choose this option can then address planning needs resulting from projected coastal property or habitat loss due to increased frequency of storm surge or flooding. Vote 11-9.

Rep. Andrew Renzullo for the Minority of Resources, Recreation and Development: This bill authorizes coastal management provisions in master plans based on projected coastal risks and increased frequency of storm surge, flooding and inundation. The bill is very specific. These risks and frequency are not happening at present, but are based solely on someone's theory. Whereas local ordinances are based on a master plan, and whereas local ordinances limit property uses, this bill authorizes the limitation on property rights based on a theory and not fact. In addition, a related bill, SB 163, has passed the committee which establishes a commission to recommend legislation to prepare for projected sea level rise. As the SB 163 commission has yet to do its work, it is reasonable to argue that the provisions of this bill (SB 164) are, at best, premature as they are not based on a recommendation of the SB 163 commission who have not yet rigorously vetted the science behind the theory.

### Amendment (1366h)

Amend the bill by deleting section 1 and renumbering the original sections 2-3 to read as 1-2, respectively.

Amendment adopted.

### MOTION TO LAY ON THE TABLE

Rep. Renzullo moved that **SB 164**, authorizing coastal management provisions in master plans, be laid on the table.

On a division vote, 156 members having voted in the affirmative and 194 in the negative, the motion failed.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Renzullo spoke against.

Rep. Suzanne Smith spoke in favor and yielded to questions.

Rep. Baldasaro requested a roll call; sufficiently seconded.

### RECESS

The House reconvened at 1:15 p.m.

**(Speaker Norelli in the Chair)**

### REGULAR CALENDAR (CONT'D)

**SCR 1**, relative to special use permits in the White Mountain National Forest. **OUGHT TO PASS.** Rep. Suzanne J. Smith for Resources, Recreation and Development: This resolution recognizes the White Mountain National Forest's economic and social importance and its unique environmental and natural characteristics. The legislature, through this resolution, recommends that the United States Department of Agriculture consider these critical elements when reviewing and deliberating on any special use permits for property located in the White Mountain National Forest. Vote 18-1. Rep. Cushing offered floor amendment (1554h).

### Floor Amendment (1554h)

Amend the title of the resolution by replacing it with the following:

**A RESOLUTION** relative to special use permits in the White Mountain National Forest, urging Congress to fund the development and implementation of a comprehensive health care delivery system to enhance the level of specialty care for New Hampshire's veterans, and requesting **Congress to begin the process for a constitutional amendment establishing that human beings, not corporations, are entitled to constitutional rights.**

Amend the resolution by replacing all after the title with the following:

Whereas, the New Hampshire general court has adopted numerous resolutions relative to the White Mountain National Forest over the last two decades, including HR 25 in the 1993 session, HJR 7 in the 1999 session, HR 9 in the 1999 session, HCR 25 in the 2000 session, SJR 1 in the 2000 session, and SCR 2 in 2012; and

Whereas, each of these resolutions has affirmed and communicated the strong support of the people of New Hampshire, through their elected representatives, for multiple use management in the White Mountain National Forest, including sustainable forest and wildlife habitat management, and traditional recreational uses such as hiking, fishing, hunting, downhill and cross-country skiing, and snowmobiling; and

Whereas, the White Mountain National Forest, established by the Weeks Act almost a century ago, through the efforts of New Hampshire citizens, represents the successful application of the principles of natural resource protection combined with multiple use; and

Whereas, conservation and preservation of the 800,000-acre Forest's lands, watersheds, wildlife habitats, natural scenic beauty, and resource use and recreation was the intent of the 1911 Weeks Act; and

Whereas, this approach has become a tradition and the ethic for the forest throughout its 100 plus years of successful service to the citizens of the north country, the state, and the country; and

Whereas, any diversion from this tradition and ethic will have an adverse effect on the forest's ability to continue to meet the needs of the communities of the north country and its 5,000,000 users per year, the American public; and

Whereas, New Hampshire is a proud and patriotic state with approximately 131,000 veterans with the majority over the age of 65 who have served their country bravely and risked their lives to preserve our country's freedom and democracy, and their sacrifices on our behalf are deserving of an upgraded medical delivery system to meet their health care needs; and

Whereas, New Hampshire is largely a rural state with limited access to the interstate highway system requiring veterans residing in many rural communities who may be ill and elderly to travel many miles to appointments for even minor procedures often placing undue and unnecessary stress on sick or injured veterans and their families; and

Whereas, many New Hampshire veterans residing in rural communities frequently miss essential checkups and therapies due to inclement weather and lack of proper transportation; and

Whereas, timely medical treatment would improve the overall health and quality of life of veterans by preventing numerous strokes, by-passes, amputations, and other costly but preventable conditions; and

Whereas, many New Hampshire veterans over the age of 65 do not have access to a primary care provider; and

Whereas, veterans residing in rural communities deserve the same level of care as veterans residing in other areas of the state; and

Whereas, New Hampshire is one of only 2 states in the nation without a full-service hospital, requiring veterans to travel to Vermont, Massachusetts, Maine, and Rhode Island for medical treatment; and

Whereas, adequate care of our veterans should be the concern of all Americans; and

Whereas, government was established to provide a social contract between naturally born persons; and

Whereas, the founders of the United States Constitution and Republic clearly and emphatically intended freedom of speech to mean freedom to communicate with and by natural born persons either directly or through the free press; and

Whereas, the United States Supreme Court ruled on January 21, 2010 in *Citizens United v. Federal Election Commission* that corporations have the same First Amendment rights as people, and that they can spend unlimited amounts of money on elections; and

Whereas, the Supreme Court is misguided in principle, and wrong on the law, because in a democracy, the people rule; now, therefore, be it

Resolved by the Senate, the House of Representatives concurring:

That the general court reaffirms its commitment to the principles underlying the Weeks Act, and supports continued management of the White Mountain National Forest for multiple uses as a part of the National Forest System; and

That consideration by the United States Department of Agriculture (USDA) Forest Service of any special use permit in the White Mountain National Forest should recognize the Forest's economic and social importance, its character and presence within the New England region, and its unique environmental and natural characteristics; and

That the New Hampshire general court respectfully urges the Congress of the United States and the Department of Veterans Affairs to fulfill the Department's goal of providing excellence in patient care by increasing the types of and access to specialty care at a full service VA Manchester Medical Center, or by developing a pilot program to utilize a veteran's medical card for use in New Hampshire's medical facilities in order to provide better care to veterans residing in rural areas, or by the establishment of additional community based outpatient clinics, outpatient clinics, or vet centers as justified by veterans' medical and mental health needs along with greater use of mobile clinics, and where cost effective, enter into contract services with the goal of increasing services and reducing travel time to ensure access to health care is available when it is needed; and

That the general court urges the New Hampshire congressional delegation to encourage and expedite a constitutional amendment to firmly establish:

I. That human beings, not corporations, are endowed with Constitutional rights protected by the First Amendment; and

II. That money is not speech, and therefore regulating political contributions and spending is not equivalent to limited political speech; and

III. That the freedoms of speech and the press, and the right to assemble peaceably and to petition the government for the redress of grievances, as protected by this Constitution, shall not encompass the speech, association, or other activities of any corporation or other artificial entity created for business purposes, except for a corporation or entity whose business is the publication or broadcasting of information, when such corporation or entity is engaged in that business. A corporation or other artificial entity created for business purposes includes a corporation or entity that, although not itself engaged in business pursuits, receives the majority of its funding from other corporations or artificial entities created for business purposes; and constitutional rights; and

That the house clerk forward official copies of this resolution to the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate, the majority and minority leadership of the Senate, the Secretary of Veterans Affairs, to Thomas Tidwell, the chief of the USDA Forest Service, and to all the members of the New Hampshire congressional delegation with the request that this resolution be officially entered in the Congressional Record as a high priority for the Congress of the United States of America.

### AMENDED ANALYSIS

This concurrent resolution:

I. Declares that the United States Department of Agriculture Forest Service shall consider certain unique characteristics of the White Mountain National Forest when reviewing and deliberating on any special use permit for property located in the White Mountain National Forest.

II. Urges Congress to fund the development and implementation of a comprehensive health care delivery system to enhance the level of specialty care for New Hampshire's veterans.

III. Urges the congressional delegation to begin the process for a constitutional amendment establishing that human beings, not corporations, are entitled to constitutional rights.

Rep. Cushing spoke in favor.

Rep. Baldasaro spoke against and yielded to questions.

### MOTION TO LAY ON THE TABLE

Rep. John Hunt moved that **SCR 1**, relative to special use permits in the White Mountain National Forest, be laid on the table.

On a division vote, 163 members having voted in the affirmative and 154 in the negative, the motion was adopted.

### REGULAR CALENDAR CONT'D

**SB 128-FN-L**, relative to fees for vital records. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Mary R. Cooney for Ways and Means: The development of a centralized vital records system is in the public interest and has been made possible by the advance in computer technology. Housed in the secretary of state's office, the funding mechanism for this data base is through the collection of two vital records fees. There is a \$15.00 fee for original documents and \$10.00 for additional copies or correction documents. This bill does not change the fee in either case but does change the allocation of the fees. In the first case \$8.00 to the vital records improvement fund in the secretary of state's office, \$4.00 to the municipalities, and \$3.00 to the general fund. In the second case, \$5.00 goes to the vital records fund, \$3.00 to the municipalities, and \$2.00 to the general fund. This bill changes the distribution of the total so that the general fund receives nothing, but that portion goes to the city and town clerks of the municipalities. This was the original intent of the fee and especially now with the access of municipalities to the statewide data base, cities in particular are experiencing a great increase in requests from citizens from outside their own municipality for these records. Because this bill as written would impact the 2014-2015 budget by \$618,000, the committee amended the bill to make the effective date July 1, 2015 so there will be no impact to the 2014-2015 budget. Vote 14-1.

### Amendment (1377h)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect July 1, 2015.

Amendment adopted.

Committee report adopted and ordered to third reading.

**BILLS REMOVED FROM THE CONSENT CALENDAR*****SB 170*, relative to advance directives pertaining to life-sustaining treatment. **OUGHT TO PASS WITH AMENDMENT.****

Rep. Richard E. Meaney for Health, Human Services and Elderly Affairs: This bill removes a section of the state's advance directive law that people found confusing. Advance directives were difficult to complete because two references in the current law were contradictory concerning medically administered nutrition and hydration. This bill, as amended, removes contradictory language, but ensures that people who wish to address medically administered nutrition and hydration are prompted to do so in a clear manner within the body of the advance directive. Vote 19-0.

**Amendment (1303h)**

Amend RSA 137-J:20(B) by replacing the first sentence following the phrase ADDITIONAL INSTRUCTIONS with the following:

Here you may include any specific desires or limitations you deem appropriate, such as your preferences concerning medically administered nutrition and hydration, when or what life-sustaining treatment you would want used or withheld, or instructions about refusing any specific types of treatment that are inconsistent with your religious beliefs or are unacceptable to you for any other reason. Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Peterson spoke against.

Rep. Souza spoke against and yielded to questions.

**MOTION TO LAY ON THE TABLE**

Rep. Itse moved that ***SB 170***, relative to advance directives pertaining to life-sustaining treatment, be laid on the table.

Rep. Hoell requested a roll call; sufficiently seconded.

and the motion failed.

The question now being adoption of the committee report of Ought to pass with Amendment. Rep. Sherman spoke in favor.

On a division vote, 244 members having voted in the affirmative and 90 in the negative, the committee report was adopted and ordered to third reading.

**SB 194-FN**, requiring the department of health and human services to implement the Medicaid family planning expansion. **OUGHT TO PASS.**

Rep. Laurie Harding for Health, Human Services and Elderly Affairs: This bill will allow thousands of men and women to receive services for family planning related medical services including well women exams, cancer screenings, breast exams, birth control, treatment for sexually transmitted diseases and health counseling. It will allow NH to access up to 4 million dollars in federal funds each year to support family planning interventions. One third of the births in NH are to Medicaid moms. The implementation of this program is projected to cut down on the births of 800 babies a year. NH will be the 27th state to sign onto this program. While the implementation of this program has been delayed, a public private partnership has enabled the department (DHHS) to move forward. The House put the money in the budget for this program with the assumption that it would provide a safety net for NH citizens and would avert devastating low birth weight babies and other complications that can result in long term and very expensive health problems. SB 194 is the policy side of this process and will direct the use of the federal dollars. Vote 17-2.

Reps. Notter, Souza and Groen spoke against.

Rep. Harding spoke in favor.

Rep. Bouchard requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

**SB 119-FN-A**, directing the joint legislative historical committee to conduct a study of state house flag restoration and preservation. **OUGHT TO PASS.**

Rep. Steven J. Briden for Legislative Administration: This bill will help protect our priceless collection of historical flags that are on display in the State House. The current display cases are not climate controlled, and they do not protect the flags from the elements. Their condition is deteriorating, and without intervention, future visitors to the State House will be deprived of seeing a great piece of New Hampshire history, and a great piece of U.S. history. The joint legislative historical committee will conduct a study to determine the condition of the flags, decide the best course of action for preserving and protecting them, and recommend best practices for making sure they are presented in a way that will protect them for future generations. The committee believes it is important to preserve these historical artifacts, and there will be no financial impact due to the fact that there is a \$6,100.00 balance in a fund set up for the flags in 1992. Vote 12-0.

Rep. Gary Richardson offered floor amendment (1574h)

#### Floor Amendment (1574h)

Amend the title of the bill by replacing it with the following:

AN ACT directing the joint legislative historical committee to conduct a study of state house flag restoration and to acquire a portrait of suffragist Marilla Marks Ricker.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Portrait of Suffragist Marilla Marks Ricker. In recognition of Marilla Marks Ricker's accomplishments as an early suffragist and the first woman in New Hampshire history to file for

the office of governor, the joint legislative historical committee shall acquire a portrait of Marilla Marks Ricker. Within one year of the effective date of this section, the committee shall oversee the hanging of the portrait in a place of honor in the state house complex befitting a heroine of historical stature in this state.

### AMENDED ANALYSIS

This bill directs the joint legislative historical committee to conduct a study relative to the restoration and preservation of the flags displayed in the hall of flags of the state house. The bill also directs the committee to acquire and display a portrait of suffragist Marilla Marks Ricker. Rep. Gary Richardson spoke in favor and yielded to questions. On a division vote, 252 members having voted in the affirmative and 70 in the negative, floor amendment (1574h) was adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment. Rep. Baldasaro requested a roll call; sufficiently seconded.

and the committee report was adopted and referred to the Committee on Finance.

**SB 155-FN-A**, requiring revenue from commemorative liquor bottles to be used for the preservation of state house Civil War battle flags. **OUGHT TO PASS.**

Rep. Brad Bailey for Legislative Administration: This bill would allow for commemorative liquor bottles to be created and the revenue from special markups to be kept in an historical fund. This historical fund will be overseen by the joint legislative historical committee (RSA 17-1:1) with said funds to be used exclusively for the preservation of Civil War battle flags displayed in the state house. Bottles created in the past through the consent of the NH legislature have become collectables, and the state liquor commission believes there is a market for this product. Vote 12-0.

Rep. Notter spoke in favor.

Rep. Gary Richardson spoke in favor and yielded to questions.

On a division vote, 292 members having voted in the affirmative and 34 in the negative, the committee report was adopted and referred to the Committee on Ways and Means.

**SB 11-L**, relative to water and sewer utility districts and water or sewer utility districts. **OUGHT TO PASS.**

Rep. Kris E. Roberts for Municipal and County Government: The General Court has recognized that that New Hampshire's water supply is a limited and precious public resource. To ensure that our water supplies are to be protected, conserved, and managed in the interest of present and future generations, the state has enabled municipalities to protect water supplies and provide sewer utility services in compliance with federal, state, and local requirements by entering into agreements that

provide for efficient means of collectively financing and operating such services. There are nearly a dozen different New Hampshire statutes that address mechanisms to expand water and sewer systems and service, assessing for those services, providing a clear and unified method of appealing those assessments, development of separate funds or combined utility funds that are non-lapsing or what type of governing body, to name a number of important issues. However, many of the existing statutes have their origins in the 1800's and have been amended to address the clean water act. As a result of federal budget deficits, federal funding has been greatly reduced for water and sewer projects but not the legal and public health and safety requirements. Municipalities such as Stratham need to make upgrades, others need to replace their water and sewer systems, some over a hundred years in age, with limited federal and state funding thus requiring them to fund the majority of the cost through local users. Tinkering with the patchwork of existing statutes (RSA 31:120, 35:7, 38, 38-C, 53, & 149-1) will only serve to frustrate the communities abilities to be proactive. SB 11 is enabling legislation allowing municipalities, particularly municipalities that have no legacy of providing these services, to choose a more concise and unified statutory framework that meets their need as a community rather than forcing towns and cities to adapt their needs to conform to an outdated statutory framework. SB 11 will enable municipalities to establish water and/or sewer utility districts to provide services at a more intensive level than is provided in the balance of the municipality. By doing so, it will provide funds for capital expenditures towards constructing, operating, and maintaining those utilities; and authorizes the establishment a system of fair charges to owners and users of property within such water and/or sewer utility districts. The bill also fosters regional approaches to providing these utility services in multiple municipalities should they mutually agree to do so by enabling municipalities to enter into inter-municipal agreements detailing the regional effort." Vote 18-0.

### **MOTION TO SPECIAL ORDER**

Rep. Porter moved that **SB 11-L**, relative to water and sewer utility districts and water or sewer utility districts, be made a Special Order for the next Session in its Regular Calendar order.

Rep. Porter spoke in favor.

Motion adopted.

### **BILLS REMOVED FROM THE CONSENT CALENDAR (CONT'D)**

**SB 101**, relative to collocation and modification of personal wireless services facilities. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Jacqueline A. Cali-Pitts for Science, Technology and Energy: This bill simplifies the collocation application process for modification of existing personal wireless service facilities (cell towers). It defines "substantial modifications" which would require review by municipal planning, and thereby excludes lesser modification from such review. The amendment limits the modification to a total of ten percent. Vote 17-0.

### **Amendment (1357h)**

Amend RSA 12-K:2, XXV as inserted by section 3 of the bill by replacing it with the following:

XXV. "Substantial modification" means the mounting of a proposed PWSF on a tower or mount which, as a result of a single collocation or modification application, or successive collocation or modification applications:

(a) Increases or results in the increase of the permitted vertical height of a tower, or the existing vertical height of a mount, by either more than 10 percent or the height of one additional antenna array with separation from the nearest existing antenna not to exceed 20 feet, whichever is greater; or

(b) Involves adding an appurtenance to the body of a tower or mount that protrudes horizontally from the edge of the tower or mount more than 20 feet, or more than the width of the tower or mount at the level of the appurtenance, whichever is greater, except where necessary to shelter the antenna from inclement weather or to connect the antenna to the tower or mount via cable; or

(c) Increases or results in the increase of the permitted square footage of the existing equipment compound by more than 2,500 square feet.

Amendment adopted.

Rep. Vadney offered floor amendment (1526h).

**Floor Amendment (1526h)**

Amend RSA 12-K:2, XVIII as inserted by section 3 of the bill by replacing it with the following:

XVIII. "Modification" means the replacement or alteration of an existing PWSF within a previously approved equipment compound or upon a previously approved mount. Routine maintenance of an approved PWSF shall not be considered a modification.

Amend RSA 12-K:2, XXV as inserted by section 3 of the bill by replacing it with the following:

XXV. "Substantial modification" means the mounting of a proposed PWSF on a tower or mount which, as a result of single or successive modification applications:

(a) Increases or results in the increase of the permitted vertical height of a tower, or the existing vertical height of a mount, by either more than 10 percent or the height of one additional antenna array with separation from the nearest existing antenna not to exceed 20 feet, whichever is greater; or

(b) Involves adding an appurtenance to the body of a tower or mount that protrudes horizontally from the edge of the tower or mount more than 20 feet, or more than the width of the tower or mount at the level of the appurtenance, whichever is greater, except where necessary to shelter the antenna from inclement weather or to connect the antenna to the tower or mount via cable; or

(c) Increases or results in the increase of the permitted square footage of the existing equipment compound by more than 2,500 square feet; or

(d) Adds to or modifies a camouflaged PWSF in a way that would defeat the effect of the camouflage.

Rep. Vadney spoke in favor and yielded to questions.

Rep. Borden spoke in favor.

On a division vote, 306 members having voted in the affirmative and 6 in the negative, floor amendment (1526h) was adopted.

Committee report adopted and ordered to third reading.

**SENATE MESSAGE****REQUESTS CONCURRENCE WITH AMENDMENT**

**HB 574**, increasing the state limitations for OHRVs operating on state-owned trails in Coos and Grafton counties. (Amendment printed SJ 4-18-13)

Rep. Chandley moved that the House concur and spoke in favor.

Adopted.

**REFERRAL DECLINED**

Rep. Marjorie Smith, Chairman of the Committee on Judiciary, under the provisions of House Rule 46 (f), declined the referral of **SB 166**, relative to critical incident stress management and crisis intervention services.

**HOUSE RESOLUTION NO. 9**

Honoring the victims and heroes of the Boston Marathon Tragedy

**WHEREAS**, the New Hampshire House of Representatives shares the sorrow of the tragedy at this year's Boston Marathon with its victims, their families and friends; and

**WHEREAS**, Jeff Bauman, who lost both his legs in the bombings, helped to identify the suspects, which led to their capture and prevented further acts of violence; and

**WHEREAS**, first responders and law enforcement personnel acted without regard for their own personal safety to care for and save as many victims as possible and ensured the safety of all by bringing the suspects to justice; and

**WHEREAS**, recent remarks have taken the focus away from honoring the victims and celebrating the heroes of this tragedy; now, therefore, be it

**RESOLVED**, by the New Hampshire House of Representatives, in Regular Session convened:

That the House does hereby disavow any unfounded speculation or accusation that dishonors those affected by the tragic events in Boston; and

That the New Hampshire House of Representatives does hereby commend Jeff Bauman as a hero for his actions and wishes him a quick recovery; and

That the New Hampshire House of Representatives does hereby honor all the victims and celebrate all the heroes of the senseless tragedy at this year's Boston Marathon.

Offered by: Representatives Gene Chandler, Stephen Shurtleff and Speaker Terie Norelli

Rep. Shurtleff moved Ought to Pass and requested a roll call; sufficiently seconded.

and the motion was adopted and ordered to third reading.

**RESOLUTION**

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, May 22, 2013 at 10:00 a.m.  
Adopted.

**LATE SESSION****Third reading and final passage**

**SB 38**, relative to pharmacy rights during an audit.

**SB 51**, relative to the definition of "professional service."

**SB 94**, relative to portable electronics insurance.

**SB 117-FN**, establishing a commission to study the regulation of pharmacy benefits managers.

**SB 24**, relative to Medicaid rates.

**SB 171**, relative to the council for children and adolescents with chronic health conditions.

**SB 95**, relative to choice of pharmacy under workers' compensation.

**SB 147-FN**, relative to prescription drugs in workers' compensation cases.

**SB 49**, relative to appeals of planning board decisions.

**SB 50**, relative to expiration of variances and special exceptions.

**SB 58**, relative to the taxation of water works or flood control land held in another town or city.

**SB 111**, permitting municipalities to establish a capital reserve plan for expenditure of capital reserve funds and relative to electronic billing by municipal utilities.

**SB 172-FN-L**, relative to public funds.

**SB 197**, relative to the inclusion of a default budget in separate warrant articles submitted by sewer commissions.

**SB 84**, relative to road toll administration, relative to motor vehicles carrying property for hire, and relative to administration of the international registration plan.

**SB 188-FN**, relative to municipally-owned utilities.

**SB 131-FN-L**, relative to a permitting process for the removal of submerged logs from certain great ponds.

**SB 175**, relative to crossing public waters of the state for public utility purposes.

**SB 30**, making technical corrections to tax laws.

**SB 25**, relative to the treatment of medical support in child support cases.

**SB 104**, establishing a commission to study the current community-based system of commodities reporting by junk or scrap metal dealers in New Hampshire.

**SB 45**, relative to electronic prescriptions.

**SB 64**, relative to public informational meetings on dams.

**SB 163**, establishing a commission to recommend legislation to prepare for projected sea level rise and other coastal and coastal watershed hazards.

**SB 164**, authorizing coastal management provisions in master plans.

**SB 128-FN-L**, relative to fees for vital records.

**SB 170**, relative to advance directives pertaining to life-sustaining treatment.

**SB 194-FN**, requiring the department of health and human services to implement the Medicaid family planning expansion

**SB 101**, relative to collocation and modification of personal wireless services facilities.

**SB 166**, relative to critical incident stress management and crisis intervention services.

**HR 9**, honoring the victims and heroes of the Boston Marathon Tragedy.

### UNANIMOUS CONSENT

Reps. Pamela Brown and Itse addressed the House.

### RECESS MOTION

Rep. Shurtleff moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming Committees of Conference.

Adopted.

The House recessed at 3:00 p.m.

### RECESS

**(Rep. Horrigan in the Chair)**

### ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled Senate Bills numbered 93, 105 and 161.

Rep. Shurtleff, Sen. Prescott for the Committee

### RECESS

**(Rep. Kaen in the Chair)**

### ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill numbered 574.

Rep. Shurtleff, Sen. Bradley for the Committee

### RECESS

**(Rep. Shurtleff in the Chair)**

Adopted.

**RECESS**

**(Speaker Norelli in the Chair)**

Rep. Kaen moved that the House adjourn.  
Adopted.

## HOUSE JOURNAL No. 17

Wednesday, May 22, 2013

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Reverend Michael Leuchtenberger of the Universalist Unitarian Church of Concord.

Let us begin this morning with a moment of silence paying attention to the breath that sustains us. Spirit of life and love, which moves through us and throughout the world. May each breath we take remind us of our shared humanity, remind us to see and respect the human being next to us and across from us, remind us to listen as we hope others will listen to us. May each breath we take open us to compassion and fairness, open us to caring for all the people in New Hampshire regardless of their circumstances and especially if they are on the margins and in need of support. May each breath we take bring us strength and inspiration to lead with honesty, patience, integrity, and passion, bring us a sense of perspective of our own limitations and shortcomings, bring us forgiveness for ourselves and others if we fall short of our aspirations. May each breath we take leave us full of gratitude for the work we get to do in service to a wider vision of the world, a world made more fair, more just, more sustainable by the efforts here today and in the days to come. May it be so. Amen.

Representative Mary Allen, member from Newton, led the Pledge of Allegiance.

A Patriotic Medley was performed by The Average Joes, a Barbershop Quartet from New Hampshire.

### LEAVES OF ABSENCE

Reps. Bishop, Boisvert, Friel, McCarthy, McKinney, Miller, Parsons and Amy Perkins, the day, illness.

Reps. BurrIDGE, DanaIs, Daniel Eaton, Hagan, LerandEAU, Ley, Lundgren, McNamara, Phillips, Schroader, Stroud, Peter Sullivan, Tasker and Weed, the day, important business.

Rep. Lawrence Perkins, the day, illness in the family.

### INTRODUCTION OF GUESTS

Ron Pingel, guest of Rep. Cebrowski. Kittie and John Wilson, guests of Rep. Ebel. Millie LeBaron and Christine Sweeney, grandmother and wife of Rep. Shawn Sweeney. Darlene Culbert, wife of Rep. Culbert. Jeannie Weller, Mary Jo Bristol, Barbara Warren and Kathie Beltz, guests of Rep. Chandley. Alexandra Coda, guest of Rep. Tom Walsh. Carlo Nittoli, spouse of Rep. Verschueren. James Annis, guest of Rep. Vail. Alta Hackel, guest of Rep. Hackel. Fourth graders of Florence Rideout Elementary School in Wilton, guests of Reps. Kermit Williams, Spratt and Gorman.

Alex Rose and Lexi Scribner of Exeter High School, Pages for the day.

### House Resolution #10

#### Honoring the 100<sup>th</sup> Anniversary of the NH Presidential Primary and the Honorable Stephen A. Bullock

**WHEREAS**, the First-in-the-Nation New Hampshire Presidential Primary plays a critical role in vetting and preparing candidates who seek our nation's highest office; and

**WHEREAS**, HB 430, an act to provide for the Election of Delegates to National Conventions by Direct Vote of the People, was enacted on May 21, 1913; and

**WHEREAS**, for 100 years, the citizens of New Hampshire have taken their responsibility to participate in the presidential selection process seriously and ensured the enduring vitality and relevance of the First-in-the-Nation Primary; and

**WHEREAS**, The Honorable Stephen A. Bullock, a State Representative from Richmond, sponsored the original legislation in order to allow New Hampshire citizens the opportunity to witness and participate in this highest of civic endeavors – the selection of our nation's President; and

**WHEREAS**, Stephen A. Bullock never sought attention for his vital role in the creation of the Presidential Primary and his contribution went unrecognized until 1999; now, therefore, be it

**RESOLVED**, by the New Hampshire House of Representatives in Regular Session convened that the New Hampshire House celebrates the 100<sup>th</sup> anniversary of the creation of the New Hampshire Presidential Primary; and be it further

**RESOLVED**, that the Honorable Stephen A. Bullock be granted the high praise, accolades and recognition as the father of the New Hampshire Presidential Primary; and be it further

**RESOLVED**, that expressions of thanks be extended to his family, and a suitable copy of this Resolution be prepared for presentation to them.

Offered by the House of Representatives

Adopted and ordered to third reading.

## SENATE MESSAGES

### REQUESTS CONCURRENCE WITH AMENDMENTS

**HB 327-FN**, relative to payment of attorney's fees for indigent parents in termination of parental rights cases. (Amendment printed SJ 5-2-13)

Rep. Walz moved that the House concur and spoke in favor.

Adopted.

**HB 551**, relative to the composition and duties of the task force on work and family. (Amendment printed SJ 5-2-13)

Rep. Walz moved that the House concur and spoke in favor.

Adopted.

**HB 505**, relative to the economic development advisory council. (Amendment printed SJ 5-2-13)

Rep. Butler moved that the House concur and spoke in favor.

Adopted.

**HB 450-FN**, relative to the annulment of criminal records. (Amendment printed SJ 5-2-13)

Rep. Pantelakos moved that the House concur and spoke in favor.

Adopted.

**HB 644-FN**, relative to parole procedures and relative to sanctions for violations of probation. (Amendment printed SJ 5-2-13)

Rep. Pantelakos moved that the House concur and spoke in favor.

Adopted.

**HB 160**, relative to a school districts transportation responsibility for pupils of divorced parents with joint decision making responsibility. (Amendment printed SJ 3-21-13)

Rep. Gile moved that the House concur and spoke in favor.

Adopted.

**HB 177**, relative to licensing requirements for homestead food. (Amendment printed SJ 4-18-13)

Rep. Sad moved that the House concur and spoke in favor.

Adopted.

**HB 313**, relative to the regulation of the compounding of drugs by pharmacists. (Amendment printed SJ 5-2-13)

Rep. James MacKay moved that the House concur and spoke in favor.

Adopted.

**HB 361**, relative to worksharing. (Amendment printed SJ 5-2-13)

Rep. Andrew White moved that the House concur and spoke in favor.

Adopted.

**HB 115**, relative to the procedure for filling a vacancy on a cooperative school district budget committee. (Amendment printed SJ 3-28-13)

Rep. Porter moved that the House concur and spoke in favor.

Adopted.

**HB 134**, relative to contingency funds in towns. (Amendment printed SJ 3-28-13)

Rep. Porter moved that the House concur and spoke in favor.

Adopted.

**HB 138**, permitting a town that has adopted official ballot voting to use a topical description of the substance of a warrant article for the adoption of ordinances on the official ballot. (Amendment printed SJ 4-18-13)

Rep. Porter moved that the House concur and spoke in favor.

Adopted.

**HB 139**, relative to the time towns that have adopted official ballot voting have to approve bonding in solid waste management districts. (Amendment printed SJ 4-18-13)

Rep. Porter moved that the House concur and spoke in favor.

Adopted.

**HB 204-FN-L**, relative to the removal of social security and other numbers from registry of deeds documents available on the Internet. (Amendment printed SJ 5-2-13)

Rep. Porter moved that the House concur and spoke in favor.

Adopted.

**HB 235**, allowing counties to contract for professional real estate services for the sale or lease of county property. (Amendment printed SJ 3-21-13)

Rep. Porter moved that the House concur and spoke in favor.

Adopted.

**HB 305**, establishing a committee to study the apportionment formula for cooperative school districts for towns with electric generation facilities. (Amendment printed SJ 5-2-13)

Rep. Porter moved that the House concur and spoke in favor.

Adopted.

Rep. Moffett declared a conflict of interest and did not participate.

**HB 522**, relative to duties of town treasurers. (Amendment printed SJ 4-18-13)

Rep. Porter moved that the House concur and spoke in favor.

Adopted.

**HB 513**, relative to the shoreland protection act. (Amendments printed SJ 5-2-13)

Rep. Chandley moved that the House concur and spoke in favor.

Adopted.

**HB 174**, prohibiting the department of safety from providing motor vehicle records for the purpose of creating or enhancing a federal identification database. (Amendment printed SJ 4-18-13)

Rep. Bouchard moved that the House concur and spoke in favor.

Adopted.

**HB 193**, relative to registration of vehicles by residents without a permanent street address. (Amendment printed SJ 3-21-13)

Rep. Bouchard moved that the House concur and spoke in favor.

Adopted.

**HB 195**, relative to commercial driver learner permits. (Amendment printed SJ 3-21-12)

Rep. Bouchard moved that the House concur and spoke in favor.

Adopted.

**HB 196**, relative to weight of commercial vehicles with idle reduction devices. (Amendment printed SJ 3-21-13)

Rep. Bouchard moved that the House concur and spoke in favor.

Adopted.

**HB 383**, relative to operation of OHRVs on the traveled portion of public highways, where permitted. (Amendment printed SJ 3-28-13)

Rep. Bouchard moved that the House concur and spoke in favor.

Adopted.

**HB 391-FN**, establishing a committee to study options for mitigation of damages associated with highway noise. (Amendment printed SJ 4-18-13)

Rep. Bouchard moved that the House concur and spoke in favor.

Adopted.

**HB 161**, relative to school districts policies on health and sex education. (Amendment printed SJ 4-18-13)

Rep. Gile moved that the House nonconcur and spoke in favor.

On a division vote, 275 members having voted in the affirmative and 80 in the negative, the motion was adopted.

**HB 142**, relative to teacher evaluation systems. (Amendment printed SJ 5-2-13)

Rep. Gile moved that the House nonconcur and request a Committee of Conference. Adopted.

The Speaker appointed Reps. Grassie, Myler, Gorman and Ladd.

**HB 242**, relative to child passenger restraint requirements. (Amendment printed SJ 4-18-13)

Rep. Bouchard moved that the House nonconcur and request a Committee of Conference. Adopted.

The Speaker appointed Reps. Michael O'Brien, Rhodes, Burtis and Packard.

### CONSENT CALENDAR

Rep. Shurtleff moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**SB 102**, relative to the selection of members of the conservation commission, removed by Rep. Hoell. Consent Calendar adopted.

**SB 114**, regulating guaranteed price plans and prepaid contracts for heating oil, kerosene, or liquefied petroleum gas. **INEXPEDIENT TO LEGISLATE.**

Rep. Pamela Z. Tucker for Commerce and Consumer Affairs: This bill would regulate pre-paid contracts for home heating oil. The committee currently has a very similar bill retained and found this bill to be unnecessary as the retained bill will cover the same issues. Vote 16-2.

**SB 18**, conferring degree-granting authority to the American University of Madaba. **OUGHT TO PASS.**

Rep. Anne C. Grassie for Education: The American University of Madaba, in the country of Jordan exists through collaboration with the King of Jordan and the Vatican. In May of 2012, American University of Madaba received approval of the NH higher education commission to operate in New Hampshire and in its Madaba campus offering 18 degree programs. Conferring degree-granting authority is the next step and doing so will have no cost to New Hampshire taxpayers. This university is intended to serve as a landmark for Jordan that will contribute positively to the intellectual and professional human capital of Jordan and the region. Vote 19-0.

**SB 133-FN**, adopting the interstate wildlife violators compact. **OUGHT TO PASS.**

Rep. Joe Duarte for Fish and Game and Marine Resources: The interstate wildlife violator compact was enacted in 1989 in the western states of Colorado, Nevada & Oregon. Since then it has been adopted by 39 other states including our neighbors in Vermont and Maine. Joining the interstate wildlife violator compact is an agreement among states that recognize suspension of hunting, fishing and trapping licenses. This compact gives our conservation officers and license retailers the ability to not issue a license to someone whose privilege to hunt and fish has been suspended in another member state. It also allows our conservation officers to issue a ticket for a violation rather than arresting, booking and bonding. The fish and game department testified that there is alarming number of wildlife law violators whose licenses have been suspended in other states who come to New Hampshire to hunt and fish specifically because we are not a member of the compact. Without participation in this compact we extend an invitation to people who have demonstrated that they have no desire to follow the laws in their own state or in ours. Vote 14-0.

**SB 17**, establishing a commission to study palliative care and associated quality of life initiatives. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Stephen J. Schmidt for Health, Human Services and Elderly Affairs: Palliative medicine is the most recently recognized subspecialty of medicine focusing on quality of life in the setting of severe, advanced and terminal illness. The commission's duties shall include but not be limited to assessing the general knowledge of the citizens of New Hampshire regarding palliative care; evaluating the access, effectiveness, utilization and timeliness of palliative care, reviewing options for increasing the knowledge and use of advanced directives and consider requiring continuing education credits

for professional relicensing of health care providers. Palliative medicine recognizes that the best care is highly individualized to meet the specific needs of the person and to be consistent with their personal values, preferences and priorities. The amendment to this bill adds the commissioner of insurance to the commission. The amendment also clarifies and provides more specificity to the duties of the commission. Vote 15-0.

#### **Amendment (1585h)**

Amend RSA 126-W:1 as inserted by section 1 of the bill by replacing it with the following:

126-W:1 Commission to Study Palliative Care and Associated Quality of Life Initiatives; Membership; Duties.

I. There is established a commission to study palliative care and associated quality of life initiatives. The members of the commission shall be appointed within 45 days of the effective date of this chapter and shall be as follows:

(a) One member of the senate, appointed by the president of the senate.

(b) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(c) The commissioner of the department of health and human services, or designee.

(d) The commissioner of the insurance department, or designee.

(e) A licensed hospice and palliative care physician, appointed by the New Hampshire Medical Society.

(f) A licensed hospice and palliative care nurse, appointed by the New Hampshire Nurses' Association.

(g) A licensed social worker specializing in palliative care, appointed by the New Hampshire chapter of the National Association of Social Workers.

(h) A representative of a hospital with a dedicated palliative care program, appointed by the New Hampshire Hospital Association.

(i) A representative of a Medicare certified home health and hospice agency, appointed by the Home Care Association of New Hampshire.

(j) A representative of the New Hampshire Hospice and Palliative Care Organization, appointed by the organization.

(k) A representative of spiritual care professionals specializing in palliative care, appointed by the New Hampshire Council of Churches.

(l) A representative of a nursing home facility, appointed by the New Hampshire Health Care Association.

(m) Two public members, appointed by the governor.

II. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The commission's duties shall include, but not be limited to:

(a) Assessing the general knowledge of the citizens of New Hampshire regarding palliative care and hospice services.

(b) Evaluating the access, effectiveness, utilization, and timeliness of palliative and hospice care.

(c) Considering requiring continuing education credits for professional relicensure of health care providers involved with palliative, hospice, and pain management services.

(d) Reviewing options for increasing the knowledge and use by the public of advanced directives, including directions to the providers regarding life sustaining treatment.

(e) Discussing potential deficits in third party payments for hospice or palliative care services as a barrier for use of palliative and hospice care.

IV. The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the senate member. The first meeting of the commission shall be held within 60 days of the effective date of this section. Eight members of the commission shall constitute a quorum.

V. The commission shall report its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library in the form of an interim report on or before November 1, 2013 and a final report on or before June 1, 2014.

Amend paragraph I of section 3 of the bill by replacing it with the following:

I. Section 2 of this act shall take effect June 1, 2014.

**SB 87**, relative to the patients' bill of rights. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Susan J. Ticehurst for Health, Human Services and Elderly Affairs: People who need home health care services and the workers who provide that care are both protected when conditions for discharge are clearly defined. This bill assures that clients will receive fourteen days notice, unless there is no longer a need for therapeutic services, the provider is unable to meet the clients' changing needs, or conditions are unsafe. Under certain circumstances, immediate discharge is allowed to protect the health care of workers' health and safety. Continuing care for the client is assured by setting a plan for removing the threat, obtaining emergency protection if needed, providing alternative care, and notifying the client's support system. Referral to the regulatory agency and information on the appeal process are provided. The amendment to this bill emphasizes safety for home health care providers so that the home is free from sexual or other forms of harassment by the client or others in the home. Thus, both the client who needs home health services and home health care case providers are both protected. Vote 14-0.

**Amendment (1701h)**

Amend RSA 151:21-b, III(b) as inserted by section 6 of the bill by replacing it with the following:

(b) ~~[Assist in creating and maintaining a safe home environment in which care will be delivered.]~~ ***Create and maintain an environment that is safe and free from sexual or other forms of harassment by the client or others in the home. For the purposes of this subparagraph, an environment is unsafe if conditions in and around the home imminently threaten the safety of the home health care provider personnel or jeopardize the home health care provider's ability to provide care.***

Amend the bill by replacing all after section 9 with the following:

10 New Section; Discharge of Home Health Care Clients. Amend RSA 151 by inserting after section 26 the following new section:

151:26-a Discharge of Home Health Care Clients.

I. Except as provided in paragraph IV, a home health care provider shall provide a minimum of 14 days notice of the intent to discharge a client.

II. Written notice of discharge shall be provided to the client or the client's legal representative and included in the client's clinical record. A copy of the notice of discharge shall be provided to the ordering physician or authorizing health care provider, if any, and the case manager, if any. At a minimum, the notice shall include the following:

(a) The reason for the discharge.

(b) The effective date of the discharge.

(c) The identity of and contact information for the service provider, if any, who is or will be taking on the care of the client.

(d) The steps the client should take to reinstate services, if any.

(e) The telephone number and contact information for the state and federal home health care regulatory agency.

(f) The following statement in bold type: "You have a right to appeal the decision to discharge you from home health care services. If you think you should not be discharged, you or your legal representative may request an expedited administrative hearing from the New Hampshire Department of Health and Human Services or you may file an appeal in superior or probate court. You also may register a complaint with the state and federal home health care regulatory agencies. If you have a legal representative that person may act on your behalf."

III. (a) A home health care provider may discharge a client if the client's needs can no longer be met by the home health care provider, if one or more of the following applies:

(1)(A) The client or the client's legal representative, the client's family, persons residing with the client, or the client's informal supports are non-compliant with or interfere with implementation of the plan of care and the scope and effect of the non-compliance or interference:

(i) Has led to or will lead to an immediate deterioration in the client's condition, such that home health care will no longer be safe or appropriate; or

(ii) Has made attainment of reasonable therapeutic goals at home impossible.

(B) In addition, the likely outcome of the non-compliance or interference has been explained to the client or the client's legal representative, to the client's informal supports, and to the case manager, if applicable, and the client continues to refuse to comply with, or others continue to interfere with, the implementation of the plan of care.

(2) The availability of home health care or community support services is no longer sufficient to meet the client's changing care needs.

(3) The home health care provider personnel with the required qualifications who were providing the client's care are no longer employed by the home health care provider and no other qualified personnel is or is expected to be available.

(b) The home health care provider shall make reasonable attempts, prior to discharge, to resolve the circumstances that may lead to a discharge under this paragraph. When a home health care provider determines that a client will require continuing care after services are discontinued pursuant to this paragraph, the home health care provider shall arrange for or assist the client to arrange for such services, to the extent practicable, and shall provide sufficient clinical information to the receiving entity to assure continuity of care and services. The home health care provider shall educate the patient on how to obtain further care, treatment, and services to meet his or her identified needs, as necessary.

IV.(a) A home health care provider may provide notice of discharge to a client in less than 14 days if:

(1) The client requests services be discontinued or the client moves out of the service area.

(2) An emergency discharge is mandated by the client's health care needs and is in accordance with written orders of the client's ordering physician or authorizing health care provider, if any.

(3) The client no longer needs the services provided by the home health care provider, as confirmed by the client's ordering physician, authorizing health care provider, or case manager, as appropriate.

(4) Conditions in or around the home imminently threaten the safety of the home health care provider personnel or jeopardize the home health care provider's ability to provide care, in accordance with paragraph V.

(5) The client, the client's government payor, or the client's third-party payor ceases payment or denies authorization for further care and the client is unable or unwilling to pay for continued services or unwilling to apply for other available resources.

(b) No discharge shall be permitted if it is contrary to RSA 151:21-b or to the requirements of Titles XVIII or XIX of the Social Security Act, as applicable. The provider shall give notice of the discharge allowed under this paragraph, as soon as practicable.

V. Conditions in or around the home imminently threaten the safety of the home health care provider personnel or jeopardize the home health care provider's ability to provide care in the following situations:

(a) Conditions are known to exist in or around the home that would imminently threaten the safety of personnel, including but not limited to:

(1) Actual or probable physical assault.

(2) Continuing severe verbal threats which the individual making the threats has the ability to carry out and which create a reasonable concern for personal safety.

(3) Other circumstances that are likely to cause serious injury.

(b) The home health care provider has valid reason to believe that its personnel will be subjected to continuing and severe verbal abuse or sexual harassment, as defined in RSA 354-A:7, V, which will jeopardize the home health care provider's ability to secure sufficient personnel resources or to provide care that meets the needs of the client.

VI. A home health care provider that intends to discharge a client shall:

(a) Prepare a discharge plan designed to ensure a timely and safe discharge in consultation with the client or the client's legal representative, the client's ordering physician or other authorizing health care provider, if any, and any other professional involved in the plan of care, such as a case manager.

(b) In the event of an immediate discharge:

(1) Take appropriate measures to ensure client safety, including immediate notification of the client or the client's legal representative, the client's physician or other authorizing health care provider, if any, and other agencies known by the home health care provider to be involved in the provision of home health care services, including a case manager.

(2) If appropriate, make a report to adult protective services, in accordance with RSA 161-F, or to child protective services, in accordance with RSA 169-C, or to law enforcement authorities indicating the client's ongoing care needs and the reason for discharge.

(3) Provide written notification in accordance with paragraph II within 5 calendar days of the discharge.

VII.(a) A client of a home health care provider subject to discharge under this section may appeal to the department of health and human services or to the superior or probate court.

(b) The commissioner of the department of health and human services shall adopt rules, pursuant to RSA 541-A, relative to the proper conduct of administrative appeals under this paragraph.

11 Applicability.

I. The commissioner of the department of health and human services shall initiate the rulemaking required under RSA 151:26-a, VII(b) as inserted by section 10 of this act no later than 60 days after passage of this act.

II. Pending the adoption of the rules required by RSA 151:26-a, VII(b) as inserted by section 10 of this act, administrative appeals authorized pursuant to RSA 151:26-a, VII(a) shall be conducted in accordance with He-C 200.

12 Effective Date. This act shall take effect January 1, 2014.

**SB 138-FN**, relative to support for certain residents of nursing and assisted living facilities. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Charles E. McMahon for Health, Human Services and Elderly Affairs: This bill came as a result of the recommendations of Chapter 20:1, Laws of 2012 study committee that addressed the continuation of payments to long term care facilities. It provides for a nursing home facility or assisted living facility to pursue recovery of costs for care provided to a resident from entities or persons when a Medicaid application is not timely, or when an asset transfer is made within the five year look back period thereby causing the application to be disqualified. Further, the bill provides for due process protection for fiduciaries, guardians, trustees and, unless otherwise designated, persons who are entrusted with managing the assets of a resident. This means that upon a dispute of the department of health and human services determination that a disqualifying transfer of funds or assets took place, an affirmative defense to prove the transfer was not a disqualifying action shall be available to those entities having financial responsibility of a residents funds and assets as detailed herein. The amendment to this bill is the result of extensive work by a subcommittee. It expands definition of terms used in this bill. It clarifies the role of persons with a fiduciary relationship, asset transfers, Medicaid applications, probate court and other administrative procedures. Vote 15-0.

**Amendment (1610h)**

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Liability for Costs of Care. Amend RSA 151-E by inserting after section 18 the following new section:

151-E:19 Support for Certain Residents of Nursing Homes and Assisted Living Facilities.

I. In this section:

(a) "Costs of care" means all costs of health care and lodging and all related costs, including transportation, medical, and personal care and any other costs, charges, and expenses incurred by the facility in rendering care to the resident.

(b) "Department" means the department of health and human services.

(c) "Fiduciary" means a person to whom power or property has been formally entrusted for the benefit of another such as an attorney-in-fact, legal guardian, trustee, or representative payee.

(d) "Long-term care facility" means a facility licensed by the department pursuant to He-P 803, 804, or 805.

(e) "Patient liability amount" means the amount of income that a resident is liable to contribute toward the cost of his or her nursing facility care.

(f) "Person" includes persons both natural and otherwise, including, without limitation, any corporation, partnership, limited liability company, trust or other entity.

(g) "Resident" refers to any person who inhabits or inhabited a long-term care facility for any period of time.

II.(a) Except as provided in subparagraph (b), when an asset transfer made on or after the effective date of this section results in a final determination of a Medicaid asset transfer disqualification, the person who received the assets from a resident which resulted in the Medicaid asset transfer disqualification shall be liable under this section to the long-term care facility for all costs of care up to the amount transferred to the person. The person shall be liable at the facility's Medicaid rate for services for the period of asset transfer disqualification.

(b) It shall be an affirmative defense in any action instituted under subparagraph (a), that the transfer of the asset which resulted in a final determination of a Medicaid asset transfer disqualification was not a disqualifying transfer under 42 U.S.C. 1396p. The court's decision regarding such affirmative defense shall be made independently of the determination made by the department. If that affirmative defense is proven, the person shall not be liable under subparagraph (a).

III. A fiduciary who possesses or controls the income or assets of a resident of a long-term care facility and has the authority and duty to file an application for Medicaid on behalf of a resident shall be liable under this section to the long-term care facility for all costs of care which are not covered by Medicaid due to the fiduciary's negligence in failing to promptly and fully complete and pursue an application for Medicaid benefits for the resident. Upon a finding of negligence, the fiduciary shall be liable to the facility for the costs of care at the facility's Medicaid rate for services for the period of resulting noncoverage. At least 30 days before filing an action pursuant to this paragraph, the facility shall send a written notice of its intent to file the action to any person whom it intends to name as a defendant in the action. In any claim of negligence against a legal guardian, notice of intent to file the action shall simultaneously be provided to the probate court having jurisdiction over the guardianship. The probate court shall have jurisdiction over any action alleging negligence of a legal guardian, and shall, in any such action, consider whether removal of the guardian is in the ward's best interests in accordance with RSA 464-A:39, I(c) and shall have the authority to assess liability and award damages under this section.

IV. Any fiduciary or person who has received authority over the income of a resident such as a person who has been given or otherwise obtained authority over a resident's bank account, has been named as or has rights as a joint account holder, or otherwise has obtained or received any control over a resident's bank account or any other income of a resident, shall be liable under this section to the long-term care facility to the extent that any such person or fiduciary refuses to pay the patient liability amount due under Medicaid, provided that the person or fiduciary is in receipt of written notice from the department of the patient liability amount at the time such income is received by the fiduciary or person, and provided further that the liability of the person or fiduciary shall be for amounts going forward from the receipt of the notice. At least 30 days before filing an action pursuant to this paragraph, the facility shall send a written notice of its intent to file the action to any person or fiduciary whom it intends to name as a defendant in the action.

V. No judgment obtained in any proceeding under this chapter shall be acted upon through execution, levy, or otherwise during the pendency of any actually completed and filed application for Medicaid. Attachments and trustee process to secure any judgment or potential judgment shall be permitted subject to the discretion of the court to protect facilities from non-payment or from the failure of the resident, or that resident's fiduciary, to cooperate in obtaining Medicaid.

VI. Nothing contained in this section shall prohibit or otherwise diminish any other causes of action possessed by any such long-term care facility. The death of the resident shall not nullify or otherwise affect the liability of the person or persons charged with the cost of care rendered or the patient liability amount as referenced in this section.

VII. A fiduciary under this section shall not be personally liable for the acts or omissions of the fiduciary's predecessor, if any, solely by reason of his or her role as successor fiduciary.

2 New Section; Liability for Care. Amend RSA 507 by inserting after section 8-h the following new section:

507:8-i Actions Under RSA 151-E:19. The defendant in any action brought under RSA 151-E:19 shall be liable to the long-term care facility as provided in RSA 151-E:19. An action under RSA 151-E:19 shall be tried by bench trial. Nothing contained in RSA 151-E or this section shall prohibit or otherwise diminish any other causes of action possessed by any such long-term care facility.

3 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill allows an assisted living facility or nursing home facility in certain circumstances to pursue recovery of costs of care rendered to a client from entities or certain other persons when an application for Medicaid is not timely made or when the client is not able to receive Medicaid assistance due to the transfer of the client's assets within the 5-year Medicaid look-back period.

**SB 185**, establishing a commission on housing policy and regulation. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Marjorie A. Porter for Municipal and County Government: This bill establishes a commission on housing policy and regulation with a goal of identifying and reducing regulatory impediments to the creation of affordable housing in NH. The commission will be looking at state level, not local, regulations which affect housing. The last study of NH housing was done more than 10 years ago; this bill will allow stakeholders to examine problems which may exist today, and to recommend solutions. The amendment allows for representatives from the New Hampshire community action association and DRED to be part of the commission. Vote 16-0.

#### **Amendment (1476h)**

Amend RSA 19-M:1, I as inserted by section 2 of the bill by inserting after subparagraph (w) the following new subparagraphs:

- (x) The president of the New Hampshire Community Action Association, or designee.
- (y) The commissioner of resources and economic development, or designee.

#### **SB 160-FN-A, relative to turnpikes and electronic toll collection. OUGHT TO PASS WITH AMENDMENT.**

Rep. David B. Campbell for Public Works and Highways: This bill makes several changes to the toll evasion statute and was requested by the department of transportation. Currently, unpaid transactions in the cash lanes are not subject to the same consequences as unpaid transactions in the EZPass lanes at the toll plazas on the NH turnpike system. Violators are increasingly taking advantage of this loophole. SB 160, as amended, allows the department of turnpikes to photograph the license plates of a vehicle in the cash lane when the transaction is unpaid, for enforcement purposes. It further allows all unpaid transactions, cash or electronic, to be collected via the same enforcement system. The amendment further clarifies that no license plates will be photographed for any paid transaction in the cash lanes. It also addresses all electronic tolling (AET). AET is a newer technology that has no cash lanes and collects tolls from non-EZPass automobiles by taking photographs of their licenses and billing them through their registrations by mail. Current law does not preclude AET. The committee had several concerns about AET, regarding privacy issues, fairness to cash users and the impact on NH as a "tourist friendly" state. The effect of the amendment prohibits any AET pilot programs and requires that any AET tolling must have prior legislative approval. Vote 18-0.

#### **Amendment (1586h)**

Amend RSA 236:31-b as inserted by section 9 of the bill by replacing it with the following:

236:31-b Failure to Pay a Highway Toll. ~~[Notwithstanding the provisions of RSA 236:31,]~~ Any person who fails, neglects, or refuses to pay the toll or charge for the use of any bridge, highway, or part thereof ~~[shall be guilty of a violation. This section shall not apply to any person driving a vehicle equipped with a transponder using a lane equipped with an electronic toll collection monitoring system; such person and vehicle shall be], or utilizes a toll facility that is equipped with a toll collection monitoring system without having an E-Z Pass transponder mounted on the vehicle, shall have an image taken of the vehicle registration plate and be~~ subject to the provisions of RSA 236:31. ***When a cash payment is made, no such image shall be taken.***

Amend the bill by replacing all after section 14 with the following:

15 New Paragraph; Turnpike System; Authority Granted; Legislative Approval Required. Amend RSA 237:7 by inserting after paragraph I the following new paragraph:

I-a. The department shall not proceed with the installation of all electronic tolling without prior legislative approval.

16 Effective Date. This act shall take effect 60 days after its passage.

#### **AMENDED ANALYSIS**

This bill:

- I. Changes certain terminology for the toll collection system.
- II. Changes certain penalties for failure to pay a highway toll.
- III. Modifies the sums appropriated for carrying out certain highway projects.
- IV. Requires legislative approval for the installation of all electronic tolling.

This bill is a request of the department of transportation.

#### **SB 13, relative to hearings in the department of safety. OUGHT TO PASS.**

Rep. Michael B. O'Brien for Transportation: This bill amends the enabling statute of the department of safety bureau of hearings to clarify the legal authority of the bureau to include conducting hearings

for the entire department. Since due process requires agencies that conduct adjudicative hearings to provide a right of appeal, this bill clarifies the appeal process. This bill will enhance the efficiency of the department of motor vehicles in the hearing and appellate process. Vote 16-1.

**SB 21**, making technical corrections to the International Registration Plan. **OUGHT TO PASS.**

Rep. Brian K. Chirichiello for Transportation: This bill is simply making corrections to the definitions of two terms in the International Registration Plan. The two words changed were "Repository" to the words "Reciprocity." The committee is unanimous in favor of this change. Vote 16-0.

**SB 22**, exempting small trailers from inspection requirements; allowing qualified dealers to inspect trailers; and deleting a reference to highway enforcement officers. **OUGHT TO PASS.**

Rep. Elizabeth B. Burtis for Transportation: This bill eases regulations on vehicle trailer inspection. It eliminates the requirement for small trailers (10,000 lbs gross vehicle weight rating) to be inspected, and also allows qualified dealers to conduct inspections for larger trailers (more than 10,000 lbs gross vehicle weight rating). This bill was requested by the department of safety. It helps the department streamline processes and also reduces regulations and costs to individual small trailer owners. Vote 16-0.

**SB 85**, relative to commercial motor vehicle operation. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Michael B. O'Brien for Transportation: This bill, as amended, aligns terminology with an annual audit of the motor carrier safety assistance program (MCSAP) by the federal motor carrier safety administration. Some of our commercial vehicle laws differ from federal terminology and this bill brings our laws in uniformity with current federal regulations. The amendment clarifies that state or any political subdivision of the state is exempt. However public employers are not prevented from establishing internal policies making motor carrier safety rules applicable to its vehicles and drivers. The bill and the amendment was a request by the department of safety. Vote 15-1.

#### Amendment (1691h)

Amend the bill by inserting after section 8 the following and renumbering the original section 9 to read as 10:

9 New Paragraph; Motor Carriers; Equipment; Exemptions. Amend RSA 266:72-a by inserting after paragraph III the following new paragraph:

III-a. Paragraph III shall not apply to intrastate transportation performed by the state, or any political subdivision of the state. However, nothing in this section shall prevent or inhibit any public employer from establishing internal policies making the motor carrier safety rules applicable to its vehicles and drivers.

**SB 159**, exempting drivers of eligible agricultural and farm vehicles from certain federal motor carrier regulations. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Michael B. O'Brien for Transportation: The main bill would exempt agricultural and farm vehicles operating intrastate and registered in New Hampshire from federal regulations. A public hearing was held on the non-germane amendment. The amendment will allow military personal and dependents who are deployed outside of New Hampshire or overseas as well as government employees who are deployed overseas to renew their driver licenses by mail. This amendment will help our military families as well as overseas government employees maintain their motor vehicle connection to New Hampshire during deployment. Vote 16-0.

#### Amendment (1531h)

Amend the title of the bill by replacing it with the following:

AN ACT exempting drivers of eligible agricultural and farm vehicles from certain federal motor carrier regulations and relative to drivers' license renewals of members of the armed forces and federal employees and their spouses.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 4:

2 Members of Armed Services; Federal Employees; Spouses Residency. Amend RSA 263:5-b to read as follows:

263:5-b Members of Armed Services; **Federal Employees; Spouses**; Residency. [~~Notwithstanding any provision of law to the contrary:~~]

I. Any resident of this state who is on active duty [to] in the armed forces of the United States, or who is employed by the State Department or other agency of the United States government shall not

be considered as having lost residence when the sole reason for the person's absence is compliance with military or naval orders *that require deployment outside the state of New Hampshire* or federal agency or state department orders that require ~~[deployment]~~ *assignment* outside of the United States.

II. A resident of this state~~[-who has previously established residency in New Hampshire, on active duty in the armed forces of the United States or employed by the State Department or other agency of the United States government or the spouse or domestic partner of such person]~~ *shall not be considered as having lost residence when the sole reason for the person's absence is that he or she is accompanying [their] his or her spouse [or domestic partner on an] on a United States armed forces deployment outside the state of New Hampshire or state department or other federal agency assignment abroad*~~[-who has previously established residency in New Hampshire, may elect to obtain a New Hampshire driver's license by applying in person to the department and may renew such license one time by mail, provided a photo identification is on file with the department, after which the second renewal shall be made in person].~~

[HH- Any person obtaining a license under the provisions of this section shall obtain a photo identification within 30 days of returning to this state.]

3 License Expiration; Armed Forces; Federal Employees; Spouses. Amend RSA 263:11 to read as follows:

263:11 License Expiration; Members of the Armed Forces; *Federal Employees*; Spouses.

I. Any person who is a member of the armed forces of the United States and who, at the time of induction, call to active duty, or enlistment ~~[into]~~ *in* the armed forces for 2 or more years, was a resident of this state and was a holder of a valid New Hampshire license to drive motor vehicles in this state, is entitled to renewal of such license without cost by application to the division. Said application must be accompanied by a letter giving date of expiration of active duty, signed by a commissioned officer. Such a person while driving a motor vehicle shall carry upon his or her person the license issued. The privilege of this section remains in effect for 90 days after the discharge or release of such a person from active duty. Nothing in this section permits a person against whom a revocation or suspension of license is in force, or a person who has been refused a license by the director, to drive a motor vehicle.

II. ~~[The spouse of any resident of this state on active duty in the armed forces of the United States who is a holder of a valid New Hampshire license, is entitled to renewal of such license upon payment of the prescribed fees, by application to the division. The application must be accompanied by a letter giving date of expiration of active duty, and be signed by a commissioned officer.~~

HH-] Any member of the national guard who is called to military service or mobilized for a period of 60 days or more, and who was a resident of this state and was a holder of a valid New Hampshire license to drive motor vehicles in this state, is entitled to renewal of such license without cost or penalty by application to the division. Said application must be accompanied by a letter giving a projected date of expiration of said service, signed by a commissioned officer. Such a person while driving a motor vehicle shall carry upon his or her person the license issued.

III. (a) *A person who, at the time of license expiration, is deployed on active duty in the armed forces of the United States or serving in the national guard outside the state of New Hampshire, is a federal employee assigned to a location outside the United States, or is the spouse of any such person accompanying his or her spouse during the deployment, service, or assignment, may renew his or her license by mail, provided the person has a computerized image on file with the division.*

(b) *If such person does not have an image on file with the division, he or she may request that a license be issued without a picture. This non-photo license shall only be valid when accompanied by a military or United States government employee or dependent photo identification. The person shall obtain a photo identification within 30 days of returning to this state.*

IV. *If a person renews his or her license by mail pursuant to paragraph III, the subsequent license renewal shall require an appearance in person at the licensing facility, except that if the person is on active duty outside of the state of New Hampshire in the armed forces of the United States for a period covering more than one license expiration, the person may renew his or license by mail as many times as is necessary during the period of active duty.*

#### AMENDED ANALYSIS

This bill exempts drivers of eligible agricultural and farm vehicles from certain federal motor carrier regulations adopted as rules by the commissioner of the department of safety. This bill also

clarifies the procedure driver's license renewal for certain members of the armed forces and federal employees and their spouses, and authorizes multiple renewals by mail for persons on active duty for a period covering more than one license expiration.

### REGULAR CALENDAR

**SB 126-FN**, relative to business practices between motor vehicle manufacturers, distributors, and dealers. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Edward A. Butler for the Majority of Commerce and Consumer Affairs: This bill modifies RSA 357-C the "Dealer Bill of Rights" ("DBR") which has been on the books for 40 years. The DBR already covers off-highway recreational vehicles, snowmobiles, cars, trucks, motorcycles, and RV's. The DBR governs the relationship and business practices between manufacturers and NH dealers. This law was originally passed out of recognition that the manufacturers were abusing their power in the relationship and that NH businesses and consumers were being harmed as a result. Dealers cannot, of course, simply drop one franchise and add another. This is not a free market that dealer-owners operate in. All 50 states have nearly identical laws and all but one provision (dealer files) in SB 126 are based on those laws. The current law and SB 126, seeks to continue to level the playing field for NH businesses and ensure consumers interests are safeguarded as well. The committee heard extensive testimony showing the dealer-manufacturer relationship is broken: contracts and terms are non-negotiable, programs are dictated, and costs are shifted onto dealers and ultimately consumers. The committee encouraged the two parties to work to compromise on several issues. Some compromise was reached before subcommittees met and more was achieved during extensive subcommittee work. First was moving tractor & equipment dealers from their current RSA 347-A into RSA 357-C. 347-A has been on the books for 18 years and when passed did not result in major changes to business as usual in the state or their contracts. The relationship between equipment dealers and manufacturers is identical to that of car/truck dealers: nearly duplicate one-sided, non-negotiable contracts and an autocratic relationship. Equipment dealers also have business operations that are nearly identical in all respects to car/truck/motorcycle etc. dealers. Three times the committee or subcommittee rejected by large margins amendments to strip out equipment dealers. The last vote was 14-3. The committee was reminded during deliberations that snowmobile and off-road RV dealers were added to RSA 357-C in 2002 without ensuing problems. Second, access to dealer files was heavily scrutinized and amended. It now only allows annual access to routine business reports upon written request. If a dealer is failing it only makes sense that they receive notification, and a chance to improve performance or challenge findings, before significant problems develop or a termination notice arrives in the mail. Third, limiting mandatory facility upgrades to every 15 years was much discussed. The committee kept the 15 year limit, as approved by the Senate, as there was no proof of return on investment for 5 or 10 year upgrades. Average upgrade costs are \$3.6 million; the average loan is 20 years; and depreciation write-off is as much as 39 years. The committee was concerned that consumers would pay more for cars if manufacturers continued to demand short turnaround renovations from some of their dealers. The 15 year limit will be waived if the manufacturer agrees to pay for 65% of the cost. The "buy local" sourcing of goods and services was modified to ensure that manufacturers give final approval of vendors, protect their intellectual property and are able to maintain the same overall design. Measuring the dealer in their performance is made more transparent through the bill. The bill also reaches a solution to eliminate a dealer from being penalized when a vehicle is illegally exported, which we heard from State Police is a serious problem in NH. The amendment requires both parties to work to identify exports happening in a dealer's marketing region. The committee also heard that some, but not all, manufacturers are following the current UCC which requires manufacturers to appropriately pay for warranty parts. To ensure the current law is followed, the bill adopts a formula used in at least 15 other states. Safeguards were put in place to allow the manufacturer to ensure the right amount is paid. Finally, the committee adopted similar language to the Maine law regarding the surcharge prohibition which was held constitutional in 2004. Vote 15-2.

Rep. Catherine Mulholland for the Minority of Commerce and Consumer Affairs: By rolling the equipment dealers into the same chapter, 357-C, as the automobile dealers and repealing chapter 347-C which has hitherto governed the contractual relationships between equipment dealers and their manufacturers, this legislation runs the risk of nullifying those contracts and being open to constitutional challenge. The purpose of this amendment is to defer legislation governing equipment

dealers by removing them from SB 126 as it stands, with the intention of bringing back a bill in 2014 adapted specifically to those elements of 347-C which equipment dealers feel they need to “level the playing field”. The contention that automobiles and agricultural and construction equipment all belong collectively together because they fall under the same distribution network ignores the fact that automobiles are primarily directed toward the consumer, whereas farm and construction equipment are business investments. The markets are dissimilar although the marketing model may serve both. The economic cycles do not coincide and the economic collapse and consequent bankruptcies of GM and Chrysler in 2009 have put very different pressures on those manufacturers to succeed. New Hampshire wants to be business friendly, but not so protectionist as to kill the goose that lays the golden egg. Ultimately the dealer has a contractual agreement which guarantees an inventory for sale. If he does not like the terms, he had better quit.

### Majority Amendment (1699h)

Amend the bill by replacing sections 1 and 2 with the following:

1 Section Heading and Definition of Motor Vehicle. Amend the section heading and RSA 357-C:1, I to read as follows:

357-C:1 Definitions. ~~[As used in this chapter]~~ ***For the purpose of this chapter only:***

I. “Motor vehicle” means every self-propelled vehicle manufactured and designed primarily for use and operation on the public highways and required to be registered and titled under the laws of New Hampshire, ~~[not including farm tractors and other machines and tools used in the production, harvesting, and care of farm products]~~. ***Motor vehicle shall include equipment if sold by a motor vehicle dealer primarily engaged in the business of retail sales of equipment.*** Except for RSA 357-C:3, I-b, and where otherwise specifically exempted from the provisions of this chapter, “motor vehicle” shall include off highway recreational vehicles and snowmobiles. ***Equipment means farm and utility tractors, forestry equipment, industrial equipment, construction equipment, farm implements, farm machinery, yard and garden equipment, attachments, accessories, and repair parts.***

2 Definition of Motor Vehicle Dealer. Amend RSA 357-C:1, VIII to read as follows:

VIII.(a) “Motor vehicle dealer” means any person engaged in the business of selling, offering to sell, soliciting or advertising the sale of new or used motor vehicles or possessing motor vehicles for the purpose of resale either on his own account or on behalf of another, either as his primary business or incidental thereto. ***Motor vehicle dealer also means a person granted the right to service motor vehicles or component parts manufactured or distributed by the manufacturer but does not include any person who has an agreement with a manufacturer or distributor to perform service only on fleet, government, or rental vehicles.*** However, “motor vehicle dealer” shall not include:

(1) Receivers, trustees, administrators, executors, guardians, or other persons appointed by or acting under judgment, decree or order of any court; or

(2) Public officers while performing their duties as such officers.

(b) “New motor vehicle dealer” means a motor vehicle dealer who holds a valid sales and service agreement, franchise or contract granted by the manufacturer or distributor for the sale, service, or both, of its new motor vehicles, ***but does not include any person who has an agreement with a manufacturer or distributor to perform service only on fleet, government, or rental vehicles.***

(c) ***The term “motor vehicle dealer” shall not include a single line equipment dealer. “Single line” dealer means a person, partnership, or corporation who is primarily engaged in the business of retail sales of farm and utility tractors, forestry equipment, industrial and construction equipment, farm implements, farm machinery, yard and garden equipment, attachments, accessories, and repair parts, and who:***

***(1) Has purchased 75 percent or more of the dealer’s total new product inventory from a single supplier; and***

***(2) Has a total annual average sales volume for the previous 3 years in excess of \$100,000,000 for the relevant market area for which the dealer is responsible.***

Amend the bill by replacing section 6 with the following:

6 Prohibited Conduct. Amend RSA 357-C:3, III(k) to read as follows:

(k) Compete with a motor vehicle dealer operating under an agreement or franchise from such manufacturer or distributor in the relevant market area; provided, however:

(1) If any manufacturer, distributor, distributor branch or division, or factory branch or division, either directly or indirectly, or through any subsidiary, affiliated entity, or person, owns, operates, or controls, in full or in part, a motor vehicle dealership in this state for the sale or service

of motor vehicles in this state, the relevant market area shall be the area within the entire state of New Hampshire and, except for circumstances in which subparagraph (3) may apply, the New Hampshire motor vehicle industry board shall find good cause under RSA 357-C:9 before any such ownership, operation, or control shall be permitted. In addition to those factors listed in RSA 357-C:9, II, the board in such circumstances shall also consider in its determination of good cause whether the proposed dealership will create an unfair method of competition to other franchisees of the same manufacturer, distributor, distributor branch or division, factory branch or division, subsidiary, or affiliated entity;

(2) That a manufacturer or distributor shall not be deemed to be competing when operating a dealership either temporarily, for a reasonable period in any case not to exceed 2 years; provided that if a manufacturer or distributor shows good cause, the board may extend this time limit and extensions may be granted by the board for periods of up to 12 months; or unless the manufacturer or dealer through a bona fide relationship in which an independent person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of such dealership on reasonable terms and conditions; ~~and~~

(3) A manufacturer that has no more than 5 franchised new motor vehicle dealers ~~[licensed to do]~~ **doing** business in this state and that directly or indirectly owns one or more of them shall not be deemed to be competing with any unaffiliated new motor vehicle dealer trading in the manufacturer's line make at a distance of 18 miles or greater provided that:

(A) All the new motor vehicle dealerships selling such manufacturer's motor vehicles trade exclusively in the manufacturer's line make;

(B) As of March 1, 2000, the manufacturer shall have directly or indirectly owned one or more new motor vehicle dealers in this state for a continuous period of at least one year; and

(C) Neither the manufacturer nor any entity in which the manufacturer has a majority ownership interest shall acquire, operate, or control any dealership that the manufacturer did not directly or indirectly own as of March 1, 2000; **and**

***(4) A manufacturer or distributor that sells and services motor vehicles in New Hampshire and is licensed as a dealer in New Hampshire shall not be deemed to be competing with any dealer if no dealer or other franchisee sells and services the same line make in New Hampshire.***

Amend the bill by replacing section 7 with the following:

7 Prohibited Conduct. Amend RSA 357-C:3, III(o) to read as follows:

(o) Change the relevant market area set forth in the franchise agreement without good cause. For purposes of the subparagraph, good cause shall include, but not be limited to, changes in the dealer's registration pattern, demographics, customer convenience, and geographic barriers[;]. ***At least 60 days prior to the effective date of the revised relevant market area, the manufacturer or distributor shall provide the dealer whose relevant market area is subject to the proposed change, a reasonable and commercially acceptable copy of all information, data, evaluations, and methodology that the manufacturer or distributor considered, reviewed, or relied on or based its decision on, to propose the change to the dealer's relevant market area;***

Amend RSA 357-C:3, III(u) as inserted by section 9 of the bill by replacing it with the following:

(u)(1) Allocate vehicles, to evaluate the performance of a motor vehicle franchise, or to offer to a dealer any discount, incentive, bonus, program, allowance or credit (collectively "incentives"), using sales effective measurements that the manufacturer knows or reasonably should know includes exported vehicles, after being provided with notice and the opportunity to conduct an investigation as provided in subparagraph (u)(3). "Sales effective measurement" means a system that measures how effective a franchisee is at selling vehicles by comparing vehicle sales by that franchisee in the territory or geographic region assigned to the franchisee to vehicles sold in the same territory by other franchisees, or other similar methods of measurement. For the purposes of this section, "exported vehicles" are new vehicles that: (i) are titled in New Hampshire but not registered in New Hampshire or any other state; (ii) are titled and registered in New Hampshire but not issued a valid New Hampshire state inspection sticker; or (iii) are exported out of the country within 6 months of purchase.

(2) If a manufacturer uses sales effective measurements to allocate vehicles, evaluate a franchisee, or determine incentives, the manufacturer, upon the written request of one of its franchisees, shall, within 30 days, provide the vehicle identification numbers that the manufacturer possessed and used in the measurements during the time period requested by the dealer.

(3) If a manufacturer uses sales effective measurements to allocate vehicles, evaluate a franchisee, or determine incentives, a dealer may request that the manufacturer or distributor

investigate a claim that exported vehicles are included in the measurements. To initiate the investigation, the dealer shall provide reasonable documentation that 8 or more exported vehicles were used in the measurements. Acceptable documentation shall include, but not be limited to, data from the division of motor vehicles and vehicle history reports from third party vendors. Within 30 days of the dealer's request, the manufacturer shall investigate the claim and adjust those measurements proportionately to exclude any exported vehicles and adjust the allocation, evaluation, and incentives. As part of the investigation, the manufacturer shall provide the dealer with any and all information, data, evaluations, methodology or other items, that the manufacturer or distributor considered, reviewed, or relied on, for the measurement. The manufacturer shall have the burden to prove that it has acted in accordance with the requirements of this subparagraph. Amend RSA 357-C:3, III(v)(2) and (3) as inserted by section 9 of the bill by replacing them with the following:

(2) Prior to beginning any incentive or reimbursement program, the manufacturer shall provide in writing to each dealer of the same line-make that chooses to participate in the program the dealer's performance requirement or sales goal or objective, which shall include a detailed explanation of the methodology, criteria, and calculations used. The manufacturer shall provide each dealer with the performance requirement or sales goal or objective of all dealers participating in the program whose relevant market area includes territory within this state.

(3) A manufacturer shall allocate an adequate supply of vehicles, appropriate to the market, to its dealers by series, product line, and model to assist the dealer in achieving any performance standards established by the manufacturer and distributor.

Amend RSA 357-C:3, III(w) as inserted by section 9 of the bill by replacing it with the following:

(w)(1) Require a dealer to purchase goods or services from a vendor selected, identified, or designated by a manufacturer, factory branch, distributor, distributor branch, or one of its affiliates by agreement, program, incentive provision, or otherwise without making available to the dealer the option to obtain the goods or services of substantially similar quality and overall design from a vendor chosen by the dealer and approved by the manufacturer, factory branch, distributor, or distributor branch; provided that such approval shall not be unreasonably withheld, and further provided that the dealer's option to select a vendor shall not be available if the manufacturer or distributor provides substantial reimbursement for the goods or services offered. Substantial reimbursement is equal to or greater than 65 percent of the cost, which shall not be greater than the cost of reasonably available similar goods and services in close proximity to the dealer's market.

(2) Fail to provide to a dealer, if the goods and services to be supplied to the dealer by a vendor selected, identified, or designated by the manufacturer, factory branch, distributor, or distributor branch are signs or other franchisor image or design elements or trade dress to be leased to the dealer, the right to purchase the signs or other franchisor image or design elements or trade dress of substantially similar quality from a vendor selected by the dealer; provided that the signs, images, design elements, or trade dress are approved by the manufacturer, factory branch, distributor, or distributor branch and that such approval shall not be unreasonably withheld. This section shall not be construed to allow a dealer to impair or eliminate the intellectual property rights of the manufacturer, factory branch, distributor, or distributor branch, nor to permit a dealer to erect or maintain signs that do not conform to the intellectual property usage guidelines of the manufacturer, factory branch, distributor, or distributor branch.

Amend RSA 357-C:3, III(x) as inserted by section 9 of the bill by replacing it with the following:

(x) Make any express or implied statement or representation directly or indirectly that the dealer is under any obligation whatsoever to offer to sell or sell any extended service contract or extended maintenance plan, gap policy, gap waiver, or other aftermarket product or service offered, sold, backed by, or sponsored by the manufacturer or distributor or to sell, assign, or transfer any of the dealer's retail sales contracts or leases in this state on motor vehicles manufactured or sold by the manufacturer or distributor to a finance company or class of finance companies, leasing company or class of leasing companies, or other specified person, because of any relationship or affiliation between the manufacturer or distributor and the finance company or companies, leasing company or leasing companies, or the specified person or persons. Provided, however, that nothing in this subparagraph prohibits a manufacturer from requiring that a dealer disclose to a customer when the customer is about to purchase a product covered by this subparagraph that is not offered, sold, backed by, or sponsored by the manufacturer or distributor.

Amend RSA 357-C:3, III(y) as inserted by section 9 of the bill by replacing it with the following:

(y) Directly or indirectly condition the awarding of a franchise to a prospective franchisee, the addition of a line-make or franchise to an existing franchisee, the renewal of a franchise of an existing franchisee, the approval of the relocation of an existing franchisee's facility, or the approval of the sale or transfer of the ownership of a franchise on the willingness of a franchisee, proposed franchisee, or owner of an interest in the dealership facility to enter into a site control agreement or exclusive use agreement. For purposes of this subparagraph, the terms "site control agreement" and "exclusive use agreement" include any agreement that has the effect of either requiring that the franchisee establish or maintain exclusive dealership facilities or restricting the ability of the franchisee, or the ability of the franchisee's lessor in the event the dealership facility is being leased, to transfer, sell, lease, or change the use of the dealership premises, whether by sublease, lease, collateral pledge of lease, option to purchase, option to lease, or other similar agreement, regardless of the parties to such agreement. Any provision contained in any agreement that is inconsistent with the provisions of this subparagraph shall be voidable at the election of the affected franchisee, prospective franchisee, or owner of an interest in the dealership facility, provided this subparagraph shall not apply to a voluntary agreement where separate and valuable consideration has been offered and accepted, provided that the renewal of a franchise agreement or the manufacturer's waiver of a contractual or statutory right shall not by itself constitute separate and valuable consideration. Except as provided in this subparagraph, this chapter shall not apply to prospective franchisees.

Amend RSA 357-C:3, V(a)(4) as inserted by section 10 of the bill by replacing it with the following:

(4) Add to or replace or relocate purchased or leased signage or prohibit a dealer from substituting a sign owned by a dealer pursuant to RSA 357-C:3, III(w).

Amend RSA 357-C:3, V(c) as inserted by section 10 of the bill by replacing it with the following:

(c) Any cost to obtain a variance or other approval from any governmental body in order to proceed under subparagraph (a) shall be paid by the dealer in the first instance. When subsequent efforts are required to obtain the variance or other approval, including any appeals, the manufacturer or distributor that is seeking the action listed in subparagraphs (a)(1) through (a)(4) shall pay, provided that such subsequent efforts were not required because of clerical error or negligent action or inaction on the part of the dealer.

Amend RSA 357-C:3, V(d) and (e) as inserted by section 10 of the bill by replacing them with the following:

(d) Except as necessary to comply with health or safety laws or to comply with technology requirements necessary to sell or service a vehicle, it is unreasonable and not justifiable for a manufacturer or distributor to require, coerce, or attempt to coerce any new motor vehicle dealer by program, policy, facility guide, standard or otherwise to change the location of the dealership or construct, replace, renovate or make any substantial changes, alterations, or remodeling to a motor vehicle dealer's sales or service facilities before the 15th anniversary of the date of issuance of the certificate of occupancy or the manufacturer's approval, whichever is later, from:

(1) The date construction of the dealership at that location was completed if the construction was in substantial compliance with standards or plans provided by a manufacturer, distributor, or representative or through a subsidiary or agent of the manufacturer, distributor, or representative; or

(2) The date a prior change, alteration, or remodel of the dealership at that location was completed if the construction was in substantial compliance with standards or plans provided by a manufacturer, distributor, or representative or through a subsidiary or agent of the manufacturer, distributor, or representative.

(e) Notwithstanding the 15-year limitation on manufacturer-mandated changes in subparagraph (d), the limitation shall not be effective if the manufacturer or distributor offers substantial reimbursement for the requested changes, alterations, or remodeling of a dealer's sales or service facilities. Substantial reimbursement is equal to or greater than 65 percent of the cost, which shall not be greater than the cost of reasonably available similar goods and services in close proximity to the dealer's market.

Amend the bill by replacing section 11 with the following:

11 New Section; Access to Documentation. Amend RSA 357-C by inserting after section 3 the following new section:

357-C:3-a Access to Documentation.

I. Once annually, a dealer may request to obtain a copy of (i) reports created in the regular course of business about the dealer, (ii) written correspondence with the dealer, and (iii) written reports prepared by a representative of the manufacturer or distributor documenting or memorializing any contact with a dealer or any employee or agent of the dealer, collectively known as "the documentation." The documentation required to be produced shall be limited to documentation created in the 12 months preceding the dealer's request. The manufacturer or distributor shall provide the documentation to the dealer within 30 days of the dealer's written request. The manufacturer shall certify that the documentation it produces is complete as of the date of the request. The manufacturer or distributor may charge the dealer a reasonable per page fee for reproduction, provided that such fee shall not exceed the usual and customary fee charged by copy centers in the immediate vicinity of the location of the documentation. No other fees or charges shall be permitted.

II. Any documents or portions of documents that are required to be produced pursuant to this section, which are not produced by the manufacturer or distributor in response to a dealer's request and that the manufacturer or distributor did not make a written, good faith objection to producing shall be excluded and not admissible as evidence or used in any manner at any proceeding at the motor vehicle industry board or any other state agency or any court proceeding. This paragraph shall not apply to any documents that document, evidence, or demonstrate insolvency, or alleged criminal, unlawful, or fraudulent activity by the dealer. At any proceeding before the motor vehicle industry board, any state agency, or any court, the presiding hearing officer, judge, board, or agency, may admit documents otherwise inadmissible under this paragraph if it is found that the documents were withheld in good faith or by accident or mistake.

III. A complete copy of any written report of any nature prepared by a representative of the manufacturer or distributor after any contact with a dealer or any employee or agent of the dealer shall be provided to the dealer within 60 days of the report's creation.

IV. Nothing in the section shall require a manufacturer to disclose privileged, confidential, proprietary, or private third party information or information about another dealer or dealers and this includes but is not limited to names, addresses, financial data, and any other information relating to other dealers that may otherwise be referenced in the supporting documentation, except for specific information which is used by the manufacturer to compare the requesting dealer's performance with other dealers.

Amend the bill by replacing section 12 with the following:

12 Warranty Obligations. Amend RSA 357-C:5, II(a) and (b)(1) to read as follows:

(a) The franchisor shall specify in writing to each of its new motor vehicle dealers ~~licensed~~ in this state, dealers' obligations for warranty service on its products, shall compensate the new motor vehicle dealer for warranty service required of the dealer by the manufacturer, and shall provide the dealer the schedule of compensation to be paid such dealer for parts, work and service in connection with warranty services, and the time allowance for the performance of such work and service. ***Warranty service on trucks and equipment, except for those sold by a single line equipment dealer, shall include the cost, including labor, to transport a motor vehicle under warranty in order to perform the warranty work and to return the motor vehicle to the customer, or, if transporting the trucks and equipment to the dealership is not mechanically or financially feasible, to travel to and return from the locations of the motor vehicle if the warranty repairs are performed at the location of the motor vehicle; provided that reimbursement for travel time shall not exceed 4 hours.***

(b)(1) In no event shall a schedule of compensation for parts, work, and service in connection with warranty services fail to include reasonable compensation for diagnostic work, as well as ***parts***, repair service and labor ***under the warranty or maintenance plan, extended warranty, certified preowned warranty or a service contract, issued by the manufacturer or distributor or its common entity.*** Time allowances for the diagnosis and performance of warranty work and service shall be reasonable and adequate for the work to be performed. In no event shall any manufacturer, component manufacturer, or distributor pay its dealers an amount of money for warranty work that is less than that charged by the dealer to the retail customers of the dealer for non-warranty work of like kind. ***In accordance with RSA 382-A:2-329, the manufacturer shall reimburse the franchisee for any parts so provided at the retail rate customarily charged by that franchisee for the same parts when not provided in satisfaction of a warranty and computed under this subparagraph.*** No claim which has been approved and paid by the manufacturer or distributor may be charged back to the dealer unless it can be shown that the claim was false or fraudulent, that the repairs were not properly

made or were unnecessary to correct the defective condition, or that the dealer failed to reasonably substantiate that the claim was in accordance with the written requirements of the manufacturer or distributor in effect at the time the claim arose. *A manufacturer or distributor shall not deny a claim solely based on a dealer's incidental failure to comply with a specific claim processing requirement, or a clerical error, or other administrative technicality.*

*(A) The obligations imposed on motor vehicle franchisors by this section shall apply to any parent, subsidiary, affiliate, or agent of the motor vehicle franchisor if a warranty or service or repair plan is issued by that person instead of or in addition to one issued by the motor vehicle franchisor.*

*(B)(i) In determining the rate and price customarily charged by the motor vehicle dealer to the public for parts, the compensation may be an agreed percentage markup over the dealer's cost under a writing separate and distinct from the franchise agreement signed after the dealer's request, but if an agreement is not reached within 30 days after a dealer's written request to be compensated under this section, compensation for parts shall be calculated by utilizing the method described in this paragraph.*

*(ii) If the dealer and the manufacturer are unable to agree to a percentage markup as provided by subparagraph (i), the retail rate customarily charged by the dealer for parts that the manufacturer is obligated to pay pursuant to RSA 382-A:2-329, shall be established by the dealer submitting to the manufacturer or distributor 100 sequential nonwarranty or customer-paid service repair orders or 90 consecutive days of nonwarranty, customer-paid service repair orders, whichever is less, each of which includes parts that would normally be used in warranty repairs and covered by the manufacturer's warranty, covering repairs made not more than 180 days before the submission and declaring the average percentage markup. The retail rate so declared must be reasonable as compared to other same line-make dealers of similar size in the immediate geographic vicinity of the dealer or, if none exist, immediately outside the dealer's geographic relevant market area within this state. The declared retail rate shall go into effect 30 days following the date on which the dealer submitted to the manufacturer or distributor the required number of nonwarranty or customer-paid service repair orders (hereafter referred to as the "submission date") subject to audit of the submitted nonwarranty or customer-paid service repair orders by the manufacturer or distributor and a rebuttal of the declared retail rate. If the manufacturer or distributor wishes to rebut the declared retail rate they must so inform the dealer not later than 30 days after the submission date and propose an adjustment of the average percentage markup based on the rebuttal not later than 60 days after the submission date. If the dealer does not agree with the proposed average percentage markup, the dealer may file a protest at the motor vehicle industry board not later than 90 days after the submission date. In the event a protest is filed, the manufacturer has the burden of proof to establish that the dealer's submission is unreasonable as compared to other same line-make dealers of similar size in the immediate geographic vicinity of the dealer or, if none exist, immediately outside the dealer's geographic relevant market area within this state. In the event a dealer prevails in a protest filed under this provision, the dealer's increased parts and/or labor reimbursement shall be provided retroactive to the date the submission would have been effective pursuant to the terms of this section but for the manufacturer's denial.*

*(iii) In calculating the retail rate customarily charged by the dealer for parts, the following work shall not be included in the calculation: routine maintenance not covered under any retail customer warranty, such as fluids, filters and belts not provided in the course of repairs; items that do not have an individual part number such as some nuts, bolts, fasteners and similar items; tires; vehicle reconditioning; parts covered by subparagraph (v); repairs for manufacturer special events and manufacturer discounted service campaigns; parts sold at wholesale or parts used in repairs of government agencies' repairs for which volume discounts have been negotiated by the manufacturer; promotional discounts on behalf of the manufacturer, internal billings, regardless of whether the billing is on an in-stock vehicle; and goodwill or policy adjustments.*

*(iv) A manufacturer or distributor shall not require a dealer to establish the retail rate customarily charged by the dealer for parts and labor by an unduly burdensome or time-consuming method or by requiring information that is unduly burdensome or time consuming to provide including, but not limited to, part-by-part or transaction-by-transaction calculations. A dealer shall not declare an average percentage markup or average labor rate more than once in a calendar year. A manufacturer or distributor may perform annual audits to verify that a*

*dealer's effective rates have not decreased and if it has may reduce the warranty reimbursement rate prospectively. Such audits shall not be performed more than once per calendar year at any dealer. The audit performed by the manufacturer shall be in accordance with the method to calculate the retail rate customarily charged by the dealer for parts as set out in subparagraph (ii) above and subject to the limitations in subparagraph (iii). If the dealer does not agree with the proposed average percentage markup, the dealer may file a protest at the motor vehicle industry board not later than 90 days after the manufacturer states the intended new retail rate as the result of the manufacturer's audit. In the event a protest is filed, the manufacturer has the burden of proof to establish that the proposed retail rate was calculated accurately and in accordance with this subparagraph. The proposed retail rate shall not be effective until the motor vehicle industry board issues a final order approving the proposed rate. If as the result of the audit performed in accordance with subparagraph (ii) the calculation shows that the dealer's average percentage markup is greater than the average percentage markup currently being used for the dealer's retail rate reimbursement, the dealer's average percentage markup shall be increased to the extent of the result of the audit. Any rate that is adjusted as a result of an audit performed in accordance with this subsection shall not be adjusted again until a period of 6 months from the effective date of the change has lapsed.*

*(v) If a motor vehicle franchisor or component manufacturer supplies a part or parts for use in a repair rendered under a warranty other than by sale of that part or parts to the motor vehicle franchisee, the motor vehicle franchisee shall be entitled to compensation equivalent to the motor vehicle franchisee's average percentage markup on the part or parts, as if the part or parts had been sold to the motor vehicle franchisee by the motor vehicle franchisor.*

*(1) The requirements of this subparagraph shall not apply to entire engine assemblies, entire transmission assemblies, in-floor heating systems, and rear-drive axles ("assemblies"). In the case of assemblies, the motor vehicle franchisor shall reimburse the motor vehicle franchisee in the amount of 30 percent of what the motor vehicle franchisee would have paid the motor vehicle franchisor for the assembly if the assembly had not been supplied by the franchisor other than by the sale of that assembly to the motor vehicle franchisee.*

*(2) The requirements of this subparagraph shall not apply to household appliances, furnishings, and generators of a motor home ("household items"). In the case of household items valued under \$600, the motor vehicle franchisor shall reimburse the motor vehicle franchisee in the amount of 30 percent of what the motor vehicle franchisee would have paid the motor vehicle franchisor for the household item if the household item had not been supplied by the franchisor other than by the sale of that assembly to the motor vehicle franchisee. For household items in excess of \$600, the markup would be capped as if the part were \$600. The motor vehicle franchisor shall also reimburse the franchisee for any freight costs incurred to return the removed parts.*

*(vi) A manufacturer or distributor may not otherwise recover its costs for reimbursing a franchisee for parts and labor pursuant to this section.*

Amend the bill by replacing section 13 with the following:

13 Warranty Obligations. Amend RSA 357-C:5, II(d)(2) and (3) to read as follows:

(2) A manufacturer, distributor, branch, or division shall retain the right to audit warranty claims for a period of [~~one year~~] **9 months** after the date on which the claim is paid and charge back any amounts paid on claims that are false or unsubstantiated.

(3) A manufacturer, distributor, branch, or division shall retain the right to audit all incentive and reimbursement programs for a period of [~~one year~~] **9 months** after the date on which the claim is paid or [~~one year~~] **9 months** from the end of a program that does not exceed one year, whichever is later, and charge back any amounts paid on claims that are false or unsubstantiated.

Majority committee amendment adopted.

Rep. Mulholland offered floor amendment (1553h).

### **Floor Amendment (1553h)**

Amend the bill by replacing sections 1 and 2 with the following:

1 Section Heading and Definition of Motor Vehicle. Amend the section heading and RSA 357-C:1, I to read as follows:

357-C:1 Definitions. [~~As used in this chapter~~] **For the purpose of this chapter only:**

I. "Motor vehicle" means every self-propelled vehicle manufactured and designed primarily for use and operation on the public highways and required to be registered and titled under the laws of

New Hampshire[~~not including farm tractors and other machines and tools used in the production, harvesting, and care of farm products~~]. Except for RSA 357-C:3, I-b, and where otherwise specifically exempted from the provisions of this chapter, “motor vehicle” shall include off highway recreational vehicles and snowmobiles.

2 Definition of Motor Vehicle Dealer. Amend RSA 357-C:1, VIII to read as follows:

VIII.(a) “Motor vehicle dealer” means any person engaged in the business of selling, offering to sell, soliciting or advertising the sale of new or used motor vehicles or possessing motor vehicles for the purpose of resale either on his own account or on behalf of another, either as his primary business or incidental thereto. ***Motor vehicle dealer also means a person granted the right to service motor vehicles or component parts manufactured or distributed by the manufacturer but does not include any person who has an agreement with a manufacturer or distributor to perform service only on fleet, government, or rental vehicles.*** However, “motor vehicle dealer” shall not include:

(1) Receivers, trustees, administrators, executors, guardians, or other persons appointed by or acting under judgment, decree or order of any court; or

(2) Public officers while performing their duties as such officers.

(b) “New motor vehicle dealer” means a motor vehicle dealer who holds a valid sales and service agreement, franchise or contract granted by the manufacturer or distributor for the sale, ***service, or both,*** of its new motor vehicles.

Amend the bill by replacing section 16 with the following:

16 Limitation on Cancellations, Terminations and Nonrenewals. Amend RSA 357-C:7, VI(b) to read as follows:

(b) The dealer cost of each new, unused, undamaged, and unsold part or accessory if such part or accessory is in the current parts catalog, was purchased from the manufacturer or distributor or from a subsidiary or affiliated company or authorized vendor, and is still in the original, resalable merchandising package and in unbroken lots, except that in the case of sheet metal, a comparable substitute for the original package may be used. ***Any part or accessory that is available to be purchased from the manufacturer on the date the notice of termination issued shall be considered to be included in the current parts catalog.***

Amend the bill by replacing all after section 17 with the following:

18 Study Committee Established. There is established a committee to study the potential consequences of repealing RSA 347-A.

I. The members of the committee shall be as follows:

(a) Four members of the house of representatives, appointed by the speaker of the house of representatives, 2 of whom shall be from the commerce and consumer affairs committee, one of whom shall be from the environment and agriculture committee, one of whom shall be from the judiciary committee.

(b) Three members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The committee shall consider the effect of repealing RSA 347-A, relative to the regulation of equipment dealerships, and identify potential costs and benefits associated with combining the regulation of motor vehicles and equipment under RSA 357-C. The committee shall consider, as an alternative to the repeal, any appropriate changes to RSA 347-A.

IV. The committee shall solicit input from:

(a) The Association of Equipment Manufacturers.

(b) The North American Equipment Dealers Association.

(c) The New Hampshire Automobile Dealers Association.

V. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 30 days of the effective date of this section. Five members of the committee shall constitute a quorum.

VI. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2013.

19 Effective Date.

I. Section 18 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect 90 days after its passage.

Rep. Mulholland spoke in favor.

Rep. Jones spoke against and yielded to questions.

Rep. Stephen Schmidt requested a roll call; not sufficiently seconded.

On a division vote, 47 members having voted in the affirmative and 319 in the negative, floor amendment (1553h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.  
Reps. Itse and Mulholland spoke against.

Reps. Tucker, Sandblade and Schlachman spoke in favor.

Rep. Butler requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

Rep. Burns declared a conflict of interest and did not participate.

**SB 89**, relative to the definition of lead fishing sinkers and jigs and the penalties for prohibited sales of lead fishing sinkers and jigs. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. David H. Kidder for the Majority of Fish and Game and Marine Resources: This bill closes a gap in current lead fishing tackle law by making the standard for lead jigs the same as it is for lead sinkers, in effort to reduce adult loon mortality. We heard six hours of testimony from experts saying that lead does kill loons and that lead fishing sinkers and jigs one ounce in weight and under are still the largest known cause of adult loon mortality. As amended, the bill has a three year phase-in to minimize impact on anglers and tackle retailers by providing them time to switch to non-lead tackle. This bill is a reasonable measure to protect an important part of our state's natural beauty and tourism economy. Vote 9-6.

Rep. Elisabeth N. Sanders for the Minority of Fish and Game and Marine Resources: While the minority acknowledges that lead is toxic, we believe this bill is premature and not warranted at this time. The committee issued an Interim Study report on 10/31/12 stating that, after much discussion, new legislation was NOT recommended in 2013 so a Fish and Game Steering Committee could review all the evidence. Despite last year's interim study report, SB 89 was introduced on January

3, 2013. Adult loon deaths by lead vary from year to year, with an average of 5.3 per year; no one wants to see loons die, but we are not convinced that this bill will reduce that number. A ban on lead sinkers and jigs has been in effect in NH since 2000. The current NH law is the most restrictive of any state. This bill would make NH law even more restrictive and presents significant concerns regarding the impact on our economy and on recreational activities. There are numerous unanswered questions, including the issue of enforcement both in the use and sale of banned lead tackle, and the substantial, additional taxpayer costs associated with this enforcement. The minority, with the support of our fish and game department, would prefer to defeat this bill and see the existing steering committee continue to engage all stakeholders to work together during 2013 to ensure that everyone can enjoy the wildlife resources in our state with effective legislation through a consensus.

### **Majority Amendment (1489h)**

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect June 1, 2016.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. James Webb offered floor amendment (1503h).

### **Floor Amendment (1503h)**

Amend the bill by replacing section 3 with the following:

3 Effective Date.

I. Section 2 of this act shall take effect June 1, 2019.

II. The remainder of this act shall take effect June 1, 2016.

Rep. James Webb spoke in favor.

### **(Rep. Kaen in the Chair)**

Rep. Ketel spoke against.

On a division vote, 117 members having voted in the affirmative and 222 in the negative, floor amendment (1503h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Reps. Burt and Sanders spoke against.

### **(Speaker Norelli in the Chair)**

Reps. Kidder and Manley spoke in favor.

### **(Rep. Kaen in the Chair)**

### **MOTION TO LAY ON THE TABLE**

Rep. Baldasaro moved that **SB 89**, relative to the definition of lead fishing sinkers and jigs and the penalties for prohibited sales of lead fishing sinkers and jigs, be laid on the table.

Rep. Andrew White requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

**SB 122-FN**, establishing a commercial shrimp license. **OUGHT TO PASS.**

Rep. Stephen M. Ketel for Fish and Game and Marine Resources: New Hampshire, Maine, and Massachusetts, the three states in the Northern Shrimp Section of the Atlantic States Marine Fisheries Commission, are cooperating to manage the Northern Shrimp fishery. The Northern Shrimp fishery is vulnerable and New Hampshire's stake in the fishery is threatened by a large increase in the number of boats coming out of Maine. The commission's management plan involves limiting the number of additional boats beyond historical numbers that harvest northern shrimp. A shrimp license is needed for this plan to work and New Hampshire is the only state that lacks a license specifically for shrimp. Without this bill, New Hampshire's stake in the fishery is likely to decrease significantly. The committee heard testimony that industry is in support of the bill. Vote 12-1.

Rep. Carol McGuire requested a roll call; sufficiently seconded.

### RECESS

The House reconvened at 2:15 p.m.

**(Speaker Norelli in the Chair)**

### REGULAR CALENDAR (CONT'D)

**SB 152-FN-A-L**, relative to video lottery and table gaming. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Mary Jane Wallner for the Majority of the Joint Committee of Finance and Ways and Means: SB 152 proposes to license one "high end, highly regulated" casino for a one-time \$80 million licensing fee and future tax rate of 30% on up to 5,000 slot machines and a 14% tax rate on up to 150 table games. In exchange for being able to award a license and receive the fee in the next budget cycle, the bill short circuits the regulatory process that would ensure a casino would indeed be "highly regulated" and able to serve the best interests of the people of New Hampshire. In addition, despite the claims of supporters that we need gambling revenues to fund essential safety net services, SB 152 does exactly the opposite, creating restricted revenue streams rather than putting the money in the general fund where it can be spent on the important state programs our constituents care most about. Finally, this bill asks us to balance new jobs with an increase in social problems and costs in ways that are not well-quantified. The majority believes the bill does not create a meaningful regulatory structure or process necessary for effective checks and balances. The regulatory provision contains numerous significant weaknesses and deficiencies that could not be fully understood or addressed during a month-long subcommittee process. The bill vests the Lottery Commission, a three-person, part time board, with the primary responsibility to provide oversight and adopt regulations and enforce regulations. At the same time, it does not give the Attorney General enough regulatory oversight to ensure the public interest is adequately protected. In order to get the \$80 million fee in the next biennium, it creates an arbitrary and unreasonable timeline, commencing the licensing process before the Lottery Commission has enough time to write rules and adopt them through the JLCAR process. The timing is not long enough to allow for a reasonable expectation of accepting multiple applications to operate a casino, again short-circuiting the robust and competitive process

that would increase the probability we would get the best casino deal. Finally, the bill ignores the recommendations of the Gambling Commission issued in 2010, which stated emphatically that a strong regulatory infrastructure must be in place before the licensing process can begin. SB 152 puts the cart before the horse, thus failing to protect our interests in the way we should expect. The majority is also concerned about the bill's revenue provisions. If the purpose of casino gambling is to create a robust, sustainable revenue stream into the future, SB 152 probably does not achieve that goal since it appears to sacrifice long term revenue for a one-time payment. Specifically, a lower licensing fee combined with higher tax rates would likely maximize revenue for the state. Other states have used a bidding process to find the highest rate and employed consultants to help create a financial structure. SB 152 does neither. In addition, the minimum required investment is not high enough to generate the highest revenues we could reasonably expect. SB 152 grants a "forever" license for a low renewal fee due every 10 years. A more prudent approach would be to increase the length of the license and then require a higher fee through a competitive re-licensing process. The bill also misses an opportunity to share some of the profits if the casino's ownership changes hands, allowing all potential profit to be tax-free. The majority is also disturbed by the bill's failure to make future revenues available in the operating budget, instead creating only restricted revenues. The funds are dedicated to support highway debt (a proposal that the State Treasurer says is not feasible), an ill-conceived North Country Economic Development Fund with absolutely no oversight or accountability, the university system, millions to the local communities and, finally, a dedicated funding stream to treat gambling addiction that is either too high or too low but certainly not based on any facts. Part of the argument for a casino is that it would be just one. We should remember the potato chip example; no state has stayed with just one casino. Proliferation is not just certain; it is actually contemplated in the bill through the creation of a study commission with members without specific qualification but with a charge to evaluate whether "additional licenses should be issued for gaming locations." The lure of jobs is a key selling point for supporters, but there is no guarantee that these jobs would go to NH residents, especially with a location on the southern border, and a neighboring state with a more densely concentrated population and a higher unemployment rate. The majority is concerned about the cannibalization of existing local businesses. The total amount of entertainment spending is finite, and, unlike with local businesses, the majority of business profits of this new venture will be sent out of state and out of our economy. Finally, the number of NH residents with gambling addiction will rise, and with it the cost to government and families. For all these reasons, the majority of the committee believes that, while no bill is perfect, SB 152 is not good enough. There are still too many unknowns. The state made a short-sighted decision when it did not spend money appropriated in the last budget to hire experienced consulting assistance that could have answered many of the questions. This bill does not have the regulatory infrastructure to ensure protection of the public interest, it does not maximize revenues or put them in the right place, and it affects New Hampshire's brand and quality of life in ways that are impossible to measure and, therefore, impossible to adequately protect. Vote 23-22.

Rep. Peter Leishman for the Minority of the Joint Committee of Finance and Ways and Means: SB 152 will strengthen New Hampshire's (NH's) economy, generate millions of dollars in new revenue, reduce the outflow of NH dollars to other states, and create thousands of NH jobs by authorizing the licensing of one highly regulated, high-end destination casino through a competitive bidding process. A recent poll shows that 63% of our citizens support expanded gambling. They prefer job creation and a voluntary tax on those who choose to gamble over any other alternative revenue source. If the ITL is overturned, an amendment crafted by the minority that will significantly strengthen the bill will be offered. Changes will ensure that appropriate regulations are in place when needed, the application process is fair to all prospective bidders, stringent background checks are completed, close oversight and enforcement is provided to deter criminal activity, and any undue influence is prevented. Additional changes will also encourage the hiring of NH residents, enhance protections for charitable gaming and existing entertainment venues, and encourage energy efficient construction and the provision of child care. If SB 152 as Amended does not pass, NH will not receive \$130 million per year in gaming revenue, existing NH revenue will decline by \$24 M per year due to reduced room and meals tax and lottery sales, our citizens will spend their gaming dollars in Massachusetts rather than NH, some of them will return home to NH suffering negative social consequences, and our charities will suffer a major decline in contributions. With Massachusetts aggressively moving forward with expanded gambling, if New Hampshire does not develop a plan, the New Hampshire Center for Public Policy Studies concluded that the state will lose \$75 million a year to Massachusetts

in rooms & meals, lottery and social costs. The legislation as amended will provide new monies for the General Fund and support basic safety net and other critical services such as school building aid, higher education, uncompensated hospital care, and economic development assistance to the North Country. If an amended casino bill is not passed, the House will have little or no leverage to support the House Budget position when the committee of conference process moves forward with its priorities for major (i.e., \$140 M to \$300 M) cuts in the House Budget. The minority urges you to give New Hampshire the chance to move forward now, before the opportunity to maximize revenue while reducing unfunded social costs is lost.

The question being adoption of the majority committee report of Inexpedient to Legislate.  
 Reps. Spratt, St. James, Huot, Butler, Azarian, Levesque and Campbell spoke against.  
 Reps. Sapareto and James Webb spoke against and yielded to questions.  
 Reps. Gary Richardson, Rideout, Backus, Groen, Marjorie Smith and Hess spoke in favor.  
 Reps. Lovejoy, Vaillancourt and Hoell spoke in favor and yielded to questions.  
 Rep. Schamberg requested a roll call; sufficiently seconded.

### MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Gary Richardson moved that the House reconsider its action whereby, on a roll call vote of 199-164, the House adopted the majority committee report of Inexpedient to Legislate on ***SB 152-FN-A-L***, relative to video lottery and table gaming.

Rep. Gary Richardson spoke against.

Rep. Long spoke in favor.

Rep. Wallner requested a roll call; sufficiently seconded.

### SPECIAL ORDERED

Without objection, the Speaker ordered the continuation of the Calendar dated May 22, 2013 to next week, May 29, 2013.

### RESOLUTION

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, May 29, 2013 at 1:00 p.m.  
Adopted.

### LATE SESSION

#### Third reading and final passage

**HR 10**, honoring the 100th Anniversary of the NH Presidential Primary and the Honorable Stephen A. Bullock.

**SB 18**, conferring degree-granting authority to the American University of Madaba.

**SB 133-FN**, adopting the interstate wildlife violators compact.

**SB 17**, establishing a commission to study palliative care and associated quality of life initiatives.

**SB 87**, relative to the patients' bill of rights.

**SB 138-FN**, relative to support for certain residents of nursing and assisted living facilities.

**SB 185**, establishing a commission on housing policy and regulation.

**SB 160-FN-A**, relative to turnpikes and electronic toll collection.

**SB 13**, relative to hearings in the department of safety.

**SB 21**, making technical corrections to the International Registration Plan.

**SB 22**, exempting small trailers from inspection requirements; allowing qualified dealers to inspect trailers; and deleting a reference to highway enforcement officers.

**SB 85**, relative to commercial motor vehicle operation.

**SB 159**, exempting drivers of eligible agricultural and farm vehicles from certain federal motor carrier regulations.

**SB 126-FN**, relative to business practices between motor vehicle manufacturers, distributors, and dealers.

**SB 89**, relative to the definition of lead fishing sinkers and jigs and the penalties for prohibited sales of lead fishing sinkers and jigs.

**SB 122-FN**, establishing a commercial shrimp license.

**PERSONAL PRIVILEGE**

Reps. Warden, Hoell, Sapareto and Lambert addressed the House.

**UNANIMOUS CONSENT**

Reps. Graham, Frederick Rice, Pelletier and Spratt addressed the House.

**MOMENT OF SILENCE**

A moment of silence was observed in honor and in memory of former Speaker of the House, the Honorable Harold Burns.

**MOTION TO PRINT REMARKS**

Rep. Shurtleff moved that the remarks made by Rep. Graham be printed in the Permanent Journal. Adopted.

**REMARKS**

**Rep. Graham:** Thank you Madam Speaker. "That from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion, that we here highly resolve that these dead shall not have died in vain, and that government of the people, by the people, for the people, shall not perish from the earth." My colleagues, it has been almost 150 years since Abraham Lincoln, whose portrait fittingly looks out on us in this chamber, uttered those words. They are no less true today than then – we are routinely reminded that our ability to meet in this chamber is only due to the sacrifices of those who are wearing or who have worn the uniform of our nation. While Lincoln was reflecting on Gettysburg, and the thousands who perished there, I am sure that he was also thinking of other fields such as Antietam, Bull Run or Shiloh. For us the list is even longer, running the length and breadth of our nation and around the world: from Boston to Pearl Harbor; from Valley Forge to the frozen Chosin - with stops in places like Belleau Woods, Kasserine Pass, Bastogne, Iwo Jima, Pusan, Ia Drang , Khe San, Kuwait and others too numerous to mention. And more recently we have had to learn a whole new lexicon of place names, many of which sound as if they are pulled from the pages of a Kipling story: Ar Ramadi, Samarra City, Kandahar, and Kanabad. But each of these places that we can name has one thing in common and that is that our own NH citizens were there. And in too many cases they have given that last full measure of devotion in those far away fields and mountains. Over the past decade I have stood here and asked you to join with me in paying our final respects to almost 50 young men from our state that have died in the combat theaters. They have come from all areas of our great state – from Nashua to Berlin, from Dover to Newport. It is up to us the living to recall them and the legacy they have left us that this 'government of the people' shall continue. So, on Memorial Day recall them, and the sacrifices of all our citizen soldiers from the founding of our state to the present moment. And finally I would ask that you remember another man who spent his formative years here in the Granite State. SFC Ryan James Sevard, US Army, formerly of Jefferson NH, who was killed in Kandabad District, Afghanistan last October. Madam Speaker, I request a moment of silent remembrance for SFC Sevard and all of our service men and women who have perished in the defense of our nation.

**MOMENT OF SILENCE**

A moment of silence was observed in honor and in memory of SFC James Sevard and all of our service men and women who have perished in the defense of our nation.

**MOTION TO PRINT REMARKS**

Rep. Gary Richardson moved that the remarks made by Rep. Frederick Rice be printed in the Permanent Journal. Adopted.

**REMARKS**

**Rep. Frederick Rice joined by the Derry Delegation:** Thank you, Madam Speaker. I would like to ask the delegation from Derry to come up and join me, please. New Hampshire has lost one of its own. Over the last few days, we got the message from Fort Bragg, North Carolina, that First Lieutenant Paul DeMeo of Derry passed away. He did not die in combat. He died after collapsing after a training run at Fort Bragg. I had the pleasure of meeting Paul DeMeo in my capacity as the head of West Point admissions for the State of New Hampshire, a position I held for about 15 years

and met hundreds of young men and women that applied for the Academy. Paul was one of the very, very best because he made it, for one thing. But, he was also a student at Pinkerton Academy and he was the Commander of the Junior ROTC program there, the Cadet Commander, something that goes to only one cadet at a time there. He went from there to the United States Military Academy at West Point and he graduated in 2011. Since then, less than two years, he's done an awful lot. He went to Ranger School. He went to Jump School. He received the Army commendation medal in his first assignment. He went to his Infantry basic course and all that and he was assigned as a platoon leader in B Battery of the 505<sup>th</sup> Parachute Infantry regiment in the 82<sup>nd</sup> Airborne Division of Fort Bragg. I feel a very strong link to him in that regard as well because I once served in the 82<sup>nd</sup> Airborne and the bond between brothers in that organization is seldom parallel to anywhere. This young man did a great job at West Point. He did such a good job that his twin brothers decided to follow in his footsteps. One of them did it the right way. His brother, Nathen, went to West Point and the other one got a little bit diverted. His brother, Pascal, went to Annapolis. They're twins and what should be the happiest moment in the lives of their parents, Paul and Lucien, will be their graduation this weekend. Paul was going to come up from Fort Bragg and pin the 2<sup>nd</sup> Lieutenant bars on his brother Nathan at his West Point graduation this weekend, but instead it is going to be a very sad time for them. His parents do have the knowledge and the comfort that this was one hell of a young man. He did a great job. He served his country well and with distinction. Not many 2<sup>nd</sup> Lieutenants get an Army Commendation Medal within their first year of service so he must have been doing something awfully, awfully, good. They can rest with that realization that he did do a good job. He represented his country, his state in an outstanding manner. His wake will be held next Tuesday in Derry from 4:00 to 8:00 p.m. His funeral will be held the following day on Wednesday and he will be laid to rest in Boscawen at the Veterans cemetery. I urge you to look up, if you are anywhere near that area, I urge you to look that up and pay your respects to this fine, young man. He is not the first that has died in this manner. A cadet at West Point, back in 2006, collapsed during a training run and I've been assured by the Commander of the American Legion Post 35 in Hampton that is the location of the only monument in the state which has all the names of all the New Hampshire residents who have died in the War on Terror. I've been given his assurance that he's bringing before their committee, their selection committee, an approval committee, the name of Paul DeMeo to be placed on that monument this September 11. There will be a total of 4 names that will go on there. Paul's will be one of them, I'm sure. So I would like to ask all of you to join me in a moment of silence for Paul DeMeo. One final word. The last lines of the West Point's Alma Mater are always recited when a West Point graduate dies. It says, "May it be said, Well done, be thou at Peace." Well done, Paul DeMeo, be thou at peace.

### **MOMENT OF SILENCE**

A moment of silence was observed in honor and in memory of First Lieutenant Paul DeMeo of Derry.

### **RECESS MOTION**

Rep. Shurtleff moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming Committees of Conference.

Adopted.

The House recessed at 5:25 p.m.

### **RECESS**

**(Rep. Gary Richardson in the Chair)**

### **ENROLLED BILLS REPORT**

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill numbered 232 and Senate Bills numbered 18 and 175.

Rep. Shurtleff, Sen. Prescott for the Committee

### **SENATE MESSAGES**

### **CONCURRENCE**

**HB 185-FN**, relative to the fuel oil discharge cleanup fund.

**HB 187**, relative to cost items in negotiated agreements.

**HB 254-FN-A**, abolishing certain positions in the liquor commission.

**HB 262**, establishing a committee to study the construction of a permanent memorial to Governor John Gilbert Winant on state property other than the state house grounds.

**HB 304-FN**, relative to OHRV registration transfer fees, removing the penalty of completion of a training program for certain OHRV and snowmobile violations, and deleting OHRV and snowmobile vanity plates or decals.

**HB 352**, relative to sending checklists to the state archives.

**HB 400**, relative to funding agreements issued by life insurance companies.

**HB 401**, relative to property and casualty insurers under the risk-based capital law.

**HB 411-FN-A**, repealing a future reduction in vessel registration fees.

**HB 433**, relative to procedures for juvenile delinquency petitions filed by a school district or school official.

**HB 453**, repealing the prospective repeal of the information and analysis center.

**HB 507-FN**, relative to the maximum permit application fee for certain municipal dredging projects.

**HB 511-FN**, relative to insurance holding companies.

**HB 554**, allowing parents to agree on college contributions.

**HB 581-FN-L**, relative to recovering moneys from a neighboring state for mitigation of flooding.

**HB 636**, relative to the waitlist for community mental health services.

**HB 655-FN**, relative to the collection of the amount of the property tax deferral for the elderly or disabled upon sale of the property.

### NONCONCURRENCE

**HB 189**, extending the commission to study water infrastructure sustainability funding.

**HB 259-FN**, relative to special licenses for taking lobster while engaged in recreational scuba diving.

**HB 325-FN**, relative to public employee suggestions for cost-saving measures.

**HB 363**, establishing a committee to study the form of the oath taken by members of the general court.

**HB 364**, relative to notice required concerning employment of a retired member of the New Hampshire retirement system of the limitations on part-time employment.

**HB 390**, allowing companion dogs in the outdoor areas of restaurants.

**HB 399-FN**, establishing the New Hampshire liberty act.

**HB 501-FN**, instituting a state minimum hourly rate.

**HB 508**, relative to idling by diesel locomotives.

**HB 659-FN-A**, increasing the tobacco tax.

### RE-REFERRED TO COMMITTEE

**HB 186**, relative to the authority of the department of state.

**HB 200**, relative to an employer's burden of proof in unemployment compensation hearings.

**HB 234**, relative to occupational and professional boards and commissions procedures concerning military service and occupational experience or training.

**HB 489-FN**, relative to the New Hampshire medical malpractice joint underwriting association.

**HB 583**, relative to proceedings of medical injury claims screening panels.

### INDEFINITELY POSTPONED

**HB 617-FN-A-L**, increasing the rate of the road toll, establishing the New Hampshire state and municipal road and bridge account, and establishing the commission to study revenue alternatives to the road toll.

### RECESS

(Rep. Chandley in the Chair)

### ENROLLED BILL AMENDMENTS

**HB 334-FN**, requiring pharmacy interns to register with the pharmacy board.

#### Amendment (1629-EBA)

Amend RSA 318:5-a, XI-a as inserted by section 2 of the bill by replacing line 9 with the following:

XI-b. The establishment of fees for registration of pharmacy interns, including fees for Adopted.

**HB 367**, relative to the municipal bond bank reserve process.

**Amendment (1729-EBA)**

Amend RSA 35-A:29 as inserted by section 2 of the bill by replacing lines 29-36 with the following:

*I. Applied to the payment of the costs of preparing, issuing, and marketing any such issue of bonds or notes;*

*II. Applied to the cost of the project or projects for which such bonds or notes were issued, resulting in a like reduction of the amount of bonds or notes issued to finance such project or projects;*

*III. Deposited in the general fund of the governmental unit and available to be appropriated for any lawful purpose of such governmental unit; or*

*IV. Applied in any combination of the foregoing.*

Adopted.

**HB 556**, establishing a committee to study the resolution of barriers to the use of telehealth technology in New Hampshire.

**Amendment (1681-EBA)**

Amend section 3 of the bill by replacing it with the following:

3 Duties. The committee shall study the resolution of barriers, including identifying and attempting to resolve such barriers, to the use of telehealth technology in New Hampshire. The committee's study shall include, but not be limited to:

I. Patients' lack of high speed Internet service necessary for videoconferencing.

II. Cumbersome licensing regulations for health care professionals.

III. Inconsistent reimbursement policies.

IV. Any other matter the committee deems relevant to its study.

Adopted.

**RECESS**

**(Speaker Norelli in the Chair)**

Rep. Kaen moved that the House adjourn.

Adopted.

## HOUSE JOURNAL No. 18

Wednesday, May 29, 2013

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by the member from Salem, Representative Robert Elliott.

Almighty God, from whom we come and to whom we all shall one day return. We thank Thee for another 24 hours of life. Teach us to use this day wisely and well. Teach us to know that when we disagree with one another, it is only because each one of us is honorable, motivated only by the desire to be of service to our fellow man. Teach us patience as we struggle with difficult issues. Teach us always to respect one another and teach us always to be grateful for all that we have, our homes and loved ones; our loyal friends and constituents; our beautiful majestic state and our glorious, beloved country. Amen.

Representative Andrew Schmidt, member from Grantham, led the Pledge of Allegiance.

The National Anthem was sung by the member from Dover, Representative Peter Schmidt.

### LEAVES OF ABSENCE

Reps. Arsenault, Backus, Ronald Belanger, Boisvert, Cote, Friel, Hayes, Khan, Kopka, McCarthy, McKinney, Miller, Parsons, Amy Perkins and Young, the day, illness.

Reps. Ahlgren, Baldasaro, Rebecca Brown, Burridge, Chandler, Chirichiello, Culbert, Danais, Danielson, Dobson, Marilinda Garcia, Gargasz, Greemore, Harriott-Gathright, Jane Hunt, Lefebvre, Leishman, Lerandeau, Ley, Lundgren, Luther, Menear, Oligny, Pastor, Frederick Rice, Marjorie Smith, Soucy, Spainhower, Spratt, Tamburello, Kenneth Ward and Watrous, the day, important business.

Reps. Emerson-Brown and Lawrence Perkins, the day, illness in the family.

### INTRODUCTION OF GUESTS

Kristianna, Leilani and Sarah Fox, and their mother, Amber Fox McNeil, guests of Rep. Flanagan. Willard, John and Marcus McGraw, guests of Rep. Moffett. Students from the Maude H. Trefethen School in New Castle, guests of Reps. Borden and Sherman. Atinuke Cahill, wife of Rep. Cahill.

### SENATE MESSAGES

#### REQUESTS CONCURRENCE WITH AMENDMENTS

**HB 155**, relative to the use of open source software by state agencies; including the department of information technology in the uniform electronic transactions act; and repealing the information practices act. (Amendments printed SJ 4-18-13)

Rep. Weber moved that the House concur and spoke in favor.

Adopted.

**HB 506**, relative to certain time periods for adoption and amendment of town codes and ordinances. (Amendment printed SJ 5-23-13)

Rep. Porter moved that the House concur and spoke in favor.

Adopted.

**HB 353**, relative to the regulation of private investigators and security guards. (Amendment printed SJ 5-2-13)

Rep. Weber moved that the House nonconcur and request a Committee of Conference.

Adopted.

The Speaker appointed Reps. Weber, Carol McGuire, Peter Schmidt and Mary Nelson.

### REGULAR CALENDAR

#### CONTINUED FROM MAY 22, 2013

**SB 96**, relative to vexatious litigants. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. David Woodbury for the Majority of Judiciary: This bill, as amended, expands upon RSA 507:15 by defining a "vexatious litigant" as a person found by a judge as having filed three or more frivolous lawsuits with the purpose of harassment. The court may require a vexatious litigant to either retain an attorney or person of good character or to post a bond to cover all attorney fees and anticipated damages. Furthermore, this bill makes clear that the inherent power of courts to grant other appropriate relief, as they have in the past, is unimpeded. Vote 11-6.

Rep. Gary S. Hopper for the Minority of Judiciary: If this bill passes, a person who is found by the judge to have filed three or more frivolous law suits can be found to be vexatious and required to hire or find an attorney or person of good character to represent him or post cash or a bond before he may engage in further litigation. Although the intent of the bill is noble, in the opinion of the minority it runs afoul of the New Hampshire Constitution. Part I, Article 14 clearly says, "Every subject of this state is entitled to a certain remedy, by having recourse to the laws, for all injuries he may receive in his person, property, or character; to obtain right and justice freely, without being obliged to purchase it;" A person in New Hampshire can be denied his or her constitutional right but that is only after they have been tried and found guilty. The proper way to achieve these ends would be finding someone guilty through the trial process and then have them punished accordingly.

### Majority Amendment (1582h)

Amend the bill by replacing section 1 with the following:

1 New Sections; Frivolous Lawsuits; Vexatious Litigants; Powers of Court. Amend RSA 507 by inserting after section 15 the following new sections:

#### 507:15-a Vexatious Litigants.

I. In this section, "vexatious litigant" means an individual who has been found by a judge to have filed 3 or more frivolous lawsuits which the judge finds, by clear and convincing evidence, were initiated for the primary purpose of harassment.

II. The court may require a vexatious litigant to:

(a) Retain an attorney or other person of good character to represent him or her in all actions; or

(b) Post a cash or surety bond sufficient to cover all attorney fees and anticipated damages.

507:15-b Powers of Court. RSA 507:15 and RSA 507:15-a shall not be construed to diminish the inherent power of any court to grant appropriate relief not specified in those sections. Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Sylvia spoke against.

Rep. Woodbury spoke in favor and yielded to questions.

On a division vote, 198 members having voted in the affirmative and 130 in the negative, the majority committee report was adopted and ordered to third reading.

### **SB 100, authorizing electronic payment of payroll. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Douglas A. Ley for the Majority of Labor, Industrial and Rehabilitative Services: This bill authorizes employers to limit pay options to either direct deposit or issuance of digital payroll cards. It thereby reduces employee wage payment options, eliminating payment via a paper check. At present, nothing prevents employers from incentivizing payroll choice options and thereby encouraging employees to choose electronic methods over paper checks. Consequently, the majority prefer incentives and choice rather than mandate. Finally, there were repeated concerns expressed before the committee regarding hidden and excessive fees tied to payroll card usage and the vulnerability of less digitally savvy groups to incur such fees imposed by "brand" cards such as Visa or MasterCard. As for small employers, their cost savings would likely be minimized with a change over to payroll cards, as they will not be in as strong a position to negotiate lower costs with the companies issuing payroll cards. Therefore, on grounds of choice, incentive, and costs to employees, the majority support ITL. Vote 13-7.

Rep. Gary L. Daniels for the Minority of Labor, Industrial and Rehabilitative Services: This bill allows employers to pay via electronic payroll cards instead of issuing paper checks for cost saving purposes. In considering the benefits of this proposal, the committee did not dispute that there were only two things that could be done with a paper check - deposit it or cash it. The minority ensured that both of these options were available with a payroll card and recognized that any cost savings to the employer could potentially enhance the benefits to employees.

The question being adoption of the majority committee report of Inexpedient to Legislate.

Rep. Daniels spoke against and yielded to questions.

Rep. Timothy Smith spoke in favor.

Rep. Cahill spoke in favor and yielded to questions.

On a division vote, 235 members having voted in the affirmative and 93 in the negative, the majority committee report was adopted.

Rep. Mary Nelson declared a conflict of interest and did not participate.

**SB 143-FN**, relative to benefits for unemployed persons who are attempting to establish a business.

**MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Sally H. Kelly for the Majority of Labor, Industrial and Rehabilitative Services: This bill, the "Pathway to Work" promotes and encourages new business development in our state by enabling qualified unemployed workers to commit full time to developing their own small businesses while continuing to receive their earned unemployment benefits. No more than 2.5% of NH workers receiving regular unemployment compensation can qualify for "Pathway to Work" at one time. Those selected will work closely with NH Small Business Administration Development Center to create a viable business plan, receive business counseling, training, etc to help ensure a more successful outcome. After 5 years, 80% of SBDC counseled businesses are still in business; this contrasts with the 44% survival rate of non-assisted businesses. In addition, the "Pathway to Work" program must not result in any cost to the unemployment trust fund in excess of the cost that would be incurred if the state had not participated in the "Pathway to Work" program. There are currently 9 other states with similar job creation programs, to the one this legislation will provide. Vote 11-9.

Rep. Jack B. Flanagan for the Minority of Labor, Industrial and Rehabilitative Services: SB 143 is a bill that affects about 12 unemployed workers a year. It also allows them to continue to collect unemployment benefits even though they can make unlimited money while collecting unemployment. Additionally, a laid off worker could potentially compete with his previous employer with the state's help. SB 143 is redundant, in that all opportunities available in the bill are available to the employee already. SB 143 grows government even though services are already available at no cost.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Sally Kelly spoke in favor and yielded to questions.

Rep. Andrew White requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

**SB 153-FN**, relative to legislative approval of collective bargaining agreements entered into by the state. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.** Rep. Charles F. Weed for the Majority of Labor, Industrial and Rehabilitative Services: The majority of the committee believes that the general court currently has general oversight in monitoring cost items negotiated between the state and public employees through the budget process. Additionally, this bill has the potential of politicizing the bargaining process and of enabling micro-management of carefully negotiated contract items that had been deliberated by experienced negotiators over a period of many months. In addition, the language of SB 153 gives authority to the Fiscal Committee to approve "cost items" of every contract negotiated by public employees and the state. This could

nullify parts of previous contracts negotiated in good faith in historical bienniums. Finally, neither the sponsor nor any other testimony heard claimed there was a problem that needed fixing. Vote 11-9. Rep. J. Tracy Emerick for the Minority of Labor, Industrial and Rehabilitative Services: Currently there is no check and balance at the state level for legislative approval of collective bargaining agreement. All other levels of government (county, city, town, and schools) require legislative approval. The state should use the same approach to maintain the integrity of the process.

The question being adoption of the majority committee report of Inexpedient to Legislate.

Rep. Emerick spoke against.

Rep. Vaillancourt spoke against and yielded to questions.

Rep. DiSilvestro spoke in favor and requested a roll call; sufficiently seconded.

### SPECIAL ORDER

**SB 11-L**, relative to water and sewer utility districts and water or sewer utility districts. **OUGHT TO PASS.**

Rep. Kris E. Roberts for Municipal and County Government: The General Court has recognized that New Hampshire's water supply is a limited and precious public resource. To ensure that our water supplies are to be protected, conserved, and managed in the interest of present and future generations, the state has enabled municipalities to protect water supplies and provide sewer utility services in compliance with federal, state, and local requirements by entering into agreements that provide for efficient means of collectively financing and operating such services. There are nearly a dozen different New Hampshire statutes that address mechanisms to expand water and sewer systems and service, assessing for those services, providing a clear and unified method of appealing those assessments, development of separate funds or combined utility funds that are non-lapsing or what type of governing body, to name a number of important issues. However, many of the existing statutes have their origins in the 1800's and have been amended to address the clean water act. As a result of federal budget deficits, federal funding has been greatly reduced for water and sewer projects but not the legal and public health and safety requirements. Municipalities such as Stratham need to make upgrades, others need to replace their water and sewer systems, some over a hundred years in age, with limited federal and state funding thus requiring them to fund the majority of the cost through local users. Tinkering with the patchwork of existing statutes (RSA 31:120, 35:7, 38, 38-C, 53, & 149-1) will only serve to frustrate the communities abilities to be pro-active. SB 11 is enabling legislation allowing municipalities, particularly municipalities that have no legacy of providing these services, to choose a more concise and unified statutory framework that meets their need as a community rather than forcing towns and cities to adapt their needs to conform to an outdated statutory framework. SB 11 will enable municipalities to establish water and/or sewer utility districts to provide services at a more intensive level than is provided in the balance of the municipality. By doing so, it will provide funds for capital expenditures towards constructing, operating, and maintaining those utilities; and authorizes the establishment a system of fair charges to owners and users of property within such water and/or sewer utility districts. The bill also fosters regional approaches to providing these utility services in multiple municipalities should they mutually agree to do so by enabling municipalities to enter into inter-municipal agreements detailing the regional effort." Vote 18-0.

**MOTION TO SPECIAL ORDER**

Rep. Tucker moved that **SB 11-L**, relative to water and sewer utility districts and water or sewer utility districts, be special ordered to the end of today's Regular Calendar.

Rep. Tucker spoke in favor.

On a division vote, 275 members having voted in the affirmative and 45 in the negative, the motion was adopted.

**REGULAR CALENDAR (CONT'D)**

**SB 31**, relative to a ban on the incidental combustion of untreated wood at municipal transfer stations. **OUGHT TO PASS.**

Rep. Marjorie J. Shepardson for Science, Technology and Energy: Since 2007, towns have implemented alternative management methods (other than burning) for most of their construction and demolition debris, but they were allowed to temporarily continue burning incidental amounts of untreated wood. This bill would allow municipal solid waste transfer stations to continue to burn small amounts of untreated wood since it does not appear to be an impediment to alternative C & D management methods. Vote 18-1.

Committee report adopted and ordered to third reading.

**SB 179**, clarifying the definition of "renewable generation facility" for purposes of payments in lieu of property tax payments. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Aboul B. Khan for the Majority of Science, Technology and Energy: This bill amends RSA 72:73 to include a definition of what qualifies as a primary energy source for "renewable generation facilities" for the purpose of entering into a payment in lieu of taxes agreement between the owner of a renewable generation facility and the governing body of a municipality. The majority agreed on an amendment that creates a new definition to be written into session law that differentiates "waste to energy facilities" (that combust municipal waste, including plastics) from "renewable generation facilities." The amendment would allow the two currently operating waste to energy facilities in New Hampshire to continue participating in payment in lieu of taxes agreements. Members of the committee felt that incineration of trash for electric power generation could not reasonably be defined as "renewable" since it creates a disincentive for the recycling of many energy dense plastics, which are derived from non-renewable petroleum. Vote 14-4.

Rep. Jacqueline A. Cali-Pitts for the Minority of Science, Technology and Energy: The minority of the committee felt that the close ties to renewable energy was inappropriate. The committee was not in favor of trash to energy being considered renewable and the reference to RSA 72:74 is too close. This particular provision was written for two plants and will be difficult to find as it will not appear in RSAs.

**Majority Amendment (1698h)**

Amend the title of the bill by replacing it with the following:

AN ACT clarifying the definition of "renewable generation facility" for purposes of payments in lieu of property tax payments and allowing certain facilities that combust municipal waste for energy to make payments in lieu of property tax payments.

Amend the bill by replacing all after the enacting clause with the following:

1 Definition of Renewable Generation Facility. Amend RSA 72:73 to read as follows:

72:73 Definition of Renewable Generation Facility. In this subdivision, "renewable generation facility" means a facility which produces electric energy for resale solely by the use, as a primary energy source, of ~~[renewable energy as defined in RSA 374-F:3, V(f)(3)]~~ **geothermal energy, tidal or wave energy, wind energy, solar thermal energy, photovoltaic energy, landfill gas energy, hydro energy, biomass energy, energy generated from bio-oil, bio synthetic gas, and biodiesel as defined in RSA 362-A:1-a, I, 1-a, and 1-b**, including the land, all rights, easements, and other interests thereto, and all dams, buildings, structures, and other improvements situated thereon which are necessary or incidental to the production of power at the facility.

2 Facilities That Combust Municipal Waste for Energy; Payments in Lieu of Property Taxes. A facility that combusts municipal waste for energy, constructed prior to July 16, 2009, where mercury emissions are reduced to an emission rate of 0.028 milligrams per dry standard cubic meter or less corrected to 7 percent oxygen by volume on a dry basis, or at least 85 percent control efficiency, may make payments in lieu of taxes in accordance with RSA 72:74.

3 Effective Date. This act shall take effect 60 days after its passage.

## AMENDED ANALYSIS

This bill clarifies the definition of “renewable generation facility” for purposes of payments in lieu of property tax payments and allows certain facilities that combust municipal waste for energy to make payments in lieu of property tax payments.  
Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. On a division vote, 256 members having voted in the affirmative and 63 in the negative, the majority committee report was adopted and ordered to third reading.

**SB 20, making modifications to the DWI ignition interlock program. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Gladys Johnsen for the Majority of Transportation: This bill was a request from the department of safety to make various modifications to the existing DWI ignition interlock program. The bill amends RSA 265-A:37 with the following: Upon satisfactory proof that a person who is restricted by law to drive only a motor vehicle equipped with an ignition interlock device while having an alcohol concentration of greater than .02, the department, after a hearing, may impose for each occurrence an additional period of up to one year following the expiration of the original interlock order during which the person shall be restricted to driving only a vehicle with an ignition interlock device. In addition, the bill amends RSA 265-A:37 to add to the crime of ignition interlock circumvention to knowingly assisting a person to circumvent an interlock. Moreover, it will be an offense to violate an administrative interlock order or the person subject to an interlock drives a vehicle with an interlock device that has been tampered with. This bill also removes periodic reports from being provided to the probation office or arresting agency and requires this be sent to the director of the division of motor vehicles, interlock coordinator, and the court of jurisdiction. Finally, the amendment to RSA 265-A:40 will allow an out of state resident convicted of DWI to complete the required treatment in their home state. Such counseling must comply with certain requirements and be monitored by a NH impaired driver care management program. The purpose of an interlock program is to provide an alternative to a longer jail sentence, keeps offenders licensed and insured, allow offenders to work, support families, and remain productive members of society, plus encourages participation in treatment and separates drinking from driving, and thereby, enhances public safety. Vote 15-1.

Rep. Tim O’Flaherty for the Minority of Transportation: Although this bill addresses an error in current law regarding the ignition interlock device, the committee in its haste neglected several issues. This bill authorizes the department of safety to have a camera installed in private vehicles in order to monitor compliance with the law. Passengers as well as drivers can be photographed and tracked via GPS, perhaps without the knowledge of the passengers. Photographs and location data will be stored for an excessively long 36 months on the servers of a private company and by the DOS. Access to this information is not restricted in the bill and could extend to anyone in the employ of the interlock contractor or DOS. The state could face liability issues should this sensitive information be made public, or, perhaps used for malicious purposes. More troubling is the amount of discretion given the DOS to call for hearings in which it acts as judge and prosecutor. In current practice the department of safety reports violations to the police or court officials who will decide whether or not to prosecute the matter, as it should be. This bill, requested by the DOS, reaches too far for power that could be abused. Should the participant in the interlock program feel the DOS verdict is unjust, his or her only recourse is to appeal to the state Supreme Court. Proponents of this bill from the DOS ask us to trust their discretion and impartiality while also revealing a bias, saying that this bill will only affect “bad” people. The department admits that due to lax enforcement the common practice among interlock participants is to test the device by repeatedly trying to start the vehicle while over the legal blood alcohol level. The fault here is with the DOS which has had little enforcement oversight and only recently hired an interlock coordinator. New legislation empowering the DOS to hold hearings is not required to resolve this problem. Better enforcement of current law which respects the divisions between the judicial and executive branches is needed.

**Majority Amendment (1508h)**

Amend RSA 265-A:37 as inserted by section 4 of the bill by inserting after paragraph III the following new paragraph:

***III-a. Upon satisfactory proof that a person who is restricted by law to drive only a motor vehicle equipped with an ignition interlock device has attempted to start a motor vehicle equipped***

*with an ignition interlock device while having an alcohol concentration of greater than .02, the department, after a hearing, may impose for each occurrence an additional period of up to one year following the expiration of the original interlock order during which the person shall be restricted to driving only a vehicle equipped with an ignition interlock device.*

Amend the bill by inserting after section 4 the following and renumbering the original section 5 to read as 6:

5 New Paragraph; Impaired Driver Care Management Programs; Out-of-State Residents. Amend RSA 265-A:40 by inserting after paragraph VIII the following new paragraph:

IX. Notwithstanding other provisions in RSA 265-A, out-of-state residents may elect to obtain required screening, evaluation, treatment, and education services in their legal state of residence provided that they register with a New Hampshire IDCMP and that the New Hampshire IDCMP:

(a) Ensures that screening, evaluation, and treatment services are provided by individuals possessing an International Certification & Reciprocity Consortium/Alcohol and Other Drug Abuse (IC&RC) sanctioned license, or, if the client resides in a non-IC&RC state, by individuals who are approved by that state for the purpose of license reinstatement subsequent to an alcohol or drug DWI conviction;

(b) Ensures that impaired driver education programs are provided by programs which are approved by that state for the purpose of license reinstatement subsequent to an alcohol or drug DWI conviction;

(c) Develops the service plan;

(d) Monitors compliance with the service plan and reports noncompliance to the division of motor vehicles and the sentencing court; and

(e) Determines whether the service plan has been completed and, if so, reports completion to the sentencing court, the division of motor vehicles, and the department of health and human services.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. LeBrun requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

**SB 47**, relative to a surviving spouse's right to retain a Purple Heart plate. **OUGHT TO PASS.** Rep. Candace C. W. Bouchard for Transportation: The majority of the committee voted to honor and respect the request from the Region 1 Commander and Adjutant of the Military Order of the Purple Heart (MOPH). Region 1 is the order that represents New Hampshire. Also, the voting member representing MOPH on the State Veterans' Advisory Council voted in favor of passing this bill. Passing this bill will not set a unique precedent. Currently the spouses of Prisoners of War and Pearl Harbor survivors are allowed, upon death of their spouse for as long as he/she lives, unless he/she remarries, to keep the veteran's license plate. Passing this bill would allow the surviving

spouse of a Purple Heart Veteran the same respect. The surviving spouse would still have to pay all required registration fees. New Hampshire is the only New England state that does not allow the surviving spouse to retain the Purple Heart license plate. Nationwide there are more than 30 states that allow the surviving spouse to keep the plate. Passing this bill is an honorable show of support to our state's combat wounded. Vote 13-4.

### MOTION TO SPECIAL ORDER

Rep. Bouchard moved that **SB 47**, relative to a surviving spouse's right to retain a Purple Heart plate, be Special Ordered to the next Session as the first order of business on the Regular Calendar. Adopted.

### REGULAR CALENDAR (CONT'D)

**SB 67**, establishing a committee to examine the issue of statutory authority for all terrain vehicles, off highway recreational vehicles, and low speed utility vehicles to access public highways for food, fuel, and lodging. **OUGHT TO PASS.**

Rep. William J. O'Neil for Transportation: This bill would create a committee to address several existing statutes that have caused confusion for several agencies with the registration of low speed utility vehicles and OHRVs. This bill is supported by the department of safety (DOS) and the department of resources and economic development (DRED). Vote 12-4. Committee report adopted and ordered to third reading.

**SB 165**, repealing a prohibition relative to auxiliary state troopers. **OUGHT TO PASS.**

Rep. Karel A. Crawford for Transportation: This bill repeals a prohibition relative to auxiliary state troopers. The state police auxiliary force is an important branch of the department of safety. The repeal would allow the retired law enforcement community to assist in certain fields of expertise, i.e. state house security, cold case files; and would do so in such a manner as the director may deem appropriate. The auxiliary state troopers force would be limited to 16 persons. The part time auxiliary trooper would be limited to 1300 hours per year. Vote 13-3. Committee report adopted and ordered to third reading.

### SPECIAL ORDER

**SB 11-L**, relative to water and sewer utility districts and water or sewer utility districts. **OUGHT TO PASS.**

Rep. Kris E. Roberts for Municipal and County Government: The General Court has recognized that New Hampshire's water supply is a limited and precious public resource. To ensure that our water supplies are to be protected, conserved, and managed in the interest of present and future generations, the state has enabled municipalities to protect water supplies and provide sewer utility services in compliance with federal, state, and local requirements by entering into agreements that provide for efficient means of collectively financing and operating such services. There are nearly a dozen different New Hampshire statutes that address mechanisms to expand water and sewer systems and service, assessing for those services, providing a clear and unified method of appealing those assessments, development of separate funds or combined utility funds that are non-lapsing or what type of governing body, to name a number of important issues. However, many of the existing statutes have their origins in the 1800's and have been amended to address the clean water act. As a result of federal budget deficits, federal funding has been greatly reduced for water and sewer projects but not the legal and public health and safety requirements. Municipalities such as Stratham need to make upgrades, others need to replace their water and sewer systems, some over a hundred years in age, with limited federal and state funding thus requiring them to fund the majority of the cost through local users. Tinkering with the patchwork of existing statutes (RSA 31:120, 35:7, 38, 38-C, 53, & 149-1) will only serve to frustrate the communities abilities to be proactive. SB 11 is enabling legislation allowing municipalities, particularly municipalities that have no legacy of providing these services, to choose a more concise and unified statutory framework that meets their need as a community rather than forcing towns and cities to adapt their needs to conform to an outdated statutory framework. SB 11 will enable municipalities to establish water and/or sewer utility districts to provide services at a more intensive level than is provided in the balance of the municipality. By doing so, it will provide funds for capital expenditures towards constructing, operating, and maintaining those utilities; and authorizes the establishment a system of fair charges to owners and users of property within such water and/or sewer utility districts. The bill

also fosters regional approaches to providing these utility services in multiple municipalities should they mutually agree to do so by enabling municipalities to enter into inter-municipal agreements detailing the regional effort.” Vote 18-0.

Rep. Kris Roberts offered floor amendment (1728h).

### Floor Amendment (1728h)

Amend RSA 31:134 as inserted by section 1 of the bill by replacing it with the following:

31:134 Statement of Purpose. The establishment of water and/or sewer utility districts will enable municipalities to provide property services at a more intensive level than is provided in the balance of the municipality; provide funds for capital expenditures towards constructing and maintaining those utilities; provide funds for the operation and maintenance of those utilities; and authorize the establishment of charges to owners and users of property within such water and/or sewer utility districts in an amount not to exceed the costs to the municipality of providing such utility services at levels over and above those provided in the balance of the municipality.

Rep. Kris Roberts spoke in favor.

Floor amendment (1728h) adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Lambert spoke against and yielded to questions.

### MOTION TO LAY ON THE TABLE

Rep. LeBrun moved that **SB II-L**, relative to water and sewer utility districts and water or sewer utility districts, be laid on the table.

Rep. Kris Roberts requested a roll call; sufficiently seconded.

### BILL REMOVED FROM THE CONSENT CALENDAR OF MAY 22, 2013

**SB 102**, relative to the selection of members of the conservation commission. **INEXPEDIENT TO LEGISLATE.**

Rep. Bruce L. Tatro for Municipal and County Government: This bill would allow conservation commission members to be elected instead of appointed by the governing body. The committee concluded that conservation commission members need to have unique qualifications for the job and therefore should be appointed by the governing body. Vote 14-0.

Rep. Hoell spoke against.

Rep. James Belanger spoke in favor.

Committee report adopted.

### SENATE MESSAGE

#### REQUESTS CONCURRENCE WITH AMENDMENT

**HB 635**, establishing a committee to study state rest areas and relative to the solicitation of requests for proposals for the naming rights to rest areas. (Amendment printed SJ 5-23-13)

Rep. Campbell moved that the House nonconcur and request a Committee of Conference. Adopted.

The Speaker appointed Reps. Campbell, Chandler, Ramsey and Piper.

### RESOLUTION

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, June 5, 2013 at 10:00 a.m. Adopted.

### LATE SESSION

#### Third reading and final passage

**SB 96**, relative to vexatious litigants.

**SB 143-FN**, relative to benefits for unemployed persons who are attempting to establish a business.

**SB 31**, relative to a ban on the incidental combustion of untreated wood at municipal transfer stations.

**SB 179**, clarifying the definition of "renewable generation facility" for purposes of payments in lieu of property tax payments.

**SB 20**, making modifications to the DWI ignition interlock program.

**SB 67**, establishing a committee to examine the issue of statutory authority for all terrain vehicles, off highway recreational vehicles, and low speed utility vehicles to access public highways for food, fuel, and lodging.

**SB 165**, repealing a prohibition relative to auxiliary state troopers.

**SB 11-L**, relative to water and sewer utility districts and water or sewer utility districts.

### UNANIMOUS CONSENT

Reps. Sally Kelly and Whittemore addressed the House.

### MOTION TO PRINT REMARKS

Rep. Ulery moved that the remarks made by Rep. Whittemore be printed in the Permanent Journal. Adopted.

### REMARKS

**Rep. Whittemore:** Thank you, Madam Speaker. Although we celebrated Memorial Day in New Hampshire on Monday, the date I grew up with was May 30<sup>th</sup>. That was also my dad's birthday, and I want to share some thoughts with you. Duty-Bound: Thoughts on Memorial Day. I was a child raised in northern New Hampshire around country men who had served in both world wars. The men I grew up with didn't speak of those times, they would look at me long and hard when I asked, and then look away and shake their heads. Even my dad, with whom I was close, only opened up to share the reality of some of those days when we both got older. He said he didn't want to die with me thinking that he was "such a great guy." So, I listened to those grim tales and I met his eyes when I could, and we shared the knowing of those acts of war and each suffered the telling in our own way. I processed it over time and loved him not one bit less, understanding that war is madness, and he was in war. It was good that he told me, for it allowed me to understand what my peace-loving college friends could not, that each soldier is a soul on a journey. We cannot imagine the road they walk, nor do we want to try. As a teenager, I had friends who didn't wait for their number to come up, but headed out to war with their hearts light. I had friends who came to the farm to tell me and my folks that the lottery had called them, and they went with dread. I remember them, the ones who sought the adventure, and the ones who hated the duty. We send the children of our nation into this horror and we expect them to stand it, and we know that what we expect them to endure is more than one should endure. Still, we have our flags and our uniforms and our ceremonies, and we all know it will never be enough to thank them for what they have done. I remember the face of every young man whose name came back by word of mouth, a story in our local paper, letters carved on a memorial, with never a chance to see their eyes and laugh with them again. And I am grateful for every friend I had who came back from that war: those whose lives continued with wives, kids and jobs; and those who walked on alone, building the rich accumulation of living days. Each one is important, each story is critical to the story of our nation, of our intention, and of our commitment. We honor their duty best not in parades and speeches, although those are good and proper ceremonies. We honor them best when we ensure their well-being when they come back from where we have sent them, when they come home with needs physical, psychological and emotional. When we can ease their path to a good education, to a better job, to a more peaceful family life, to a life that is able to find its stream in the great river of our nation's prosperity, that is when we truly honor their service, and show proper respect for their gifts to us. Memorial Day is powerful, it holds memories and promise, and it reminds us of our duty, even as we honor those who did theirs.

### RECESS MOTION

Rep. Shurtleff moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming Committees of Conference.

Adopted.

The House recessed at 4:05 p.m.

RECESS

**(Rep. Cushing in the Chair)****ENROLLED BILLS REPORT**

(Amendment printed SJ 6-6-13)

Adopted.

**RECESS****(Speaker Norelli in the Chair)**

Rep. Shurtleff moved that the House adjourn.

Adopted.

## HOUSE JOURNAL No. 19

Wednesday, June 5, 2013

The House assembled at 10:00 a.m.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Jared A. Rardin, Pastor of the South Congregational Church in Concord.

O God, we gather on this beautiful Wednesday morning to do the business of this body: to ponder bills for group net metering, programs for children with disabilities, court-ordered placements in shelter care facilities and many other topics affecting people across the socio-economic spectrum. As we lift our voices in support of various issues and concerns, keep our ears, minds and hearts tuned to Your voice, and in so doing, let us not forget that this is not a beautiful Wednesday for everyone across the state. Many are struggling to make ends meet, worried about their health or education, or languishing somewhere on the margins of our society, and many of whom would do anything they could to contribute to their own betterment if they had the chance. May Your spirit infuse our gathering, whether in debate, in sidebar conversations, or over ice cream later today, and may it inspire us to true leadership. Make us bold in compassion, fair in distribution, quick in justice, and creative in embracing things which might seem initially impossible. Make us instruments of Your compassionate will. Hear our prayers today for those members of this body, or their families, who are sick or facing surgery, who are struggling with depression or loneliness, or who are experiencing undue challenge. Especially this morning, we offer up our prayers for the family members of Rep. Leon Rideout, who were injured in a car accident last night. We pray for their healing and for the well-being of all in this Chamber and for the privilege of doing this work which You entrust to our care, we thank You. In Your Holy, healing name we pray. Amen.

Representative George Sykes, member from Lebanon, led the Pledge of Allegiance.

### POSTING OF COLORS

Members of The White Mountains Regional High School Army JROTC Color Guard posted the Colors. Members included Cadets Morgan Gilman, Brianna-Lyn Mckeage, Chris Cass, Jamie Morris and Zeke Radcliff.

The National Anthem was sung by Cadet Zeke Radcliff, a member of the Army JROTC at The White Mountains Regional High School.

### LEAVES OF ABSENCE

Reps. Andrews-Ahearn, Arsenault, Bishop, Boisvert, Pamela Brown, Friel, Helmstetter, Miller, O'Hearne, Parsons, Amy Perkins, Phillips, Turcotte and Young, the day, illness.

Reps. Booras, Hinch, Thomas Katsiantonis, Sally Kelly, Lerandau, O'Neil, Oligny, Palangas, Renzullo, Rokas, Todd Smith, Tasker, Kenneth Ward, Wazlaw and Carol Williams, the day, important business.

Reps. Lawrence Perkins and Rideout, the day, illness in the family.

Reps. Fesh and Gordon, the day, death in the family.

### INTRODUCTION OF GUESTS

Order of the Purple Heart, guest of Reps. Bouchard and Shurtleff. Arthur, Matthew, Solveig and Tala Hammon and Heather Burkham, husband, son, grandchildren and daughter-in-law of Rep. Hammon. Moira McNamara and Molly MacDonald, daughter and guest of Rep. McNamara. Joan Rice, wife of Rep. Frederick Rice. The Honorable Hal Lynde, former member from Pelham, guest of Rep. Takesian. Molly Root and Peter Adelfio, daughter and guest of Rep. Ebel. Mark Osborn, guest of Rep. James Webb. Michael Pedersen, guest of Rep. Vail. Fourth graders from the Chichester Central School, guests of the Merrimack District 20 Delegation. Ensign Andrew Neault, United States Navy, grandson of Rep. James Belanger. ## SENATE MESSAGE

### NONCONCURS WITH AMENDMENT

### REQUESTS COMMITTEE OF CONFERENCE

**SB 35**, relative to the master jury list.

The President appointed Sens. Cataldo, Carson and Lasky.

Rep. Marjorie Smith moved that the House accede.

Adopted.

The Speaker appointed Reps. Berch, Woodbury, Heffron and Rowe.

## AMENDMENT TO HOUSE RULES

Reps. Shurtleff and Chandler moved the adoption of an amendment, as proposed by the Rules Committee, to amend House Rule 65 adding the following deadlines for legislative action:

Monday, September 9, 2013

Friday, September 27, 2013

Friday, November 15, 2013

Friday, November 22, 2013

Wednesday, January 8, 2014

Rep. Gary Richardson spoke in favor.

Adopted by the necessary two-thirds vote.

First day to file LSRs for 2014

Last day to file LSRs (4:00 p.m.)

Last day to sign off LSRs (4:00 p.m.)

Last day to report retained bills

Last day to introduce House Legislation

### CONSENT CALENDAR

Rep. Shurtleff moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**SB 97**, relative to high school equivalency and relative to illiteracy, removed by Rep. Hoell.  
Consent Calendar adopted.

Rep. Moffett declared a conflict of interest on **SB 99-FN** and **SB 191-FN-A** and did not participate in the vote on the Consent Calendar.

**SB 173**, relative to criminal background checks for individuals volunteering or applying for employment at licensed child care facilities. **OUGHT TO PASS.**

Rep. Robert R. Cushing for Criminal Justice and Public Safety: This bill came to the committee to review for criminal penalties. As this bill neither adds criminal penalties nor reduces existing penalties, our committee voted unanimously to recommend Ought to Pass. Vote 13-0.

**SB 76**, relative to disqualification of candidates. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Robert J. Perry for Election Law: This bill, as amended, clarifies existing law relative to disqualification due to incapacitating physical disability to require a letter from a licensed physician confirming that condition, and adds mental disability as a qualifying condition. Vote 12-0.

#### Amendment (1480h)

Amend the bill by replacing section 1 with the following:

1 Disqualification of Candidate; Disability. Amend RSA 655:38 to read as follows:

655:38 Disqualification of Candidate. If a candidate to be voted for at the general election shall make oath between the date of the candidate's nomination and the day of the election that he or she does not qualify for the public office which he or she seeks because of age, domicile, or incapacitating physical *or mental* disability acquired subsequent to the primary, the secretary of state may remove said person's name from the ballot. *Any such oath citing an incapacitating physical or mental disability shall be accompanied by a letter from a licensed physician confirming such a condition.* A new candidate may be substituted by the appropriate party committee by submitting the name of the new candidate to the secretary of state within 3 days of the notice of disqualification. The name of the substitute candidate shall be placed on the ballots as provided in RSA 656:21.

#### AMENDED ANALYSIS

This bill requires a letter from a physician for a candidate to disqualify himself or herself because of incapacitating physical or mental disability.

**SB 112**, requiring constitutional amendment concurrent resolutions to contain the language for the voter's guide. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Mary L. Till for Election Law: This bill, as amended, will require that resolutions proposing constitutional amendments, whether passed by the state legislature or a constitutional convention include explanatory text of the statement for the voter's guide. Previously, the language for the voter's guide was approved by members of the policy committee to which the CACR was referred. Vote 14-0.

#### Amendment (1408h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to voters' guides for proposed constitutional amendments.

Amend the bill by replacing all after the enacting clause with the following:

1 Constitutional Amendments; Voter's Guides. Amend RSA 663:3-a to read as follows:  
663:3-a Voter's Guides.

***I. If the general court proposes the constitutional amendment, the text of the statement for the voter's guide, if any, shall be included in the resolution proposing the constitutional amendment.*** The joint committee on legislative facilities may authorize the printing ***or distribution*** of [a] the voter's guide. [~~Distribution of the voter's guide shall not take place until its text has been reviewed and approved by the house and senate policy committees which considered the proposed constitutional amendment.~~]

***II. If the constitutional convention proposes the constitutional amendment, the text of the statement for the voter's guide, if any, shall be included in the resolution proposing the constitutional amendment.***

2 Constitutional Amendment; Form of Ballot. Amend RSA 663:3 to read as follows:

663:3 Form of Ballot. The following words shall be printed above the constitutional amendment questions on all ballots containing such questions: "Questions Relating to Constitutional Amendments Proposed by the Convention to Revise the Constitution" ***or "Questions Relating to Constitutional Amendments Proposed by the Legislature to Revise the Constitution," whichever is appropriate.*** A constitutional question shall include, in the text of the question, the text of the article of the constitution as it is proposed to be amended, and the results of the vote taken on ordering the proposed amendment to third reading in both the senate and the house of representatives or at the constitutional convention, whichever is appropriate.

3 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill provides that a legislative constitutional amendment concurrent resolution (CACR) or a constitutional convention resolution proposing a constitutional amendment shall have the text of the language for the voter's guide, if any, included as part of the resolution.

**SB 44**, relative to the disposal of controlled drugs by law enforcement officers. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Carol M. McGuire for Executive Departments and Administration: This bill updates the laws on disposal of controlled drugs by law enforcement to reflect the change from district to circuit court and clarifies the rulemaking authority for the drug take back and disposal program. The department of justice is the lead agency, with input from the pharmacy board, the department of safety, and the department of environmental services. The committee amendment uses the original "consultation" rather than "consent" by the other agencies, since "consent" would require changes to the rulemaking process in RSA 541-A. Vote 16-0.

#### Amendment (1600h)

Amend the bill by replacing all after the enacting clause with the following:

1 Controlled Drug Act; Disposal of Controlled Drugs in Possession of Law Enforcement Officer. Amend RSA 318-B:17, I-a and I-b to read as follows:

I-a. The [~~district~~] ***circuit*** court having jurisdiction over a misdemeanor ***or violation*** controlled drug offense may order such controlled drugs forfeited and destroyed upon written motion. Such order shall not be entered until after the period for appeal of the offense has expired.

I-b. The [~~district~~] ***circuit*** court shall require the same record and reporting of the officer who is destroying the controlled drugs as is required under paragraph I for the superior court, with the exception of notification to the Drug Enforcement Administration.

2 Pharmaceutical Drug Take-Back Program Authorized. Amend RSA 318-E:1, III to read as follows:

III. The department of justice, ***in consultation with the*** pharmacy board, ***the*** department of safety, and ***the*** department of environmental services shall [~~jointly~~] establish [~~guidelines by rule~~] ***rules***, pursuant to RSA 541-A, for the collection, storage, and disposal of collected drugs in accordance with applicable state and federal statutes and regulations.

3 Effective Date. This act shall take effect January 1, 2014.

#### AMENDED ANALYSIS

This bill amends the procedure for disposal of controlled drugs in the possession of a law enforcement officer and makes the department of justice responsible for adopting rules for the pharmaceutical drug take-back program.

**SB 90**, establishing a committee to study developing a policy for veteran preference for government hiring. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Dianne E. Schuett for Executive Departments and Administration: The bill establishes a study committee to develop policy for veteran preference in government hiring. The amendment, which was requested by the prime sponsor and which was the subject of a separate hearing, extends the repeal date for the commission on the effects of service-connected post-traumatic stress disorder and traumatic brain injury in RSA 115-D:5 to allow time to convert it to a permanent commission so that the important work being done on this issue will not be interrupted. Vote 17-0.

#### **Amendment (1307h)**

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study developing a policy for veteran preference for government hiring and extending the commission on the effects of service-connected post-traumatic stress disorder and traumatic brain injury.

Amend the bill by replacing all after section 5 with the following:

6 Commission on the Effects of Service-Connected Post-Traumatic Stress Disorder and Traumatic Brain Injury; Report. Amend RSA 115-D:5 to read as follows:

115-D:5 Report. The commission shall make ~~[an interim report on or before May 1, 2012 and]~~ a final report on or before November 1, ~~[2013]~~ **2014** of its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the chairman of the house health, human services and elderly affairs committee, the chairman of the senate health, education and human services committee, the chairman of the house state-federal relations and veterans affairs committee, the senate clerk, the house clerk, the governor, the members of the New Hampshire congressional delegation, and the state library.

7 Effective Date of Repeal of Commission. Amend 2011, 84:3, I, as amended by 2012, 81:4, I to read as follows:

12 Section 2 of this act shall take effect November 1, ~~[2013]~~ **2014**.

8 Effective Date. This act shall take effect upon its passage.

#### **AMENDED ANALYSIS**

This bill establishes a committee to study developing a policy for giving preference to veterans in government hiring.

This bill also extends the commission on the effects of service-connected post-traumatic stress disorder and traumatic brain injury.

**SB 119-FN-A**, directing the joint legislative historical committee to conduct a study of state house flag restoration and preservation. **OUGHT TO PASS.**

Rep. Katherine D. Rogers for Finance: This bill directs the Joint Legislative Historical Committee to conduct a study relative to the restoration and preservation of the flags displayed in the State House Hall of Flags and issue a report of its findings and recommendations with an estimate of the cost and timeframe for those recommendations on or before November 1, 2014. There will be no financial impact on state expenditures. It also directs the Joint Legislative Historical Committee to acquire a portrait of Marilla Marks Ricker, an early suffragist and the first woman in New Hampshire history to file for the office of governor. The committee is to oversee the hanging of the portrait in a place of honor in the state house complex befitting a heroine of this historical stature. The cost of the portrait will be defrayed by contributions and funds designated for historical and art acquisitions. Vote 23-0.

**SB 124-FN**, establishing an integrated land development permit. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Lynne M. Ober for Finance: This bill establishes a voluntary alternative process for any project requiring two or more permits from the department of environmental services (DES). This integrated land development permit encompasses four programs: terrain alteration, wetlands, sewage disposal systems and shoreland water quality protection. An applicant may consult with DES before participating. After applying, there is an extensive pre-application technical review followed by a final review. The program allows for early notification to and involvement of all interested parties such as municipalities, regional commissions, state divisions and departments and federal entities. The program may shorten the time for completion of the state permitting process. Although the bill

asked for two positions which would be eliminated after two years, the department testified that it was unknown if anyone would bid on a short term position and no work mission had been developed for one of the two positions. Additionally the department testified that they already were using the LEAN process to streamline their rules. Therefore, the committee felt that the department should use a consultant, if needed. Since funding was to come from existing department funds, no money is needed. As a result, the amendment removed the two positions. Vote 23-0.

#### **Amendment (1863h)**

Amend the bill by deleting section 2 and renumbering the original sections 3-9 to read as 2-8, respectively.

Amend the bill by replacing all after section 6 with the following:

7 Effective Date.

I. Sections 1, 5, and 6 of this act shall take effect January 1, 2015.

II. Sections 2-4 of this act shall take effect 60 days after its passage.

III. The remainder of this act shall take effect upon its passage.

#### **AMENDED ANALYSIS**

This bill establishes a permit process for applicants seeking one or more land development permits from the department of environmental services.

**SB 162-FN**, repealing the student tuition guaranty fund and making provisions for the disbursement of remaining funds, and relative to the membership of the higher education commission. **OUGHT TO PASS.**

Rep. Kenneth L. Weyler for Finance: To protect student applicants from having a career school cancelled for which they had prepaid tuition, a guaranteed fund was created to reimburse the student in the event the cancellation was due to bankruptcy. Alternative methods had been available for this guarantee, such as bonds or letters of credit, and these methods were less expensive than depositing all tuition in a fund. After 9/11/2001, the hijackers were found to have attended career schools to learn piloting skills. This put an onus on all career schools and made bonding and letters of credit difficult to obtain, thus the fund was established. Now that the bonding and letters of credit have been reestablished, the fund is no longer used or needed. This bill will eliminate a dedicated fund and return the moneys to the schools. Although one description of the bill refers to the membership of the higher education commission, that language was removed previously. Vote 23-0.

**SB 184-FN**, excluding conservation officers of the fish and game department from requirements for emergency medical and trauma services. **OUGHT TO PASS.**

Rep. Daniel A. Eaton for Finance: SB 184-FN would allow the department of fish and game to complete their own emergency medical training that would run concurrent with their certification. Currently, the department is required to train with another agency at a cost of over \$25,500.00 in a time frame that exceeds the time frame of the certification. SB 184-FN will save the department of fish and game money without diminishing the quality or type of training. Vote 23-0.

**SB 192-FN-L**, establishing a committee to study the establishment of a state infrastructure bank. **OUGHT TO PASS.**

Rep. Kenneth L. Weyler for Finance: There have been previous bills to establish a state infrastructure bank. The model used was the Bank of North Dakota. That bank works with the state's private banks to ensure sufficient capitalization for projects in that state. The sponsors feel that these previous attempts had not seen sufficient analysis. This bill would just study the issue rather than mandate the establishment. One remarkable factor about this bill was the number of Senators as members of the committee; there are three, equal to the number of House members. This leads us to believe that there must be a real interest in this subject in the Senate. Vote 23-0.

**SB 19-FN**, repealing provisions relative to the sale of the former Laconia state school property and eliminating a ramp toll on the Everett turnpike in the town of Merrimack. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gene G. Chandler for Public Works and Highways: This bill deals with ensuring that any sale of the former Laconia state school property would come before the long range capital planning and utilization committee as is the common practice in such instances. Language was inserted into the last budget that removed the requirement that this one sale would be exempt from the requirements

of coming before the long range capital planning and utilization committee. The Senate amendment added language pertaining to an unrelated subject: the removal of the toll booth at Exit 12 in Merrimack. The committee is dealing with the Merrimack toll issue in other legislation so the committee amended this bill to remove the toll language and revert back to the original bill. Vote 17-1.

#### **Amendment (1632h)**

Amend the title of the bill by replacing it with the following:

AN ACT repealing provisions relative to the sale of the former Laconia state school property.

Amend the bill by replacing all after section 1 with the following:

2 Effective Date. This act shall take effect upon its passage.

#### **AMENDED ANALYSIS**

This bill repeals certain procedural exemptions related to the sale of the former Laconia state school property.

**SB 98**, authorizing group net metering for limited electrical energy procedures and establishing a committee to study reimbursement rates for excess electricity generated by customer-generator groups. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Jacqueline A. Cali-Pitts for Science, Technology and Energy: Group net metering allows electric energy customers to receive credit for energy produced by renewable sources. Group net metering will permit more customers to take advantage of credits and promote renewable energy. After much work and collaboration and with the approval of the prime sponsor, the committee amended the net metering statute to allow for group net metering and to create a host group net metering model. Group hosts must be registered by the public utilities commission, have members of the group live within the same utility provider area and be on default service. The clearest example would be that of a municipality that has a renewable energy source and wishes other buildings gain advantage of that source. The program will be regularly monitored. Vote 19-0.

#### **Amendment (1857h)**

Amend the title of the bill by replacing it with the following:

AN ACT authorizing group net metering for limited electrical energy procedures.

Amend the bill by replacing all after the enacting clause with the following:

1 Limited Electrical Energy Producers; Definitions. Amend RSA 362-A:1-a, II-b to read as follows:

II-b. "Eligible customer-generator" or "customer-generator" means an electric utility customer who owns or operates an electrical generating facility either powered by renewable energy or which employs a heat led combined heat and power system, with a total peak generating capacity of ~~[not more than 100 kilowatts, or that first begins operation after July 1, 2010 and has a total peak generating capacity of 100 kilowatts or more]~~ up to **and including** one megawatt, that is located behind a retail meter on the customer's premises, is interconnected and operates in parallel with the electric grid, and is used ~~[in the first instance]~~ to offset the customer's own electricity requirements. ***Incremental generation added to an existing generation facility, that does not itself qualify for net metering, shall qualify if such incremental generation meets the qualifications of this paragraph and is metered separately from the nonqualifying facility.***

2 New Paragraph; Net Energy Metering. Amend RSA 362-A:9 by inserting after paragraph XIII the following new paragraph:

XIV.(a) A customer-generator may elect to become a group host for the purpose of reducing or otherwise controlling the energy costs of a group of customers who are not customer-generators. The group of customers shall be default service customers of the same electric distribution utility as the host. The host shall provide a list of the group members to the commission and the electric distribution utility and shall certify that all members of the group have executed an agreement with the host regarding the utilization of kilowatt hours produced by the eligible facility and that the total historic annual load of the group members together with the host exceeds the projected annual output of the host's facility. The commission shall verify that these group requirements have been met and shall register the group host. The commission shall establish the process for registering hosts, including periodic re-registration, and the process by which changes in membership are allowed and administered.

(b) Except as provided in subparagraph (c), the provisions of this section shall apply to a group host as a customer-generator.

(c) Notwithstanding paragraph V, a group host shall be paid for its surplus generation at the end of each billing cycle at rates consistent with the credit the group host receives relative to its own net metering under either subparagraph IV(a) or (b). On an annual basis, the electric distribution utility shall calculate a payment adjustment if the host's surplus generation for which it was paid is greater than the group's total electricity usage during the same time period. The adjustment shall be such that the resulting compensation to the host for the amount that exceeded the group's total usage shall be at the utility's avoided cost or its default service rate in accordance with subparagraph V(b) or paragraph VI. The utility shall pay or bill the host accordingly.

(d) Group hosts shall be responsible for any costs necessary to upgrade a utility's information systems in order to implement this paragraph, as determined by the commission.

(e) The commission is authorized to assess fines against, revoke the registration of, and prohibit from doing business in the state, any group host which violates the requirements of this paragraph and rules adopted pursuant to this paragraph.

3 Renewable Energy Fund. Amend RSA 362-F:10, IV to read as follows:

IV. The commission shall make an annual report by October 1 of each year, beginning in 2009, to the legislative oversight committee on electric utility restructuring *established* under RSA 374-F:5, *the house science, technology and energy committee, and the senate energy and natural resources committee* detailing how the renewable energy fund is being used and any recommended changes to such use. The report shall also include information on the total peak generating capacity that is net energy metered under RSA 362-A:9 within the franchise area of each electric distribution utility, and the percentage this represents of the amount that is allowed to be net metered within each franchise area. *Information shall be provided on net metered group host registrations and the associated customer groups, including number and location of group host facilities, generation by renewable source and size of facility, and group load served by such facilities.*

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill:

I. Modifies the definition of customer-generator as it relates to net energy metering.

II. Permits a customer-generator to become a group host to control the energy costs of certain customers.

**SB 99-FN**, requiring the site evaluation committee to direct a study of site evaluation criteria and establishing a committee to study the criteria for siting of wind powered electric generating facilities, other electric generating facilities, and transmission facilities. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Robert A. Backus for Science, Technology and Energy: This bill, as amended, requires the office of energy and planning (OEP) with an outside vendor, and with full opportunity for public input, to perform a study to examine all aspects of the procedures, practices and structures of the site evaluation committee (SEC). Among the areas to be considered are whether new requirements for alternatives are needed and the issue of burial of transmission lines. A report on the study is due on December 31, 2013. It also establishes a stakeholder process to be overseen by the OEP assisted by a consultant to develop specific criteria to develop rules to be applied by the SEC when considering applications for new energy projects. The date for these rules to be in place is January 1, 2015, and the stakeholder process is to be completed a year earlier. The bill thus addresses both the concerns expressed about the siting process and the criteria to determine the appropriateness of certain sites for new renewable generation facilities, including wind turbines and new transmission lines. The bill authorizes the OEP and the SEC to utilize funds from the energy efficiency portion of the systems benefits charge up to \$200,000 through the public utilities commission to retain a consultant or consultants to carry out the provisions of the act, and to utilize other sources of funding that may be available. Vote 18-0.

#### Amendment (1941h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring a study of the site evaluation committee and process, and developing regulatory criteria for the siting of energy facilities.

Amend the bill by replacing all after the enacting clause with the following:

1 Study and Report. The office of energy and planning (OEP) shall, in consultation with the senate energy and natural resources committee and the house science, technology and energy committee, contract with an outside vendor to perform a study of the site evaluation committee's organization, structure, and process to better ensure that the review of energy facility applications serves the public good and provides clarity to potential energy project developers. The study shall identify deficits and needs, including but not limited to, potential funding, technology expertise, committee membership, staffing, the roles of participating municipalities and the public, the role of the counsel to the public, whether RSA 162-H allows the site evaluation committee to require applicants to present alternatives, including but not limited to the burial of energy facilities in publicly-owned transportation rights of way, and other issues that may be identified. The study shall also include review and consideration of relevant studies and plans, including but not limited to those developed by the independent system operator of New England (ISO-NE), the public utilities commission, the energy efficiency and sustainable energy board, legislative study committees and commissions, and other state and regional organizations as appropriate. The study shall engage all interested members of the public in a process where meetings are duly noticed and minutes are maintained for all public meetings and posted on the OEP website within 7 days of the meeting. The OEP shall make a report to the speaker of the house of representatives, the senate president, the governor, the senate clerk, the house clerk, and the state library on or before December 31, 2013.

2 New Paragraph; Energy Facility Site Evaluation. Amend RSA 162-H:10 by inserting after paragraph VI the following new paragraph.

VII. No later than January 1, 2015, the committee shall adopt rules, pursuant to RSA 541-A, relative to criteria for the siting of energy facilities, including specific criteria to be applied in determining if the requirements of RSA 162-H:16, IV (b) and (c) have been met by the applicant for a certificate of site and facility. Prior to the adoption of such rules, the office of energy and planning shall hire and manage one or more consultants to conduct a public stakeholder process to develop recommended regulatory criteria, which may include consideration of issues identified in attachment C of the 2008 final report of the state energy policy commission, as well as others that may be identified during the stakeholder process. The office of energy and planning shall submit a report based on the findings of the public stakeholder process to the committee by January 1, 2014.

3 Funding. Up to a combined total of \$200,000 shall be made available by the public utilities commission to the office and energy and planning to fulfill its responsibilities under sections 1 and 2 of this act and to the site evaluation committee for rulemaking under section 2 of this act from the energy efficiency portion of the system benefits charge, the renewable energy fund established under RSA 362-F:10, the energy efficiency fund established under RSA 125-O:23, or other funding sources under the jurisdiction of the public utilities commission. The office and the committee may utilize any other funding sources that are available to them for these purposes.

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill requires the office of energy and planning to contract with an outside vendor for a study of the site evaluation committee and its processes. The bill requires the site evaluation committee to adopt rules by January 1, 2015. The bill funds the study and the rulemaking process from funding sources under the jurisdiction of the public utilities commission.

**SB 191-FN-A**, establishing a state energy strategy. **OUGHT TO PASS WITH AMENDMENT.**

Rep. William S. Baber for Science, Technology and Energy: The state's existing energy plan was created in 2002 and has not been updated. Unforeseen by that plan were the dramatic drop in natural gas prices, the near elimination of the use of coal for the generation of electricity, the possibility of a major transmission line from Canada, the impacts of wind energy farms, and dramatic reduction in the cost of solar panels. A new strategic plan will provide forward-looking guidance on electric, gas, and thermal energy strategies; seek to optimize the ready availability of energy supply, energy affordability; the retention in-state of energy expenditures; the retention of jobs and the use of renewable energy sources and energy efficiency policies, including demand-side policies; and minimize negative impacts to the economy, the environment, and the natural beauty of our state. This bill, as amended, establishes a council of five legislators, and three department heads to oversee the hiring of a consultant and to guide the creation of a new ten-year energy strategy for the state. The amendment refines and extends the goals of the senate version, reduces the size of

the advisory council, sunsets the council upon completion of the strategy, extends the review cycle to three years, refers the need to update the strategy to the respective house and senate committees, extends funding to include all available and appropriate public utility commission funds, and requires that outside funding be sought. Vote 18-0.

### **Amendment (1900h)**

Amend the bill by replacing all after the enacting clause with the following:

1 State Energy Strategy; Purpose. Development of a state energy strategy is necessary to ensure that the state's energy policies and programs support the state's economic, environmental, and public health goals.

2 State Energy Strategy; Findings.

I. The general court finds that a comprehensive energy strategy will:

(a) Provide forward-looking guidance on electric, gas, and thermal energy strategies.

(b) Optimize the ready availability of energy supply, energy affordability, the retention in-state of energy expenditures, the retention of jobs, and the use of renewable energy sources and energy efficiency policies, including demand-side policies.

I Minimize negative impacts to the economy, the environment, and the natural beauty of our state.

II. The general court further finds that the use of funding sources under the jurisdiction of the public utilities commission, notwithstanding requirements under other provisions of law, to fund the development of a state energy strategy is in the public interest.

3 New Chapter; State Energy Strategy. Amend RSA by inserting after chapter 4-D the following new chapter:

### **CHAPTER 4-E STATE ENERGY STRATEGY**

4-E:1 State Energy Strategy.

I. The office of energy planning, in consultation with the state energy advisory council established in RSA 4-E:2, with assistance from an independent consultant and with input from the public and interested parties, shall prepare a 10-year energy strategy for the state. The office shall review the strategy and consider any necessary updates in consultation with the senate energy and natural resources committee and the house science, technology and energy committee, after opportunity for public comment, at least every 3 years starting in 2017. The state energy strategy shall include, but not be limited to, sections on the following:

(a) The projected demand for consumption of electricity, natural gas, and other fuels for heating and other related uses.

(b) Existing and proposed electricity and natural gas generation and transmission facilities, the effects of future retirements and new resources, and consideration of possible alternatives.

I Renewable energy and fuel diversity.

(d) Small-scale and distributed energy resources, energy storage technologies, and their potential in the state.

(e) The role of energy efficiency, demand response, and other demand-side resources in meeting the state's energy needs.

(f) The processes for siting energy facilities in the state and the criteria used by the site evaluation committee in giving adequate consideration to the protection of the state's ecosystems and visual, historic, and aesthetic resources in siting processes.

(g) The relationship between land use and transportation policies and programs on electricity and thermal energy needs in the state.

(h) New Hampshire's role in the regional electric markets, how the regional market affects the state's energy policy goals, and how the state can most effectively participate at the regional level.

II. The strategy shall include a review of all state policies related to energy, including the issues in paragraph I, and recommendations for policy changes and priorities necessary to ensure the reliability, safety, fuel diversity, and affordability of New Hampshire's energy sources, while protecting natural, historic, and aesthetic resources and encouraging local and renewable energy resources. The strategy shall also include consideration of the extent to which demand-side measures including efficiency, conservation, demand response, and load management can cost-effectively meet the state's energy needs, and proposals to increase the use of such demand resources to reduce energy costs and increase economic benefits to the state.

III. The strategy development process shall include review and consideration of relevant studies and plans, including but not limited to those developed by the independent system operator of New England (ISO-NE), the public utilities commission, the energy efficiency and sustainable energy board, legislative study committees and commissions, and other state and regional organizations as appropriate. The strategy shall also include consideration of new technologies and their potential impact on the state's energy future.

4-E:2 New Hampshire State Energy Advisory Council.

I. There is established the New Hampshire state energy advisory council.

(a) Members of the council shall be the following, or his or her designee:

- (1) The director of the office of energy and planning, who shall serve as the chairperson.
- (2) The chairperson of the public utilities commission.
- (3) The commissioner of the department of environmental services.

(b) Legislative members of the council shall be:

(1) One member of the senate, appointed by the president of the senate.

(2) One member of the senate, appointed by the senate minority leader.

(3) One member of the science, technology and energy committee, appointed by the speaker of the house of representatives.

(4) One member of the science, technology and energy committee, appointed by the house minority leader.

(5) One member of the house of representatives, appointed jointly by the speaker of the house and the house minority leader.

II. Legislative members may receive mileage for attendance at meetings and hearings of the council.

4-E:3 Public Participation. The state energy advisory council shall provide duly noticed opportunities for public and stakeholder participation in the development of the strategy. In addition, at least 4 duly noticed public hearings shall be held in different regions of the state to seek public input during the development of the energy strategy. Public comment shall be sought by the office of energy and planning, the senate energy and natural resources committee, and the house science, technology and energy committee prior to updating the strategy.

4-E:4 Costs. The office of energy and planning is authorized to expend up to \$200,000 from the energy efficiency portion of the system benefits charge, the renewable energy fund established under RSA 362-F:10, the energy efficiency fund established under RSA 125-O:23, or other funding sources under the jurisdiction of the public utilities commission for the development of the strategy, and may utilize any other sources available to the office necessary to fulfill the requirements of this chapter. The office of energy and planning is encouraged to seek other funding to support the development and updating of the strategy.

4-E:5 Reports. A draft state energy strategy shall be completed no later than May 1, 2014, and shall be provided to the public for comment. A final state energy strategy shall be completed no later than September 1, 2014. The final strategy shall be provided to the governor, the senate president, the speaker of the house of representatives, the chairperson of the senate energy and natural resources committee, the chairperson of the house science, technology and energy committee, and the state library.

5 Repeal. RSA 4-E:2 through RSA 4-E:5, relative to New Hampshire state energy council, is repealed.

6 Effective Date.

12 Section 5 of this act shall take effect December 31, 2014.

II. The remainder of act shall take effect upon its passage.

**SB 14**, relative to the rulemaking authority of and administrative fine authority for the department of resources and economic development. **OUGHT TO PASS.**

Rep. Patrick F. Abrami for Ways and Means: The House supported the policy that allows the commissioner of the department of resources and economic development to give authority to municipal officials to utilize summons procedures under RSA 31:39-d to cite individuals for violations of state park administrative rules or forests and lands administrative rules, or both. The committee unanimously agrees that the municipalities shall retain 100 percent of any fine collected. Vote 12-0.

**SB 75**, relative to games of chance. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gilman C. Shattuck for Ways and Means: This is the senate version of the house position on changes to charitable gaming administered by the racing and charitable gaming commission. These

are changes made to the senate bill in this amendment. The committee reversed a senate restriction that only one licensed charitable gaming organization may conduct games of chance at a location on a licensed game date. It requires the full 35 percent of gross revenues, less prizes, be retained by the charitable organization, and allows no fees other than rent of premises to be charged by the game operator. It limits auditing by the commission as required by the senate to records relevant to games of chance. It removes a senate requirement for excessive criminal background checks. It deletes a new prohibition of unauthorized devices, and a bill will be submitted next year to deal with gaming device authorization for all forms of charitable and commercial gaming. It adds the existing house positions increasing the maximum wager for games of chance from \$4 to \$6 and allowing the commission to pay the state treasurer monthly instead of daily. Vote 14-0.

#### Amendment (1952h)

Amend the bill by replacing all after section 1 with the following:

2 New Subparagraph; Application; Game of Chance Facility. Amend RSA 287-D:2-c by inserting after subparagraph (g) the following new subparagraph:

(h) The application shall include a description of the licensed premises.

3 Pari-Mutuel Commission; Reference Changed. Amend RSA 287-D:3, II to read as follows:

II. All devices and equipment used to conduct said games of chance shall be subject to inspection by duly authorized law enforcement or [~~pari-mutuel~~] **racing and charitable gaming** officials.

4 Fees. Amend RSA 287-D:3, VI-VIII to read as follows:

VI. Any contract for the rental of a **licensed** facility for a game of chance shall be independent of any contract for the rental of equipment. ***If a charitable organization hires a game operator employer or primary game operator to conduct games of chance on its behalf then the charitable organization shall not pay any fees. Any fees shall be paid by the game operator employer or the primary game operator retained by the charitable organization to conduct games of chance.*** Those contracts shall not be contingent upon the charitable organization's agreement that it will contract with a particular business for a particular facility or equipment.

VII. Unless a charitable organization rents a facility from a game operator employer or a primary game operator licensed under RSA 287-D:2-c, the charitable organization shall only rent a facility by means of a fixed rental payment. The fixed rental payment shall not be based on a percentage of what the charitable organization receives from the game of chance and it shall reflect fair rental value of the property for any use not just as a place to hold a game of chance. If a charitable organization rents, ***leases, or uses a licensed*** facility from a licensed game operator under RSA 287-D:2-c, the charitable organization shall retain no less than 35 percent of the gross revenues from any games of chance minus any prizes paid in accordance with RSA 287-D:3, VIII ***and exclusive of all rental or lease payment.*** Any rental, ***lease, or use*** agreement entered into by the charitable organization shall be submitted with the charitable organization's license application for review by the racing and charitable gaming commission. Under no circumstances shall a charitable organization sustain any loss from games of chance, such that its share of the gross revenues minus any prizes paid is less than zero dollars, during a license period with a single game operator. All contracts between a game operator employer and a charitable organization to conduct games of chance, ***and any contracts between a charitable organization and a licensed facility holder or licensed facility owner*** under this chapter shall contain the following language: "This agreement represents the entire agreement between the parties hereto. No charge or fee of any kind that is not contained in this agreement shall be paid by the charity."

VIII. The charitable organization shall retain no less than 35 percent of the gross revenues from any game of chance minus any prizes paid on any game date in which game operators licensed under RSA 287-D:2-c are involved in any capacity. Such revenues shall be used by the organization to advance its charitable purpose. No fee for any service which is required by or provided by the game operator employer or primary game operator shall be allowed unless such fee is agreed to in writing and [~~disclosed to~~] ***approved by*** the commission as part of the agreement between the game operator employer or primary game operator and the charity. ***A game operator employer or primary game operator, hired by a charitable organization to conduct games of chance on its behalf, shall not charge or assess any fees, to the charitable organization for the providing of any services or the collection of any reimbursements including but not limited to any accounting fees, any administrative fees, any advertising fees, any financial paperwork fees, any marketing fees, or any law enforcement or security fees.***

5 Financial Report and Audit. Amend RSA 287-D:5, VI to read as follows:

VI. All financial records pertaining to the games of chance shall be maintained by the treasurer of the charitable organization or other duly authorized director, officer, or official of the charitable organization and shall be made available to the racing and charitable gaming commission, the attorney general or the chief of police of any city or town where games of chance are held upon request. The racing and charitable gaming commission may audit ~~[such financial records]~~ *review or inspect any and all financial records, books, documentation, and bank accounts in the name of the charitable organization that pertain to games of chance.*

6 Transfer to Special Fund. Amend RSA 287-D:3, IX-X to read as follows:

IX. In games where chips have no monetary value, 3 percent of all funds collected from players, less moneys used by the racing and charitable gaming commission to fund authorized personnel expenses and related costs, shall be paid to the state treasurer to be deposited into the ~~[general]~~ *special fund established in RSA 284:21-j*. Such payments shall be made ~~[within 5 business days of the game date on which the funds were collected:]~~ *once per month not later than the 5th day of the month for the funds collected in the previous month.*

X. In games where chips have monetary value, 10 percent of the rake or house winnings and other moneys collected by the game operator that are not paid out as prizes to players, less moneys used by the racing and charitable gaming commission to fund authorized personnel expenses and related costs, shall be paid to the state treasurer for deposit into the ~~[general fund]~~ *special fund established in RSA 284:21-j*. Such payments shall be made ~~[within 5 business days of the game date on which the funds were collected]~~ *once per month not later than the 5th day of the month for the funds collected in the previous month.*

7 Transfer to Special Fund. Amend RSA 284:12-a, II to read as follows:

II. Investigation fees shall be collected by the commission and shall be continually appropriated to the commission and used by the commission to offset the costs of conducting background checks and monitoring of license applicants and licensees as required under this section, RSA 284:16, RSA 284:16-a, RSA 284:18-a, RSA 284:19, RSA 284:20, RSA 284:20-b, RSA 284:22, and RSA 284:22-a. Funds received hereunder and not expended for such investigations shall lapse to the ~~[general]~~ *special fund established in RSA 284:21-j* 2 years after receipt of such funds.

8 Transfer to Special Fund. Amend RSA 284:31 to read as follows:

284:31 Unclaimed Ticket Money. On or before January 31 of each year every person, association, or corporation conducting a race or race meet, whether live racing or simulcast racing, hereunder shall pay to the state treasurer all moneys collected during the previous year of pari-mutuel pool tickets and vouchers which have not been redeemed. The books or records of said person, association, or corporation, which clearly show the tickets entitled to reimbursement in any given race, live or simulcast, shall be forwarded to the commission. Such moneys shall become a part of the ~~[general funds of the state]~~ *special fund established in RSA 284:21-j*. The state treasurer shall pay the amount due on any ticket or voucher to the holder thereof from funds not otherwise appropriated upon an order from the commission. Pari-mutuel tickets and vouchers which remain unclaimed after 11 months shall not be paid. Vouchers shall be remitted to the state treasurer on January 31 of the calendar year, 24 months after the year of the unclaimed voucher.

9 Transfer to Special Fund. Amend RSA 284:32-b, I to read as follows:

I. Every person, association or corporation required to submit an annual statement pursuant to RSA 284:15-b or an annual financial report pursuant to RSA 284:32-a who fails to submit such statement or report within the required time period shall be subject to a civil forfeiture of up to \$500 for each day of a continuing violation. Civil forfeitures shall be levied under this section by the state racing and charitable gaming commission, shall be collected by the attorney general, and shall be deposited in the ~~[general fund as unrestricted revenue]~~ *special fund established in RSA 284:21-j*. Such civil penalty shall be in addition to and not a substitute for any other civil or criminal penalty provided by law, including RSA 284:21.

10 Wager Limit. Amend RSA 287-D:3, V to read as follows:

V. No single wager by a player, on any game of chance, shall exceed the amount of ~~[\$4]~~ *\$6*.

11 Repeal. RSA 287-D:2-b, II-a, relative to reimbursement of game operator's out-of-pocket expenses, is repealed.

12 Effective Date. This act shall take effect January 1, 2014.

**SB 134-FN**, relative to the division of higher education and the higher education commission.  
**ought to pass.**

Rep. David B. Karrick for Ways and Means: This bill cleans up loose ends from the transfer of the post-secondary education commission to a division of the department of education last term. Ways and Means is only concerned with the revenue aspects of this bill. Fees and activities have not changed with the two dedicated funds that were in irregular status hereby merged in the higher education fund. Vote 12-1.

**SB 155-FN-A**, requiring revenue from commemorative liquor bottles to be used for the preservation of state house Civil War battle flags. **OUGHT TO PASS.**

Rep. Frank V. Sapareto for Ways and Means: SB 155 creates a means to raise much needed funds to preserve and restore the irreplaceable battle flags in the Hall of Flags. The NH liquor commission will sell a special commemorative bottle that will generate the customary profit but include additional profit of about \$7.00 per bottle that will go to a special fund (already in existence) to pay for flag restoration. These flags are treasures that are being destroyed by time. We can't afford to wait any longer to preserve them. Vote 13-0.

## REGULAR CALENDAR

### SPECIAL ORDER

**SB 47**, relative to a surviving spouse's right to retain a Purple Heart plate. **OUGHT TO PASS.**

Rep. Candace C. W. Bouchard for Transportation: The majority of the committee voted to honor and respect the request from the Region 1 Commander and Adjutant of the Military Order of the Purple Heart (MOPH). Region 1 is the order that represents New Hampshire. Also, the voting member representing MOPH on the State Veterans' Advisory Council voted in favor of passing this bill. Passing this bill will not set a unique precedent. Currently the spouses of Prisoners of War and Pearl Harbor survivors are allowed, upon death of their spouse for as long as he/she lives, unless he/she remarries, to keep the veteran's license plate. Passing this bill would allow the surviving spouse of a Purple Heart Veteran the same respect. The surviving spouse would still have to pay all required registration fees. New Hampshire is the only New England state that does not allow the surviving spouse to retain the Purple Heart license plate. Nationwide there are more than 30 states that allow the surviving spouse to keep the plate. Passing this bill is an honorable show of support to our state's combat wounded. Vote 13-4.

### MOTION TO LAY ON THE TABLE

Rep. Baldasaro moved that **SB 47**, relative to a surviving spouse's right to retain a Purple Heart plate, be laid on the table.

Rep. Bouchard requested a roll call; sufficiently seconded.

Rep. O'Flaherty offered floor amendment (1993h).

### **Floor Amendment (1993h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to a surviving spouse's right to retain a Purple Heart plate and establishing the New Hampshire liberty act.

Amend the bill by replacing all after section 1 with the following:

#### **2 Findings.**

I. The legislature finds that the enactment into law by the United States Congress of Sections 1021 and 1022 of the National Defense Authorization Act for Fiscal Year 2012, Public Law Number 112-81, is inimical to the liberty, security, and well-being of the people of New Hampshire, and was adopted by the United States Congress in violation of the limits of federal power in United States Constitution.

II. The legislature finds that, together, Sections 1021 and 1022 of the National Defense Authorization Act for Fiscal Year 2012, as they purport to authorize (i) detainment of persons captured within the United States of America without charge, (ii) military tribunals for persons captured within the United States of America, and (iii) the transfer of persons captured within the United States of America to foreign jurisdictions, are violative of the following rights enshrined in the Constitution of the United States of America:

- (a) Article I, Section 9, Clause 2's right to seek writ of habeas corpus;
- (b) The First Amendment's right to petition the government for a redress of grievances;
- (c) The Fourth Amendment's right to be free from unreasonable searches and seizures;
- (d) The Fifth Amendment's right to be free from charge for an infamous or capital crime until presentment or indictment by a grand jury;
- (e) The Fifth Amendment's right to be free from deprivation of life, liberty, or property, without due process of law;
- (f) The Sixth Amendment's right in criminal prosecutions to enjoy a speedy trial by an impartial jury in the state and district where the crime shall have been committed;
- (g) The Sixth Amendment's right to be informed of the nature and cause of the accusation;
- (h) The Sixth Amendment's right to confront witnesses;
- (i) The Sixth Amendment's right to counsel;
- (j) The Eighth Amendment's right to be free from excessive bail and fines, and cruel and unusual punishment; and
- (k) The Fourteenth Amendment's right to be free from deprivation of life, liberty, or property, without due process of law.

III. The legislature finds that, together, Sections 1021 and 1022 of the National Defense Authorization Act for Fiscal Year 2012, as they purport to authorize (i) detainment of persons captured within the United States of America without charge, (ii) military tribunals for persons captured within the United States of America, and (iii) the transfer of persons captured within the United States of America to foreign jurisdictions, violate the following Articles of the Constitution of New Hampshire:

(a) Part I, Article 7, which provides: the people of this state have the sole and exclusive right of governing themselves as a free, sovereign, and independent state; and do, and forever hereafter shall, exercise and enjoy every power, jurisdiction, and right, pertaining thereto, which is not, or may not hereafter be, by them expressly delegated to the United States of America in Congress assembled; and

(b) Part I, Article 10, which provides: government being instituted for the common benefit, protection, and security, of the whole community, and not for the private interest or emolument of any one man, family, or class of men; therefore, whenever the ends of government are perverted, and public liberty manifestly endangered, and all other means of redress are ineffectual, the people may, and of right ought to reform the old, or establish a new government.

3 New Chapter; New Hampshire Liberty Act. Amend RSA by inserting after chapter 646-A the following new chapter:

**CHAPTER 646-B  
NEW HAMPSHIRE LIBERTY ACT**

646-B:1 Support of National Defense Authorization Act Prohibited. The state of New Hampshire shall not provide material support or participate in any way with the implementation of Sections 1021 and 1022 of the National Defense Authorization Act for Fiscal Year 2012 within the boundaries of this state. The department of safety is hereby directed to report to the governor and the legislature any attempt by agencies or agents of the United States government to secure the implementation of Sections 1021 and 1022 of the National Defense Authorization Act for Fiscal Year 2012 through the operations of that or any other state department.

4 Lawsuit Challenging the National Defense Authorization Act for Fiscal Year 2012. The general court urges the attorney general to initiate or support any lawsuit challenging the constitutionality of the detention provisions of the National Defense Authorization Act for Fiscal Year 2012.

5 Effective Date.

I. Section 1 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill entitles a surviving spouse to retain a Purple Heart plate.

This bill establishes the New Hampshire liberty act. The bill prohibits the state from supporting or implementing 2 sections of the National Defense Authorization Act for Fiscal Year 2012, pertaining to the authority of the United States armed services to detain persons suspected of terrorism.

Reps. O'Flaherty and Lambert spoke in favor and yielded to questions.

Reps. Sylvia and Itse spoke in favor.

Rep. Michael O'Brien spoke against.

Rep. Baldasaro spoke against and yielded to questions.

Rep. Lambert requested a roll call; sufficiently seconded.

and the motion failed.			

The question now being adoption of the motion to limit debate to 20 minutes on each side, including questions.

On a division vote, 200 members having voted in the affirmative and 139 in the negative, the motion was adopted.

### REGULAR CALENDAR (CONT'D)

#### **SB 41, revising the New Hampshire business corporations act, RSA 293-A. OUGHT TO PASS WITH AMENDMENT.**

Rep. Chris Muns for Commerce and Consumer Affairs: This bill provides important updates and revisions to the New Hampshire business corporations act, first passed by this legislature in 1993. Since that time there have been virtually no changes to New Hampshire laws that provide guidelines on how corporations are formed, governed and dissolved and New Hampshire has fallen behind other states around the country as being a desirable state in which to incorporate. Like our existing corporation act, SB 41 is based on model language from the American Bar Association's committee on corporate laws. It reflects the best practices and most current case law drawn from 20 years of experience in other states. Although based on the model act, SB 41 is tailored for New Hampshire and includes important protections of shareholder rights. It has the full support of the secretary of state. Most of the changes in SB 41 are updates to concepts that exist in the current statute, with the changes reflecting current methods of doing business and best practices. For example, revisions in SB 41 allow for delivery of documents to the secretary of state by electronic transmission; authorizes remote participation by shareholders at a shareholder meeting; and simplifies the process for entities to convert to corporations, and for out-of-state corporations to re-domicile in New Hampshire. Finally, the bill clarifies a number of issues that are vague or unclearly defined in our current, outdated statute. The amendment corrects a drafting error contained in the bill passed by the Senate; gives the secretary of state the right to notify corporations of inconsistencies with filings; and provides an expedited administrative process for minority shareholders to receive shareholder information in advance of an annual meeting. SB-41 is a top priority for the Business & Industry Association and reflects a truly bipartisan approach and effort to improve New Hampshire's business climate. Vote 14-0.

#### **Amendment (1778h)**

Amend RSA 293-A:1.25 as inserted by section 1 of the bill by inserting after paragraph (e) the following new paragraph:

(f) If, at any time, the secretary of state or any of those acting on his or her behalf determines that any document recorded by them under RSA 292, RSA 293-A, RSA 293-B, RSA 294-A, RSA 301, RSA 301-A, RSA 304-A, RSA 304-B, RSA 304-C, RSA 305-A, or RSA 349 contains defects or inconsistencies, the secretary of state shall notify the filer of said document, in writing, of any defects and inconsistencies.

Amend RSA 293-A:10.04 as inserted by section 1 of the bill by replacing it with the following:

293-A:10.04 Voting on Amendments by Voting Groups.

(a) If a corporation has more than one class of shares outstanding, the holders of the outstanding shares of a class are entitled to vote as a separate voting group (if shareholder voting is otherwise required by this chapter) on a proposed amendment to the articles of incorporation if the amendment would:

- (1) increase or decrease the aggregate number of authorized shares of the class;
- (2) effect an exchange or reclassification of all or part of the shares of the class into shares of another class;
- (3) effect an exchange or reclassification, or create the right of exchange, of all or part of the shares of another class into shares of the class;
- (4) change the rights, preferences, or limitations of all or part of the shares of the class;
- (5) change the shares of all or part of the class into a different number of shares of the same class;
- (6) create a new class of shares having rights or preferences with respect to distributions that are prior or superior to the shares of the class;
- (7) increase the rights, preferences, or number of authorized shares of any class that, after giving effect to the amendment, have rights or preferences with respect to distributions that are prior or superior to the shares of the class;
- (8) limit or deny an existing preemptive right of all or part of the shares of the class; or

(9) cancel or otherwise affect rights to distributions that have accumulated but not yet been authorized on all or part of the shares of the class.

(b) If a proposed amendment would affect a series of a class of shares in one or more of the ways described in subsection (a), the holders of shares of that series are entitled to vote as a separate voting group on the proposed amendment.

(c) If a proposed amendment that entitles the holders of 2 or more classes or series of shares to vote as separate voting groups under this section would affect those 2 or more classes or series in the same or a substantially similar way, the holders of shares of all the classes or series so affected must vote together as a single voting group on the proposed amendment, unless otherwise provided in the articles of incorporation or required by the board of directors.

(d) A class or series of shares is entitled to the voting rights granted by this section although the articles of incorporation provide that the shares are nonvoting shares.

Amend RSA 293-A:14.20(a)(4)-(5) as inserted by section 1 of the bill by replacing them with the following:

(4) the corporation does not notify the secretary of state within 60 days that its registered agent or registered office has been changed, that its registered agent has resigned, or that its registered office has been discontinued;

(5) the corporation's period of duration stated in its articles of incorporation expires; or

(6) the corporation or any individual acting on its behalf files any document with the secretary of state that, either alone or in conjunction with any other document, constitutes a knowing violation of applicable statutes.

Amend RSA 293-A:14.21 as inserted by section 1 of the bill by inserting after paragraph (e) the following new paragraphs:

(f) In connection with the issuance of a notice of dissolution by the secretary of state under RSA 293-A:14.21(a) on grounds set forth in RSA 293-A:14.20(a)(6), a hearing shall be set for 10 business days after the issuance of the notice of dissolution. All hearings shall be conducted in accordance with RSA 421-B:26-a. If the person whom the notice is issued fails to appear for the hearing, then such person shall be deemed in default, and the dissolution shall become final.

(g) Unless an order is final pursuant to RSA 293-A:14.21(f), any administrative dissolution by the secretary of state on grounds set forth in RSA 293-A:14.20(a)(6) may be appealed to the superior court of the county where the corporation's principal office, or, if none in this state, its registered office, is located or the business and commercial dispute docket of the superior court, which court shall be deemed to have jurisdiction to hear such matter and to which the corporation and the secretary of state shall be deemed to have consented. Any appeal under this section shall not affect any rights of the corporation under RSA 293-A:14.22, RSA 293-A:14.22-a, or RSA 293-A:14.23.

Amend RSA 293-A:16.02(e)-(h) as inserted by section 1 of the bill by replacing them with the following:

(e) For purposes of RSA 293-A:16.02(d), if a shareholder makes a written demand on a corporation for an alphabetical list of the names and addresses of its shareholders who are entitled to notice of a shareholders' meeting for the purpose of communicating with other shareholders relating to an item of business listed in the notice, and the corporation refuses to allow inspection and copying of the list, the shareholder may petition the secretary of state to issue an order requiring the corporation to allow the shareholder to inspect and copy the list of shareholders pursuant to the provisions of RSA 421-B:26-a. The secretary of state, or his or her designee, shall confirm that (i) the petitioner is a shareholder of the corporation, (ii) the corporation has given a notice of shareholder meeting to its shareholders, and (iii) the shareholder made a written demand to inspect and copy the shareholder list for the purpose of communicating with the shareholders regarding an item of business set forth in the notice. If the secretary of state confirms such information, he or she shall schedule a hearing no later than 10 business days after making such confirmation. The secretary of state shall promptly give the petitioner and the corporation notice of the hearing. At such hearing, the presiding officer shall determine whether the petitioner has made the demand for the inspection and copying of the shareholder list for a proper purpose and in good faith and in accordance with RSA 293-A:16.02(d) and, if so, he or she shall order the corporation to comply with the law. If the corporation fails to attend the hearing, the corporation shall be deemed to be in default, and the presiding officer may issue an order requiring it to allow the petitioner to inspect and copy the shareholder list. Such order in the case of default shall be deemed final and may be enforced by the secretary of state pursuant to RSA 293-A:16.02(f).

(f) Unless an order is final pursuant to RSA 293-A:16.02(e), any order or refusal to grant an order by the secretary of state under this subsection may be appealed to the superior court of the county where the corporation's principal office, or, if none in this state, its registered office, is located or the business and commercial dispute docket of the superior court, which court shall be deemed to have jurisdiction to hear such matter and to which the corporation or shareholder, as the case may be, shall be deemed to have consented. The secretary of state or his or her designee may bring an action in the superior court to enforce compliance with any final order under this section. Upon a proper showing, an injunction or other equitable relief may be granted.

(g) The right of inspection granted by this section may not be abolished or limited by a corporation's articles of incorporation or bylaws.

(h) This section does not affect:

(1) the right of a shareholder to inspect records under RSA 293-A:7.20 or, if the shareholder is in litigation with the corporation, to the same extent as any other litigant; or

(2) the power of a court, independently of this chapter, to compel the production of corporate records for examination.

(i) For purposes of this section, "shareholder" includes a beneficial owner whose shares are held in a voting trust or by a nominee on the shareholder's behalf.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Muns spoke in favor.

Rep. Butler requested a roll call; sufficiently seconded.

**SB 198**, relative to the authority of county correctional officers. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gene P. Charron for Criminal Justice and Public Safety: The purpose of this bill is to enable the county commissioners to organize a county transport and a custody force consisting of county department of corrections personnel for the purpose of providing general security for county department of corrections roads, buildings and grounds. This bills amends RSA 30-B which will now include a new subdivision 30-B:25 and 30-B: 26. Over the years county corrections has grown considerably and it is not uncommon for county corrections to provide transport of inmates to other county facilities, medical appointments and other purposes as needed. Most if not all 10 counties engage in transport. The county cruisers are marked and equipped with communication and in most cases blue emergency lights. Even

though the emergency lights were an accepted practice over the years, it appears that the blue lights were not permissible according to RSA 266:78-b. A short version of the law is that the blue lights are only permissible for law enforcement officers who have the powers of arrest. Correctional personnel do not have powers of arrest. The county commissioners with the passage of this bill will be enabled, if they wish, to create a transport and custody force. The officers will be ex officio constables with limited powers of arrest on county grounds. Within the new statutes are required training and written policies. The new amendments will also allow limited use of blue lights. The creation of this bill has the support of county commissioners, corrections superintendents and law enforcement agencies. The passage of this law will bring county corrections in conformance. Vote 11-2.

#### **Amendment (1882h)**

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; County Departments of Corrections; County Transport and Custody Officers; Powers and Duties. Amend RSA 30-B by inserting after section 24 the following new subdivision:  
County Transport and Custody Officers

30-B:25 County Transport and Custody Officers. The county commissioners may appoint county transport and custody officers, consisting of selected members of the county department of corrections line personnel identified by the superintendent, for the purpose of patrolling county department of corrections buildings, roads, and grounds, and providing for general security at the county correctional facility. If transport and custody officers are appointed, the county commissioners shall adopt a written policy establishing rules relating to the control and responsibility of the transport and custody officers. The policy shall include a requirement for training designed for the specific functions of the transport and custody officers as prescribed in this subdivision, including education on the power of arrest, firearms training and certification, and defensive driving.

30-B:26 Powers and Duties. All transport and custody officers shall be ex officio constables and shall possess limited powers of arrest which shall only extend to the confines of the grounds of the county correctional facility and to the period during which such officers are on official active duty. The 2 instances where the authority of the transport and custody officers shall extend beyond the county correctional facility grounds, and during which time the transport and custody officers may utilize blue lights on vehicles pursuant to RSA 266:78-b, are:

I. Where a county transport and custody officer is in hot pursuit of a person who has committed a crime or violation by interfering with the maintenance of custody and control; or

II. Where a county transport and custody officer is transporting or assisting in the transport of a committed inmate, including, but not limited to, medical transports and transports involving a committed inmate who is receiving services in a health care setting.

2 Effective Date. This act shall take effect 60 days after its passage.

#### **AMENDED ANALYSIS**

This bill authorizes the county commissioners to approve county transport and custody officers consisting of county department of corrections personnel.

Amendment adopted.

Committee report adopted and ordered to third reading.

**SB 27-FN**, relative to monitoring by the department of education of programs for children with disabilities. **OUGHT TO PASS.**

Rep. Beth R. Arsenault for Education: This bill is relative to the monitoring of programs for children with disabilities by the department of education (DOE). It requires a written response to the report submitted by the organization that conducted the 2012 independent evaluation. This response will include a detailed plan as to how the department will address those areas identified as needing improvement on or before December 30, 2013. It requires an evaluation be repeated in 2015 and decennially thereafter and will include feedback on the steps the department has taken in response to the 2012 report. Vote 15-4.

Rep. Shurtleff offered floor amendment (1990h).

#### **Floor Amendment (1990h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to monitoring by the department of education of programs for children with disabilities and relative to the calculation of school building aid grants.

Amend the bill by replacing all after section 1 with the following:

2 School Building Aid; Amount of Grant. Amend RSA 198:15-b, I(a)(2)(E) to read as follows:

(E) Funds received from charitable trusts, bequests, gifts, insurance policies, federal grants, or grants from other state programs shall ~~[not be considered in]~~ **be subtracted from total project costs when** computing grants under this paragraph.

3 New Subparagraph; School Building Aid; Amount of Grant. Amend RSA 198:15-b, I(a)(2) by inserting after subparagraph (D) the following new subparagraph:

(E) Funds received from charitable trusts, bequests, gifts, insurance policies, federal grants, or grants from other state programs shall be subtracted from total project costs when computing grants under this paragraph.

4 Contingency. If HB 629-FN of the 2013 regular legislative session becomes law, then section 2 of this act shall take effect at 12:01 a.m. on the effective date of HB 629-FN and section 3 of this act shall not take effect. If HB 629-FN does not become law, then section 3 of this act shall take effect as provided in section 5 of this act and section 2 of this act shall not take effect.

5 Effective Date.

I. Sections 2 and 3 of this act shall take effect as provided in section 4 of this act.

II. The remainder of this act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill requires the department of education to evaluate the effectiveness of the special education program approval and monitoring system in 2015. The bill also provides that certain funds received from charitable trusts, bequests, gifts, insurance policies, or grants shall be subtracted from total project costs in the calculation of school building aid grants.

Rep. Shurtleff spoke in favor.

Floor amendment (1990h) adopted.

Committee report adopted and ordered to third reading.

**SB 48**, relative to school performance and accountability. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Anne C. Grassie for Education: This bill, as amended, establishes definitions of priority schools and focus schools, therefore making various changes to the statutes on school performance and accountability. It also eliminates the requirement to assess student's dispositions' while promoting the capacity of effective teachers to support students' work-study practices for success in college, career and citizenship. Vote 15-4.

#### Amendment (1641h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; School Performance and Accountability; Purpose. Amend RSA 193-H by inserting after section 1 the following new section:

193-H:1-a Purpose.

I. The purpose of this chapter is to create an accountability model that will best support schools and educators as they work to enable all students to progress toward college and career readiness with clearly defined learning outcomes.

II. New Hampshire's student assessment system should promote and measure knowledge and skills that lead students to graduate from high schools ready for college and career.

III. Students best learn at their own pace as they master content and skills, allowing them to advance when they demonstrate the desired level of mastery rather than progressing based on a predetermined amount of seat time in a classroom will assure that students will reach college and career readiness.

IV. New Hampshire's system of educator support should promote the capacity of educators to deeply engage students in learning rigorous and meaningful knowledge, skills, and work-study practices for success in college, career, and citizenship.

V. Competency-based strategies provide flexibility in the way that credit can be earned and awarded and provide students with personalized learning, including those that are offered through on-line, blended, and community based opportunities.

2 School Performance and Accountability; Definitions. Amend RSA 193-H:1 to read as follows:

193-H:1 Definitions. In this chapter:

I. "Commissioner" means the commissioner of the department of education.

***I-a. "Competencies" means student learning targets that represent key content-specific concepts, skills, and knowledge applied within or across content domains.***

II. "Department" means the department of education.

III. "[~~Highly-qualified~~] ***Effective*** teacher" means a person who is certified by the local school board ***and holds a valid teaching credential***, and who has demonstrated, through a process approved by the department of education, teaching skills in the core subjects of instruction.

IV. "***Focus school***" means ***a low performing school that has the largest within-school gaps between the highest achieving subgroup or subgroups of students and the lowest-achieving subgroup or subgroups of students or, for a high school, has the largest within-school gaps in graduation rates.***

V. "***Priority school***" means:

***(a) A school that is among the lowest performing 5 percent of schools in the state based on the achievement of all students on the statewide assessment pursuant to RSA 193-C and which, when measuring the achievement of all students, has demonstrated a lack of progress on the statewide assessment over 3 years; or***

***(b) A high school with a graduation rate of less than 60 percent over 3 consecutive years.***

VI. "Statewide assessment" means the New Hampshire education improvement and assessment program as established under RSA 193-C.

VII. "***Work-study practices***" means ***those behaviors that enhance learning achievement and promote a positive work ethic such as, but not limited to, listening and following directions, accepting responsibility, staying on task, completing work accurately, managing time wisely, respecting authority, observing rules, showing initiative, and being cooperative.***

3 School Performance and Accountability; Statewide Performance Assessment and Targets. Amend RSA 193-H:2 to read as follows:

193-H:2 Statewide Performance Targets.

I. On or before the 2013-2014 school year, schools shall ensure that all pupils are performing at the basic level or above on the statewide assessment as established in RSA 193-C.

II. In addition to the requirements of paragraph I, schools shall meet statewide performance targets as approved by the legislative oversight committee established in RSA 193-C and thereafter, ***as established in rules adopted by the state board of education pursuant to RSA 541-A which shall include rules for:***

***(a) The statewide improvement and assessment program pursuant to RSA 193-C.***

***(b) Attendance rates.***

***(c) The percentage of pupils who graduate with a diploma from an approved high school.***

III. [Schools shall meet statewide performance targets as approved by the legislative oversight committee established in RSA 193-C and thereafter, established in the rules adopted by the state board of education pursuant to RSA 541-A, relative to the statewide assessment.

IV. Schools shall meet statewide performance targets as approved by the legislative oversight committee established in RSA 193-C and thereafter, established in the rules adopted by the state board of education pursuant to RSA 541-A, relative to attendance rate.

V. Schools shall meet statewide performance targets as approved by the legislative oversight committee established in RSA 193-C and thereafter, established in the rules adopted by the state board of education pursuant to RSA 541-A, relative to the percentage of pupils who graduate with a regular diploma from an approved high school.

VI.] Notwithstanding RSA 541-A, the state board of education shall receive approval from the legislative oversight committee established in RSA 193-C prior to the submission of any rules to the joint legislative committee on administrative rules relative to statewide performance targets required under this section.

4 School Performance and Accountability; Identification and Public Disclosure. Amend RSA 193-H:3 to read as follows:

193-H:3 Identification and Public Disclosure of ***Priority Schools and Focus Schools*** [~~in-Need of Improvement~~].

I. The commissioner shall annually compile and disseminate to the governor and council, the president of the senate, the speaker of the house of representatives, local school boards, superintendents of schools, and the public, and shall make available on the department website, a list of ***priority schools and focus schools*** [~~that are not meeting~~] ***based on*** the statewide performance targets established in RSA 193-H:2.

II. A school or school district designated by the commissioner as [~~not meeting statewide performance targets~~] **a priority school or a focus school** shall have 30 days from the date of the report to appeal such designation to the state board of education.

5 School Performance and Accountability; Local Education Improvement Plan. Amend RSA 193-H:4, I to read as follows:

I.(a) A school or school district shall have one year from the date that a school or school district has been designated as [~~in need of improvement~~] **a priority school or a focus school** pursuant to RSA 193-H:3 to take action to remedy identified problems at the local level. The school or school district shall create a plan that identifies actions that it intends to correct the areas of concern. This plan shall be submitted to the state board within 90 days of the date that the school or school district was designated as [~~in need of improvement~~] **a priority school or a focus school**. If the plan does not sufficiently address the areas of concern, the state board shall disapprove the plan within 30 days. If the state board disapproves the plan, the state board's designee shall work with the school or school district to amend the plan so that it meets state board approval. One year following the designation, if the school or school district is not making satisfactory progress in implementing its plan, the commissioner of education shall issue a notice to the school or school district and shall initiate a process for providing assistance pursuant to paragraph II; or

(b) If a school or school district has been designated as [~~in need of improvement~~] **a priority school or a focus school**, then the school or school district may request assistance from the department of education. The department shall provide technical assistance to those schools that request assistance under this section.

(c) On or before the one year anniversary of being designated as a [~~school or school district in need of improvement~~] **priority school or a focus school**, the commissioner shall designate a progress review team to evaluate the implementation of the improvement plans and the progress toward state performance targets. The progress review team shall deliver a report to the state board. This report shall include evidence of satisfactory implementation and progress towards state performance targets or lack thereof and recommendations regarding future actions pursuant to subparagraph II(b).

6 School Performance and Accountability; Local Education Improvement Plan. Amend RSA 193-H:4, III(a) to read as follows:

(a) Identify the area in which the school [~~failed~~] **needs** to meet the annual statewide performance targets established under RSA 193-H:2.

7 Repeal. The following are repealed:

I. RSA 193-C:1, V, relative to the local education improvement and assessment plan.

II. RSA 193-C:9, relative to the local education improvement fund.

8 Effective Date. This act shall take effect 60 days after its passage.

Rep. Ladd spoke in favor.

Amendment adopted.

The question being adoption of the committee report of Ought to Pass with Amendment.

Rep. Murotake spoke against.

**(Rep. Kaen in the Chair)**

Reps. Grassie and Gorman spoke in favor.

Reps. Pitre and Cordelli spoke against.

### **MOTION TO LAY ON THE TABLE**

Rep. Boehm moved that **SB 48**, relative to school performance and accountability, be laid on the table. On a division vote, 135 members having voted in the affirmative and 189 in the negative, the motion failed.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Harris spoke against.

Rep. Tucker requested a roll call; sufficiently seconded.

**DEBATE ON SB 48**

**Speaker Norelli:** The question before the House is the committee amendment. The Chair recognizes the member from Haverhill, Representative Ladd.

**Rep. Ladd:** Thank you, Madam Speaker. I'll try to keep this brief. SB 48, if you have been looking at the web, there is a lot of consternation on this bill. I think that we need to really qualify what we have here – clarify. The amendment which you have before you is the bill. When this bill came to committee, there were a number of issues in which we looked at in terms of school performance and accountability and if you look through our statutes, presently we have a statute that we measure knowledge and skills. We've done that in our schools for years and years and years. The bill came to us and we are going to measure and promote knowledge, skills and dispositions. The committee really tried to understand what dispositions meant and if you look at the web you are going to find 'habits of mind' and basically as an educator, I have no room for that type of psychological mumbo-jumbo and so we went back to the old report cards which we've seen and we took dispositions out and we put in what everybody knows, work study habits. So, on one side we are measuring knowledge and skills and the other side we are promoting work study habits, listening in a classroom, following directions, all of that stuff that your teacher's try to get you to do when you are in grade school.

Some learned it, some didn't. Now, how we evaluate our, and measure, our education currently in accordance with No Child Left Behind, which was put into effect in 2001, we have 3 letters we call AYP, annual yearly progress, and by 2014 all students are going to have to be meeting in schools, are going to have to meet annual yearly progress. They are all going to have to be proficient. We know that there are subgroups within our schools, be it those which are socio-economic or special education, title I, English language learners. We have various groups where all students are not going to become proficient and this is a problem throughout our state. The system which we use to measure achievement, measure growth and holds schools accountable is basically broken. It is broken. No Child Left Behind is at the point where we need to replace it. In accordance with ESEA, Elementary Secondary Education Act, put into effect way back in 1965, modified again in 1994, a waiver can be asked for and this state along with a number of other states has asked for a waiver to No Child Left Behind. Currently, 38 states have been approved waivers and those waivers were approved given the fact that several of those states have not bought in to common core standards at all. Alaska hasn't, Texas hasn't, Minnesota went with language-English, but withdrew and didn't want to do mathematics, Indiana, Virginia. We are now one of 8 states, along with Texas, which have an application that's pending. Texas is another state that didn't buy in to common core. We have by principle. The other thing that this amendment does in terms of getting a background there, it integrates competencies into all levels of education in our schools. We've had those in place for years and years, we just called it different names: performance outcomes, criteria indicators. We should have competencies in place. We are required to do that in our high schools right now. Every course that a student takes in high school, there must be a course and/or measurement to which measures that the student is competent and why do we have that? We have it simply because we are tired of sending our kids on to college, community colleges where 70% that are applying are ending up to take remedial education at a cost which could be anywhere from \$500 per credit hour. We are wasting their money when we give a grade saying you are passing in high school in mathematics or English. They pass those competencies. We don't want to fool parents. We don't want to fool kids anymore. So, what we are doing is we are hoping we can move away from AYP and get this waiver in place. It has absolutely nothing to do with common core standards. We are getting the waiver as a result of the ESEA, No Child Left Behind. Common core standards is a different ball game. I myself am not very pleased the way we entered into common core standards in this state, with the state board getting the draft in June 2010, and July 2010 approving them by principle. There is also implementation cost, but this is not that. This is going to save us money. So I encourage you all to support this amendment. It is a good amendment. The committee worked hard on this and it was bipartisan support. Thank you very much.

**Speaker Norelli:** The question before the House is committee amendment on SB 48. Are you ready for the question? All those in favor, say Aye. Those opposed, Nay. The Ayes have it and the amendment is adopted. The question before the House is committee report of Ought to Pass as Amended on SB 48. The Chair recognizes the member from Nashua, Representative Murotake to speak in opposition to the committee report.

**Rep. Murotake:** Hello, I am going to make this as quick as possible. I've served on the Nashua Board of Education for the last several years. I may have been one of a very small number of elected officials that actually worked closely with the state board of education trying to understand the common core. I understand that the argument is that this bill has nothing to do with the common core, but I would beg to differ. It turns out that the common core is very complex. Part of the common core deal with curriculum standards. In other words, what content are you teaching? Others will deal with pedagogy, how do you deliver the content that you are teaching. There is another piece called assessment in which you determine basically how much of the information is being absorbed and understood by the students. Finally, following assessment, are the consequences. What do you do with the schools and the classrooms that are not teaching what you would like to have taught? Unfortunately, there are a number of difficulties with the assessment and consequences part. I would just like to read off a few of these things. For example, on the 27<sup>th</sup> and 30<sup>th</sup> of March, Hart Research Associates conducted a survey of 800 AFT teachers. Over 74% worry that the assessments will begin before students and teachers are ready to be tested. 39% say their districts will not be ready in time to begin their standardized assessments. The majority believe their districts have not done enough in terms of professional development to learn both content and pedagogy, develop model lesson plans and deploy the computers and network bandwidth needed to run the computerized assessments. On April 30<sup>th</sup> Education Secretary Arne Duncan admitted to flaws in standardized

common core assessments and consequences to the annual meeting of the American Educational Research Association. The assessments and consequences are all high stakes. The future of education reform and the career futures of teachers ride on these assessments and consequences. So rather than abandon standardized assessment, Duncan called for assessment 2.0, a rethink on common core assessments and consequences, essentially a moratorium. On the 30<sup>th</sup> of April, AFT President, Lisa Weingarten called for a moratorium on common core consequences citing the lack of readiness of standards, the school districts, the students and the teachers. Dennis Van Roekel, President of the NEA, also called for a 2-year moratorium on high stakes consequences. The following month, in May, the National School boards Association, the School Superintendent Association, the National Association of Elementary School Principals and the National Association of Secondary School Principals all supported a moratorium. Their joint memo states that states and districts face very real obstacles to align their curricula with the new standards and administer the required tests. So, basically, having chaired the curriculum and evaluation committee of the Nashua School District for the last several years, I share the concerns of all of these individuals. I happen to like a goodly portion of the common core, but I do not think that this is the right time for SB 48 and I ask all of you here to oppose Ought to Pass on this bill. Thank you.

### **(Deputy Speaker Kaen in the Chair)**

**Deputy Speaker Kaen:** Will the member entertain a question?

**Rep. Murotake:** In the interest of time, no.

**Deputy Speaker Kaen:** The member does not yield. The Chair recognizes the Representative from Rochester. The question before the House is the Ought to Pass as Amended motion recommended by the committee on SB 48. The Chair recognizes the member from Rochester, Representative Grassie to speak in favor of the committee report.

**Rep. Grassie:** Thank you, Madam Speaker. A little extra we had notwithstanding beforehand. This bill has very little to do with common core standards. This bill has to do with the fact that we are currently using an assessment program in our schools that is broken. AYP is broken. By 2015, every child has to be proficient and we know that can't happen. So, the state department of education has asked the federal government for a waiver for New Hampshire students. This bill aligns our statutes and the language with the waiver request. It's as simple as that. The committee worked on taking out the controversial, questionable statements that were left in it when it came back from the Senate and we took out dispositions. We want teachers to support work study habits for children. It's a bipartisan vote out of the education committee and I would like you to support us and vote yes. Thank you.

**Deputy Speaker Kaen:** The member does not yield to a question. The question before the House is the Ought to Pass as Amended committee recommendation on SB 48. The Chair now recognizes the member from Farmington, Representative Pitre to speak against the motion.

**Rep. Pitre:** Thank you, Madam Speaker. I rise in opposition to SB 48 that effectively puts common core in New Hampshire statute. In 1988, Marc Tucker became the President of the National Center of Education and Economy. He joined up with Hillary Clinton, Mario Cuomo and Ira Magaziner to get states to move away from local control of their schools and migrate to national standards. The evidence shows that powerful and influential people and organizations have collaborated to create a global education system that will track our children and move them toward a global perspective that takes away states individual sovereignty. Accountable performance standards will force all cities and towns to adopt common core at a tremendous cost. I am a school board member and very familiar with federal government programs and promises not kept. The federal government is barred from creating national standards, General Education Provisions Act and the 9<sup>th</sup> and 10<sup>th</sup> Amendments of the U.S. Constitution, so they allow this orchestration to happen and committed to funding other elements of the takeover. The Pioneer Institute estimated the implementation cost of national common core to be \$404 per child. An *Education Week* article from August 2012 estimated the cost of initial implementation of the program at \$289 per student. The state of Texas estimated a cost of \$3 billion for 4.85 million students to implement common core or \$620 per child. The New Hampshire school population is approximately 189,000 students. The cost to New Hampshire taxpayers would be \$54.6 to \$117.2 million to implement the total New Hampshire program. Just 1272 students at \$280 would be approximately \$368,000 or 76 cents on the property tax rate. Manchester would potentially incur cost of \$4.1 to \$8.9 million. Nationally there are 54.7 million students at \$289 each equates to nearly \$17 billion up to \$33 billion at \$620 per child, the potential

cost to taxpayers. I am amazed that there is no fiscal note on this bill. I would also question the unfounded mandate that this bill creates and violates the New Hampshire Constitution Amendment 28-a. The cost? The costs incurred by this bill are new books, educational material to transition from an education-based instruction to a training-based instruction. Training-based instruction readies our students for workforce, a dumbing-down of our student population nationwide. The biggest costs will be large amounts of technology required for teaching and assessment of the students the common core program. The Bill and Melinda Gates Foundation is actively advocating this program. The economic impact to the Microsoft Corporation, the Bill Gates goldmine, would be huge. Please help me defeat SB 48, Ought to Pass as Amended, and keep local control of our schools by pressing the red button. Thank you.

**Deputy Speaker Kaen:** Would the member yield to a question? The member does not yield. The question before the House is the committee report of Ought to Pass as Amended on SB 48. The Chair now recognizes the member from Nashua, Representative Gorman, to speak in favor of the committee report.

**Rep. Gorman:** Thank you, Madam Speaker and honorable colleagues. I rise in support of SB 48, as amended, and I do so for the following reasons. The purpose of SB 48 is to develop an assessment model which measures accurately the skills and knowledge of our high school graduates to ensure their preparedness for a career and college. SB 48 meets this purpose by first identifying schools that are struggling. Priority schools are those among the lowest performing 5% based on the achievement of all students on the statewide assessment tests and demonstrated lack of progress over a 3-year period. Focus schools are low performing schools that have the largest within school gaps between highest achieving groups or sub-groups and the lowest achieving groups or sub-groups. Priority schools and focus schools will be given a year to develop a plan and take action to address their inadequacies. This plan must be approved by the state board of education and if sufficient progress is not made, the department of education will issue a notice and initiate assistance. SB 48 also calls for measurable standards or student learning targets that represent key content specific concepts, skills and knowledge applied within or across content domains. Emphasis on mastery utilization and synthesis of knowledge is prescribed. Lastly, SB 48 promotes the habits which enhance learning and advance a positive work ethic. Examples include, listening, accepting responsibility for one's behavior, time management and working well with others. Please join me in pressing the green button in support of the committee report of Ought to Pass as Amended and I thank you.

**Deputy Speaker Kaen:** Would the member yield to a question? The member does not yield. The question before the House is the committee report of Ought to Pass as Amended on SB 48. The Chair now recognizes the Representative from Tuftonboro, Representative Cordelli to speak against the committee report.

**Rep. Cordelli:** Thank you, Madam Speaker and thank you, fellow Representatives. When you sent your children off to elementary school did you know who they would become? How about high school? Or, maybe when they left for college? Let's take a look at SB 48. In a new section it states, "Enable all students to progress toward college and career readiness with clearly defined learning outcomes." Let me repeat that, "clearly defined learning outcomes." Next, let's take a look at a recent article from the Concord Monitor. What is going on is that the department of education is presenting new administrative rules to the board of education that require local school districts to shift away from granting credits for graduation to passing competencies. We will get to that in a moment, but in this article the representative of the department of education is discussing competencies and says that students will still have the choice of which math courses to take to meet those skills or competencies but no matter what courses a student takes, they'll have the same set of knowledge as their peers. Does this bill put New Hampshire on a path for all students to master the same set of academic skills and knowledge? Are we revamping our education system to provide more for the individual needs of the students or are we trying to fit them all in the same little neat box? Now, back to competencies. We know that the department wants to move to a system of assessing competencies and requiring competencies rather than credits for graduation. SB 48 puts those competencies into statute. What are competencies? Competency based education is centered on skills and outcomes of learning. It emphasizes what students are expected to do. In the 1990's it became associated with what graduates would need for a 21<sup>st</sup> century work place. We see that in SB 48, college and career readiness. Let me quote former IBM CEO Louis Gerstner, "We are not interested in public schools teaching work related skills. We can teach them what they need to run a machine or develop a marketing plan. What is killing us is having to teach them to read, compute

and communicate.” In addition, SB 48 established the premise that students should advance based on passage of competencies rather than a predetermined amount of seat-time. Are we ready to pass SB 48 and put in place a radical shift to where a bright student can advance well beyond his peers and friends? Do we want an 11 or 12-year old as a junior in high school? Or maybe a 16 or 17-year old in middle school? Please consider there is another bill, SB 82 that establishes a commission to look into competencies. That bill, however, is being retained by the education committee because of multiple concerns, including whether competencies are appropriate for elementary school where we are trying to teach the fundamental basic building blocks of math, English and history. Are we not putting the cart before the horse by passing SB 48 before we can have a commission to look at competencies? If you have questions about what is going on and the impact on our children, please join me in voting no. Thank you.

**Deputy Speaker Kaen:** The question before the House is the Ought to Pass as Amended motion on SB 48. For what reason does the member rise?

**Rep. Boehm:** I'd like to make a motion.

**Deputy Speaker Kaen:** State your motion please.

**Rep. Boehm:** I'd like to make a motion to table SB 48 and request a division vote.

**Deputy Speaker Kaen:** The question before the House; it has been moved to table SB 48. Would the members please take their seats? This is a non-debatable motion. Would the Sergeant-at-Arms please have the members take their seats? This will be a division vote. The question before the House is the motion to table SB 48. The question before the House is the tabling motion on SB 48. Would the members please take their seats? Sergeant-at-Arms, thank you. This will be a division vote. The question before the House is the motion to table SB 48. If you are in favor of the motion, you will be pressing the green button. If opposed, you will press the red button. Stations will...Are you ready? The Chair recognizes Rep. Boehm for a parliamentary inquiry.

**Rep. Boehm:** Thank you, Madam Speaker. Madam Speaker, if I know that this bill is dependent on SB 82 which was retained by the education committee, which establishes a commission to identify strategies needed for developing and implementing a competency-based public education system. And, Madam Speaker, if I know that this bill assumes a competency-based system that has not been fully developed yet as per SB 82. And, Madam Speaker, if I know that this bill should have a fiscal note and that it will increase cost at the local level and as such is a 28-a issue and is not funded by the state. And, Madam Speaker, if I know that this bill puts the cart before the horse and has multiple problems, will you join me in pressing the green button to table this bill? Thank you.

**Deputy Speaker Kaen:** The question before the House is the motion to table SB 48. The Chair now recognizes Rep. Gile for a parliamentary inquiry.

**Rep. Gile:** Thank you very much, Madam Speaker. If I know that SB 48 is critical to New Hampshire's approval for a waiver and release from the requirements of No Child Left Behind. And, if I also know that 38 states already have waivers, 8 are under review, including New Hampshire. And, if I know that SB 48 has absolutely nothing to do with the core, the common core standards, would you please now vote red and vote down the motion to table. Thank you very much.

**Deputy Speaker Kaen:** The question before the House is the motion to table SB 48. This will be a division vote. If you are in favor of the motion, you will press the green button. If you are opposed to the tabling motion, you will press the red button. Voting stations are open for 30 seconds. Have all members voted who were here when the question was put? The House will be attentive to the state of the vote. 135 having voted in the affirmative and 189 in opposition, the motion fails. The question before the House is the Ought to Pass as Amended motion on SB 48. The Chair now recognizes Representative Harris for a parliamentary inquiry.

**Rep. Harris:** Thank you, Madam Speaker. If I know the purpose of this is to move all students to a clearly defined learning outcome. And, if I further know that teachers across this country are saying, we need to slow down. We have to slow down the march of these competencies and this new assessment system. And, if I know these competency-based student assessments will come and create problems for our athletic programs, our student athletes, their parents and also cause problems with scholarships, both athletic and academic. And, if I know, we do not know the cost of this to our state. And, if I know this bill repeals statutes relating to local control measures which focus on the growth of our students, would I now vote no on this Ought to Pass and give us time to review this major shift in education by pressing the red button? Madam Speaker, I ask for a roll call vote.

**Deputy Speaker Kaen:** A roll call has already been requested by Representative Tucker. Is that sufficiently seconded? It is sufficiently seconded. This will be a roll call vote. Members please

take their seats. The question before the House is the Ought to Pass as Amended committee recommendation on SB 48. Would the members please take their seats? The Chair now recognizes Representative Gile for a parliamentary inquiry.

**Rep. Gile:** Thank you, Madam Speaker. As I just said, if I know that SB 48, relative to school performance and accountability is critical to New Hampshire's approval for a waiver and release from the requirements of No Child Left Behind. And, if I also know that identifying schools as focus and priority schools, more clearly defines the specific needs of schools with challenges and the types of technical assistance required to improve student performance. And, if I know that SB 48, while promoting higher expectations for students, has nothing to do with common core and everything to do with the waiver request. And, finally, if I know that the SB 48 subcommittee met 3 times to agree on amendments to specific language and evaluation requirements and that the final amendment approved by the majority of the House Education Committee replaces all of the enacting clause of the original bill, which seems to have caused so much misunderstanding, would I now vote green and support the bipartisan 15-4 vote of the House Education Committee? Thank you, Madam Speaker.

**Deputy Speaker Kaen:** The question before the House is the Ought to Pass as Amended committee recommendation on SB 48. This will be a roll call vote. If you are in favor, you will press the green button. If you are opposed, you will press the red button. Stations will be open for 30 seconds. Have all members voted who were here when the question was put? The House will be attentive to the state of the vote. 198 having voted in the affirmative, 134 in the negative, the motion passes. For what purpose does the member rise?

**Rep. Kurk:** To make a motion.

**Deputy Speaker Kaen:** You may state your motion.

**Rep. Kurk:** I move that the debate on SB 48 be printed in the Permanent Journal and I would ask to speak to my motion.

**Deputy Speaker Kaen:** The member is recognized to speak to his motion.

**Rep. Kurk:** Thank you, Madam Speaker. We just had a debate in which the proponents have asserted, stated, that this bill does not reflect or affect the common core and the opponents have stated the opposite. The proponents have prevailed. Therefore their view of the bill should prevail and in order to make sure in the future that neither the State Board of Education nor the Department of Education use this bill as support for suggesting that the Legislature has supported the introduction of the common core, the debate should be printed to resolve the issue. Thank you.

**Deputy Speaker Kaen:** The question before the House is to have the debate on SB 48 printed in the Permanent Journal. Are you ready for the question? A roll call has been requested by Representative Tamburello. That is sufficiently seconded. This will be a roll call vote. The question before the House is the motion to have the debate on SB 48 printed in the Permanent Journal. This will be a roll call vote on whether to print the debate in the Permanent Journal. Those in favor will press the green button. Those opposed the red button. Stations are open for 30 seconds. Have all members voted who were here when the question was put? The House will be attentive to the state of the vote. 300 having voted in the affirmative, 32 in the negative, the motion passes.

### REGULAR CALENDAR (CONT'D)

**SB 135-FN**, relative to the regulation of the practice of genetic counseling. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

**Rep. Lucy M. Weber** for the Majority of Executive Departments and Administration: The practice of genetic counseling is an emerging specialty. Currently, anyone can identify himself or herself as a genetic counselor, whether he or she has appropriate training or not. This bill was introduced to ensure that medical professionals and members of the public are advised in this most personal aspect of their lives by qualified professionals. The bill, as amended in its entirety by the committee amendment, defines the practice of genetic counseling, adds genetic counselors to the list of allied health professionals, establishes that all genetic counselors must be certified by either the American Board of Genetic Counselors or the American Board of Medical Genetics, establishes a genetics counseling governing board, and provides for NH state licensure by that board. It sets out requirements for licensure and specific guidelines for rulemaking. The bill establishes strict privacy controls for patients' genetic information. The majority of the committee was persuaded that regulation of this emerging field was necessary to ensure that services in this most personal and private area are delivered by qualified and ethical professionals. Vote 12-5.

Rep. Carol M. McGuire for the Minority of Executive Departments and Administration: This bill is an unnecessary overreach of government. The 20 or so genetic counselors in the state work with doctors, clinics, and hospitals, not direct to consumers. Doctors know - or can easily learn - how to find a qualified genetic counselor, and individuals typically approach their doctors first, as with any medical question. All the patient harm the committee heard about was due to doctors and other medical professionals (exempted from licensing and other restrictions by SB 135) acting beyond their knowledge, not from non-qualified people claiming to be genetic counselors, and SB 135 will not fix that. There is no need to license yet another narrow profession.

### **Majority Amendment (1718h)**

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Genetic Counselors. Amend RSA by inserting after chapter 326-J the following new chapter:

#### **CHAPTER 326-K GENETIC COUNSELORS**

326-K:1 Definitions. In this chapter and RSA 328-F:

I. "ABGC" means the American Board of Genetic Counseling, its equivalent, or successor.

II. "ABMG" means the American Board of Medical Genetics, its equivalent, or successor.

III. "Board" means the genetic counselors governing board established in RSA 328-F.

IV. "Genetic counselor" means an individual, who is licensed by the board under this chapter, to engage in the practice of genetic counseling.

V. "NSGC" means the National Society of Genetic Counselors, its equivalent, or successor.

VI. "Practice of genetic counseling" means, for the purposes of advising an individual client, a client's family, or other licensed health care professionals:

(a) Obtaining and evaluating individual, family, and medical histories to determine genetic risk for genetic or medical conditions and diseases in a patient, his or her offspring, and other family members;

(b) Discussing the features, natural history, means of diagnosis, genetic and environmental factors, and management of risk for genetic or medical conditions and diseases;

(c) Identifying and coordinating genetic laboratory tests and other diagnostic studies as appropriate for the genetic assessment;

(d) Integrating genetic laboratory test results and other diagnostic studies with personal and family medical history to assess and communicate risk factors for genetic or medical conditions and diseases;

(e) Explaining the clinical implications of genetic laboratory tests and other diagnostic studies and their results;

(f) Evaluating the client's or family's responses to the condition or risk of recurrence and provide client-centered counseling and anticipatory guidance; and

(g) Providing written documentation of medical, genetic, and counseling information for families and health care professionals.

326-K:2 Exemptions from Licensure. Except for the requirements under RSA 326-K:8, the requirements for licensure under this chapter shall not apply to:

I. Any person licensed by the state to practice in a profession other than that of genetic counseling when acting within the scope of the person's profession and doing work of a nature consistent with the person's training. Such person shall not hold himself or herself out to the public as a genetic counselor.

II. Any person employed as a genetic counselor by the federal government or an agency thereof if such person provides genetic counseling services solely under the direction and control of the organization by which he or she is employed.

III. A student, if the following conditions apply:

(a) The student is enrolled in an ABGC accredited genetic counseling educational program;

(b) The genetic counseling services performed by the student are an integral part of the student's course of study;

(c) The genetic counseling services are performed under the direct supervision of a licensed genetic counselor; and

(d) The student is designated by the title, "genetic counseling intern."

326-K:3 Eligibility for Initial Licensure. In addition to requirements under RSA 328-F, the board shall require the following as a minimum to qualify for licensure. Each applicant shall:

- I. Comply with the NSGC Code of Ethics.
- II. Provide satisfactory evidence of having fulfilled the following criteria:
  - (a) Genetic counselor currently certified by ABGC or ABMG; or
  - (b) Medical geneticist currently certified by ABMG.

III. Be at least 18 years of age.

IV. Be of good moral character.

V. Demonstrate sufficient evidence of good professional character and reliability to satisfy the board that the applicant shall faithfully and conscientiously avoid professional misconduct and adhere to this chapter, RSA 328-F, and the board's rules.

**326-K:4 Provisional License.**

I. A provisional license may be issued by the board to an applicant who meets all of the requirements for licensure except for the certification component and has been granted active candidate status by ABGC.

II. A provisional license shall be valid for the ABGC examination cycle for which active candidate status by the ABGC has been granted. Such provisional license shall expire automatically upon the earliest of the following:

- (a) Issuance of a full license;
- (b) Thirty days after the applicant fails to pass the certification examination; or
- (c) Two years from the issuance of a provisional license.

III. A provisional license may only be extended upon approval of the board for good cause shown.

IV. A provisional licensed genetic counselor shall work under the general supervision of a licensed genetic counselor or a licensed physician at all times during which the provisional licensed genetic counselor performs genetic counseling. An application for extension of the provisional license shall be signed by the supervising licensed genetic counselor or supervising licensed physician.

V. The board is authorized to issue conditional provisional licenses in accordance with rules adopted pursuant to RSA 541-A.

**326-K:5 Prohibition on Unlicensed Practice; Professional Identification.**

I. No person shall practice or represent himself or herself as a genetic counselor in this state without first applying for and receiving a license or provisional license from the board to practice as a licensed genetic counselor.

II. A genetic counselor whose license is suspended or revoked or whose surrender of license with or without prejudice has been accepted by the board, shall promptly deliver the original license to the board.

III. Individuals holding currently valid licenses issued under this chapter may use the title "genetic counselor" and write the designation "licensed genetic counselor" following his or her written name.

IV. No person shall represent himself or herself or the services offered by using the term genetic counselor unless he or she is licensed in accordance with this chapter. No person, who is not so licensed may use in connection with his or her name or place of business, the title "genetic counselor," "licensed genetic counselor," "gene counselor," "genetic consultant," "genetic associate," or any words, letters, abbreviations or insignia indicating or implying a person holds a genetic counseling license, or any similar words if the intent of such use is to imply that the person is licensed.

V. Any person who states or implies by word or act that he or she is currently licensed to practice genetic counseling at a time when he or she does not hold a currently valid license shall be guilty of a misdemeanor.

**326-K:6 Reciprocity.** The board may, in its discretion, grant a license under this chapter to an individual certified or licensed in another state if it determines that the requirements or standards for certification or licensure in that state are equivalent to, or greater than, those established by this chapter.

**326-K:7 Compensation.** Notwithstanding RSA 328-F:6 and RSA 328-F:15, I(g), the members of genetic counselors governing board shall serve without compensation for attendance at meetings and shall not be reimbursed for travel expenses incurred in connection with the work of the board.

**326-K:8 Privileged Communications.** In addition to RSA 328-F:28:

I. No person shall disclose any information or results related to a genetic evaluation, assessment, laboratory test, diagnostic study, or written documentation of genetic counseling, to any person other than the client without prior written consent.

II. Information and results may be made available to the board for use in an investigation or disciplinary proceeding under RSA 328-F concerning a licensed genetic counselor only if the results are coded to maintain confidentiality of the client.

III. A violation of this section shall be subject to a civil action by an aggrieved individual and, if successful, the aggrieved individual shall be awarded special or general damages of not less than \$10,000 for each violation, and costs and reasonable legal fees.

#### 326-K:9 Rulemaking.

I. In addition to rules adopted pursuant to RSA 328-F:11, the board shall adopt rules pursuant to RSA 541-A relative to:

(a) Eligibility requirements for provisional licenses.

(b) Application procedures for provisional licenses.

(c) The requirements for direction and supervision of those practicing under provisional licenses.

(d) The limitations on practice imposed on those practicing under provisional licenses.

326-K:10 Eligibility for Renewal of Licenses. Licensees are eligible for renewal of their licenses if they:

I. Have completed 50 hours of continuing education which meet the requirements established by the board through rulemaking pursuant to RSA 541-A and at least 50 percent of which are directly related to the practice of genetic counseling.

II. Have not violated this chapter or RSA 328-F nor demonstrated poor professional character.

2 Allied Health Professionals; Definition; Governing Board. Amend RSA 328-F:2, II to read as follows:

II. "Governing boards" means individual licensing boards of athletic trainers, occupational therapy assistants, occupational therapists, recreational therapists, physical therapists, physical therapist assistants, respiratory care practitioners, ~~[and]~~ speech-language pathologists, **and genetic counselors**.

3 New Paragraph; Allied Health Professionals; Genetic Counseling. Amend RSA 328-F:2 by inserting after paragraph IX the following new paragraph:

X. "Genetic counseling" means genetic counseling as defined in RSA 326-K:1.

4 Governing Board; Establishment. Amend RSA 328-F:3, I to read as follows:

I. There shall be established governing boards of athletic trainers, occupational therapists, recreational therapists, respiratory care practitioners, physical therapists, ~~[and]~~ speech-language pathologists, **and genetic counselors**.

5 New Paragraph; Genetic Counselors; Governing Board; Appointment. Amend RSA 328-F:4 by inserting after paragraph IX the following new paragraph:

X. The genetic counselors governing board shall consist of 3 licensed genetic counselors, who have actively engaged in the practice of genetic counseling in this state for at least 2 years, one practicing physician with experience in working with genetic counselors, and one public member. Initial appointment of professional members by the governor and council shall be qualified persons practicing genetic counseling in this state. All subsequent appointments or reappointments shall require licensure.

6 Renewals; Reference to Genetic Counselors Added. Amend RSA 328-F:19, I to read as follows:

I. Initial licenses and renewals shall be valid for 2 years, except that timely and complete application for license renewal by eligible applicants shall continue the validity of the licenses being renewed until the governing board has acted on the renewal application. Licenses issued pursuant to RSA 328-A, RSA 326-G, and RSA 326-J shall expire in even-numbered years and licenses issued pursuant to RSA 326-C, RSA 326-E, ~~[and]~~ RSA 326-F, **and RSA 326-K** shall expire in odd-numbered years.

7 Genetic Testing; Disclosure; Medical Practice or Hospital. Amend RSA 141-H:2, III to read as follows:

III. Except as provided in paragraph II, or authorized by RSA 141-J, no person shall disclose to any other person that an individual has undergone genetic testing, and no person shall disclose the results of such testing to any other person, without the prior written and informed consent of the individual, the parent, guardian, or custodian if the individual is a minor under the age of 18, or the legal guardian or conservator if the individual is an incompetent person. ~~[Discussion and disclosure of genetic testing for a patient, requested of a physician by a patient, by appropriate professionals within a physician's medical practice or hospital shall not be a violation of this chapter.]~~

8 Effective Date. This act shall take effect July 1, 2013.

**AMENDED ANALYSIS**

This bill establishes the genetic counselors governing board in the office of licensed allied health professionals for the regulation of the practice of genetic counseling in this state. The bill also requires that professionals exempted from licensure but engaged in genetic counseling comply with the disclosure requirements applicable to genetic counselors.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Reps. John Hunt and Carol McGuire spoke against.

Rep. Weber spoke in favor and yielded to questions.

Rep. Tucker requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

**(Speaker Norelli in the Chair)**

**SB 129-FN**, relative to court-ordered placements in shelter care facilities and at the Sununu Youth Services Center, relative to the children in need of services (CHINS) program, and establishing a committee to study programs for children in need. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.**

Rep. Cindy Rosenwald for the Majority of Finance: The objective of this bill is to limit the population of committed youth at the Sununu Center to those who are dangerous to themselves or others through periodic court reviews and appointment of counsel. The amendment adds a one-year \$5.3 million federal grant that was awarded to the insurance department in April, after the budget had passed the House. This grant, which has no state match, is to provide assistance to consumers in obtaining tax credits to purchase health insurance without interrupting the department's traditional role in regulating the insurance market or interfering with the existing insurance producer environment. The amended bill does not authorize any policy of how the grant money will be spent on consumer assistance; its sole function is to accept the federal grant. The oversight committee on health reform implementation established in RSA 420-N:3 shall determine all policies regarding implementation of the Affordable Care Act. Vote 15-8.

Rep. Dan McGuire for the Minority of Finance: SB 129 is a valuable bill which would reduce the population of juvenile delinquents at the Sununu Youth Center to just those violent offenders who are a danger to the public or themselves. Incarceration is ineffective for others and is very expensive, roughly \$250,000 each. The amendment would accept a one-year federal grant for the insurance department to inform the public about the federal Affordable Care Act (aka Obamacare) and market its features to consumers. There are two problems with this. First, this is an entirely federal program. NH had an opportunity to be involved and we declined. It is more appropriate for the federal government to implement the act directly, including public awareness. This would be the likely outcome if we reject the grant. Second, attaching an amendment like this risks the passage of the worthwhile underlying bill, as we have seen many times in the past.

**Majority Amendment (1905h)**

Amend the title of the bill by replacing it with the following:

AN ACT        relative to court-ordered placements in shelter care facilities and at the Sununu Youth Services Center and making a supplemental appropriation to the insurance department.

Amend the bill by replacing all after section 8 with the following:

9 Appropriation; Insurance Department; Consumer Assistance Grant. In addition to any other sums appropriated for the fiscal year ending June 30, 2014, the following appropriation is hereby authorized to the department of insurance:

02-24	Department of Insurance		
02-24-24-240010-1235	Consumer Assistance Grant		
02-24-24-240010-1235 020	Current Expense	Federal Funds	\$15,300
02-24-24-240010-1235 030	Equipment	Federal Funds	\$500
02-24-24-240010-1235 041	Audit set Aside	Federal Funds	\$5,374
02-24-24-240010-1235 046	Consultants	Federal Funds	\$3,164,802
02-24-24-240010-1235 050	Personal Services Part Time Temp	Federal Funds	\$18,414
02-24-24-240010-1235 060	Benefits	Federal Funds	\$1,408
02-24-24-240010-1235 070	In-State Travel	Federal Funds	\$20,688
02-24-24-240010-1235 080	Out of State Travel	Federal Funds	\$17,898
02-24-24-240010-1235 102	Contracts for Program Services	Federal Funds	\$2,128,298
		Total:	\$5,372,682

10 Effective Date.

I. Sections 1-8 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect July 1, 2013.

### AMENDED ANALYSIS

This bill:

I. Limits the commitment of children to the youth development center to cases where a court is presented with evidence that a juvenile is dangerous.

II. Provides a definition for shelter care facility in cases involving juvenile delinquency and children in need of services.

III. Requires that the department make treatment available in both non-secure and secure settings.

IV. Creates a presumption of parole after 6 months for children at the youth development center for non-violent offenses.

V. Provides for a right to counsel for children facing revocation of their parole from the youth development center, which cannot be waived if the child has a disability.

VI. Provides for periodic court review of cases where a juvenile is held at the youth development center for more than 6 months.

VII. Makes a supplemental appropriation to the insurance department for consumer assistance grants.

Rep. Dan McGuire spoke against.

Rep. Butler spoke in favor and yielded to questions.

Rep. Rosenwald requested a roll call; sufficiently seconded.

and the majority committee amendment was adopted.

Smith, Steven

The question now being adoption of the majority committee report of Ought to Pass with Amendment.  
Rep. John Hunt offered floor amendment (1967h).

**Floor Amendment (1967h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to court-ordered placements in shelter care facilities and at the Sununu Youth Services Center and making a supplemental appropriation to the insurance department.

Amend the bill by replacing all after section 8 with the following:

9 Appropriation; Insurance Department; Consumer Assistance Grant. In addition to any other sums appropriated for the fiscal year ending June 30, 2014, the following appropriation is hereby authorized to the department of insurance:

02-24 Department of Insurance  
02-24-24-240010-1235 Consumer Assistance Grant

02-24-24-240010-1235 020	Current Expense	Federal Funds	\$15,300
02-24-24-240010-1235 030	Equipment	Federal Funds	\$500
02-24-24-240010-1235 041	Audit set Aside	Federal Funds	\$5,374
02-24-24-240010-1235 046	Consultants	Federal Funds	\$3,164,802
02-24-24-240010-1235 050	Personal Services Part Time Temp	Federal Funds	\$18,414
02-24-24-240010-1235 060	Benefits	Federal Funds	\$1,408
02-24-24-240010-1235 070	In-State Travel	Federal Funds	\$20,688
02-24-24-240010-1235 080	Out of State Travel	Federal Funds	\$17,898
02-24-24-240010-1235 102	Contracts for Program Services	Federal Funds	<u>\$2,128,298</u>
		Total:	\$5,372,682

10 Approval by Joint Health Care Reform Oversight Committee. The department of insurance may expend funds appropriated in section 9 of this act only with prior approval of the joint health care reform oversight committee established in RSA 420-N:3. This requirement shall not apply to the acceptance of grants or to transfers of appropriations.

11 Effective Date.

I. Sections 1-8 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect July 1, 2013.

### AMENDED ANALYSIS

This bill:

I. Limits the commitment of children to the youth development center to cases where a court is presented with evidence that a juvenile is dangerous.

II. Provides a definition for shelter care facility in cases involving juvenile delinquency and children in need of services.

III. Requires that the department make treatment available in both non-secure and secure settings.

IV. Creates a presumption of parole after 6 months for children at the youth development center for non-violent offenses.

V. Provides for a right to counsel for children facing revocation of their parole from the youth development center, which cannot be waived if the child has a disability.

VI. Provides for periodic court review of cases where a juvenile is held at the youth development center for more than 6 months.

VII. Makes a supplemental appropriation to the insurance department for consumer assistance grants.

Rep. John Hunt spoke in favor.

Rep. Huot spoke against and yielded to questions.

Rep. Rosenwald requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

**MOTION TO PRINT DEBATE**

Rep. John Hunt moved that the debate on *SB 129-FN*, relative to court-ordered placements in shelter care facilities and at the Sununu Youth Services Center, relative to the children in need of services (CHINS) program, and establishing a committee to study programs for children in need, be printed in the Permanent Journal.

On a division vote, 214 members having voted in the affirmative and 95 in the negative, the motion was adopted.

### DEBATE ON SB 129-FN

**Speaker Norelli:** The question before the House is the majority committee amendment. The Chair recognizes the member from Epsom, Representative Dan McGuire to speak in opposition to the amendment.

**Rep. Dan McGuire:** Thank you very much, Madam Speaker. This is a non-germane amendment that would have the insurance department accept a federal grant of \$5.3 million to spend to promote the Affordable Care Act, also known as Obamacare to businesses and consumers to inform them of the features and requirements and so on. It's a one year grant. There are 2 reasons why we should reject this amendment and this grant. First of all, the Affordable Care Act is a completely federal program. It's not a program run by the state or by our insurance department so it's not something we have any particular knowledge of, superior to the feds, so on. All we would be doing with this money is hiring consultants to make up brochures, maybe videos, that sort of thing and paying for media. This is something the federal government could do just as easily, if not more easily, than we can. Secondly, the underlying bill here, SB 129, is very, very good. It potentially saves the state general fund more money per year forever than this grant would spend in one year. So, we are putting at risk, if we put on this non-germane amendment, and it's not agreed to, we are putting at risk considerable savings to the general fund for no particularly good reason. In my opinion, the likely outcome if we reject this amendment is that, what will happen is similar to the situation when we didn't accept the plan parenthood grant a couple of years ago, the feds would likely go and just spend the money on their own because it's their program and their money and they'd want to promote it. I started by saying that this amendment is not germane. By that I mean that it's a completely separate subject from the underlying bill, but it's somewhat of a gray area whether it is acceptable under our rules to be added to this particular bill. Our rules say that in order to add a non-germane amendment, there must be a noticed public hearing in the committee for the amendment. This had a noticed public hearing in subcommittee for this amendment. So, if you think that the rules saying committee includes subcommittee then it is okay, if not, it's not. Anyways, there is no particular reason to accept it. It puts a very good bill at risk so I urge you to defeat this motion. Thank you.

**Speaker Norelli:** The question before the House is the majority committee amendment on SB 129. The Chair recognizes the member from Harts Location, Representative Butler, to speak in support of the amendment.

**Rep. Butler:** Thank you, Madam Speaker. Honored colleagues, this amendment will appropriate money in the consumer assistance grant for outreach and education as the Affordable Care Act is implemented. The \$5.3 million grant was awarded to New Hampshire by the federal government in April of this year. Though the grant was applied for by the insurance department and awarded, that was only the first step in the process of being able to access and use the money. An application in April to the fiscal committee to use \$340,000 of the grant to begin the outreach process in the current fiscal year was tabled. An attempt to add the \$5 million grant to the current budget bill was rejected in the Senate. As you know, the ACA or Obamacare is that little piece of federal legislation that makes fundamental changes to the way citizens will be able to access healthcare coverage starting in 2014. If implemented successfully, there is the potential of providing coverage to an estimated 74,000 uninsured New Hampshire citizens. That grant money is being offered to accomplish the following: Provide basic outreach and education to all citizens. We need a broad and extensive outreach and public education effort to let people know what changes are about to occur and what opportunities there are to access healthcare coverage come January 2014. In a meeting yesterday, one of our Reps said that she had heard a radio ad while traveling in Vermont about the new healthcare law with Vermont specific information and it provided ways in which residents could access more information. Have you heard any radio ads or seen print ads about helping our citizens learn about the ACA and what to expect as we move forward with implementation in New Hampshire? Me neither. This grant provides money to hire people to assist consumers with basic questions about insurance coverage. What it means and how it will function under Obamacare. It will assist people in determining whether they qualify for subsidies for coverage and if so, how much. Consumer assistance will show people the exchanges, those internet portals where people can choose the kinds of policies they want or will refer them to local insurance brokers who can help

them complete applications and sign up for coverage. This money is being provided as Representative McGuire said through 2014 only. There will be no further monies available for outreach. You will vote in favor of this amendment if you believe that accessing this grant will allow our insurance department to implement an outreach and education program for our citizens who need to know that the Affordable Care Act is indeed being implemented. The federal government has a lot on its hands. We need to create and provide New Hampshire specific information. We know about our populations. We have the non-profit organizations, the hospitals, the community health centers who know their populations and can do the outreach. The federal government does not. Many, I dare say, most New Hampshire residents are unaware of the many changes coming soon in healthcare coverage. A survey of nearly 200 New Hampshire families with children with special healthcare needs by New Hampshire Family Voices found that just 18% of those families were aware of the pending changes and their ability to access healthcare coverage. A recent national survey found that half of the respondents, more than half of those who were uninsured, do not understand how they might be impacted by the law. You will vote in favor of this amendment if you think that it is high time for us to get off the dime and start helping our citizens learn about Obamacare and how it will affect them and what benefits it offers and what the cost of coverage will be. On October 1<sup>st</sup> we are to begin offering coverage under this new system. The intent of beginning in October for policies that will take effect in January is to make it possible to reach as many people as we can and for people to take the time necessary to learn about their choices before the first of the year. We do not have the processes in place for this outreach and education to occur. This grant money will help to implement programs and to hire the people necessary to do the outreach and to make it possible to carry out needed public relations programs. The insurance department has plans in place and is ready to begin to do the work necessary as soon as the grant monies are approved for expenditure. So what's the hold up? Over the past couple of months, work has been done to understand the concerns of those who are reluctant to accept this grant. Input from the insurance broker and procedure community has been invited to understand their concerns and learn how they can help, not only to get the word out, but also to understand how to use the outreach effort to refer potential new business to them. There is a concern that such a large sum of money is not needed to help people learn about the new healthcare law and its consequences for our constituents. Frankly, I'm sure every penny of this money could be put to good and effective use to do the work needed; however, we have a legislative oversight committee that was established by our legislature as Obamacare came into being. It is charged with overseeing the implementation of the ACA in our state. It has three House members and 3 Senators and currently reflects the majority of both bodies. The oversight committee has been meeting regularly and is working with the insurance department to iron out differences in order to move forward with this critically needed work. The insurance department has said repeatedly that it is ready, willing and able to provide the necessary information so that the oversight committee can ensure the legislature that the money will be spent wisely, efficiently and effectively. That committee meets again next Tuesday. But, for this effort to move forward, we must have a way to accept the expenditure of the consumer assistance grant and this amendment will allow us to just do that. Regardless of what you think of the law, we should be able to agree that all New Hampshire residents deserve to be informed about the changes coming that will impact us all. Relative to the issue of germaneness, Representative McGuire again spoke to that. There was indeed a public hearing and if you believe that the public hearing that was held creates that germane amendment, then the committee does believe that. And, even though we have the underlying bill, I understand that we will not jeopardize that bill by passing that amendment because that bill is already being attached to another House bill in the Senate. I ask you to support this amendment. Make it possible for us to move forward this important work. I hope you will join me in supporting this amendment.

**Speaker Norelli:** Will the member yield to a question? The member yields. Representative Ulery, you may inquire.

**Rep. Ulery:** Thank you, Madam Speaker. Thank you for taking my question. I'm a little confused. I've heard press reports that there is exactly one provider that's going to be providing services under the ACA. So, in effect, we are taking tax payer dollars to advertise for one company in the state. Correct?

**Rep. Butler:** Almost. Right now.

**Rep. Ulery:** Thank you.

**Rep. Butler:** Let me answer a little more completely. Right now, even though we may not, depending on what happens with the market rules bill, have the ability to oversee insurance products through our state, a bulletin has gone out and applications are in the process of coming through. Right now, as far as we know, Anthem is the only insurance provider who is going to provide products through the exchange. People will be able to access tax credits and subsidies for policies through the exchange; however, Harvard Pilgrim and MVP and possibly others may still be able to provide affordable care policies but without offering the subsidies associated. So, our small groups, our individual policies may in fact be accessed outside of the exchange if subsidies are not a part of it or even without the subsidies, people may choose to buy some of those Anthem policies through the exchange. It's still possible that another provider may come in and want to participate through the exchange in this first year, but this does not mean that there won't be more companies in the exchange in coming years and it also doesn't mean that there might not be a multi-state policy still coming through.

**Speaker Norelli:** Will the member yield for a follow-up? The member yields.

**Rep. Ulery:** I'm still not quite sure. There is one provider that is signed up. There is maybe possibly, somewhere, maybe something else that might possibly take place. So, in effect, if this amendment attached to a good bill gets approved, we'll be spending \$5 and change million to advertise for essentially one company.

**Rep. Butler:** No. Even though Anthem will be providing policies through the exchange, those policies consistent with the Affordable Care Act will be outside of those policies as well and even if it was only one provider providing services or providing policies throughout the state, there are still those 74,000 uninsured people who need to know what's going on, what's available, what's accessible, how do I get it, why do I want it, and what's it going to cost. That's going to take person power and outreach that we currently don't have.

**Rep. Ulery:** Thank you.

**Speaker Norelli:** Will the member yield to another question? The member yields. Representative Hammon, you may inquire.

**Rep. Hammon:** Thank you very much for taking my question, Representative. Would you believe that every 6 weeks when I go to get my haircut, my hairdresser who is 50 something and uninsured asks me, when am I going to hear about this? I need insurance and the exchange is my only hope. When can I find out? I keep telling her; soon, soon, we'll get there. Will we?

**Rep. Butler:** If this consumer assistance grant is accepted and accessible we will be able to get that information to her the sooner the better.

**Rep. Hammon:** Thank you very much.

**Speaker Norelli:** The question before the House is the majority committee amendment on SB 129. A division has been requested. Representative Rosenwald has requested a roll call and it is sufficiently seconded. This will be a roll call vote. Will members please take their seats? Members should be in their seats. The question before the House is the majority committee amendment on SB 129. This is a roll call vote. If you are in favor, you will press the green button. If you are opposed, you will press the red button. The Chair recognizes Representative Kurk for a parliamentary inquiry.

**Rep. Kurk:** Thank you, Madam Speaker. Madam Speaker, if I know that the Senate has already twice rejected this proposal and Madam Speaker, if I know that the Affordable Care Act, also known as Obamacare, is a federal program that under its requirements forces folks to purchase insurance, health insurance, through the exchanges and that federal program should be explained by the federal government to its participants and not by the state government. And, finally Madam Speaker, if I know that if the state should reject this grant, the federal government will simply take the money and provide, as it should, the required education on its own, would I now support or oppose the majority view and press the red button. Thank you.

**Speaker Norelli:** The question before the House is the majority committee amendment on SB 129. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. The Chair recognizes Representative Rosenwald for a parliamentary inquiry.

**Rep. Rosenwald:** Thank you, Madam Speaker. If I know this grant will help consumers access tax credits to help them access private insurance and if I know this grant will help the insurance department fulfill its traditional role of regulating the insurance market and finally, Madam Speaker, if I know this grant will help insurance agents and brokers by sending them high quality business prospects, would I now press the green button? Thank you.

**Speaker Norelli:** The question before the House is the majority committee amendment on SB 129. This is a roll call vote. If you are in favor, you will press the green button. If you are opposed, you'll press the red button. Voting stations are open for 30 seconds. Have all members voted who were here when the question was put? The House will be attentive to the state of the vote. 175 having voted in the affirmative and 137 in the negative, the majority committee amendment is adopted. The Chair recognizes the member from Rindge, Representative Hunt to offer a floor amendment.

**Rep. John Hunt:** Thank you, Madam Speaker. You might have noticed that I was quiet on the last debate because I hope you will support this next amendment. This next amendment just repeats what you just passed, but it adds one other little caveat which is current law as long as we all believe it is current law. That is, that these funds cannot be expended until the oversight committee says they can. We all believe this is the law, we just thought it would be a good idea to reinforce that just in case somebody has some other ideas like maybe try to run this through a different department, or do something creative. We just want to reaffirm that the oversight committee is committed to working this issue out and we'll spend the money appropriately. I hope you will support this amendment. Thank you.

**Speaker Norelli:** That was, the motion, to adopt floor amendment (1967h) which is in House Record 42 on page 1454.

**Rep. John Hunt:** So moved.

**Speaker Norelli:** The question before the House is floor amendment (1967h) on SB 129. The Chair recognizes the member from Laconia, Representative Huot to speak in opposition to the floor amendment.

**Rep. Huot:** Madam Chairman, the amendment is relatively simple. It does one thing and one thing only. It requires that before any money is spent by this grant, that the expenditure be approved by the oversight committee. The oversight committee was created under Section 420 of the Act so that the oversight committee is required to approve any of the procedures, any of the plans that come to pass under the Affordable Care Act. Now, the problem here is that all of this is agenda driven. There are 3 members of the Senate and 3 members of the House on the oversight committee. Senate members are 2 Republicans and 1 Democrat. The House members are 2 Democrats and 1 Republican and it doesn't take too much to figure out how this might go if this were put to a vote. The other thing is that we've talked with the insurance department and the insurance department believes that this particular amendment is a little confusing because the amendment says that this doesn't apply to transfers among appropriations and it doesn't apply to acceptance of grants. Well, the grant has been awarded. The issue here is whether we are going to implement the grant. The oversight committee has responsibility for taking action with regard to implementing the grant. The insurance department has the responsibility for regulating the insurance industry and to make sure that consumers understand what exactly is available under this plan. It doesn't matter how many insurance companies participate in the plan. It matters that this has never happened before. October 1<sup>st</sup> or August 1<sup>st</sup> or whenever the first steps are taken. This has never happened. People out there, as you have heard before, have no idea what is going on and it's up to us to explain to people what's going on in ways that implement the plan according to New Hampshire principles. So I urge you to vote down this amendment and to pass the underlying motion. Thank you.

**Speaker Norelli:** Will the member yield to a question? The member yields, Representative Kurk, you may inquire.

**Rep. Kurk:** Thank you, Madam Speaker. Apparently there is a road-jam here to ask questions. I appreciate the member taking this question. Is it in fact the case, is it not in fact the case that this amendment simply says that before any money from this \$5.3 million grant is expended, spent, that the oversight committee has to approve that expenditure? And, if your answer to that is, that's what the amendment says but it's unnecessary because it's already in the statute, I'd appreciate that. If your answer is something else, I'd appreciate an explanation.

**Rep. Huot:** That is exactly what the amendment does. The reason it is unclear, what happens is that because what you see in the bill isn't an appropriation that was passed by the Legislature. This is what was in the application for the grant. What the feds used to determine whether they were going to award the grant. It's unclear whether this amendment is going to require that the oversight committee approve each and every expenditure. If it is, I can practically guarantee you that no expenditures are going to be made. Thus, the whole grant will fail and we don't want the grant to fail.

**Rep. Kurk:** Follow up, Madam Speaker?

**Speaker Norelli:** Will the member yield to a follow up? The member yields.

**Rep. Kurk:** Is it....thank you, I appreciate that, Representative. Is it not the fact that current law allows, indeed requires expenditure approval by the oversight committee?

**Rep. Huot:** Based on the.....

**Rep. Kurk:** Yes or no would be nice.

**Rep. Huot:** I don't know.

**Rep. Kurk:** Thank you.

**Speaker Norelli:** Will the member yield to another question? The member yields, Representative Hunt, you may inquire.

**Rep. John Hunt:** I think I may have just got my answer, but I guess...thank you, Madam Speaker, and thank you for taking my question, but the specific question is can the department of insurance spend \$3,000 on consultants? Excuse me, \$3 million on consultants or/and another \$2 million for contracts for program services without approval from the oversight committee?

**Rep. Huot:** The commission is required to approve all of the consumer assistance grant and that means the overall plan including what it is going to be spent on. The grant requires that all of the money be spent in accordance with the plan. The plan has to be approved by the insurance department, excuse me, by the oversight commission. The time is getting really close so I'm not going to take anymore questions.

**Speaker Norelli:** The question before the House is majority committee report of Ought to Pass as Amended on SB 129. Representative Rosenwald requests a roll call. Is that sufficiently seconded? It is sufficiently seconded. This will be a roll call vote. Will members please take their seats? The question before the House is the Hunt floor amendment on SB 129. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. The Chair recognizes Representative Kurk for a parliamentary inquiry.

**Rep. Kurk:** Thank you, Madam Speaker. Madam Speaker, if I know a waffle when I hear one and if I know that this amendment is designed to make sure that legislative oversight of expenditures prevails, would I now support the amendment by pressing the green budget, button, to assert legislative authority over expenditures.

**Speaker Norelli:** The question before the House is the Hunt floor amendment on SB 129. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. The Chair recognizes Representative Rosenwald for a parliamentary inquiry.

**Rep. Rosenwald:** Thank you, Madam Speaker. If I know that RSA 420-N clearly gives the Joint Health Care Reform Oversight Committee the authority to enforce policy, rules and standards of the Affordable Care Act. And, if I know this floor amendment is unnecessary and potentially confusing, would I now press the red button to vote no. Thank you.

**Speaker Norelli:** The question before the House is the Hunt floor amendment on SB 129. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. Voting stations are open for 30 seconds. Have all members voted who were here when the question was put? The House will be attentive to the state of the vote. 140 having voted in the affirmative and 170 in the negative, the floor amendment fails. I would just ask members if the seat next to you is empty, would you make sure the key is off. It will be easier for us to ascertain that everyone that's in the room has voted. Thank you. The question before the House is the majority committee.....The question before the House is the majority committee report of Ought to Pass as Amended on SB 129. Are you ready for the question? Representative William O'Brien requests a roll call. Is that sufficiently seconded? It is sufficiently seconded. This will be a roll call vote. Will members please take their seats? Members should be in their seats. The question before the House is the majority committee report of Ought to Pass as Amended on SB 129. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. The Chair recognizes Representative Hunt for a parliamentary inquiry.

**Rep. John Hunt:** Thank you, Madam Speaker. Madam Speaker, if I know that the oversight committee is intimately aware of this money and I further know that the oversight committee is ready and willing to spend the money, but I further know that the oversight committee restraint is because there is nothing to spend it on yet. There is no product yet. There is nothing yet and if I know that oversight committee is waiting until we really do know what we want to spend the money on and then ready to spend it, would I now vote no on the pending motion and trust that the oversight committee will do the job it is supposed to do.

**Speaker Norelli:** The question before the House is the majority committee report of Ought to Pass as Amended on SB 129. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. The Chair recognizes Representative Shurtleff for a parliamentary inquiry.

**Rep. Shurtleff:** Thank you, Madam Speaker. Madam Speaker, if I know that this bill will ensure that the children going to the John Sununu Center in Manchester are only those children that will be a danger to themselves and to their communities. And, Madam Speaker, if I know that this bill as amended will provide information to New Hampshire consumers on obtaining tax credits so they can acquire health insurance. And, Madam Speaker, if I know that this bill provides grant money to the New Hampshire Department of Insurance so that they can set up health information and outreach programs for our New Hampshire citizens, would I now press the green button to pass this bill as amended? Thank you, Madam Speaker.

**Speaker Norelli:** The question before the House is the majority committee report of Ought to Pass as Amended on SB 129. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. Voting stations are open for 30 seconds. Have all members voted who were here when the question was put? The House will be attentive to the state of the vote. 179 having voted in the affirmative and 132 in the negative, the majority committee report is adopted.

### REGULAR CALENDAR (CONT'D)

**SB 146-FN-L**, relative to aid to the permanently and totally disabled and old age assistance. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. James E. Coffey for the Majority of Municipal and County Government: This bill amends RSA 167:27, which forbids any person presently receiving old age assistance or aid to the totally and permanently disabled under this chapter, or RSA 161, from receiving at the same time any other relief from the state, or from any political subdivision thereof, except for medical and surgical assistance, by allowing the governing body to provide assistance as part of their welfare guidelines. This was portrayed by the bill's advocates as allowing local option, but local option usually means the legislative body, not a majority of the selectmen who could alter the guidelines based on who was applying or change the rules annually as the selectmen come and go. Adoption of this bill would result in substantially different standards among the towns and cities which might lead some clients to choose to locate in those communities providing additional services. This bill was opposed by the New Hampshire welfare officer's association for that reason. During the committee discussion an amendment was considered that would simply remove the restriction but the majority of the committee believed that this would have resulted in an unfunded mandate because under RSA 165:1 all towns and cities would then have to provide additional assistance. If there is a need to increase the cash benefits for the recipients it should be part of a need based budgetary request from the department of health and human services, and be included in the state's budget. Vote 9-6. Rep. James Verschuere for the Minority of Municipal and County Government: RSA 165:1 states, "Whenever a person in any town is poor and unable to support himself, he shall be relieved and maintained by the overseers of public welfare of such town..." However, RSA 165:27 bars municipalities from providing aid to an individual who receives old age assistance (OAA) or aid to the permanently and totally disabled (APTD). This bill would enable but not require municipalities to choose to provide assistance under RSA 165 to a person who is also receiving OAA or APTD if the individual meets the guidelines adopted by the governing body. The result of current law is that individuals who fully qualify for assistance from their municipalities may not receive it. If they do, they forfeit the APTD or OAA support. The prohibition is thus in direct conflict with the intention of RSA 165:1 which requires municipalities to provide support to qualifying individuals. This bill begins to address this conflict in the law by allowing the governing body to choose not to accept the prohibition. The minority of the committee believes that the prohibition ought to be removed from the statute altogether, asserting that there is no justification for denying aid to an individual who is unable to support himself solely because s/he is receiving another particular type of aid. This bill takes a first step to rectify the wrong of the current RSA 165:27.

The question being adoption of the majority committee report of Inexpedient to Legislate.

Rep. Verschuere spoke against.

Rep. James Belanger spoke against and yielded to questions.

**MOTION TO LAY ON THE TABLE**

Rep. Vaillancourt moved that ***SB 146-FN-L***, relative to aid to the permanently and totally disabled and old age assistance, be laid on the table.

On a division vote, 124 members having voted in the affirmative and 159 in the negative, the motion failed.

The question now being adoption of the majority committee report of Inexpedient to Legislate.

Rep. Syndi White spoke against.

Rep. Coffey spoke in favor and yielded to questions.

Rep. Irwin requested a roll call; sufficiently seconded.

and the minority committee report was adopted and ordered to third reading.

**SB 123-FN-L**, relative to the use of proceeds from the regional greenhouse gas initiative program. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Beatriz Pastor for Science, Technology and Energy: Current statute mandates that all monies remaining in the RGGI fund, after all amounts in excess of \$1 for the sale of allowances have been rebated to ratepayers, be allocated by the commission to the electrical utilities for core energy efficiency programs — which are approved by the commission and funded by the system benefit charge. SB 123, as amended, makes two changes to the current distribution of funds. First, it requires that the commission allocate at least 15% of these RGGI funds to the low-income energy efficiency program. Second, it requires that, after January 1, 2014 the core utilities dedicate up to \$ 2,000,000 of these funds for municipal and local government energy efficiency projects. The purpose of this distribution adjustment is to encourage and support municipalities in the development of energy efficiency projects within their own communities. Vote 15-3.

**Amendment (1860h)**

Amend the bill by replacing all after the enacting clause with the following:

I Energy Efficiency Fund and Use of Auction Proceeds. RSA 125-O:23, II-III are repealed and reenacted to read as follows:

II. All amounts in excess of the threshold price of \$1 for any allowance sale shall be rebated to all retail electric ratepayers in the state on a per-kilowatt-hour basis, in a timely manner to be determined by the commission.

III. All remaining proceeds received by the state from the sale of allowances shall be allocated by the commission as an additional source of funding to electric distribution companies for core energy efficiency programs which are approved by the commission and funded by SBC funds. Beginning January 1, 2014, the core utilities shall dedicate up to \$2,000,000 of these remaining RGGI proceeds annually for municipal and local government energy efficiency projects, including projects by local governments that have their own municipal utilities. Funding elements shall include, but not be limited to, funding for direct technical and project management assistance to identify and encourage comprehensive projects and incentives structured to assist municipal and local governments funding energy efficiency projects. In calendar years 2014, 2015, and 2016, any unused funds allocated to municipal and local government projects under this paragraph remaining at the end of the year shall roll over and be added to the new calendar year program funds and continue to be made available exclusively for municipal and local government projects. Beginning in calendar year 2017, and all subsequent years, funds allocated to municipal and local government projects under this paragraph shall be offered first to municipal and local governments as described in this paragraph for no less than 4 full calendar months. If, at the end of this time, municipal and local governments have not submitted

requests for eligible projects that will expend the funds allocated to municipal and local government projects under this paragraph within that program year, the funds shall be offered on a first-come, first-serve basis to business and municipal customers who fund the systems benefit charge.

2 Energy Efficiency Fund and Use of Auction Proceeds. RSA 125-O:23, II-III are repealed and reenacted to read as follows:

II. All amounts in excess of the threshold price of \$1 for any allowance sale shall be rebated to all retail electric ratepayers in the state on a per-kilowatt-hour basis, in a timely manner to be determined by the commission.

III. All remaining proceeds received by the state from the sale of allowances shall be allocated by the commission as an additional source of funding to electric distribution companies for core energy efficiency programs which are approved by the commission and funded by SBC funds. In allocating the proceeds, the commission shall first allocate at least 15 percent of the amount of the proceeds to the low-income core energy efficiency program. Beginning January 1, 2014, the core utilities shall dedicate up to \$2,000,000 of these remaining RGGI proceeds annually for municipal and local government energy efficiency projects, including projects by local governments that have their own municipal utilities. Funding elements shall include, but not be limited to, funding for direct technical and project management assistance to identify and encourage comprehensive projects and incentives structured to assist municipal and local governments funding energy efficiency projects. In calendar years 2014, 2015, and 2016, any unused funds allocated to municipal and local government projects under this paragraph remaining at the end of the year shall roll over and be added to the new calendar year program funds and continue to be made available exclusively for municipal and local government projects. Beginning in calendar year 2017, and all subsequent years, funds allocated to municipal and local government projects under this paragraph shall be offered first to municipal and local governments as described in this paragraph for no less than 4 full calendar months. If, at the end of this time, municipal and local governments have not submitted requests for eligible projects that will expend the funds allocated to municipal and local government projects under this paragraph within that program year, the funds shall be offered on a first-come, first-serve basis to business and municipal customers who fund the systems benefit charge.

3 Contingency. If HB 630-FN of the 2013 regular legislative session becomes law, section 2 of this act shall take effect January 1, 2014 at 12:01 a.m. and section 1 of this act shall take not take effect. If HB 630-FN does not become law, section 1 of this act shall take effect January 1, 2014 and section 2 of this act shall not take effect.

4 Effective Date.

I. Sections 1 and 2 of this act shall take effect as provided in section 3 of this act.

II. The remainder of this act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill allocates certain proceeds from the regional greenhouse gas initiative (RGGI) program to municipal and local government energy efficiency projects. This bill also permits return of unused allowance sale proceeds to business and municipal customers who fund the systems benefit charge. Amendment adopted.

Committee report adopted and ordered to third reading.

Rep. Moffett declared a conflict of interest and did not participate.

**SB 148-FN**, relative to electric renewable portfolio standards. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Nickolas J. Levasseur for Science, Technology and Energy: This bill corrects a problem that arose under the existing law that resulted in higher than expected payments into the renewable energy fund. To reduce the amount of these payments in the future, the near term renewable energy goals for Class III renewable generators have been lowered to more accurately reflect expected supply. The bill also provides short term support for the continuation of the jobs and significant economic benefits to the state from its existing biomass plants, but does so at an overall cost savings to ratepayers. The bill encourages the development of new renewable energy generators (thermal energy) with amendments to existing law which clarify the eligibility of thermal energy generators that sell steam used for heating. Finally, the bill establishes a study committee to review various aspects of NH's RPS law and program to make sure it is meeting its goals. Vote 16-1.

**Amendment (1730h)**

Amend the bill by replacing all after the enacting clause with the following:

1 Minimum Electric Renewable Portfolio Standards. Amend RSA 362-F:3 to read as follows:

362-F:3 Minimum Electric Renewable Portfolio Standards. For each year specified in the table below, each provider of electricity shall obtain and retire certificates sufficient in number and class type to meet or exceed the following percentages of total megawatt-hours of electricity supplied by the provider to its end-use customers that year, except to the extent that the provider makes payments to the renewable energy fund under RSA 362-F:10, II:

	2008	2009	2010	2011	2012	2013	2014	2015	2025
									<i>and thereafter</i>
Class I	0.0%	0.5%	1%	2%	3%	<del>[4%]</del> <b>3.8%</b>	5%	6%	15% (*)
Class II	0.0%	0.0%	0.04%	0.08%	0.15%	0.2%	0.3%	0.3%	0.3%
Class III	3.5%	4.5%	5.5%	6.5%	<del>[6.5]</del> <b>1.4%</b>	<del>[6.5%]</del> <b>1.5%</b>	<del>[7.0%]</del> <b>3.0%</b>	8.0%	8.0%
Class IV	0.5%	1%	1%	1%	1%	1.3%	1.4%	1.5%	1.5%

\*Class I increases an additional 0.9 percent per year from 2015 through 2025. A set percentage of the class I totals shall be satisfied annually by the acquisition of renewable energy certificates from qualifying renewable energy technologies producing useful thermal energy as defined in RSA 362-F:2, XV-a. The set percentage shall be ~~[0.2 percent in 2013]~~ 0.4 percent in 2014, **0.6 percent in 2015, 1.3 percent in 2016**, and increased annually by ~~[0.2]~~ **0.1** percent per year from ~~[2015 through 2025]~~ **2017 through 2023, after which it shall remain unchanged**. Classes II-IV remain at the same percentages from 2015 through 2025 except as provided in RSA 362-F:4, V-VI.

2 Electric Renewable Energy Classes; Class I (New). Amend RSA 362-F:4, I(l) to read as follows:

(l) Biomass renewable energy technologies producing useful thermal energy that began operation after January 1, 2013 provided that:

(1) If the unit is a biomass unit rated between 3 and 30 Mmbtu/hr design gross heat input, ~~[and has]~~ **it shall have** an average particulate emission rate of less than or equal to 0.10 lbs/Mmbtu as measured and verified by conducting and reporting the results of a one-time initial stack test in accordance with methods approved by the department;

(2) If the unit is a biomass unit rated equal to or greater than 30 Mmbtu/hr design gross heat input, ~~[and has]~~ **it shall have** an average particulate emission rate of less than or equal to 0.02 lbs/Mmbtu as measured and verified under RSA 362-F:12;

(3) If the unit is a biomass unit rated less than 100 Mmbtu/hr design gross heat input, ~~[and it implements]~~ best management practices as determined by the department **shall be implemented**; and

(4) If the unit is a biomass unit rated equal to or greater than 100 Mmbtu/hr design gross heat input, ~~[and it has]~~ **it shall have** a quarterly average NOx emission rate of less than or equal to 0.075 Mmbtu/hr as measured and verified under RSA 362-F:12[-]; **and**

(5) **If the unit is an upgrade or replacement to an existing source of thermal energy that used biomass as its primary fuel source in its normal operation prior to January 1, 2013, then the unit shall be a combined heat and power unit that provides district heating, and at least 80 percent of the resulting tax basis of the unit's plant and equipment, but not its property and intangible assets, shall be derived from capital investments directly related to the upgrade or replacement and made on or after January 1, 2013.**

3 Renewable Energy Fund; Rates RSA 362-F:10, III is repealed and reenacted to read as follows:

III.(a) Beginning in 2013, the commission shall adjust these rates by January 31 of each year using the Consumer Price Index as published by the Bureau of Labor Statistics of the United States Department of Labor for classes III and IV and 1/2 of such Index for classes I and II.

(b) In lieu of the adjustments under subparagraph (a) for class III in 2015, 2016 and 2017, the class rate in each of those years shall be \$45.

(c) By January 31, 2018 the commission shall compute the 2018 class III rate to equal the rate that would have resulted in 2018 by the application of subparagraph (a) to the 2013 rate and each subsequent year's rate to 2018.

(d) In 2019 and thereafter, the class III rate shall be determined by application of subparagraph (a) to the prior year's rate.

4 Renewable Portfolio Standards Study Committee.

I.(a) There is established a renewable portfolio standards study committee to study:

(1) Whether to alter the class III alternative compliance payment rates for 2018 and any subsequent years;

(2) Whether to alter the Class I, II, and IV alternative compliance payment rate in 2015 and any subsequent years;

(3) The impact that alternative compliance payments in New Hampshire and other New England states have upon the production of renewable energy;

(4) Methods to protect electric customers from increasing energy prices;

(5) The shortfall potential, if any, and reasons for the shortfall potential in the purchase percentage requirements of RSA 362-F:3; and

(6) Whether to create a cap and rebate program for the renewable energy fund to protect electric customers from higher electric rates; and

(7) The impact of renewable portfolio standards in other New England states on New Hampshire.

(b) The members of the committee shall be as follows:

(1) Two members of the senate who are members of the energy and natural resources committee, appointed by the president of the senate.

(2) Three members of the house of representatives who are members of the science, technology and energy committee, appointed by the speaker of the house of representatives.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The committee shall study:

(a) Whether to alter the class III alternative compliance payment rate for 2018 and any subsequent years, and, if so shall propose any such changes or formula for change;

(b) Whether to alter the Class I, II, and IV alternative compliance payment rates in 2015 and any subsequent years, and, if so shall propose any such changes or formula for change;

(c) The impact that alternative compliance payments in New Hampshire and other New England states have upon the production of renewable energy;

(d) Methods to protect electric customers from increasing energy prices and impacts of the renewable portfolio standard on the competitive market for electricity;

(e) The shortfall potential, if any, and reasons for the shortfall potential in the purchase percentage requirements of RSA 362-F:3, and may propose a mechanism to provide a credit or other after the fact adjustment device against potential alternative compliance payments when the purchase percentage requirement has not been met due to eligible facilities selling into another jurisdiction's renewable portfolio standards market;

(f) Whether to create a cap and rebate program for the renewable energy fund to protect electric customers from higher electric rates;

(g) The impact of renewable portfolio standards in other New England states on New Hampshire;

(h) The impact of any proposed changes to the renewable portfolio standard on pre-existing retail and wholesale supply contracts; and

(i) The need to better coordinate and standardize renewable portfolio standards among the New England states within the ISO-NE.

IV. The committee shall solicit input from any individual or organization with relevant information or expertise.

V. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

VI. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2013.

5 Effective Date. This act shall take effect upon its passage.

Amendment adopted.

Rep. Butler offered floor amendment (2010h).

**Floor Amendment (2010h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to electric renewable portfolio standards and relative to group and individual health insurance market rules.

Amend the bill by replacing all after section 4 with the following:

5 Definitions. Amend RSA 420-G:2, II-a to read as follows:

II-a. "Composite billing" means a method of calculating premium rates for small employer groups in which each enrolled employee's rate varies only by the enrolled employee's family composition *and the enrolled member's tobacco use. The composite rates would consist of rates that vary by family composition and a rating add-on for each member that uses tobacco.*

6 New Paragraphs; Definitions; Employee. Amend RSA 420-G:2 by inserting after paragraph VI the following new paragraphs:

VI-a. "Employee" means "employee" as described under section 3(6) of the Employee Retirement Income Security Act of 1974, 29 U.S.C., section 1002(6).

VI-b. "Essential health benefits" means the categories of coverage identified in 42 U.S.C. section 18022(b)(1) and as further defined and implemented by the United States Secretary of Health and Human Services from time to time.

7 New Paragraph; Definitions; Grandfathered Health Plans. Amend RSA 420-G:2 by inserting after paragraph VII-a the following new paragraph:

VII-b. "Grandfathered health plan" or "grandfathered coverage" means coverage provided by a group health plan, or a group or individual health insurance issuer, that was initially issued on or before March 23, 2010, in which at least one individual, though not necessarily the same individual, has been enrolled at all times since March 23, 2010, and that meets all other requirements for being considered a grandfathered health plan under 45 C.F.R., section 147.140.

8 Definitions. Amend RSA 420-G:2, XII-a to read as follows:

XII-a. "List billing" means a method of calculating premium rates for small employer groups in which each enrolled employee's rate varies ~~[only]~~ by the enrolled employee's attained age ~~[and]~~, the enrolled employee's family composition, *and tobacco use by the enrolled employee and the employee's covered family.*

9 Definitions; Modified Experience Rating. Amend RSA 420-G:2, XIII-a to read as follows:

XIII-a. "Modified experience rating" means a rating methodology to apply only to individual ~~[policies]~~ *grandfathered health plans* sold in the nongroup market, which modifies community rating to allow for limited consideration of health status, as detailed in RSA 420-G:4, I(a).

10 Definitions Added. Amend RSA 420-G:2, XV-a to read as follows:

XV-a. *"Qualified health plan" means a health plan that meets all requirements for certification set forth under 42 U.S.C. section 18021 and any applicable rules or regulations.*

XV-b. "Rating period" means the time period for which the premium rate charged by a health carrier to an individual or a small employer for a health benefit plan is in effect.

XV-c. *"SHOP exchange" means the Small Business Health Options Program established for New Hampshire under 42 U.S.C. section 13031(b).*

11 Definitions; Small Employer. Amend RSA 420-G:2, XVI(a) to read as follows:

(a) "Small employer" means a business or organization which employed on average, one and up to 50 employees~~[-including owners and self-employed persons;-]~~ on business days during the previous calendar year. A small employer is subject to this chapter whether or not it becomes part of an association, multi-employer plan, trust, or any other entity cited in RSA 420-G:3 provided it meets this definition.

12 Definitions. RSA 420-G:2, XVI(a) is repealed and reenacted to read as follows:

(a) "Small employer" means a business or organization which employed on average, one and up to 100 employees on business days during the previous calendar year. A small employer is subject to this chapter whether or not it becomes part of an association, multi-employer plan, trust, or any other entity cited in RSA 420-G:3 provided it meets this definition.

13 Premium Rates. Amend RSA 420-G:4, I to read as follows:

I. Health carriers providing ~~[health]~~ *grandfathered* coverage to individuals and small employers under this chapter shall be subject to the following:

(a) All premium rates charged shall be guaranteed for a rating period of at least 12 months, and shall not be changed for any reason, including but not limited to a change in the group's case characteristics.

(b) Market rate shall be established by each health carrier for all of its *grandfathered* health ~~[coverages]~~ *plans* offered to individuals and, separately, for all of its *grandfathered* health ~~[coverages]~~ *plans* offered to small employers.

(c) Health carriers shall calculate health coverage plan rates for each of the ~~[coverages or]~~ *grandfathered* health ~~[benefit]~~ plans written by that carrier. Variations in health coverage plan rates shall be solely attributable to variations in expected utilization or cost due to differences in coverage design and/or the provider contracts or other provider costs associated with specific coverages and shall not reflect differences due to the nature of the groups or eligible persons assumed to select particular health coverages.

(d) In establishing the premium charged, health carriers providing *grandfathered* coverage to individuals shall calculate a rate that is derived from the health coverage plan rate through the application of rating factors that the carrier chooses to utilize for age, health status, and tobacco use. Such factors may be utilized only in accordance with the following limitations:

(1) The maximum premium differential for age as determined by ratio shall be 4 to 1. The limitation shall not apply for determining rates for an attained age of less than 19.

(2) The maximum differential due to health status shall be 1.5 to 1 and the maximum rate due to tobacco use shall be 1.5 to 1. Rate limitations based on health status do not apply to rate variations based on an insured's status as a tobacco user.

(3) Permissible rating characteristics shall not include changes in health status after issue.

(e) In establishing the premium charged, health carriers offering *grandfathered* coverage to small employers shall calculate premium rates that are derived from the health coverage plan rate by making adjustments to reflect one or more case characteristics. Such adjustments from the health coverage plan rate may be made only in accordance with the following limitations:

(1) In establishing the premium rates, health carriers offering *grandfathered* coverage to small employers may use only age, group size, and industry classification as case characteristics. No consideration shall be given to health status, claim experience, duration of coverage, geographic location, or any other characteristic of the group.

(2) Carriers making adjustments from the health coverage plan rate for age may do so only by using the following age brackets:

0 - 18  
19 - 24  
25 - 29  
30 - 34  
35 - 39  
40 - 44  
45 - 49  
50 - 54  
55 - 59  
60 - 64  
65 +

(3) The maximum premium rate differential after adjusting for all case characteristics as determined by ratio shall be 3.5 to 1. This limitation shall not apply for determining premium rates for covered persons whose attained age is less than 19.

(4) In establishing the premium rates, health carriers offering coverage to small employers may make further adjustments based on family composition.

(5) The small employer health carrier shall set premium rates for small employers after consideration of case characteristics of the small employer group as well as family composition. No small employer health carrier shall inquire regarding health status or claims experience of the small employer or its employees or dependents until after the premium rates have been agreed upon by the carrier and the employer.

(6) Carriers may calculate premium rates using either list billing or composite billing. Carriers shall use the same billing method in all succeeding rating periods unless the small employer agrees to allow the carrier to change the methodology.

(7) [Repealed.]

(f) Each rating factor that a carrier chooses to utilize *for grandfathered coverage* in the individual market shall be reflective of claim cost variations that correlate with that factor independently of claim cost variations that correlate with any of the other allowable factors.

(g) The same rating methodology shall apply to ~~newly covered individuals and to~~ individuals renewing at each annual renewal date, or to ~~new small employers and~~ small employers renewing at each annual renewal date or anniversary date. Rating methodology shall not be construed to include health carrier incentives to individual subscribers or members to participate in wellness and fitness programs provided such incentives are ~~[approved by the insurance department]~~ *consistent with sections 2702 and 2705 of the federal Public Health Act, and any regulations adopted thereunder.*

(h) The commissioner shall not approve any filing if such filing is excessive, inadequate, or contrary to the intent of this chapter.

***1-a. Health carriers providing health coverage to individuals and small employers under this chapter, other than grandfathered coverage, shall be subject to the following:***

***(a) All premium rates charged shall be guaranteed for a rating period of at least 12 months, and shall not be changed for any reason, including, but not limited to, a change in the group's case characteristics.***

***(b) Market rate shall be established by each health carrier for all of its health coverages offered to individuals and, separately, for all of its health coverages offered to small employers.***

***(c) Health carriers shall calculate health coverage plan rates for each of the coverages or health benefit plans written by that carrier. Variations in health coverage plan rates shall be solely attributable to variations in expected utilization or cost due to differences in coverage design and/or the provider contracts or other provider costs associated with specific coverages and shall not reflect differences due to the nature of the groups or eligible persons assumed to select particular health coverages.***

***(d)(1) In establishing the premium charged, health carriers providing coverage to individuals or small groups shall vary the premium rate with respect to the particular plan or coverage involved only by:***

***(A) Whether the plan or coverage covers an individual or family;***

***(B) Geographic rating area, as established by the commissioner pursuant to RSA 420-G:14, I(a)(1);***

***(C) Age, except that the maximum premium differential for age as determined by ratio shall be 3 to 1 for adults; and***

***(D) Tobacco use, except that the maximum differential rate due to tobacco use shall be 1.5 to 1.***

***(2) With respect to family coverage under an individual or small group health insurance policy, the rating variations permitted under subparagraphs (1)(A) and (D) shall be applied based on the portion of the premium that is attributable to each family member covered under the plan.***

***(3) Carriers must adjust each health coverage plan or premium rate for age, based on the portion of the premium that is attributable to each family member covered under the plan or certificate, using the uniform age rating factors established by the commissioner pursuant to RSA 420-G:14, I(a)(2).***

***(e) Each rating factor that a carrier uses shall be reflective of claim cost variations that correlate with that factor independently of claim cost variations that correlate with any of the other allowable factors.***

***(f) For small employers, carriers shall calculate premium rates for employee and dependent coverage on a list bill basis and shall provide the employer with a billing statement that shows premiums on both a list bill and a composite bill basis.***

***(g) The same rating methodology shall apply to newly covered individuals and to individuals renewing at each annual renewal date, or to new small employers and small employers renewing at each annual renewal date or anniversary date. Rating methodology shall not be construed to include health carrier incentives to individual subscribers or members to participate in wellness and fitness programs provided such incentives are consistent with sections 2702 and 2705 of the federal Public Health Act, and any regulations adopted thereunder.***

***(h) The commissioner shall not approve any filing if such filing is excessive, inadequate, or contrary to the intent of this chapter.***

14 New Section; Coverage of Essential Health Benefits. Amend RSA 420-G by inserting after section 4-c the following new section:

420-G:4-d Coverage of Essential Health Benefits. All health coverage offered by health carriers to individuals or small employers shall include coverage for the essential health benefits. This section shall not apply to grandfathered health coverage.

15 Medical Underwriting. Amend RSA 420-G:5, I and II to read as follows:

I. Health carriers providing **[health] grandfathered** coverage **[for individuals]** may *in the individual market only*, perform medical underwriting, including the use of health statements or screenings or the use of prior claims history, to the extent necessary to establish or modify premium rates as provided in RSA 420-G:4. ***Health carriers shall not perform medical underwriting for any other type of coverage in the individual and small group markets. Health carriers providing coverage in the large group market may perform medical underwriting.***

II. ~~[Health carriers providing health coverage for individuals may refuse to write or issue coverage to an individual because of his or her health status.]~~ Regardless of claim experience, health status, or medical history, health carriers providing health coverage for ***individuals or*** small employers shall not refuse to write or issue any of their available coverages or health benefit plans to any ***individual or*** small employer group that elects to be covered under that plan and agrees to make premium payments and meet the other requirements of the plan, ***except that this requirement shall not apply to grandfathered coverage in the individual market.***

16 Guaranteed Issue. Amend RSA 420-G:6, III to read as follows:

III. Health carriers shall actively market, issue, and renew all of the health coverages they sell in the ***individual and*** small employer market to all ***individuals and*** small employers ***in that market, except that this requirement shall not apply to grandfathered individual coverage. Health carriers offering health coverage to small employers shall permit small employers to purchase health coverage at any point during the year, with the small employer's health coverage consisting of the 12-month period beginning with the small employer's effective date of coverage.***

***III-a. A health carrier shall not rescind health coverage issued to an individual or with respect to an individual covered under health coverage issued to a small or large employer, including a group to which the individual belongs or family coverage in which the individual is included, after the individual is covered under the plan, unless:***

***(a) The individual, or a person seeking coverage on behalf of the individual, performs an act, practice, or omission that constitutes fraud; or***

***(b) The individual makes an intentional misrepresentation of material fact, as prohibited by the terms of the plan or coverage.***

***III-b. For the purposes of subparagraph III-a(a), a person seeking coverage on behalf of an individual does not include a producer, or an employee or authorized representative of the health carrier.***

17 Guaranteed Issue. Amend RSA 420-G:6, V(d)-(g) to read as follows:

***(d) Failure of an employer sponsoring group coverage*** to meet the minimum employee participation number or percentage requirement of the health coverage.

***(e) The small employer is no longer actively engaged in the business that it was engaged in on the effective date of the health coverage.***

***(f) The employer medically underwrites or otherwise violates a provision of this chapter.***

***(g) (e) The health carrier is ceasing to offer health coverage in such market, in accordance with paragraph VII.***

18 Guaranteed Issue. Amend RSA 420-G:6, V-a to read as follows:

V-a. Health carriers shall not underwrite insureds at time of renewal ***of an individual grandfathered health plan*** unless an insured has applied for an increase in his or her coverage, ***and provided that such increase in coverage does not result in the coverage ceasing to be a grandfathered health plan.***

19 Preexisting Conditions. Amend RSA 420-G:7, I and II to read as follows:

I. ~~[A health carrier providing health coverage to large employers may impose a preexisting condition exclusion period, but only if it is at least as favorable to covered persons as the following:]~~

***(a) No preexisting condition exclusion shall extend beyond a period of 9 consecutive months after the date of enrollment of the person's health coverage; and***

***(b) Such preexisting condition exclusion period may only apply to a condition, whether physical or mental, regardless of the cause of the condition, for which medical advice, diagnosis, care or treatment was recommended or received during the 3 months immediately preceding the enrollment date of health coverage.] A health carrier issuing health coverage to small or large employers shall not impose any preexisting condition exclusion with respect to such coverage. A health carrier issuing individual health coverage that is not a grandfathered health plan shall***

***not impose any preexisting condition exclusion with respect to such coverage. A health carrier issuing individual health coverage under a grandfathered health plan may impose a preexisting condition exclusion only as permitted by this section.***

II. A health carrier providing health coverage ~~[to individuals or small employers]~~ ***in the individual market under a grandfathered plan*** may impose a preexisting condition exclusion period, but only if it is at least as favorable to covered persons as the following:

(a) No preexisting condition exclusion period shall extend beyond a period of 9 consecutive months after the date ~~[of enrollment]~~ of the person's ***enrollment in the grandfathered health [coverage] plan.***

(b) Such preexisting condition exclusion period may only apply to a condition, whether physical or mental, regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was received or recommended during the 3 months immediately preceding the date ~~[of enrollment]~~ of the person's ***enrollment in the grandfathered health [coverage] plan.***

20 Preexisting Conditions. Amend RSA 420-G:7, V and the introductory paragraph of paragraph VI to read as follows:

V. Health carriers shall provide written certification of the period of creditable coverage which accumulated while a person was under the health coverage plan, and shall also state any waiting period which was imposed prior to receiving health coverage.

~~[(a)]~~ The written certification shall be provided at the time a person ceases to be covered under a health coverage plan, and on a request made on behalf of the person made not later than 24 months after the date of the cessation of coverage.

~~[(b)] A health carrier, which elects to credit coverage under the method set forth in rules pursuant to paragraph IV that enrolls a person with a certificate of creditable coverage, may request of the entity that issued the certificate the additional information required under the rules. The issuing entity shall promptly disclose such information to the health carrier, but may charge the reasonable costs of disclosing such information.]~~

VI. A health carrier providing health coverage ~~[to large or small employer groups]~~ ***under a grandfathered health plan for which a preexisting condition exclusion period is allowed*** shall not:

21 Open Enrollment. RSA 420-G:8 is repealed and reenacted to read as follows:

420-G:8 Open Enrollment.

I. Each small employer group shall have an annual employee open enrollment period 60 days in length, occurring prior to the small employer group's anniversary date. During open enrollment, employees or eligible dependents may apply to the small employer for health coverage or make a change in their membership status becoming effective upon the small employer group's anniversary date, subject to providing the health carrier 30-days notice.

(a) A health carrier shall not refuse any small employer employees or eligible dependents applying for health coverage during the open enrollment period.

(b) Employees or eligible dependents coming on at the time of an open enrollment period shall have the same premiums as the rest of the small employer group shall have upon the new or renewal effective date.

II. A small employer employee who has met any employer imposed waiting period and is otherwise eligible for health coverage, who declines a small employer's health coverage plan during the initial offering or subsequent open enrollment period, shall be a late enrollee and shall not be allowed on the plan until the next open enrollment period.

III. A large employer employee, who has met any employer imposed waiting period and is otherwise eligible for health coverage, may enroll within 31 days of becoming eligible and shall not be required to submit evidence of insurability based on medical conditions. If a person does not enroll at this time, that person is a late enrollee. Each large employer group shall have an open enrollment period during which late enrollees may enroll and shall not be required to submit evidence of insurability based on medical conditions.

IV. Paragraphs II and III notwithstanding, an eligible employee or eligible dependent shall not be considered a late enrollee if:

(a) The person was covered under public or private health coverage at the time the person was able to enroll; and

(1) Has lost public or private health coverage as a result of termination of employment or eligibility, the termination of the other plan's coverage, death of a spouse, or divorce; and

(2) Requests enrollment within 30 days after termination of such health coverage; or

(b) Is employed by an employer that offers multiple health coverages and the person elects a different plan during an open enrollment period; or

(c) Was ordered by a court to provide health coverage for an ex-spouse or a minor child under a covered employee's plan and the request for enrollment is made within 30 days after issuance of such court order.

V.(a) If individual coverage offered by a health carrier or a large or small employer group's health coverage plan offers dependent coverage and the individual is enrolled in such coverage or the employee is enrolled or has met any applicable waiting period and is eligible to be enrolled, but for a failure to do so during a previous open enrollment period, a person who becomes a dependent of the individual or employee through marriage, birth, adoption or placement for adoption, and the employee if not otherwise enrolled, shall be provided with a special enrollment period.

(b) If an individual has minimum essential coverage through individual coverage offered by a health carrier or as an employee through a large or small employer group's health coverage plan, and the individual loses such coverage for any reason other than failure to pay premiums or a basis on which rescission is permitted pursuant to RSA 420-G:6, IV, the individual shall be provided with a special open enrollment period under any other individual health coverage or any large or small employer group health coverage plan for which the individual becomes eligible.

(c) The special enrollment period shall be at least 60 days in length and shall begin on the later of:

(1) The date dependent health coverage is made available; or

(2) The date of the marriage, birth, adoption, placement for adoption, or loss of minimum essential coverage, as the case may be.

(d) If the person seeks enrollment during such special enrollment period, the health coverage shall become effective:

(1) In the case of marriage or loss of minimum essential coverage, on or before the first day of the first month following the completed request for enrollment;

(2) In the case of birth, as of the date of birth; or

(3) In the case of adoption or placement for adoption, the date of such adoption or placement for adoption.

VI. Health carriers offering individual health coverage shall have initial and annual open enrollment periods as follows:

(a) For health coverage that becomes effective on or after January 1, 2014, but before January 1, 2015, there shall be an initial open enrollment period beginning on October 1, 2013 and extending through March 31, 2014.

(b) For health coverage that becomes effective on or after January 1, 2015, there shall be an annual open enrollment period beginning on October 15th and extending through December 7th of the calendar year preceding the year in which the health coverage becomes effective.

22 Participation Requirements. Amend RSA 420-G:9, I and II to read as follows:

I. For coverage purchased outside of the SHOP exchange, a health carrier may not require more than the minimum participation percentage of the employees eligible for health coverage in a small employer group to participate in the health carrier's health coverage plan. The minimum participation percentage shall be 75 percent when the health carrier's plan is the sole health coverage plan being sponsored by the employer group, and 37.5 percent when the health carrier's plan is not the sole health coverage plan being sponsored by the employer group.

***I-a. For coverage purchased in the SHOP exchange, the exchange shall not require more than the minimum participation percentage of the employees eligible for health coverage in a small employer group to participate in the SHOP exchange, equal to 75 percent. No health carrier shall apply any other participation test.***

II. For the purpose of calculating whether or not a small employer group's enrollment meets a carrier's minimum participation requirements:

(a) Any full-time or part-time employees who are covered as a dependent on another person's health coverage ***or are enrolled in a governmental plan such as Medicare, Medicaid, or TRICARE*** shall be excluded from the count.

(b) ***Any full-time or part-time employees who have been found eligible for a premium tax credit and are enrolled in a qualified health plan purchased through an exchange shall be excluded from the count.***

(c) The total number of full-time employees and part-time employees who are otherwise eligible for health coverage shall be counted.

23 New Paragraph; Participation Requirements. Amend RSA 420-G:9 by inserting after paragraph IV the following new paragraph:

V. The requirements under this section shall be the only participation requirements. Minimum employer contributions, or other criteria, shall not be permitted.

24 Rulemaking. Amend RSA 420-G:14, I to read as follows:

I.(a) The commissioner ~~[may]~~ **shall** adopt rules, under RSA 541-A, ~~[necessary to the proper administration of this chapter.]~~ **relative to establishing:**

(1) ***Uniform age rating levels that are consistent with 45 C.F.R. 147.102.***

(2) ***Special enrollment periods designed to allow employees to purchase individual coverage on the exchange during their employer's open enrollment period, even if the employer's open enrollment period does not coincide with the open enrollment period in the individual market.***

(b) ***The commissioner may adopt further rules, pursuant to RSA 541-A, necessary to the proper administration of this chapter.***

25 Preexisting Conditions. RSA 415-A:5, III is repealed and reenacted to read as follows:

III. Health carriers issuing policies subject to RSA 420-G shall not impose any preexisting condition exclusion that is inconsistent with that chapter.

26 Coverage for Clinical Trials. RSA 415:18-I, I-III are repealed and reenacted to read as follows:

I. In this section:

(a) "Clinical trials" mean Phase I, Phase II, Phase III, and Phase IV clinical trials.

(b) "Cooperative group" means a formal network of facilities that collaborate on research projects and have an established National Institute of Health (NIH) approved peer review program operating within the group.

(c) "FDA" means the federal Food and Drug Administration.

(d) "Member" means the policyholder, subscriber, insured, or certificate holder, or a covered dependent of a policyholder, subscriber, insured, or certificate holder.

(e) "NIH" means the National Institutes of Health.

(f) "Non-routine patient care cost" means:

(1) The cost of an investigational new drug or device that is not approved for market for any indication by the FDA.

(2) The cost of a non-health care service that a member may be required to receive as a result of the treatment being provided for the purposes of the clinical trial.

(3) The costs of services that are clearly inconsistent with widely accepted and established regional or national standards of care for a particular diagnosis.

(4) Costs associated with managing the research associated with the clinical trial.

(5) Non-covered costs under the member's policy, plan, or contract.

(g) "Routine patient care cost" means the cost of any medically necessary health care service that is incurred as a result of the treatment being provided to a member of a health plan. Routine costs are those for which the health plan regularly reimburses its members, health care providers, or health care institutions subject to the terms and conditions of the member's policy and the provider's service agreement with the insurer.

II. A policy, plan, or contract subject to this section shall provide coverage for all medically necessary routine patient care costs incurred as a result of a treatment being provided in accordance with a clinical trial to the extent such costs would be covered for noninvestigational treatments if the treatment is being provided or the studies are being conducted in a phase I, phase II, phase III, or phase IV clinical trial for cancer or the treatment is being provided for any other life-threatening condition.

III. The coverage required under paragraph II shall be required if:

(a) The treatment is being provided to the member in a clinical trial approved by:

(1) One of the National Institutes of Health;

(2) The Centers for Disease Control and Prevention;

(3) The Agency for Healthcare Research and Quality;

(4) The Centers for Medicare and Medicaid Services;

(5) An NIH cooperative group or an NIH center or a cooperative group or center of any of the entities described in subparagraphs (1) through (4) or the Department of Defense or the Department of Veterans Affairs;

(6) A qualified non-governmental research entity identified in the guidelines issued by the National Institutes of Health for center support grants;

(7) The FDA in the form of an investigational new drug application or exemption;

(8) The federal Department of Veterans Affairs or Defense or the federal Department of Energy; provided that the treatment meets the requirement of 42 U.S.C., section 30099-8(d)(2); or

(9) An institutional review board of an institution in this state that has a multiple assurance contract approved by the Office of Protection from Research Risks of the NIH.

(b) The member is eligible to participate in an approved clinical trial according to the trial protocol with respect to treatment of cancer or other life-threatening disease or condition; and either (1) the referring provider is a participating provider and has concluded that the member's participation in such clinical trial would be appropriate based upon the member meeting the conditions described in this subparagraph; or (2) the member provides medical and scientific information establishing that the member's participation in such clinical trial would be appropriate based upon the member meeting the conditions described in this subparagraph.

27 Coverage for Clinical Trials. Amend RSA 415:18-I, V to read as follows:

V. The provisions of this section shall apply to *individual and* group hospital and medical expense policies subject to RSA 415, health service corporations under RSA 420-A, health maintenance organizations under RSA 420-B, and managed care organizations under RSA 420-J.

28 Coverage for Clinical Trials. Amend RSA 415:18-I, VIII to read as follows:

VIII. The provisions of this section shall not apply to a policy, plan, or contract paid for under the federal Medicare program [~~nor~~], the state children's health insurance program, *or to a plan that meets the definition of a grandfathered health plan under RSA 420-G:2, VII-b.*

29 Reference Change. Amend RSA 420-G:4-c, II to read as follows:

II. A carrier shall offer a limited open enrollment period [~~consistent with the requirements of RSA 420-G:8, I-a~~] during which time an employee having a cafeteria plan under RSA 275:43-c may purchase small employer group health coverage. A carrier may apply its rating factor for group size of one to the premium charged for coverage sold to an employee on an individual basis through a payroll deduction, but shall not apply participation requirements under RSA 420-G:9, I to coverage purchased by an employee through a cafeteria plan established pursuant to RSA 275:43-c.

30 New Section; Prohibition on Lifetime or Annual Limits; Coverage of Preventative Health Services. Amend RSA 420-G by inserting after section 3 the following new section:

420-G:3-a Prohibition on Lifetime or Annual Limits; Coverage of Preventative Health Services.

I. All health coverage offered by health carriers to individuals, small employers, or large employers shall:

(a) Not contain lifetime or annual limits, in accordance with 42 U.S.C. section 300gg-11(a); and

(b) Provide coverage for preventative health services, without any cost-sharing requirements, in accordance with 42 U.S.C. section 300gg-13.

II. This section shall not apply to grandfathered health coverage.

31 New Section; Consistency. Amend RSA 420-N by inserting after section 6 the following new section:

420-N:6-a Consistency. In order to prevent a default to federal regulation and to preserve the state's status as the sole regulator of the business of insurance within the state, the oversight committee shall have the authority to find, with respect to any specific provision within Title XXXVII, that the provision is inconsistent with and prevents the application of the Act and to authorize the commissioner, on a provisional basis, to implement a specific provision of the Act. The commissioner's authority to implement this provision shall extend only until such time as the general court can take legislative action to amend Title XXXVII as it deems appropriate.

32 Report Required. The commissioner shall issue a report to the speaker of the house of representatives, the president of the senate, the house and senate committees having jurisdiction over commerce issues, and the governor no later than December 1, 2013 with respect to considerations and possible approaches to the creation of geographic rating areas for the individual and small group markets and with respect to the possibility of requiring that carriers applying a tobacco rating factor in the individual market make available a tobacco cessation wellness program, participation in which would fully offset any increase in premium due to the tobacco rating factor.

33 Repeal. The following are repealed:

I. RSA 420-G:4-b, relative to New Hampshire HealthFirst.

II. RSA 420-G:7, IV, relative to alternative method of crediting coverage.

34 Effective Date.

I. Sections 31 and 32 of this act shall take effect 60 days after its passage.

II. Section 12 of this act shall take effect January 1, 2016.

III. Sections 5-11, 13-30, and 33 shall take effect January 1, 2014.

IV. The remainder of this act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill makes adjustments in the purchase percentage requirements and the alternative compliance payment amount and mechanism under the electric renewable portfolio standards law. This bill establishes a renewable portfolio standards study committee.

This bill also makes changes to the statute applicable to health insurance carriers offering major medical health insurance coverage in the group and individual markets in New Hampshire.

Rep. William O'Brien spoke against and yielded to questions.

Rep. Butler spoke in favor and yielded to questions.

Rep. Tucker spoke against and requested a roll call; sufficiently seconded.

### SULLIVAN

Grenier, James                      Smith, Steven

and the committee report was adopted and ordered to third reading.

Reps. Itse and Moffett declared conflicts of interest and did not participate.

**SB 189-FN**, relative to the licensure of fuel gas fitters and plumbers by a mechanical licensing board established within the department of safety and transferring regulation of plumbers to the mechanical licensing board. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Susan W. Almy for the Majority of Ways and Means: The bill merges the plumbing and gas-fitting trades in one board and updates the law of both. The committee found two problems. The first is a matter of fee policy: the bipartisan consensus is that the long-standing policy on 125 percent agencies does not work for professions engaged in strongly cyclical industries, such as construction. In order to avoid delaying this critical bill, we have committed to developing a bill on this issue for next year. The other is a matter of first-committee policy: since it left the first committee, complaints have arisen that the bill does not allow simply plumbing to be done by unlicensed relatives and neighbors of a homeowner, nor by the owner of a duplex or quadplex unit or summer cottage. The committee can only deal with the fees, but the committee expects that this second problem will be addressed in a floor amendment. We have no problem otherwise with the bill's fee or fund structure as developed in the Senate. Vote 12-1.

Rep. Laurie J. Sanborn for the Minority of Ways and Means: During the executive session, the minority learned about a significant policy problem with this bill which would eliminate property owners' ability to fix their own water plumbing. We hope that an amendment will be put forth that will fix an otherwise good bill. If a suitable amendment cannot be moved, the minority regretfully recommends ITL.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Carol McGuire offered floor amendment (1965h).

### Floor Amendment (1965h)

Amend RSA 153:36, I as inserted by section 8 of the bill by replacing it with the following:

I. The license requirements of this subdivision shall not apply to anyone who performs fuel gas fitting within an existing single family, stand alone structure owned and occupied by the person who performs the fuel gas fitting work, and such structure is used as the individual's primary residence. Notwithstanding any provision to the contrary, any person who is exempt under this paragraph shall

perform fuel gas fitting work in accordance with applicable technical standards, and comply with any applicable code, application, and inspection requirements that may apply to the fuel gas fitting work performed.

Amend RSA 153:36 as inserted by section 8 of the bill by inserting after paragraph VII the following new paragraph:

***VIII. The license requirements of this subdivision shall not apply to the following persons while performing plumbing work under the circumstances specifically described; provided, however, that plumbing installed or maintained by such persons under such circumstances shall conform to the state plumbing code:***

***(a) To regular employees of public utilities, as defined in RSA 362:2, when working as such.***

***(b) To a person, firm, corporation, or limited liability company who regularly employs a person whose duties include installation and maintenance of plumbing on the property of that person, firm, corporation, or limited liability company, when such employee is actually so engaged.***

***(c) To a property owner or the property owner's agent who installs, repairs, or replaces plumbing in the property owner's own single-family detached or townhouse residence, including new construction, or any property owner or property owner's agent who makes minor installations, repairs, or replacements to the owner's property.***

Rep. Carol McGuire spoke in favor.

Floor amendment (1965h) adopted.

Committee report adopted and ordered to third reading.

### **BILL REMOVED FROM THE CONSENT CALENDAR OF MAY 22, 2013**

***SB 97***, relative to high school equivalency and relative to illiteracy. **OUGHT TO PASS.**

Rep. Rick M. Ladd for Education: The American Council on Education, GED's long-time non-profit administrator, has now partnered with Pearson, the world's largest education and testing company, to redesign the GED test, making it a for-profit enterprise for the first time. New Hampshire's contract with GED expires on December 31 of this year. This bill replaces statutory reference to the GED certificate with the term "high school equivalency." To replace the GED, NH DOE has selected the high school equivalency test, produced by ETS and Iowa Testing Programs, both well-known and successful non-profits. ETS currently produces widely used tests such as: PSAT, SAT, GRE, PRAXIS and AP. This is a proven test and measurement record. Lastly, Pearson has announced that an individual's GED testing costs will total \$120 and that the test will only be offered online. The one time fee, to include two retests for the high school equivalency test by ETS, will cost \$50.00. This is a considerable savings while providing a transition period in which test takers may opt for either the pencil/paper or online versions. Vote 18-1.

### **MOTION TO DIVIDE**

Rep. Hoell moved that section 3 be divided from the bill and spoke in favor.  
Motion failed.

The question now being adoption of the committee report of Ought to Pass.

Rep. Hoell spoke against.

Rep. Ladd spoke in favor.

Rep. Sylvia requested a roll call; sufficiently seconded.

**RESOLUTION**

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, June 26, 2013 at 10:00 a.m.

Adopted.

**LATE SESSION****Third reading and final passage**

**SB 173**, relative to criminal background checks for individuals volunteering or applying for employment at licensed child care facilities.

**SB 76**, relative to disqualification of candidates.

**SB 112**, requiring constitutional amendment concurrent resolutions to contain the language for the voter's guide.

**SB 44**, relative to the disposal of controlled drugs by law enforcement officers.

**SB 90**, establishing a committee to study developing a policy for veteran preference for government hiring.

**SB 119-FN-A**, directing the joint legislative historical committee to conduct a study of state house flag restoration and preservation.

**SB 124-FN**, establishing an integrated land development permit.

**SB 162-FN**, repealing the student tuition guaranty fund and making provisions for the disbursement of remaining funds, and relative to the membership of the higher education commission.

**SB 184-FN**, excluding conservation officers of the fish and game department from requirements for emergency medical and trauma services.

**SB 192-FN-L**, establishing a committee to study the establishment of a state infrastructure bank.

**SB 19-FN**, repealing provisions relative to the sale of the former Laconia state school property and eliminating a ramp toll on the Everett turnpike in the town of Merrimack.

**SB 98**, authorizing group net metering for limited electrical energy procedures and establishing a committee to study reimbursement rates for excess electricity generated by customer-generator groups.

**SB 99-FN**, requiring the site evaluation committee to direct a study of site evaluation criteria and establishing a committee to study the criteria for siting of wind powered electric generating facilities, other electric generating facilities, and transmission facilities.

**SB 191-FN-A**, establishing a state energy strategy.

**SB 14**, relative to the rulemaking authority of and administrative fine authority for the department of resources and economic development.

**SB 75**, relative to games of chance.

**SB 155-FN-A**, requiring revenue from commemorative liquor bottles to be used for the preservation of state house Civil War battle flags.

**SB 47**, relative to a surviving spouse's right to retain a Purple Heart plate.

**SB 41**, revising the New Hampshire business corporations act, RSA 293-A.

**SB 198**, relative to the authority of county correctional officers.

**SB 27-FN**, relative to monitoring by the department of education of programs for children with disabilities.

**SB 48**, relative to school performance and accountability.

**SB 135-FN**, relative to the regulation of the practice of genetic counseling.

**SB 129-FN**, relative to court-ordered placements in shelter care facilities and at the Sununu Youth Services Center, relative to the children in need of services (CHINS) program, and establishing a committee to study programs for children in need.

**SB 146-FN-L**, relative to aid to the permanently and totally disabled and old age assistance.

**SB 123-FN-L**, relative to the use of proceeds from the regional greenhouse gas initiative program.

**SB 148-FN**, relative to electric renewable portfolio standards.

**SB 189-FN**, relative to the licensure of fuel gas fitters and plumbers by a mechanical licensing board established within the department of safety and transferring regulation of plumbers to the mechanical licensing board.

**SB 97**, relative to high school equivalency and relative to illiteracy.

### SENATE MESSAGE

#### ACCEDES TO REQUESTS FOR COMMITTEE OF CONFERENCE

**HB 142**, relative to teacher evaluation systems.

The President appointed Sens. Stiles, Reagan and Kelly.

**HB 242**, relative to child passenger restraint requirements.

The President appointed Sens. Rausch, Boutin and Gilmour.

### UNANIMOUS CONSENT

Reps. Schuett and Katherine Rogers addressed the House.

### MOTION TO PRINT REMARKS

Rep. Vaillancourt moved that the remarks made by Rep. Katherine Rogers be printed in the Permanent Journal.

Adopted.

### REMARKS

**Rep. Katherine Rogers:** Thank you, Madam Speaker. Forty-five years ago today, Senator Robert Kennedy was taken from us by an assassin's bullet. As a young girl, I watched in horror as the person that sparked my love of politics and government died. I couldn't understand then and still, today, I don't understand and struggle with why a person such as that, so committed to improving the world, was killed. I made a decision that day as a young girl that I would work towards the ideals that Robert Kennedy stood and fought for. Senator Kennedy spoke and fought for so many who were unable to speak for themselves, children in poverty, immigrant workers, minorities and all people who love freedom and justice. Robert Kennedy once said, "Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring those ripples build a current which can sweep down the mightiest walls of oppression and resistance." Let us all work together to build that current and knock down those walls. Rest in peace, Senator Kennedy. Your memory will never die. Thank you.

### PERSONAL PRIVILEGE

Rep. William O'Brien addressed the House.

### RECESS MOTION

Rep. Shurtleff moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments, enrolled bill reports and forming Committees of Conference.

Adopted.

The House recessed at 6:55 p.m.

## RECESS

**(Speaker Norelli in the Chair)**

Rep. Kaen moved that the House adjourn.

Adopted.

## HOUSE JOURNAL No. 20

Wednesday, June 26, 2013

The House assembled at 10:00 a.m.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Reverend Michael Leuchtenberger of the Universalist Unitarian Church of Concord.

Spirit of all we hold Holy. Holiness known by many names. Spirit of the life that forms us and connects us. We come together from different places and along varied paths, with values wide-ranging and diverse, and with experiences distinct and unique, yet we also come together shaped by our shared commitment to service, service of a good larger than our individual selves, larger than our self-interest, larger than the needs of this moment. As you begin your work today, may you remember the hopes that inspired you to serve, the compassion that grounded your hopes, and the humility so essential to compassion and public service. As you join your voices in deliberation and debate, may you open your hearts and minds to the voices of all people. May your hearts be open to the voices of those least able to speak for themselves, those who are easily overlooked, and those who are pushed to the margin by forces larger than themselves. In being together may we find gratitude for each other and the interdependence that makes our lives possible. All this we pray in the name of all we hold Holy, a Holiness known by many names. Amen.

Staff Sergeant Roger Shattuck, a 21-year veteran of the United States Army home on leave and the son of Representative Shattuck, led the Pledge of Allegiance.

The National Anthem was sung by Amelia Griffiths of Rye, New Hampshire.

### LEAVES OF ABSENCE

Reps. Bishop, Friel, Hackel, Jane Hunt, Miller, Priestley and Young, the day, illness.

Reps. Danais, Dobson, Gidge, Jeudy, Thomas Katsiantonis, Lefebvre, Oligny, Peckham, Phillips and Thomas Walsh, the day, important business.

### COMMUNICATION

Stella Tremblay  
Representative, 4<sup>th</sup> District Rockingham County  
Auburn, NH 03032

June 16, 2013

Terie Norelli  
Speaker, House of Representatives  
107 North Main Street  
Concord, New Hampshire 03301

This correspondence is to inform all members of the House of Representatives of my resignation. Certainly this announcement comes as a sigh of relief from leadership of both parties. However, this action is due to "Divine Providence" that has presented my family with an opportunity to leave the district in which I now reside... I hope that the elected members remember their Constitutional

oaths when carrying out their duties. I wish you all success in your undertakings, whatever they may be. To those that elected me, thank you for the opportunity to represent you.

With kindest regards,  
Stella Tremblay

## COMMUNICATION

June 19, 2013

Ms. Karen Wadsworth  
Clerk of the House of Representatives  
State House  
Concord, NH 03301

Dear Karen:

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Sullivan District No. 4 (Claremont Ward-2)

Joe Osgood, r, Claremont (19 Whitcomb Lane) 03743

Sincerely,  
William M. Gardner, Secretary of State

## COMMITTEE OF CONFERENCE REPORTS ON SENATE BILLS

### COMMITTEE OF CONFERENCE REPORT ON SB 35

Committee of Conference Report on SB 35, an act relative to the master jury list.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House each pass the bill as amended by the House.

Conferees: Sens. Cataldo, Dist. 6; Carson, Dist. 14; and Lasky, Dist. 13.

Conferees: Reps. Berch, Ches. 1; Woodbury, Hills. 5; Heffron, Rock. 18; and Rowe, Hills. 22.

Committee of Conference Report adopted.

### COMMITTEE OF CONFERENCE REPORT ON SB 48

Committee of Conference Report on SB 48, an act relative to school performance and accountability.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 193-H:1, IV as inserted by section 2 of the bill by replacing it with the following:

**IV. “Focus school” means a low performing school that accepts federal funds from Title I, Part A of the Elementary and Secondary Education Act, and that has the largest within-school gaps between the highest achieving subgroup or subgroups of students and the lowest-achieving subgroup or subgroups of students or, for a high school, has the largest within-school gaps in graduation rates.**

Amend RSA 193-H:1, V(a) as inserted by section 2 of the bill by replacing it with the following:

**(a) A school that accepts federal funds from Title I, Part A of the Elementary and Secondary Education Act, and that is among the lowest performing 5 percent of schools in the state based on the achievement of all students on the statewide assessment pursuant to RSA 193-C and which, when measuring the achievement of all students, has demonstrated a lack of progress on the statewide assessment over 3 years; or**

Amend RSA 193-H:1, VII as inserted by section 2 of the bill by replacing it with the following:

**VII. “Work-study practices” means those behaviors that enhance learning achievement and promote a positive work ethic such as, but not limited to, listening and following directions, accepting responsibility, staying on task, completing work accurately, managing time wisely, showing initiative, and being cooperative.**

Conferees: Sens. Stiles, Dist. 24; Reagan, Dist. 17; and Kelly, Dist. 10.

Conferees: Reps. Ladd, Graf. 4; Frazer, Merr. 13; Shaw, Hills. 16; and Gile, Merr. 27.

Rep. Gile spoke in favor.

Rep. Cordelli spoke against, yielded to questions and requested a roll call; sufficiently seconded.

**COMMITTEE OF CONFERENCE REPORT ON SB 75**

Committee of Conference Report on SB 75, an act relative to games of chance.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after section 1 with the following:

2 New Subparagraph; Application; Game of Chance Facility. Amend RSA 287-D:2-c by inserting after subparagraph (g) the following new subparagraph:

(h) The application shall include a description of the licensed premises.

3 Pari-Mutuel Commission; Reference Changed. Amend RSA 287-D:3, II to read as follows:

II. All devices and equipment used to conduct said games of chance shall be subject to inspection by duly authorized law enforcement or ~~[pari-mutuel]~~ **racing and charitable gaming** officials.

4 Financial Report and Audit. Amend RSA 287-D:5, VI to read as follows:

VI. All financial records pertaining to the games of chance shall be maintained by the treasurer of the charitable organization or other duly authorized director, officer, or official of the charitable organization and shall be made available to the racing and charitable gaming commission, the attorney general or the chief of police of any city or town where games of chance are held upon request. The racing and charitable gaming commission may audit ~~[such financial records]~~ **review or inspect any and all financial records, books, documentation, and bank accounts in the name of the charitable organization that pertain to games of chance.**

5 Transfer to Special Fund. Amend RSA 287-D:3, IX-X to read as follows:

IX. In games where chips have no monetary value, 3 percent of all funds collected from players, less moneys used by the racing and charitable gaming commission to fund authorized personnel expenses and related costs, shall be paid to the state treasurer to be deposited into the ~~[general]~~ **special fund established in RSA 284:21-j.** Such payments shall be made ~~[within 5 business days of the game date on which the funds were collected.]~~ **once per month not later than the 5th day of the month for the funds collected in the previous month.**

X. In games where chips have monetary value, 10 percent of the rake or house winnings and other moneys collected by the game operator that are not paid out as prizes to players, less moneys

used by the racing and charitable gaming commission to fund authorized personnel expenses and related costs, shall be paid to the state treasurer for deposit into the ~~[general fund]~~ **special fund established in RSA 284:21-j**. Such payments shall be made ~~[within 5 business days of the game date on which the funds were collected]~~ **once per month not later than the 5th day of the month for the funds collected in the previous month.**

6 Transfer to Special Fund. Amend RSA 284:12-a, II to read as follows:

II. Investigation fees shall be collected by the commission and shall be continually appropriated to the commission and used by the commission to offset the costs of conducting background checks and monitoring of license applicants and licensees as required under this section, RSA 284:16, RSA 284:16-a, RSA 284:18-a, RSA 284:19, RSA 284:20, RSA 284:20-b, RSA 284:22, and RSA 284:22-a. Funds received hereunder and not expended for such investigations shall lapse to the ~~[general]~~ **special fund established in RSA 284:21-j** 2 years after receipt of such funds.

7 Transfer to Special Fund. Amend RSA 284:31 to read as follows:

284:31 Unclaimed Ticket Money. On or before January 31 of each year every person, association, or corporation conducting a race or race meet, whether live racing or simulcast racing, hereunder shall pay to the state treasurer all moneys collected during the previous year of pari-mutuel pool tickets and vouchers which have not been redeemed. The books or records of said person, association, or corporation, which clearly show the tickets entitled to reimbursement in any given race, live or simulcast, shall be forwarded to the commission. Such moneys shall become a part of the ~~[general funds of the state]~~ **special fund established in RSA 284:21-j**. The state treasurer shall pay the amount due on any ticket or voucher to the holder thereof from funds not otherwise appropriated upon an order from the commission. Pari-mutuel tickets and vouchers which remain unclaimed after 11 months shall not be paid. Vouchers shall be remitted to the state treasurer on January 31 of the calendar year, 24 months after the year of the unclaimed voucher.

8 Transfer to Special Fund. Amend RSA 284:32-b, I to read as follows:

I. Every person, association or corporation required to submit an annual statement pursuant to RSA 284:15-b or an annual financial report pursuant to RSA 284:32-a who fails to submit such statement or report within the required time period shall be subject to a civil forfeiture of up to \$500 for each day of a continuing violation. Civil forfeitures shall be levied under this section by the state racing and charitable gaming commission, shall be collected by the attorney general, and shall be deposited in the ~~[general fund as unrestricted revenue]~~ **special fund established in RSA 284:21-j**. Such civil penalty shall be in addition to and not a substitute for any other civil or criminal penalty provided by law, including RSA 284:21.

9 New Paragraph; Criminal Records Check. Amend RSA 287-D:8 by inserting after paragraph VI the following new paragraph:

VII. For purposes of a games of chance facility license, under RSA 287-D:2-d, each owner, partner, trustee or otherwise of the underlying property, or in the case of a corporation, each officer, director, or shareholder, or in the case of a limited liability company, each manager or member, shall comply with all of the requirements of RSA 287-D:8. This section shall not apply to publicly traded companies.

10 Repeal. RSA 287-D:2-b, II-a, relative to reimbursement of game operator's out-of-pocket expenses, is repealed.

11 Effective Date. This act shall take effect 120 days after its passage.

Conferees: Sens. Odell, Dist. 8; Rausch, Dist. 19; and Hosmer, Dist. 7.

Conferees: Reps. Lovejoy, Rock. 36; John Kelley, Hills. 32; Butynski, Ches. 1; and Sapareto, Rock. 6. Committee of Conference Report adopted.

## COMMITTEE OF CONFERENCE REPORT ON SB 119-FN-A

Committee of Conference Report on SB 119-FN-A, an act directing the joint legislative historical committee to conduct a study of state house flag restoration and preservation.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing section 2 with the following:

2 Portrait of Suffragist Marilla Marks Ricker. In recognition of Marilla Marks Ricker's accomplishments as an early suffragist and the first woman in New Hampshire history to file for the office of governor, the joint legislative historical committee may acquire a portrait of Marilla Marks Ricker upon the approval of the joint committee on legislative facilities to hang a portrait in a place of honor in the state house complex.

Conferees: Sens. Bragdon, Dist. 11; Odell, Dist. 8; and Watters, Dist. 4.

Conferees: Reps. Gary Richardson, Merr. 10; Shurtleff, Merr. 11; Lockwood, Merr. 9; and Grace, Rock. 11.

Committee of Conference Report adopted.

### COMMITTEE OF CONFERENCE REPORT ON SB 135-FN

Committee of Conference Report on SB 135-FN, an act relative to the regulation of the practice of genetic counseling.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing section 7 with the following:

7 Genetic Testing; Disclosure; Medical Practice or Hospital. Amend RSA 141-H:2, III to read as follows:

III. Except as provided in paragraph II, or authorized by RSA 141-J, no person shall disclose to any other person that an individual has undergone genetic testing, and no person shall disclose the results of such testing to any other person, without the prior written and informed consent of the individual, the parent, guardian, or custodian if the individual is a minor under the age of 18, or the legal guardian or conservator if the individual is an incompetent person. ~~[Discussion and disclosure of genetic testing for a patient, requested of a physician by a patient, by appropriate professionals within a physician's medical practice or hospital shall not be a violation of this chapter.]~~

*IV. Nothing in this section shall be construed to regulate or apply to genetic testing or genetic analysis used for diagnosis and treatment of a patient by a clinical laboratory that has received a specimen referral from the individual patient's treating physician, genetic counselor, or another clinical laboratory. Nothing in this section shall be construed so as to waive the requirement that the treating physician obtain specific informed consent in accordance with the provisions of this section.*

Conferees: Sens. Carson, Dist. 14; Cataldo, Dist. 6; and Lasky, Dist. 13.

Conferees: Reps. Weber, Ches. 1; Gagnon, Sull. 5; Peter Schmidt, Straf. 19; and Mary Nelson, Hills. 35.

Committee of Conference Report adopted.

### COMMITTEE OF CONFERENCE REPORT ON SB 148-FN

Committee of Conference Report on SB 148-FN, an act relative to electric renewable portfolio standards.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after section 4 with the following:

5 Premium Rates. RSA 420-G:4, I(d) is repealed and reenacted to read as follows:

(d) In establishing the premium charging, health carriers providing coverage to individuals and small employers shall calculate a rate that is derived from the health coverage plan rate through the application of rating factors that the carrier chooses to utilize consistent with 42 U.S.C. section 300gg and any regulations adopted thereunder, except that the state shall constitute a single geographic rating area. Nothing in this subparagraph shall be construed to expand the authority of the commissioner to adopt rules pursuant to RSA 541-A.

6 Repeal. RSA 420-G:4, I(e), relative to plan rate adjustments, is repealed.

7 Effective Date.

I. Sections 5 and 6 of this act shall take effect January 1, 2014.

II. The remainder of this act shall take effect upon its passage

Conferees: Sens. Odell, Dist. 8; Bragdon, Dist. 11; and Pierce, Dist. 5.

Conferees: Reps. Borden, Rock. 24; Butler, Carr. 7; Schlachman, Rock. 18; and Flanders, Belk. 3.

Rep. Borden spoke in favor.

Rep. Carol McGuire requested a roll call; sufficiently seconded.

### MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Lambert moved that the House reconsider its action whereby, on a voice vote, the House adopted the Committee of Conference Report on **SB 135-FN**, relative to the regulation of the practice of genetic counseling.

Rep. Lambert spoke in favor.

Rep. Weber spoke against.

Rep. Tamburello requested a roll call; sufficiently seconded.

## COMMITTEE OF CONFERENCE REPORTS ON SENATE BILLS (CONT'D)

### COMMITTEE OF CONFERENCE REPORT ON SB 157-FN

Committee of Conference Report on SB 157-FN, an act establishing a New Hampshire disaster relief fund.

#### Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House each pass the bill as amended by the Senate.

Conferees: Sens. Bragdon, Dist. 11; Forrester, Dist. 2; and Larsen, Dist. 15.

Conferees: Reps. Ford, Graf. 3; Buco, Carr. 2; Daniel Eaton, Ches. 3; and Weyler, Rock. 13.

Committee of Conference Report adopted.

### COMMITTEE OF CONFERENCE REPORT ON SB 188-FN

Committee of Conference Report on SB 188-FN, an act relative to municipally owned utilities.

#### Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

Conferees: Sens. Rausch, Dist. 19; Boutin, Dist. 16; and Gilmour, Dist. 12.

Conferees: Reps. Campbell, Hills. 33; Maureen Mann, Rock. 32; Ratzki, Merr. 1; and Graham, Hills. 7.

Committee of Conference Report adopted.

### COMMITTEE OF CONFERENCE REPORT ON SB 189-FN

Committee of Conference Report on SB 189-FN, an act relative to the licensure of fuel gas fitters and plumbers by a mechanical licensing board established within the department of safety and transferring regulation of plumbers to the mechanical licensing board.

#### Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House each pass the bill as amended by the House.

Conferees: Sens. Carson, Dist. 14; Cataldo, Dist. 6; and Watters, Dist. 4.

Conferees: Reps. Schuett, Merr. 20; Weber, Ches. 1; Sytek, Rock. 8; and Moffett, Merr. 9.

Committee of Conference Report adopted.

## SENATE MESSAGE

### ADOPTION OF COMMITTEE OF CONFERENCE REPORT

**HB 1-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2014 and June 30, 2015.

### COMMITTEE OF CONFERENCE REPORT ON HOUSE BILL

**HB 1-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2014 and June 30, 2015. (Report printed SJ 6-26-13)

Reps. Dan McGuire and Wallner spoke in favor and yielded to questions.

Rep. Carol McGuire spoke in favor.

Rep. Daniel Eaton requested a roll call; sufficiently seconded.

and the Committee of Conference Report was adopted.

**UNANIMOUS CONSENT**

Reps. Hess, Herbert Richardson and Vaillancourt addressed the House.

**MOTION TO PRINT REMARKS**

Rep. Shurtleff moved that the remarks made by Rep. Hess be printed in the Permanent Journal.  
Adopted.

**REMARKS**

**Rep. Hess:** Thank you very much, Madam Speaker. For those of you who were here last year, you know of my passion for military history and in particular, the Civil War. This month, this date, marks almost exactly the midpoint of that conflict, a conflict that resulted in more killed in action and wounded dead than every other war in the history of the United States through Vietnam. New Hampshire, as I mentioned at Memorial Day last year, contributed 21 regiments, over 32,000 men to that conflict and we suffered more than 6% casualties, among the highest rate of casualties in any state in the Union. Today is bracketed by three of probably the most decisive battles of that war and I'd like to share with you the involvement of New Hampshire men in those battles. Chancellorsville was fought on May 1 to May 3 in Northern Virginia. Gettysburg followed two months later, July 1 to July 4 in that small town in Southeastern Pennsylvania and Vicksburg surrendered on July 4, 1863. Five of our New Hampshire regiments, the First New Hampshire Light Battery and the three companies of New Hampshire sharpshooters participated in one or more of those battles. I'd like to share with you the suffering and the successes and failures of our New Hampshire predecessors in those conflicts. Chancellorsville, you may remember, was the crowning achievement of Robert E. Lee. Faced with an army twice his size, Lee and Jackson split the army in Northern Virginia in half, more than half, and Lee sent Jackson on a 22 mile forced march to the left around the

rightwing and right flank of the Union. They arrived there roughly at 3:00 in the afternoon. One of the Federal units holding the right flank and the right flank was in the air, meaning that it just sort of dangled off; there were no natural barriers to protect people from outflanking it. It was the 12<sup>th</sup> New Hampshire regiment. There is a vivid first person account of what happened there. All of a sudden, about 2:00 or 2:30 in the afternoon, all of the wildlife in front of the Federal lines began to come running out; deer, rabbits, bear, anything that could move, came running into and through the Union line. The men of the 12<sup>th</sup> thought this was pretty hilarious and were shooting some of the animals as they were coming through to supplement their diets. Little did they know that behind those animals were 32,000 rebels under Stonewall Jackson. The 12<sup>th</sup> regiment broke almost immediately and fled to the rear. 75% of its effectives were lost in that battle. The regiment went into the fight with 28 officers and 549 enlisted men. 18 of those officers were killed or wounded and 254 of the enlisted men were killed or wounded in two hours of conflict. The 12<sup>th</sup> reformed and would later join in the battle of Gettysburg. Not an auspicious start for New Hampshire's men under arms. At Gettysburg we had 3 regiments of New Hampshire men involved in the battle, the 2<sup>nd</sup>, the 5<sup>th</sup> and the 12<sup>th</sup>. All of them were involved in some of the most heavily engaged aspects of that battle. If you are familiar with Gettysburg, the Union line was called the fishhook, on the right was Culp's Hill and then it spun around in a circle and ran down Cemetery Ridge to Devil's Den, Round Top and Little Round Top. On July 2<sup>nd</sup>, when the two armies were face to face, the 12<sup>th</sup> was situated on Culp's Hill and the 5<sup>th</sup> was located on the area of Round Top. Both units suffered severe casualties. Both repulsed the Confederate advances. On Culp's Hill, the 2<sup>nd</sup> went into battle with 553 men. In three hours, 47 were killed, 136 were wounded and 46 were missing in action. Only three of their officers were either not killed or not wounded. Because of those casualties suffered, over 300 out of the 350 effectives, the regiment was removed from the line for a year and did not reappear in combat until Cold Harbor, almost a year later. The 12<sup>th</sup> which had been decimated in Chancellorsville, suffered a similar fate when it went into battle on July 2<sup>nd</sup>, they had only 224 effectives out of an original compliment of 1,000. In the battle, at that time on July 2<sup>nd</sup> around Little Round Top on the far left of the Federal unit line, 26 were killed and 73 were injured. Again, the regiment was decimated such that on July 3<sup>rd</sup>, on the day of Pickett's charge, the 12<sup>th</sup> was integrated with other Federal units right in the center of the line and participated in throwing back Pickett on July 3<sup>rd</sup>. If you go down to the bottom of the stairs behind the House Chambers, here you will see a replication of one of the dioramas of Gettysburg depicting the highpoint of Pickett's charge with Armistead leading the Confederates over the original Union lines. I don't think people knew it when they put that painting there, but that painting exactly portrays where the last 50 effectives of the 12<sup>th</sup> New Hampshire regiment fought and helped to turn back Pickett. The 5<sup>th</sup>, as I recounted last year, had an unusual and sorrowful commendation to it. The 5<sup>th</sup> New Hampshire was the most seriously damaged regiment in the Union army over four years. It suffered more casualties, more killed, more wounded than any other unit in the Union Army and the 5<sup>th</sup> also fought at both Chancellorsville and Gettysburg and like the 2<sup>nd</sup> and the 12<sup>th</sup>, had been reduced to such a small number of men that it was not an effective fighting unit until almost a year later. In addition to those two battles on the East, we had the Vicksburg conflict and the siege and surrender of Vicksburg on July 4<sup>th</sup>. I didn't know this until I went there for the third time last fall, but New Hampshire actually had two regiments involved in the siege of Vicksburg, the 6<sup>th</sup> and the 11<sup>th</sup>. They were there when the surrender occurred, they participated in the siege and they honorably showed the colors of New Hampshire. As I said, over the course of the four years, we lost 6% of the young men who went to war to save the Union. We should be proud of that as I know they were, as you can see in every monument to the Civil War in every village throughout the state. Thank you.

### MOTION TO PRINT REMARKS

Rep. Gary Richardson moved that the remarks made by Rep. Herbert Richardson be printed in the Permanent Journal.

Adopted.

### REMARKS

**Rep. Herbert Richardson:** Thank you, Madam Speaker. Members of the House, today we honor Leighton Pratt, a 7-term member of the New Hampshire Representatives from 1991 to 2005, who passed away on June 11<sup>th</sup> at the age of 90. Leighton was a World War II Veteran who served in the US Coast Guard from 1942 to 1946. One of his favorite sayings was in order to make weight, the

night before, he and his friend, ate pounds and pounds of bananas and then the next morning were able to make the grade. As soon as he enlisted, before going through basic training, he was put onboard the USS Leonard Wood out of Boston. The ship transported troops and supplies as well as return Veterans who were wounded in action. While aboard the USS Leonard Wood, Leighton was injured in a submarine attack and after his recovery was assigned to the USS Woonsocket which led convoys through the channels North of Newfoundland through the North Atlantic to England and participated in sinking four submarines. After being discharged from the Coast Guard, he attended the University of Vermont on the GI Bill and then received his masters at the University of Rhode Island. Afterwards, he went on to work for the Vermont Department of Agriculture and the State Plant Pathologist and Nursery Inspection Supervisor. From there, he went on to teach in Vermont at Cabot High School, Newport High School and the North Country Union High School. However, Leighton's greatest accomplishments in life was assisting the agricultural community which he was able to do in the House on the Agriculture Committee as well as becoming Coos County Agricultural Agent in Lancaster in 1969 where he continued until his retirement in 1988. In 2002, he was recognized by the local farm bureau for his agricultural community commitment and as well as the State Farm Bureau at the time of his retirement in the House. What was described as his greatest accomplishment was getting this legislation passed and establishing the Integrated Pest Management Program which reduces the amount of pesticides used on food crops. Leighton Pratt was noted for his gardening, especially pumpkins, Indian corn and gourds. He was probably best known in the North Country for establishing one of the first pick-your-own blueberry farms in the Town of Lancaster and did so until two years ago when he was done doing that. Leighton and his wife Sally recently celebrated their 51<sup>st</sup> anniversary and recently his 90<sup>th</sup> birthday with his sons Randall, Bruce and his grandchildren, Alex and Tori. Leighton was a beloved husband, father, grandfather, friend and colleague who will be missed. Thank you.

### **MOMENT OF SILENCE**

A moment of silence was observed in honor and in memory of the former Representative from Lancaster, the Honorable Leighton Pratt.

### **MOTION TO PRINT REMARKS**

Rep. Lambert moved that the remarks made by Rep. Vaillancourt be printed in the Permanent Journal. Adopted.

### **REMARKS**

**Rep. Vaillancourt:** Thank you, Madam Speaker. While we appear here today on very important business, and while we have already acknowledged what one of the previous unanimous consents a very important time in the history of our country, many of us for the last hour or so have been following the news and if I inform you for the first time, so be it. By a vote of 5-4 with Justice Kennedy writing for the majority, the Supreme Court today struck down the Defense of Marriage Act, 5-4 decision. The court also had a mixed ruling in the California case, deciding proper standing did not exist to go into the details of the case, but reaffirming the California Court, which means that gay marriage most likely will now be legal in California. When I talked about history at the beginning of these remarks, I cannot help but think of the role New Hampshire played and the role some of us in this House played in bringing about this historic moment. It wasn't too long ago that I stood at that podium and the gay marriage decision was reached in New Hampshire and without a court telling New Hampshire to do so, we in this body, legalized gay marriage and we refused to go back on it last year. I think that all of us in New Hampshire, or certainly the ones that believe that all men are created equal and should be entitled to the same rights, can look back historically on the role we played in turning public opinion around. And, as I stand here today, I think we ought to honor Jim Splaine, the former Portsmouth Representative and Senator who did so much in leading this effort. So, I guess I'd like to just end with the words I spoke back at the time from a famous song, for everything there is a season, and I think the season of equality is one step closer today. Thank you.

and the Committee of Conference Report was adopted.

### SENATE MESSAGE

#### ADOPTION OF COMMITTEE OF CONFERENCE REPORT

**HB 142**, relative to teacher evaluation systems.

#### COMMITTEE OF CONFERENCE REPORT ON HOUSE BILL

**HB 142**, relative to teacher evaluation systems. (Report printed SJ 6-26-13)  
Committee of Conference Report adopted.

### MOTION TO PRINT DEBATE

Rep. Groen moved that the debate on **HB 2-FN-A-L**, relative to state fees, funds, revenues, and expenditures, be printed in the Permanent Journal.

Rep. Groen spoke in favor.

On a division vote, 150 members having voted in the affirmative and 198 in the negative, the motion failed.

### SENATE MESSAGE

#### ADOPTION OF COMMITTEE OF CONFERENCE REPORT

**HB 183**, relative to processing absentee ballots.

#### COMMITTEE OF CONFERENCE REPORT ON HOUSE BILL

**HB 183**, relative to processing absentee ballots. (Report printed SJ 6-26-13)  
Committee of Conference Report adopted.

### SENATE MESSAGE

#### ADOPTION OF COMMITTEE OF CONFERENCE REPORT

**HB 220**, relative to the New Hampshire medal of honor.

**COMMITTEE OF CONFERENCE REPORT ON HOUSE BILL**

**HB 220**, relative to the New Hampshire medal of honor. (Report printed SJ 6-26-13)  
Committee of Conference Report adopted.

and the Committee of Conference Report was adopted.

**SENATE MESSAGE****ADOPTION OF COMMITTEE OF CONFERENCE REPORTS**

**SB 35**, relative to the master jury list.

**SB 48**, relative to school performance and accountability.

**SB 75**, relative to games of chance.

**SB 119-FN-A**, directing the joint legislative historical committee to conduct a study of state house flag restoration and preservation.

**SB 135-FN**, relative to the regulation of the practice of genetic counseling.

**SB 148-FN**, relative to electric renewable portfolio standards.

**SB 157-FN**, establishing a New Hampshire disaster relief fund.

**SB 188-FN**, relative to municipally-owned utilities.

**SB 189-FN**, relative to the licensure of fuel gas fitters and plumbers by a mechanical licensing board established within the department of safety and transferring regulation of plumbers to the mechanical licensing board.

**HOUSE RESOLUTION #11**

**Relative to a request from the House of Representatives  
to the Honorable Senate**

**WHEREAS**, Part Second, Article 2 of the Constitution of the State of New Hampshire establishes a general court with supreme legislative power in the State, composed of two co-equal bodies – a House of Representatives and a Senate; and,

**WHEREAS**, Part Second, Article 22 of the Constitution of the State of New Hampshire provides that the House of Representatives shall settle the rules of proceedings for its own body, and Article 23 grants that same power to the Senate to settle its rules of proceedings; and,

**WHEREAS**, Part Second, Article 45 of the Constitution of the State of New Hampshire prescribes that resolves be treated as bills; and

**WHEREAS**, House Rule 39 requires that all joint resolutions be treated in the same manner as bills, and Senate Rule 3-20 requires that all resolutions that may be required to be signed by the governor shall be treated as bills; and

**WHEREAS**, for over two centuries it has been the tradition that legislation passed by one body of the New Hampshire legislature and sent to the other body is accepted for introduction, unless substantially similar legislation had been Indefinitely Postponed or found Inexpedient to Legislate in that second body during the current session; and

**WHEREAS**, on February 14, 2013, after the deadline had passed for filing and introduction of legislation originating in the House, the Senate changed its Rules to restrict the introduction of certain types of resolutions; and

**WHEREAS**, the House of Representatives accepted and acted upon a Senate Concurrent Resolution, despite the fact that the Senate refused to accept two House Concurrent Resolutions and one House Joint Resolution; and

**WHEREAS**, comity and respect for the internal process of each chamber is crucial to our democracy; now, therefore, be it

**RESOLVED**, that the House of Representatives respectfully requests of the Senate that it return to the policy that was in place prior to February 14, 2013, to accept and act upon concurrent and joint resolutions sent up from the House; and be it further

**RESOLVED**, that the Clerk of the House deliver a copy of this resolution to the President of the Senate and to the Clerk of the Senate.

Offered by Representatives Shurtleff, Chandler, Baldasaro and Cushing  
Reps. Cushing and Baldasaro spoke in favor.

Rep. Lambert requested a roll call; sufficiently seconded.

### MOTION TO SUSPEND HOUSE RULES

Rep. Cushing moved that all necessary House Rules be suspended as to allow action at the present time, after the deadline, on **SCR 1**, relative to special use permits in the White Mountain National Forest.

On a division vote, 256 members having voted in the affirmative and 78 in the negative, the motion was adopted by the necessary two-thirds vote.

The question being adoption of floor amendment (1554h).

#### Floor Amendment (1554h)

Amend the title of the resolution by replacing it with the following:

**A RESOLUTION** relative to special use permits in the White Mountain National Forest, urging Congress to fund the development and implementation of a comprehensive health care delivery system to enhance the level of specialty care for New Hampshire's veterans, and requesting Congress to begin the process for a constitutional amendment establishing that human beings, not corporations, are entitled to constitutional rights.

Amend the resolution by replacing all after the title with the following:

Whereas, the New Hampshire general court has adopted numerous resolutions relative to the White Mountain National Forest over the last two decades, including HR 25 in the 1993 session, HJR 7 in the 1999 session, HR 9 in the 1999 session, HCR 25 in the 2000 session, SJR 1 in the 2000 session, and SCR 2 in 2012; and

Whereas, each of these resolutions has affirmed and communicated the strong support of the people of New Hampshire, through their elected representatives, for multiple use management in the White Mountain National Forest, including sustainable forest and wildlife habitat management, and traditional recreational uses such as hiking, fishing, hunting, downhill and cross-country skiing, and snowmobiling; and

Whereas, the White Mountain National Forest, established by the Weeks Act almost a century ago, through the efforts of New Hampshire citizens, represents the successful application of the principles of natural resource protection combined with multiple use; and

Whereas, conservation and preservation of the 800,000-acre Forest's lands, watersheds, wildlife habitats, natural scenic beauty, and resource use and recreation was the intent of the 1911 Weeks Act; and

Whereas, this approach has become a tradition and the ethic for the forest throughout its 100 plus years of successful service to the citizens of the north country, the state, and the country; and

Whereas, any diversion from this tradition and ethic will have an adverse effect on the forest's ability to continue to meet the needs of the communities of the north country and its 5,000,000 users per year, the American public; and

Whereas, New Hampshire is a proud and patriotic state with approximately 131,000 veterans with the majority over the age of 65 who have served their country bravely and risked their lives to preserve our country's freedom and democracy, and their sacrifices on our behalf are deserving of an upgraded medical delivery system to meet their health care needs; and

Whereas, New Hampshire is largely a rural state with limited access to the interstate highway system requiring veterans residing in many rural communities who may be ill and elderly to travel many miles to appointments for even minor procedures often placing undue and unnecessary stress on sick or injured veterans and their families; and

Whereas, many New Hampshire veterans residing in rural communities frequently miss essential checkups and therapies due to inclement weather and lack of proper transportation; and

Whereas, timely medical treatment would improve the overall health and quality of life of veterans by preventing numerous strokes, by-passes, amputations, and other costly but preventable conditions; and

Whereas, many New Hampshire veterans over the age of 65 do not have access to a primary care provider; and

Whereas, veterans residing in rural communities deserve the same level of care as veterans residing in other areas of the state; and

Whereas, New Hampshire is one of only 2 states in the nation without a full-service hospital, requiring veterans to travel to Vermont, Massachusetts, Maine, and Rhode Island for medical treatment; and

Whereas, adequate care of our veterans should be the concern of all Americans; and

Whereas, government was established to provide a social contract between naturally born persons; and

Whereas, the founders of the United States Constitution and Republic clearly and emphatically intended freedom of speech to mean freedom to communicate with and by natural born persons either directly or through the free press; and

Whereas, the United States Supreme Court ruled on January 21, 2010 in Citizens United v. Federal Election Commission that corporations have the same First Amendment rights as people, and that they can spend unlimited amounts of money on elections; and

Whereas, the Supreme Court is misguided in principle, and wrong on the law, because in a democracy, the people rule; now, therefore, be it

Resolved by the Senate, the House of Representatives concurring:

That the general court reaffirms its commitment to the principles underlying the Weeks Act, and supports continued management of the White Mountain National Forest for multiple uses as a part of the National Forest System; and

That consideration by the United States Department of Agriculture (USDA) Forest Service of any special use permit in the White Mountain National Forest should recognize the Forest's economic and social importance, its character and presence within the New England region, and its unique environmental and natural characteristics; and

That the New Hampshire general court respectfully urges the Congress of the United States and the Department of Veterans Affairs to fulfill the Department's goal of providing excellence in patient care by increasing the types of and access to specialty care at a full service VA Manchester Medical Center, or by developing a pilot program to utilize a veteran's medical card for use in New Hampshire's medical facilities in order to provide better care to veterans residing in rural areas, or by the establishment of additional community based outpatient clinics, outpatient clinics, or vet centers as justified by veterans' medical and mental health needs along with greater use of mobile clinics, and where cost effective, enter into contract services with the goal of increasing services and reducing travel time to ensure access to health care is available when it is needed; and

That the general court urges the New Hampshire congressional delegation to encourage and expedite a constitutional amendment to firmly establish:

I. That human beings, not corporations, are endowed with Constitutional rights protected by the First Amendment; and

II. That money is not speech, and therefore regulating political contributions and spending is not equivalent to limited political speech; and

III. That the freedoms of speech and the press, and the right to assemble peaceably and to petition the government for the redress of grievances, as protected by this Constitution, shall not encompass the speech, association, or other activities of any corporation or other artificial entity created for business purposes, except for a corporation or entity whose business is the publication or broadcasting of information, when such corporation or entity is engaged in that business. A corporation or other artificial entity created for business purposes includes a corporation or entity that, although not itself engaged in business pursuits, receives the majority of its funding from other corporations or artificial entities created for business purposes; and constitutional rights; and

That the house clerk forward official copies of this resolution to the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate, the majority and minority leadership of the Senate, the Secretary of Veterans Affairs, to Thomas

Tidwell, the chief of the USDA Forest Service, and to all the members of the New Hampshire congressional delegation with the request that this resolution be officially entered in the Congressional Record as a high priority for the Congress of the United States of America.

### AMENDED ANALYSIS

This concurrent resolution:

I. Declares that the United States Department of Agriculture Forest Service shall consider certain unique characteristics of the White Mountain National Forest when reviewing and deliberating on any special use permit for property located in the White Mountain National Forest.

II. Urges Congress to fund the development and implementation of a comprehensive health care delivery system to enhance the level of specialty care for New Hampshire's veterans.

III. Urges the congressional delegation to begin the process for a constitutional amendment establishing that human beings, not corporations, are entitled to constitutional rights.

Rep. Cushing spoke against.

Floor Amendment (1554h) failed.

Motion of Ought to Pass adopted and ordered to third reading.

### MOTION TO PRINT

Rep. Hoell moved that the letter of resignation from Representative Stella Tremblay be printed in its entirety in the Permanent Journal.

Rep. Winters spoke against.

On a division vote, 43 members having voted in the affirmative and 279 in the negative, the motion failed.

### ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 228, 231, 559, 588 and 640 and Senate Bills numbered 27, 41, 44, 54, 76, 94, 112, 134, 138, 162, 179 and 198.

Rep. Shurtleff, Sen. Prescott for the Committee

### RESOLUTION

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns, it be to meet at the Call of the Chair. Adopted.

### LATE SESSION

#### Third reading and final passage

**HR 11**, relative to a request from the House of Representatives to the Honorable Senate.

**SCR 1**, relative to special use permits in the White Mountain National Forest.

### RECESS MOTION

Rep. Shurtleff moved that the House stand in recess for the purposes of receiving Senate messages, enrolled bill amendments, enrolled bill reports and veto messages from the Governor, at the completion which the House will stand adjourned to the Call of the Chair. Adopted.

The House recessed at 2:55 p.m.

### RECESS

(Rep. Benn in the Chair)

**(Rep. Kaen in the Chair)**

**ENROLLED BILLS REPORT**

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 252, 253, 260, 524, 542, 573, 594, 635 and 664 and Senate Bills numbered 75 and 135.

Rep. Henle, Sen. Carson for the Committee

The House is adjourned to the Call of the Chair.

**Wednesday, June 26, 2013**

The Speaker called the recessed Session of June 26, 2013 to order at 10:00 a.m.

**CLERK'S NOTE**

Although the June 26, 2013 Session continues here, the actual date is January 8, 2014.

**LEAVES OF ABSENCE**

Reps. Aguiar, Andrews, Ronald Belanger, Booras, Bradley, Charron, Connor, Susan Emerson, Hansberry, Helmstetter, Hoelzel, McCloskey, Menear, Merrill, Mary Nelson, Amy Perkins, Straight and Tamburello, the day, illness.

Reps. Burdwood, Burtis, Emerson-Brown, Bianca Garcia, Grady, Haefner, Sally Kelly, Lerandeau, Meaney, William O'Brien, Oigny, Parison, Priestley, Rhodes, Sad, Todd Smith, Spainhower and Verschueren, the day, important business.

Rep. Lawrence Perkins, the day, illness in the family.

**INTRODUCTION OF GUESTS**

Jonathan Bailey, son of Rep. Bailey. Pastor Garrett Lear, guest of Rep. Itse. Francis Ouma, guest of Rep. Bill Nelson. Franklin Police Chief David Goldstein, guest of Rep. Leigh Webb.

**COMMUNICATION**

November 26, 2013

David H. Thompson  
53 Meadowfox Rd.  
Chester, NH

To whom it may concern:

I regret to inform you that I am resigning my elected position as representative to the Town of Derry. This is made necessary for the fact I have moved from Derry and cannot continue to represent the citizens of Derry.

I would like to express my sincere thanks and appreciation for the cordiality extended to me by Speaker, Clerk and fellow representatives.

Sincerely,  
David H. Thompson

**COMMUNICATION**

December 27, 2013

Dear Speaker Norelli:

After a great deal of consideration of the seven years during which I have had the honor of serving New Hampshire as a Representative, with mixed emotions, I resign.

With the possibility of another stroke sometime in my future and a major birthday in 2014, I am in the process of moving back to New Jersey where I grew up and a "new life" is waiting for me. I shall miss the part of my life spent in representing our state, and the many opportunities I was given for enrichment of my political knowledge.

With sincere gratitude,  
Representative Joy K. Tilton  
Merrimack County, District 3, Northfield &  
Franklin Ward 3

### COMMUNICATION

January 4, 2014

Speaker Terie Norelli  
New Hampshire House of Representatives  
State House Room 312  
107 North Main Street  
Concord NH 03301-4988

RE: House Seat Resignation

Dear Madam Speaker:

It is with very mixed emotions that I submit my resignation for Keene Floterial 16<sup>th</sup> effective January 6<sup>th</sup>.

My part time teaching position at the community college has been changed to full time. I attribute the thrust of this change in my status at the college as a serendipity result of the ACA.

I have thoroughly enjoyed this third term and appreciate your appointment to Criminal Justice and Public Safety. In contrast to my first and second term, I've experienced greater collegiality while appearing before various committees, all a result of your selection and expectations from leadership. Mixed up seating in the House and Committees was putting the contact theory to good use. I enjoyed John Burt to my right in House and Vaillancourt on one side and Mark Warden on the other in committee. Laura Pantelakos was just fine as Chair.

I intend to run in two and half years when I am 70 and my wife turns 65. My life is richer for having experience in all three branches of government in criminal justice.

Kindest regards to you Terie. You have met my expectations during this tour.

Delmar D. Burrige  
Keene

### COMMUNICATION

To: Terie Norelli, Speaker of the House  
From: Hon. Nickolas J. Levasseur, State Representative  
Date: 25 November 2013

Madam Speaker,

It is with the deepest regret that I offer my resignation as Representative of Hillsborough District 11, Manchester's Ward 4. I do so because I have taken new employment and will be unable to commit the necessary time to my duties and I will be moving out of my district.

Serving in the New Hampshire House has been the greatest honor of my life. I have met many astonishing people, taken part in extraordinary events, and played my own small role in our state's history. I will forever cherish the memories of my service as a pinnacle time in my life. I would like to thank you for your many years of leadership and dedication as well as that of every member of the House with whom it has been my pleasure to serve.

To serve in the New Hampshire House is to give of yourself. You give to your constituents. You give to your issues. You give to your work. And you give to your fellow representatives. I leave having given much, but having received so much more. I leave having forged friendships that will last a lifetime. I leave with experiences that will guide the course of my life. I leave with the knowledge that our individual smallness is made into greatness by the collective will and dedication of the few who hold the title "New Hampshire State Representative."

Madame Speaker I bid you, my fellow representatives, and this esteemed institution good luck, Godspeed, and a heartfelt farewell.

Respectfully submitted,  
Hon. Nickolas J. Levasseur

**COMMUNICATION**

December 20, 2013

Ms. Karen Wadsworth  
 Clerk of the House of Representatives  
 State House  
 Concord, NH 03301

Dear Karen:

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Strafford District No. 6 (Durham, Madbury)

Amanda Merrill, d, Durham (8 Meadow Rd.) 03824

Sincerely,  
 William M. Gardner  
 Secretary of State

**GOVERNOR'S VETO MESSAGE ON HB 183**

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 24, 2013, I vetoed House Bill 183, relative to processing absentee ballots. Maintaining confidence in our elections through a transparent and straightforward system for processing ballots is essential to the ongoing health of our democracy. After reviewing HB 183 and hearing the concerns expressed by the Secretary of State's office through the legislative process, I believe that this legislation would cause increased confusion about the timing of processing absentee ballots, potentially undermining the transparency of the election process. Under current law, all communities across New Hampshire are instructed to begin processing absentee ballots at 1 p.m. This ensures a transparent process where all members of the public and those tasked with oversight of our elections know when ballots are being reviewed. HB 183 would eliminate that set time and leave it to poll workers at each individual voting location to determine when to begin processing absentee ballots without any requirement for advanced notice, so long as the processing begins at least two hours after the polls open. The Senate appropriately realized the problems with this approach, and made changes to ensure that each voting location provided advanced notice to the public of the time that absentee ballots would begin to be processed. Unfortunately, that provision was not agreed to in the committee of conference and the bill as passed provides for no advanced notice. I appreciate the dedication of our local election officials who make our democracy work, and I know that HB 183 was a well-intentioned attempt by sponsors to ease the process for election officials. However, the final version of this bill improves flexibility and efficiency without adequately preserving the element of transparency that is the foundation of our elections system. Efficiency and transparency are not mutually exclusive, and I am confident that we can all work together to pass a bill that will achieve both before the next state-wide election, and I will work with the Legislature to do so. Transparency and public involvement are essential to upholding our long-standing traditions of fair and trusted elections, and I have therefore vetoed this legislation.

July 24, 2013

Respectfully submitted, Margaret Wood Hassan, Governor

The question being, notwithstanding the Governor's veto, shall **HB 183**, relative to processing absentee ballots, become law?

Rep. Gary Richardson spoke against.

Rep. James Belanger spoke in favor and yielded to questions.

Rep. Burt spoke in favor.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

## GOVERNOR'S VETO MESSAGE ON HB 403

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 12, 2013, I vetoed House Bill 403, establishing a committee to study end of life decisions. With any discussion of the complex and emotional issues related to end-of-life decisions, our focus must always be first and foremost on helping all of those in our society to fully live their lives with the dignity that they deserve. In New Hampshire, we have approached these issues very seriously and thoughtfully, always seeking to include the input of those who understand these issues best: doctors, patients, advocates for the elderly and those who experience chronic conditions or disabilities, and the people of New Hampshire. This thoughtful process has already produced important laws, including New Hampshire's advanced directive statute (RSA 137-J). In fact, I have just signed into law SB 170, which sought input from numerous stakeholders, ranging from the medical community, patients, advocates for the elderly and people who experience disabilities, the religious community and many others, in order to clarify New Hampshire's advance directive statute. Therefore, I see no need for the study committee outlined by HB 403 and have vetoed the legislation.

July 12, 2013

Respectfully submitted, Margaret Wood Hassan, Governor

The question being, notwithstanding the Governor's veto, shall **HB 403**, establishing a committee to study end of life decisions, become law?

Rep. Marjorie Smith spoke against and yielded to questions.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

**GOVERNOR'S VETO MESSAGE ON HB 505**

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 16, 2013, I vetoed House Bill 505, relative to the economic development advisory council. Creating jobs and spurring innovative economic growth are among our highest priorities, but to do so effectively we must ensure that the voices of all stakeholders, from business to local communities to our workers, are represented at the table. When the state's economic development advisory council was established in 2008, we sought to ensure that diverse voices, representing people and businesses across New Hampshire, were informing the work of the Division of Economic Development at the Department of Resources and Economic Development. We must work together, and have all voices at the table, to move our state's economy forward. It is clear that those who worked on and supported HB 505 were well-intentioned in seeking to improve the work of the Economic Development Advisory Council, and changes may be necessary to streamline the work of the council. But this bill as passed could lead to the exclusion of important viewpoints, most notably New Hampshire's workers, who have a crucial stake in New Hampshire's economic development and economic future. I believe we can improve the advisory council's work to strengthen New Hampshire's economic development efforts in a way that maintains input from as wide a range of stakeholders as possible, and I am willing to work with the Legislature to do so. However HB 505 as written does not do enough to include the voices of all those who have a role in economic development, and I therefore have vetoed the legislation.

July 16, 2013

Respectfully submitted, Margaret Wood Hassan, Governor

The question being, notwithstanding the Governor's veto, shall **HB 505**, relative to the economic development advisory council, become law?

Rep. Cebrowski spoke in favor.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

Thursday, May 22, 2014	Form Committees of Conference
Friday, May 30, 2014 at 4:00 pm	Sign-off Committee of Conference reports
Thursday, June 5, 2014	Act on Committee of Conference reports

Adopted by the necessary two-thirds vote.

### UNANIMOUS CONSENT

Reps. Shattuck, Rollins, Timothy Smith and George Lambert addressed the House.

### MOTION TO PRINT REMARKS

Rep. Shurtleff moved that the remarks made by Rep. Shattuck be printed in the Permanent Journal.  
Adopted.

### REMARKS

**Rep. Shattuck:** Thank you, Madam Speaker, and for the privilege to come before this body with unanimous consent. I am speaking to you about Herbert Hansen a former member of this house who passed away on December 15, 2013 after a period of declining health. Some knew him as Pete although most of us knew him as Herb. While I did not know Herb as a colleague in this body, I knew him as a friend and neighbor in Hillsborough. In fact, we ran against each other for the seat in Hillsborough, the seat that I represent here today. He was born in Poughkeepsie, New York on May 11, 1929. Herb graduated from Brown University in 1951 with a commission in the United States Marine Corps as a 2nd lieutenant and served during the Korean Conflict. He worked in marketing at International Business Machines for 32 years from 1953 to 1986. After retiring from IBM, he first served on the Hillsborough Planning Board from 1985 to 1987, then as a Selectman for the Town of Hillsborough from 1987 to 1993. Later, Herb represented Hillsborough in this House, serving as chairman of the Criminal Justice Committee for three terms from 1995 to 2000. Herb was steadfast in his opposition to the expansion of gambling in New Hampshire. He and Senator Jim Rubens served as co-chairs of the Granite State Coalition Against Expanded Gambling. Herb continued in this role after the end of his service in the House. He and Jim successfully led the charge against expanded gambling. As a music major in college, he was an accomplished pianist. Herb took great pleasure at the keyboard. He regularly played at Hillsborough House, Concord Regional VNA Hospice House and Pine Rock Manor from his repertoire of more than 200 songs and hymns. With wife of 38 years, Coralie, Herb was active for many years at Smith Church in Hillsborough and more recently at First Congregational Church in Hopkinton, especially at the piano or leading the singing, even up to a few weeks of his passing. He is survived by Coralie, his five children, 21 grandchildren and 3 great-grandchildren. I was not real close to Herb; yet I always considered him a true friend. I remember standing in his kitchen and how he always liked to give me a hard time, especially on anything political. Yet I do believe that on important issues we pretty much agreed. Whether it was issues that came to town meeting in his selectman days or in Concord in this House, his was a calming voice working for solutions; something that is too often missing today. He was creative, mischievous and always a good and trusted friend to all who knew him in business, in this House, or in public or private life. He enjoyed his family and countless friends. He was generous with his talents and good nature and brought enjoyment through his entertainment of those less fortunate. Herb, we miss you - Semper Fi. Thank you Madame Speaker and colleagues.

### SENATE MESSAGES

At the time of adjournment of the 2013 Senate Session, the following entitled House Bills were made Inexpedient to Legislate under Senate rule 3-23.

**HB 135**, relative to physical force in defense of a person and relative to the definition of non-deadly force.

**HB 301**, relative to notice of sale in foreclosure proceedings.

**HB 370-FN**, repealing the education tax credit program.

**HB 373**, establishing a right of discovery to a carrier's investigation of claims in workers' compensation cases.

**HB 520**, establishing a committee to study implementing Keno in New Hampshire.

The following entitled House Resolutions sent up from the House of Representatives were not admitted into the Senate under Senate Rule 3-26.

**HCR 1**, urging Congress to fund the development and implementation of a comprehensive health care delivery system to enhance the level of specialty care for New Hampshire's veterans.

**HCR 2**, requesting Congress to begin the process for a constitutional amendment establishing that human beings, not corporations, are entitled to constitutional rights.

**HJR 1**, directing the joint legislative historical committee to acquire and display a portrait of suffragist Marilla Marks Ricker.

## RECESS

### ADJOURN FROM 2013 SESSION

Rep. Shurtleff moved that the House adjourn from the 2013 Session.  
Adopted.

## 2013 SPECIAL SESSION HOUSE JOURNAL NO. 1

Thursday, November 7, 2013

The House assembled at 10:00 a.m., on the date set in the Call for Special Session of the House by the Governor, and was called to order by the Speaker.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Jared Rardin, Pastor of the South Congregational Church in Concord.

O Fount of every blessing, we give You thanks for drawing creation out of the well of Your goodness, and for pouring out love on all who thirst for good news. We confess that we are thirsty too, and we long to drink deeply. Wash over us with Your living water and bring us to life and health. If our lives have become shallow, deepen them. If our ideas have dried up, revive them. If our priorities have become confused, clarify them. If our horizons have become too narrow, widen them. If our thinking has fallen prisoner to fear of what others might think, set it free. If our courage for doing what is right has receded, bring it back to life. If our instinct is to do only what is best for us, set us back on the path of that which is good and right for all. Soak us in Your presence. Drench us with Your love. Release us from all that burdens us and renew us with Your life-changing mercy. In Your Holy, extravagant, compassionate name we pray. Amen.

Representative Jill Shaffer Hammond, member from Peterborough, led the Pledge of Allegiance.

The National Anthem was led by the members from Walpole, Representatives Tara Sad and Lucy Weber.

### LEAVES OF ABSENCE

Reps. Birdsell, Bishop, Bradley, Susan Emerson, Larry Gagne, Helmstetter, Knowles, Amy Perkins, Chip Rice, Sanders and Stephen Schmidt, the day, illness.

Reps. Ahlgren, Alicea, Christopher Andrews, Azarian, Bailey, James Belanger, Danielson, Friel, Marilinda Garcia, Hayes, Higgins, Hikel, Hinch, Hodgdon, Introne, Sally Kelly, Leishman, Lerandau, Meaney, Menear, Milz, Myler, Nigrello, Pelletier, Piper, Pitre, Reed, Gary Richardson, Schuett, Schroader, Daniel Sullivan, Tasker, Wallner and Thomas Walsh, the day, important business.

Reps. Lawrence Perkins, Marjorie Smith and Spang, the day, illness in the family.

### INTRODUCTION OF GUESTS

Darah Kehnemuyu, guest of Rep. Berch. Jim Alexander, Martin Fairall and Peter Graves, guests of Speaker Norelli. Rep.-Elect Latha Mangipudi of Nashua, guest of the House.

### INTRODUCTION OF SPECIAL GUESTS

Nick Alexander of Lebanon, and Chris Lamb and Nick Fairall of Andover, the top three finishers in the US Ski Jumping Large Hill National Championship and competitors for the US Olympic Team, guests of the House.

### COMMUNICATION

September 17, 2013

The Honorable Terie Norelli, Speaker  
N. H. House of Representatives  
State House  
Concord, N. H.

Dear Madame Speaker:

I write with great regret to inform you that a change of residence is making it necessary for me to resign as representative of District 6 of Strafford County.

It has been an honor and a highly rewarding experience serving with you and all the members of the House of Representatives, and especially with my colleagues on the Committee on Criminal Justice and Public Safety. I am truly sorry that circumstances make it impossible for me to complete my term.

I send my best wishes to you and all the members of the House in your continuing service to the people of New Hampshire.

Yours truly,  
Philip E. Ginsburg

### COMMUNICATION

October 2, 2013

Ms. Karen Wadsworth  
Clerk of the House of Representatives  
State House  
Concord, NH 03301

Dear Karen:

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Hillsborough District No. 14 (Manchester Ward-7)

Mary Heath, d, Manchester (76 Island Pond Rd.) 03109

Sincerely,  
William M. Gardner, Secretary of State

### CALL FOR THE SPECIAL SESSION

#### A PROCLAMATION

**BY HER EXCELLENCY MARGARET WOOD HASSAN, GOVERNOR  
WITH THE ADVICE OF THE HONORABLE EXECUTIVE COUNCIL**

**WEDNESDAY, OCTOBER 16, 2013**

WHEREAS, the welfare of the people of the State of New Hampshire requires the convening of the General Court for the purpose of enacting legislation to ensure the citizens of New Hampshire are provided better access to affordable health care;

WHEREAS, the Report of the Commission to Study Expansion of Medicaid Eligibility has recommended that New Hampshire adopt the New Hampshire Access to Health Program proposal for expansion of Medicaid coverage for low income New Hampshire adults;

WHEREAS, the Executive Department in calling such a session intends an agenda limited to the issue of a New Hampshire plan to expand Medicaid eligibility consistent with the Affordable Care Act, effective on or about January 1, 2014;

NOW, THEREFORE, the Governor, with the advice of the Council, on a motion made and duly seconded, hereby exercise their executive legislative authority under Part 2, Article 50 of the New Hampshire Constitution and summon the General Court to convene a Special Session on Thursday, November 7, 2013 at 10:00 a.m. and ending on Thursday, November 21<sup>st</sup>, 2013.

Margaret Wood Hassan, Governor

With 321 members having answered the call, the Chair declared a quorum present.

### ADOPTION OF RULES

Reps. Shurtleff and Chandler moved that the House adopt Rules, as proposed by the Rules Committee, for the 2013 Special Session.

### 2013 HOUSE SPECIAL SESSION RULES

#### DUTIES OF THE SPEAKER

1. Calling the body to order. The Speaker shall take the chair at precisely the hour to which the House has adjourned and shall immediately call the members to order.
2. Decorum, order and appeal. The Speaker shall preserve decorum and order, may speak on points

of order in preference to other members, and shall decide questions of order. The decision of the Speaker on a question of order shall be conclusive unless the decision is immediately appealed to the House. The House shall decide the appeal by a majority vote of those members present and voting.

3. Appointing committees. The Speaker shall appoint all committees unless otherwise directed by the House.

4. Referral of bills, etc., to committees. The Speaker shall refer all bills, resolutions, memorials, accounts and other matters coming before the House to a committee unless otherwise ordered by the House. The Speaker may refer the same jointly to two committees or to a special committee.

5. Voting: conditions of. The Speaker shall not be called on to vote unless the vote would be decisive. If the vote is tied after the Speaker has voted, the question shall be lost.

6. Signing of bills, warrants, subpoenas, etc. The Speaker shall sign all bills, resolutions, and addresses after passage or enrollment. All warrants, subpoenas and other processes issued by order of the House shall be signed by the Speaker and attested to by the clerk.

7. Authority to clear gallery. The Speaker or chairman of the committee of the whole House shall have the power to order the gallery cleared in cases of any disturbance or disorderly conduct.

8. Designating a substitute to preside. The Speaker shall have power to substitute any member to perform the duties of the Chair. If absent, the Speaker shall designate a member to perform the duties of the Chair unless otherwise ordered by the House.

### DECORUM AND DEBATE

9. Members to be seated and activate voting stations. When the House is called to order, members shall take their seats and shall activate their voting stations immediately. When they leave their seats for any reason they shall deactivate their stations.

10. Mason's Manual of Legislative Procedure as parliamentary guide. In all cases not provided for by the Constitution, House Special Session Rules or Joint Special Session Rules, *Mason's Manual of Legislative Procedure*, 2010 Edition, shall be the parliamentary guide. Rules may be amended by majority vote, prior to adoption by the House.

11. Members: shall rise to address Speaker. When any member is about to speak in debate, make a motion, or deliver any matter to the House, the member shall rise from his or her seat and respectfully address the Speaker, declaring the purpose for which the member rises to speak.

12. Members: first rising shall speak first. In all cases the member rising first shall speak first. When two or more members rise at the same time, the Speaker shall name the person to speak. When many members choose to speak, they may file their names with the clerk, who shall supply the list to the Speaker. The Speaker shall name the order in which the members shall speak.

13. Members: speaking more than twice. No member shall speak more than twice on the same question without permission from the House. No member shall speak more than once until every member choosing to speak has spoken.

14. Members: walking in front of podium prohibited. While the Speaker is putting a question or addressing the House, no one shall walk out of or across the House. While a member is speaking, no one shall pass between that member and the other members of the House, nor shall anyone engage in private conversation.

15. Members: questions of order. If any member transgresses the rules of the House, the Speaker shall, or any member may, call the member to order. The member called to order shall immediately sit down and the question of order shall be distinctly stated by the Speaker.

16. Ethics Guidelines. In all instances, every member shall act in conformance with the duly adopted New Hampshire General Court Ethics Guidelines and opinions of the Legislative Ethics Committee

17. Persons permitted on floor/in anteroom during session.

(a) The following persons shall be admitted within the door of the Representatives' chamber or anteroom while the House is in session: House members and officers, the Governor, Council members, the Secretary of State, the Treasurer, the President of the Senate and the Senate clerks.

(b) No other person shall be admitted within the door of the Representatives' chamber or anteroom while the House is in session, except with the permission of the Speaker.

18. Motions: in possession of the House. After a motion is stated by the Speaker, it shall be in possession of the House, but may be withdrawn at any time before an amendment.

19. Motions: order of precedence; to Indefinitely Postpone; amendment as substitute motion.

(a) When any question is under debate, precedence of motions shall be as follows:

- (1) to adjourn;
- (2) to lay on the table;
- (3) for the previous question;
- (4) to postpone to a certain day;
- (5) to commit;
- (6) to amend;
- (7) to postpone indefinitely.

Motions to adjourn, to lay on the table, for the previous question, and to take from the table shall be decided without debate. A motion to postpone to a certain day shall be debatable both as to time and subject matter.

(b) When a question is postponed indefinitely, that question shall not be acted on during the same session, unless two-thirds of those members present and voting vote in favor thereof.

(c) No new motion shall be admitted under color of amendment as a substitute for the motion under debate.

20. Previous question.

(a) The Speaker shall put the previous question in the following form: "Shall debate now be limited?" and all debate on the main question shall be suspended until the previous question has been decided. After the adoption of the previous question, the sense of the House shall forthwith be taken on pending amendments, in their regular order, and then on the main question.

(b) All incidental questions of order arising after a motion of the previous question and related to the subjects affected by the order of the previous question shall be decided without debate.

(c) If the previous question is decided in the negative, it shall not again be in order for the particular question under consideration until after adjournment, but the main question shall be left before the House and disposed of as though the previous question had not been put.

21. Voting: by voice, division and roll call; must be present when question put; seconding roll call request; voting stations; members required to vote. There shall be three forms of deciding the question: voice vote, division vote, roll call vote. No member shall vote in any case if the member is not present when the question is put.

(a) The question put by voice vote shall be: "All those in favor of the question say 'aye,'" and after the affirmative vote is expressed, "Those of a contrary opinion say 'no.'"

(b) A division vote shall be taken if the Speaker doubts the voice vote or if a member calls for a division vote initially or before the Speaker announces the result of the vote. When a division of the House is taken, the Speaker may appoint a teller for each seating division of the House, who shall report to the Chair the state of the vote.

(c) A roll call shall be taken when a member moves for a roll call vote and that motion is seconded by 10 other members. The member requesting the roll call vote and the 10 members who second the motion shall notify the clerk in writing or shall rise from their seats or otherwise be recognized by the Speaker. Whenever a roll call vote is requested and properly seconded, members shall enter the chamber to take their seats and the question shall then be put to the House.

(d) When a division or a roll call is taken, the Speaker shall put the question and open the voting stations for not more than 30 seconds. Each member present at his or her voting station shall press either the YES (Green) or NO (Red) button unless excused by the House for a special reason. After closing the vote, the Speaker shall rise and state the decision of the House.

22. Tie vote, question lost. In case of a tie vote, the question shall be lost.

23. Leaving seats prohibited during voting. No member shall leave his or her seat while the voting machine is in use and until the Speaker announces the result of the vote.

24. Reconsideration. No vote shall be reconsidered unless the motion for reconsideration is made prior to third reading by a member who voted with the prevailing side. A motion for reconsideration is debatable only to the extent that it does not open the underlying question to debate.

25. Objection to reading paper/document. When the reading of a paper or a document is objected to by a member, the question shall be determined by a vote of the House without debate.

26. Absences. All members shall attend to their duties in the House or committee, and no one shall be absent from the service of the House or committee unless the member has leave, or is sick and unable to attend.

## COMMITTEES AND THEIR DUTIES

27. There shall be a Committee on Enrolled Bills to carefully examine each bill, enroll it, and report it on behalf of the Committee to the House. If the examination of a bill shall disclose any clerical error or imperfection, it shall be reported back to the House with such amendments as are required to correct the same; and any measures so reported shall be subject to amendment in those particulars and in no other respect.

28. There shall be a Committee on Rules to consider all matters pertaining to House procedural rules and deadlines, to recommend rules of proper debate and to approve introduction of bills.

## BILLS

29. Bills and resolutions may be drafted and introduced only on approval by a majority vote of the Rules Committee.

Enactment of laws, as provided in the Call for the Special Session, shall be by bill. No bill shall be introduced into the House the subject matter of which is not included in the Call.

### 30. Drafting by Office of Legislative Services

(a) All memorials and other papers addressed to the House and all bills and resolutions to be introduced in the House, except those house resolutions not taking a policy position that are prepared by the clerk of the House, shall be delivered or caused to be delivered to the Office of Legislative Services by the member presenting them. The Office of Legislative Services shall prepare those bills, resolutions, memorials and other papers in proper form and shall present them to the member(s) for signature. Legislative Services shall give precedence in drafting legislation to any measure that carries a fiscal note and all such legislation shall be prepared for signature by the sponsor.

(b) All bills, resolutions, memorials and other papers addressed to the House, shall be endorsed with the name and the district of the legislator presenting them. All legislation shall be numbered serially according to type of legislation introduced. Each bill shall be marked on the first page "Special Session House Bill"; and each house resolution shall be marked "Special Session House Resolution."

(c) No LSR number shall be assigned and no House bill shall be drafted unless the LSR or bill has a House sponsor. No more than ten House members shall be allowed to sponsor any bill or floor amendment. No more than 5 Senate members shall be allowed to co-sponsor legislation originating in the House.

(d) If a drafting request for a bill or resolution, filed with the Office of Legislative Services, requires a fiscal note as provided in RSA 14:44-47, the substance or a draft of the proposal may be provided to the Legislative Budget Assistant for preparation of the required fiscal note without the specific consent of the sponsor of the proposal.

31. Joint resolutions. All joint resolutions shall be treated in the same manner as bills.

32. Three readings. Every bill or resolution shall have three separate readings in the House prior to its passage. The first and second readings and referral to committee shall be by title only which may be accomplished by a single motion. No bill or resolution after it has been read a second time shall have a third reading until after adjournment from the early session. The time assigned for the third reading of bills, resolutions, and joint resolutions shall be in the late session unless otherwise ordered by the House. The orders of the day for the reading of bills shall hold for every succeeding day until disposed.

33. Clerk to provide Chairman's copies, bill copies for distribution. After each bill has been numbered, the clerk shall procure a sufficient number of copies for distribution.

34. Hearings and notices. A public hearing shall be held on each bill referred to a committee.

(a) Public hearings shall be advertised in the House Calendar no less than 4 days prior to a hearing.

(b) Executive sessions shall be advertised in the House Calendar no less than 2 days prior to committee action or announced on the floor of the House by the Chairman of the appropriate committee.

(c) The Speaker may authorize and direct the appropriate House committee to sit with the appropriate Senate committee at a public hearing of any Senate Special Session bill, and no further public hearing on such bill shall be required.

### 35. Amending bills.

(a) No amendment shall be made until the second reading of a bill. All amendments to bills shall be prepared by the Office of Legislative Services, with the name of the member and the district represented by the member or the name of the policy committee proposing the amendment.

(b) No amendment shall be added to any bill which is not germane to the subject matter of the legislative document as referred to the Committee.

36. Committee of conference reports.

(a) Whenever there is any disagreement between the House and the Senate on the content of any bill or resolution, and whenever both bodies, voting separately, have agreed to establish a committee of conference, the Speaker shall appoint four members to the House conference committee. The number of members of the committee of conference on any bill may increase or decrease if the presiding officers of both the House and the Senate agree.

(b) The first-named person from the body where the bill or resolution in disagreement originated shall have the authority to call the time and place for the first meeting of the committee of conference on said bill.

(c) The first-named House member on a committee of conference shall be the chairman of the House conferees. The chairman of the committee of conference of the body where the bill or resolution in disagreement originated shall chair the joint meeting(s) of the committee of conference.

(d) A committee of conference report analysis for all bills and resolutions in conference shall be prepared by the first-named House member on each conference.

(e) No action shall be taken on any committee of conference report until such report has been made available to the members of the House.

(f) A committee of conference may neither change the title of any bill submitted to it nor add amendments that are not germane to the subject matter of the bill as originally submitted to it. For the purpose of this rule, a non-germane amendment is any subject matter not contained in either the House or Senate version of the bill.

37. House rules suspension. No standing Special Session rule of the House shall be suspended unless two-thirds of the members present vote in favor thereof. A motion to suspend the rules is debatable.

## ORDER OF BUSINESS

38. Early/late sessions; leaves of absence.

(a) The order of business in the early session shall be as follows:

1. Prayer by the Chaplain or a substitute designated by the Speaker, pledge of allegiance and leaves of absence if received before the start of the legislative day;

2. Introduction of guests;

3. Introduction, first and second reading and referral of bills;

4. Messages from the Senate, the Governor and the Secretary of State;

5. Reports from committees;

6. Resolutions, motions and notices;

7. Adjournment from the early session.

(b) The order of business in the late session shall be as follows:

1. Third reading of bills and resolutions.

2. Resolutions and motions;

3. Personal privilege in accordance with *Mason's Manual of Legislative Procedure*, Sec. 220-226, 2010 edition.

4. Unanimous consent in accordance with *Mason's Manual of Legislative Procedure*, Sec. 537, 2010 edition.

5. Adjournment to a date certain.

(c) The order of business listed in this rule shall be adhered to unless otherwise ordered by a majority of those members of the House present and voting.

(d) Leaves of absence may be granted by the House at any time.

## OFFICERS AND PERSONNEL

39. Speaker shall define duties of officers and personnel. The elected and appointed non-member officers and personnel of the House shall be under the direction of the Speaker, who shall define their duties not fixed by statute or otherwise ordered by the House.

40. Expenditures approval. No officer or employee of the House during the session or any adjournment thereof shall purchase or contract to purchase, pay or promise to pay any sum of money on behalf of the House or issue any requisition or manifest without securing the approval in writing of the Speaker of the House or designee.

41. Security officer. The Speaker may appoint an individual trained and experienced in security matters or law enforcement work, who, under the supervision and direction of the Speaker, shall prevent the deliberations of the House from being disrupted or interfered with by any person or persons not members thereof.

42. Influencing legislation, prohibition of. No employee or attaché of the House Sergeant-at-Arms shall, directly or indirectly, be personally involved with or attempt to influence the passage or consideration of any measure whatsoever. If any such employee or attaché becomes involved with any such measure, it shall be grounds for summary dismissal.

### MISCELLANEOUS

43. Deadly weapons; electronic devices; cameras. No person, including members of the House, except law enforcement officers while actively engaged in carrying out their duties as such, shall carry or have in possession any deadly weapon as defined in RSA 625:11, V while in the House Chamber, anterooms, cloakrooms, or House gallery. Any person in violation of this rule shall be subject to ejection from any such premises on the order of the Speaker and disciplinary action or arrest or both by action of the House. Nothing in this rule shall indicate that the security officer appointed by the House under Rule 41 has the right to stop and search a member of the House on the premises of the House or that any person is precluded a legally permitted exercise of self-defense or defense of others. With the exception of devices for the hearing impaired, no member shall operate audible electronic transmitting and/or receiving devices nor shall any member operate a video camera or a camera utilizing flash bulbs on the floor of the House, while the House is in session.

44. Sources of Authority. The procedures of the New Hampshire House shall be derived from the following sources in the order of precedence listed:

- (a) Constitutional provisions.
- (b) Rules of the New Hampshire House.
- (c) Custom, usage and precedent.
- (d) Adopted parliamentary manual (*Mason's Manual of Legislative Procedure*, 2010 edition).
- (e) Statutory provisions.

The question being adoption of the 2013 Special Session House Rules.

Reps. Weber and Jasper spoke in favor.

Rep. William O'Brien requested a roll call; sufficiently seconded.

and the 2013 Special Session House Rules were adopted.

**RESOLUTION****INTRODUCTION OF SPECIAL SESSION BILL**

Drafting and introduction having been approved by the Rules Committee, Rep. Shurtleff offered the following: RESOLVED, that in accordance with the list in the possession of the clerk, Special

Session House Bill numbered 1 shall be by this resolution read a first and second time by the therein listed title, sent for printing and referred to the therein designated committee.

Rep. Hunt spoke against and yielded to questions.

Rep. Vaillancourt spoke against.

### MOTION TO RECESS

Rep. William O'Brien moved that the House stand in recess to allow a copy of *SS HB 1-FN-A*, relative to access to health insurance coverage, to be distributed to the members.

Rep. Pantelakos requested a roll call; sufficiently seconded.

and the motion was adopted.

**INTRODUCTION OF SPECIAL SESSION HOUSE BILL****First, second reading and referral**

**SS HB 1-FN-A**, relative to access to health insurance coverage. (Sherman, Rock 24; Rosenwald, Hills 30; Gilmour, Dist 12: Finance)

**RESOLUTION**

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time.  
Adopted.

**UNANIMOUS CONSENT**

Reps. Infantine, Notter, Baldasaro and Vaillancourt addressed the House.

**MOTION TO PRINT REMARKS**

Rep. Shurtleff moved that the remarks made by Rep. Infantine be printed in the Permanent Journal. Adopted.

**REMARKS**

**Rep. Infantine:** Thank you, Madam Speaker. Fellow Representatives, I rise today in memory of one of our colleagues, Sahir Tahir or as many of you knew him as, "Saggy." Unfortunately, Saggy passed away on October 16<sup>th</sup>. When I first ran for this House, I heard about this person that I should meet in Manchester by the name of Saggy and I wondered who is Saggy and what is a Saggy, being a different and bizarre name. I came to know, like and very much respect Saggy. Saggy came to this country from Pakistan in 1972. He became an American citizen in 1978 and became the first Muslim to be elected to the legislature in this country. Saggy was elected for five different terms. He served from 2000 to 2010. By trade he was an engineer. I asked him, what does that entail? What do you do all the time? If there was ever a fire or a tornado in a large building somewhere, he would go out and inspect it to make sure it was structurally sound. So he got to go all over this country and see a lot of great things and I believe that helped him here as a legislator. There was a very poignant moment for Saggy right here at this podium, Madam Speaker. It was your first term as Speaker. Another one of our colleagues, Mike Whalley, had passed away and Saggy came to this podium here and talked about how Mike came up to him one day and asked him, "What does Saggy mean?" I don't know if this is true or not, but Saggy said it meant "little man." Now, Saggy may have been small in stature but he was a giant when it came to his love for New Hampshire, this country and this legislature. I learned of Saggy's death from Mark Hayward. He is a reporter for the Union Leader and he had written on a Facebook page that, "Saggy loved this country more than many people who were born here" and he truly did. I know that came across here as a legislator. Not only did Saggy support the legislature here; he was very generous. He did well for himself as an individual and he gave back to the community as well. So, it is with sadness that I have to stand here and talk about Saggy. I don't think anyone here ever saw him crass or angry. He was always willing to compromise. He was always willing to get something done. He embodied what is so special and unique about the New Hampshire legislature. Saggy has a wonderful wife and three great children. May he rest in peace. Thank you very much, Madam Speaker.

**MOMENT OF SILENCE**

A moment of silence was observed in honor and in memory of the former Representative from Manchester, the Honorable Saghir Tahir.

**MOTION TO PRINT REMARKS**

Rep. Shurtleff moved that the remarks made by Rep. Notter be printed in the Permanent Journal. Adopted.

**REMARKS**

**Rep. Notter:** Thank you, Madam Speaker. Retired Lt. Colonel Robert P. Kingsbury, of Laconia, was laid to rest with military honors in the New Hampshire Veteran's Cemetery, in Boscawon, on Sept. 10. He passed away Sept. 7, at the age of 87. He served in the 162nd NH State Legislature from 2010-12. I would like to tell you a little about the distinguished veteran that I knew. It must have been late August 2006 when I got an invitation in the mail to an event celebrating Constitution Day. "Constitution Day celebration!" I exclaimed to myself. "Awesome! I love New Hampshire!" I didn't know a single soul at the start of that event, but I made new friends that day, including the representative from Fremont, Dan Itse, a now former representative from Merrimack, Peyton Hinkle, and a gentleman with a quilt on his Army uniform. Another friend I made that day was a cable talk show host from Windham, Bill McNally. From Mr. McNally, I learned that the Army veteran was Lt. Col. Bob Kingsbury, who was in Patton's Third Army in World War II. It was an honor for me to meet him. My father was in Patton's Third Army, too. One month later, I was hosting my own cable talk show. One of my first guests was the sergeant who blew the wall on the beach at Normandy, the late Noel Dube, of Pepperell, Mass. God rest his soul. Meanwhile, Colonel Kingsbury sent me a two-disc documentary titled "Patton's Ghost Corps." He is featured several times on Disc 2. When I had the colonel on my show, he called me, "Miss Jeanine." His war stories were prudent for family viewing, but after the taping he gave me more details about the

terrible things he saw in WWII. Colonel Kingsbury was a Libertarian who ran many times for state representative. Once he joined the Republican party, he won the election. He sat in front of me, in the second row of Section 3. He was hard-of-hearing, and often passed hand-written notes to those around him ... along with his pen ... so we could write back. He served with me on the committee of State and Federal Relations and Veterans Affairs. The representative from Londonderry, Al Baldasaro, was our chairman. Sometimes it appeared that Rep. Kingsbury was napping during committee. There was never any snoring, but his eyes were closed and his face looked relaxed. But then he would shoot his hand up to ask a question. So, he wasn't sleeping. He was concentrating. My favorite memory was the time he addressed someone who was testifying, with "Thank you, Mr. Witness." My friend, Bob, was known to me as Colonel, Representative and then as the Honorable Kingsbury. At his memorial, I learned that at his church he was known as "Brother Kingsbury." He was a respected and cherished member of his church and to other groups as well. Camp Constitution Press published, "First Scout for General Patton," the WWII memoirs of Pvt. Robert Kingsbury. A distant cousin of the current majority leader of the 163rd New Hampshire State Legislature gave me a copy. As lead rifleman, there were never Americans in front of Pvt. Kingsbury, only behind him. Among other things, he wrote about the bravest men he's ever met, the ones who didn't make it, and a scoundrel or two. The deprivation of our soldiers was something he could never forget. They were often ill-equipped, freezing and always very hungry. I liked the chapter describing the various rations. The better rations never seemed to make it to the front lines and the "C" rations were frozen solid during the winter. With no permission to light fires to defrost them, they were useless to our troops. As for the "D" rations, he pondered the existence of Hell. He surmised that if there is there is a Hell, then surely it must be a place where the diet is nothing but D bars for all eternity. He received a Purple Heart, a Combat Infantry Badge and a Bronze Star, but his main memory of combat was, "essentially, complete physical exhaustion." Staying active in the Army Reserves is how he got promoted to lieutenant colonel. He lived a full life and was a well-read man. Having donated his entire library to the John Birch Society, his collection of books filled a van. A mutual friend allowed me to look over a small portion of his books. I knew we shared a love of history, but I didn't know that he was also interested in deep-sea shipwreck discoveries, or that he, too, read the memoirs of Cardinal Minzenty, who was once a prisoner of the communists. I took both of those books home with me as well as "Patton's Third Army." After helping to liberate the concentration camps in Europe, my father was haunted by what he saw. He was never eager to share his experiences with us. I remember having a long conversation with Colonel Kingsbury about Patton's Third Army. He didn't know my dad, but I feel that, in a way, I could almost hear my own father talking to me through this fellow veteran of WWII. The Patton book is full of page markers. I'm wondering if the marked pages document events that my late friend personally experienced. I know that Bob Kingsbury is in a better place now, at peace, and not a single D ration in sight. He certainly must have heard the words, "Well done good and faithful servant." May his memory be eternal. Thank you.

### MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the former Representative from Laconia, the Honorable Robert Kingsbury.

### MOTION TO PRINT REMARKS

Rep. Itse moved that the remarks quoted by Rep. Baldasaro be printed in the Permanent Journal. Adopted.

### REMARKS

**Rep. Baldasaro:** Thank you, Madam Speaker. Fellow Representatives, I was going to make this short and sweet by reading two proclamations this morning, but they weren't done. So, I adjusted at about 10:00 this morning and said, well, what is more deserving than speaking on the Commandant of the Marine Corps message. For many out here that are in the Concord area on Sunday morning at 07:45 in the morning in front of the State House, Marines from all over the state, Americans, no party affiliation, we come as Marines, will be out front of the State House where there is a Marine on top of the State House who will raise the Marine Corps flag. It will be flown for 24 hours on behalf of the United States Marine Corps birthday. The Marines were established November 10, 1775. I was fortunate, like many before me, that was here 22 years, 3 months and 18 days. Who's counting? What I decided to do was get the message from the Commandant of the Marine Corp, who puts out a message every year and it goes as follows:

For 238 years, the United State Marine Corps has proudly served our great Nation with unfailing valor – bolstered by the enduring fortitude of our fellow Marines, our families, and our friends. This is why each year on November 10<sup>th</sup>, Marines from all generations gather together, in groups large and small, to celebrate the birthday of our Corps and to reflect on the proud legacy and warrior ethos we share. This is what unites us as Marines. From our first battle at New Providence to today in Afghanistan, Marines have always shown that they were made of tougher stuff – that when the enemy's fire poured in from all angles, and the situation was grim, Marines unequivocally knew that their fellow Marines would stay behind their guns, fight courageously, and drive the enemy from the battlefield. We have always known hardship, fatigue, and pain...but we have never known what it is to lose a battle! Marines of generations past built our reputation as the most disciplined and honorable warriors to ever set foot on a battlefield, and we have triumphed in every battle because our Corps has always focused on *iron discipline* and *combat excellence*. This is who we are....this is what we do! It matters not whether you carried an M-1, an M-14, or M-16. It matters not whether you fought on a lonely island in the Pacific, assaulted a citadel in the jungle, or marched up to Baghdad. It matters not whether you are a grunt, a pilot or a loggie. What matters is that, when the chips were down and things got tough, your fellow Marines could count on you to stand and fight.....and fight you did! This year, we celebrate the anniversary of several epic battles in our celebrated history: the 70<sup>th</sup> anniversary of the 2<sup>nd</sup> Marine Division landing on Tarawa, the 45<sup>th</sup> anniversary of the Battle of Hue City, and the 10<sup>th</sup> anniversary of the “March Up” to Baghdad. Marines who fought in these legendary battles each made their mark upon the history of our Corps. They have passed a rich and illustrious legacy on to us – a much heralded reputation. It is ours to jealously guard, and it is up to us to make our own marks and thus proudly pass it on to the generations of Marines who will follow. Sergeant Major Michael Barrett joins me in congratulating each of you. Because of you, your selfless service, and your many sacrifices, our Corps remains strong and ready to respond to any crisis. Throughout history, Marines have faced tough times and there will be tough times ahead, but there is no challenge we cannot overcome if we remain honorable and always faithful to our Nation, our Constitution and each other. Happy Birthday, Marines!

Semper Fidelis,

James F. Amos, General, U.S. Marine Corps  
Commandant of the Marine Corps

I remember my younger days and Ronald Reagan being the President and there is one statement that I will always remember. He said, “Many people...” I think it was 1984. “Many people live a lifetime not knowing who they are. Marines don't have that problem.” Now, Veterans Day, November 11<sup>th</sup>. Busy weekend for many of us veterans sitting in this room because we are at the cemetery Monday at 11:00 a.m. Some of us are at the State House Sunday. Many of us are at lunches and breakfasts and in the Marine Corps lunch that goes on every year, not publicized, but Marines show up from all over the state. I think its 200-250 Marines for a birthday lunch. But anyways, since I did not have a resolution to speak on, I pulled a speech by a young Marine Corps Corporal, Roy Elsner, Corporal, 5<sup>th</sup> Marine Division. He served from 1943 to 1946 and I found this very fitting to be spoken to the House to understand the respect that we have for those that served before me and I'm sure those that will serve after.

An Iwo Jima Memory  
By Roy A. Elsner, Corporal  
5<sup>th</sup> Marine Division 1943-1946

It was the 19<sup>th</sup> day of February  
And I watched the Marines parade,  
As they went proudly marching past  
I thought, “the memories never fade.”

I remembered that awful battle,  
My friends screaming loud,  
“Watch that bastard over there,”  
And now my head is bowed.

The 5<sup>th</sup>, the 4<sup>th</sup>, the 3<sup>rd</sup> Marines,  
Into hell they did charge.  
Into a bloody cacophony of scenes  
With Corps spirit looming large.

Iwo, Iwo Jima,  
We can tell you it was so,  
From Motoyama Airfield,  
The Marines blood did flow.

And up those ashen terraces  
To Suribachi we struggled on,  
Meeting the enemy face to face  
As he killed us one by one.

We landed in volcanic ash,  
Our boots made a sucking sound  
As we tried to make a dash  
And gain the higher ground.

Manila John showed us how  
To kill or be killed.  
But in just an hour or so,  
That mighty heart was stilled.

Basilone had led the way  
With machine gun spouting flame,  
A game he loved to play  
Living up to his famous name.

For 21 days I watched us die,  
My mind wanted to shout.  
It was vivid in that time of dread  
When a bomb burst knocked me out.

Everything went black,  
I struggled to get up,  
My left arm just went slack  
I howled like an injured pup.

Something warm was blinding me,  
I couldn't dope it out.  
Through a crimson haze I tried to see,  
I was hit, there was no doubt.

The head wound hurt, the arm was numb,  
My body I couldn't control.  
So up I jumped and ran like hell  
And began to feel so-o-o-o cold.

The doctor said, "You're lucky Mac,  
As he cleaned the arm wound with a cloth.  
"You lost the back of it,  
But I don't have to take it off."

The hospitals, the white starched sheets  
The surgery lights ablaze,  
Nurses in uniforms so neat,  
The next 5 months was all a haze.

So now as I reminisce  
And so many years have passed,  
I give thanks to Almighty God  
That I survived at last.

But how about the guys who didn't?  
Almost seven thousand of our Marines,  
Who on Iwo Jima gave their all,  
And now look on heaven's scenes.

Thank you, Madam Speaker.

**MOTION TO PRINT REMARKS**

Rep. Gladys Johnsen moved that the remarks made by Rep. Vaillancourt be printed in the Permanent Journal.  
Adopted.

**REMARKS**

**Rep. Vaillancourt:** Thank you, Madam Speaker. I never thought I'd have to be here speaking in praise of cultural diversity because we have reached a point in our society where everybody seems to accept it. I remember when I was 4 or 5 years old growing up in a very small town in Vermont, lily-white Vermont, the first black face I ever saw was when some apple pickers from Jamaica who were there for the season came to shop at a grocery store across the street from where I lived. I would see these apple pickers every year. My brother and I went back to pick some apples in the same community of Shoreham, Vermont this year and sure enough we saw the same black faced apple pickers. We've come a long way in terms of cultural diversity from when I was 4 or 5 years old to the time now when we see all kinds of people in the New Hampshire House. My friend from Manchester spoke about Saggy Tahir earlier and how he was of Pakistani heritage. I've actually asked the House research to look up the speech that Saggy gave under unanimous consent at the time of troubles between the US and Pakistan several years ago. I'm not sure if it was ever entered into the Permanent Journal, but we are trying to find it and if it is I think those are words we can all read again today to talk about how we have come to accept people and should not denigrate anybody for their nationality or their heritage. When I was living in Berlin, Germany, a friend of mine met a Russian Air Force bomber and we were invited by this bomber to spend a weekend with this Russian pilot on the Air Force base Northeast of Berlin. His name was Valery, his wife was Olga and they had a little son named Dimitri. I've just been reading some Russian history lately so this comes back to mind. They were the most wonderful people in the world and from what I hear the Russian people have a sense of being that way. So when I hear denigration of any group of people, even people that we're supposedly not supposed to like, like the Russians, I am truly saddened. As I was standing at the polls at Ward 8 a couple of days ago – cold day, but a bright and warm day. Not that many people voted, but I saw three oriental people going to vote. I think they were Vietnamese, but who knows. That was the most pleasant experience I had all day of seeing those three people that had come to this country and made a life here and were taking time to go vote. In an age when we take cultural diversity for granted, I think we should be proud of it. As happy as I was to hear that story about Saggy Tahir that the other Manchester Representative and as proud as I was to know this person with such a kind and gentle soul, I was saddened this week when I heard somebody running for office talking about those of another nationality coming out of woodwork. That's the kind of comment we can live without. We need everybody coming, no matter what their nationality, to vote and I understand that in a couple of weeks we will have another member of this House with a nationality of Indian descent, I believe. We'll be stronger because of that. We've made so much progress since I was a young person. I think we need to continue to make that progress and never make comments against somebody because of their nationality or their diversity. Thank you.

**RECESS MOTION**

Rep. Shurtleff moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages and messages from the Governor.  
Adopted.

The House recessed at 11:35 a.m.

**RECESS**

## **2013 SPECIAL SESSION HOUSE JOURNAL NO. 2**

Thursday, November 21, 2013

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Jared Rardin, Pastor of the South Congregational Church in Concord.

Peace be with you. O God of all things possible, we gather today in a special session to consider a very important topic and that will affect thousands across our state. It is easy in times like this to build fortresses around ourselves. To presume dead ends. O God of endless newness and possibility, may Your Holy Spirit truly surprise us this day, with openness we had not expected. As we gather in this beautiful city we pronounce Concord, bless us with a spirit of the spirit of concord for which it is named. If our minds are clenched, loosen them. If our hearts are closed, open them. If we are experiencing distrust, stretch our hearts to welcome that of You that resides in each person. If we are reticent to speak our minds for fear we will be judged by one another, give us the courage to speak for all the people we represent. But most of all, O God, give us the courage to be generous, remembering the many thousands of lives that our decision today will affect. Most of all let Your voice speak in the midst of our debate. And in so doing, may we remember the call of so many of Your prophets over the years, Amos among them to, "Let justice roll down like waters, and righteousness like an ever flowing stream." Bless our Governor, the Speaker, and each member of this body. Be with those in our company here today who are grieving or ill. And be with our loved ones in places of hardship. In Your loving name we pray. Amen.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Representative Janet Wall, member from Madbury, led the Pledge of Allegiance.

The National Anthem was sung by Amanda McCarthy of Londonderry, a student from Southern New Hampshire University.

The member from Hooksett, Representative Hess and the member from Nashua, Representative Campbell recited the Gettysburg Address.

### **LEAVES OF ABSENCE**

Reps. Aguiar, Arsenault, Bishop, Bradley, Susan Emerson, Packard, Amy Perkins, Stevens and Turcotte, the day, illness.

Reps. Burrige, Chirichiello, Christiansen, Danais, Frambach, Gidge, Thomas Katsiantonis, Kidder, Murotake, Palmer, Ramsey, Reed and Walz, the day, important business.

Reps. Lawrence Perkins and Marjorie Smith, the day, illness in the family.

Rep. Boisvert, the day, death in the family.

### **INTRODUCTION OF GUESTS**

The Honorable Brandon Giuda, former member from Chichester, the Honorable Greg Hill, former member from Northfield, and the Honorable Kathy Lauer-Rago, former member from Franklin, guests of Reps. Dan and Carol McGuire. The Honorable Cliff Newton, former member from Rochester, Derek MacMillen Kittredge and Kathy Dunton, guests of Rep. Beaudoin. Sue Walford, guest of Rep. Gladys Johnsen. The Honorable Spec Bowers, former member from Sunapee, guest of Rep. Tucker. The Honorable Carol and Lou Vita, former members from Middleton, guests of Rep. Parsons. The Honorable Nancy Elliot and the Honorable Peyton Hinkle, former members from Merrimack, and Karen Testerman, guests of Rep. Peterson. The Honorable David Bates, former member from Windham, the Honorable Donald Gorman, former member from Deerfield, Catherine Cheney, Dave Ellis, Mona Perreault, and Doris Gould, guests of Rep. Jones. Thomas Ransom, guest of Rep. Miller. The Honorable Jennifer Daler, former member from Temple, guest of Rep. Cote.

## COMMUNICATION

November 13, 2013

Ms. Karen Wadsworth  
Clerk of the House of Representatives  
State House  
Concord, NH 03301

Dear Karen:

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Hillsborough District No. 35 (Nashua Ward-8)

Latha Mangipudi, d, Nashua (20 Salmon Brook Dr.) 03062

Sincerely,

William M. Gardner, Secretary of State

## REGULAR CALENDAR

**SS HB 1-FN-A**, relative to access to health insurance coverage. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Sharon Nordgren for the Majority of Finance. This legislation as amended reflects the bipartisan supported recommendations of the Commission to Study the Expansion of Medicaid Eligibility, further compromises, and technical corrections and improvements in a fully privatized system to expand healthcare access to approximately 58,000 low income New Hampshire working men, women and families. This compromise plan would provide expanded access to Medicaid services provided through our privatized Managed Care system initially with the goal of moving the entire newly eligible population to a competitive marketplace including at least one managed care option by 2017. This plan would enhance state control of our healthcare system and maximize federal dollars received while improving the health and security of our citizens and providing increased stability and predictability to our providers, private insurance carriers and the state. A key component of the significant savings achieved through this plan comes from expansion of the Health Insurance Premium Payment (HIPP) program, which allows low-income workers to utilize employer offered insurance coverage. Additional savings come from a significant reduction in uncompensated care, honoring existing Managed Care contracts, which include significant savings, and promoting increased competition in our state insurance market. Vote 15-10.

Rep. Neal M. Kurk for the Minority of Finance. The minority believes it important that low-income New Hampshire adults have health insurance but in a way that is affordable to New Hampshire taxpayers. The majority would provide this coverage by accepting expanded Medicaid under the Affordable Care Act (aka ObamaCare) but without thoughtful and reasonable financial safeguards. Its plan continues in effect regardless of whether the federal government grants the necessary waivers or not. Its plan continues in effect no matter how high its costs -- the lowest estimate is around \$40-45 million in general funds for the 2022/23 budget. The majority's plan only ends if the federal government reduces its promised cost share. In essence, the majority proposes to expand an out-of-control Medicaid entitlement program. This is not the New Hampshire way. The minority would have preferred a plan that is more in keeping with New Hampshire traditions. It would be a time-limited, three-year program fully paid for with federal funds disbursed through a separate health protection trust. If the program were effective and efficient in provide health care to low-income adults, and if its future costs were affordable, it could be continued or modified. If not, it would terminate. The minority would have required income-eligible adults with employer-sponsored insurance to keep those policies, where cost effective, and pay the premiums, co-pays, deductibles and other cost-sharing provisions with federal funds. This is the so-called HIPP program. For those who do not have employer-sponsored insurance, coverage could be provided through exchange-based, private qualified health plans only. The use of private insurance would result in higher health provider re-imbursement rates, reduce provider uncompensated care costs and improve our state's insurance markets and consumer choices. The minority would not have begun coverage until the necessary federal approvals (waivers) were received. The HIPP program waiver could be received in early January 2014. The private insurance waiver would take somewhat longer, likely in January 2015. These delays in the implementation would be necessary to maximize the state's leverage in

negotiations with federal authorities. The minority believes these delays would be a small price to pay for getting it right from the start. Finally, unlike the majority's proposal, the minority would have required an important personal responsibility measure: unemployed participants would be referred to the Department of Employment Security to receive help in finding work.

### **Majority Amendment (2418h)**

Amend subparagraph II (e) as inserted by section 1 of the bill by replacing it with the following:

(e) Competition and consumer choice by first increasing the number of insurance companies offering coverage on the New Hampshire health insurance marketplace then by implementing a premium assistance model that will enable newly eligible persons between 0 and 133 percent of the federal poverty level to obtain coverage through the marketplace.

Amend RSA 126-A:72, I as inserted by section 2 of the bill by replacing it with the following:

I. Subject to the provisions of paragraph IV, the department shall implement a premium assistance program with coverage beginning January 1, 2017 to require all newly eligible between 0 and 133 percent of the federal poverty level who do not have access to cost effective ESI, and who are not determined to be medically frail in accordance with 42 C.F.R. section 440.315(f), to enroll in a qualified health plan offered on the New Hampshire health benefit marketplace in order to receive health benefits under the New Hampshire access to health coverage program.

Amend section 2 of the bill by inserting after RSA 126-A:76 the following new RSA section:

126-A:77 Health and Human Services Waiver Advisory Commission Established; Report.

I.(a) There is established the health and human services waiver advisory commission to advise the commissioner of the department of health and human services on the preparation of any Medicaid demonstration waiver under section 1115 of the Social Security Act of 1935, as amended, 42 U.S.C. section 1315, submitted by the department during the year 2014 to the CMS to improve population health, reduce health risks for the Medicaid and CHIP population, and enhance the sustainability of the state's Medicaid financing system. The members of the commission shall be as follows:

(1) One public member appointed by the governor.

(2) One public member appointed by president of the senate.

(3) One public member appointed by the speaker of the house of representatives.

(4) The commissioner of the department of health and human services, or designee.

(5) A representative of a critical access hospital, nominated by the New Hampshire Hospital Association and appointed by governor and council.

(6) A representative of a non-critical access hospital that is not a member of the New Hampshire Hospital Association, nominated by joint agreement of the president of the senate and the speaker of the house of representatives and appointed by governor and council.

(7) One member who is an executive director of a community mental health center, nominated by New Hampshire Community Behavioral Health Association and appointed by governor and council.

(8) A representative of the community health centers, nominated by the Bi-State Primary Care Association and appointed by the governor and council.

(9) One member who is an executive director of an area agency, appointed by the governor and council.

(b) The commission shall:

(1) Advise the department relative to how an 1115 Medicaid demonstration waiver could serve to integrate and align New Hampshire's Medicaid care management program, the provision of coverage to the newly eligible under this chapter, existing Medicaid waived programs, and other department initiatives in a manner that improves public health, and improves the quality of care and access to care for all Medicaid and CHIP beneficiaries.

(2) Advise the department relative to the manner in which a demonstration waiver could improve the sustainability of the state's Medicaid financing system, including through federal investment in service delivery and payment reform transformation initiatives.

(3) Serve as a forum for the formal hearing and public comment on an 1115 Medicaid demonstration.

(4) Create any subcommittees it deems necessary, which may include members of the public appointed by the chairperson, to assist with the research, analysis, or other work necessary to support its recommendations for a waiver application.

(5) Provide recommendations to the commissioner on the implementation of any section 1115 waiver approved.

(c) The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the commissioner, or designee, and shall be held within 20 days of the effective date of this section. Five members of the commission shall constitute a quorum.

(d) The department shall provide administrative support to the commission and provide such information, data, testimony, and other assistance as requested by the commission.

(e) The department of health and human services shall regularly update and consult with the commission throughout the process of preparing and submitting a waiver application and shall provide timely and detailed reports to the commission on the department's communications with the CMS during all phases of the waiver application and approval process.

II. On or before January 15, 2014, the commissioner shall make an initial report on the status of the department's work on an 1115 Medicaid demonstration waiver application to the fiscal committee of the general court, and shall report on the waiver application and approval process at each meeting of the fiscal committee thereafter until the waiver application is acted upon by CMS. Amend the bill by replacing section 7 with the following:

7 Department of Health and Human Services; Medicaid Breast and Cervical Cancer Program.

I. Enrollment in the Medicaid breast and cervical cancer program, under 42 U.S.C. section 1396a(aa), shall be suspended 90 days following the commencement of the New Hampshire access to health coverage program, established in section 2 of this act. Any individual covered under the Medicaid breast and cervical cancer program prior to such date for suspension shall continue to be covered for the program unless his or her medical treatment has concluded, or until the next redetermination of his or her eligibility by the department, whichever event occurs later; whereas after, the individual's eligibility for the Medicaid expansion group shall be determined by the department pursuant to RSA 126-A:5, XXII. Commencing January 1, 2014, administrative rule He-W 641.09 shall be limited in its application to only those individuals enrolled in the Medicaid breast and cervical cancer program receiving treatment prior to the date of suspension of the program as provided herein.

II. If a termination of the New Hampshire access to health coverage program occurs pursuant to paragraph II of section 4 of this act, the Medicaid breast and cervical cancer program shall be reinstated under the current Medicaid program.

Amend the bill by replacing section 8 with the following:

8 New Sections; New Hampshire Health Benefit Marketplace. Amend RSA 420-N by inserting after section 10 the following new sections:

420-N:11 New Hampshire Health Benefit Marketplace. The health benefit marketplace established in New Hampshire under section 1311 of the Act shall have the functional capacity necessary to implement the provisions of RSA 126-A:67 through 126-A:76, including, but not limited to facilitating the sale of qualified health plans to qualified individuals and qualified employers in the state beginning with effective dates on or after January 1, 2016. New Hampshire state agencies and departments may plan for and take all actions necessary to establish the marketplace, including applying for, receiving, and expending grants, and contracting with any public or private entities. The commissioner shall adopt rules, under RSA 541-A, to implement this section.

420-N:12 Ambulatory Services. Each health plan offered on a federally-facilitated or state based exchange shall, as a condition of participation in such exchange, offer to each federally-qualified health center, as defined in section 1905(j)(2)(B) of the Social Security Act 42 U.S.C. section 1396d(j)(2) (B), providing services in geographic areas served by the plan, the opportunity to contract with such plan to provide to the plan's enrollees all ambulatory services that are covered by the plan that the center offers to provide and shall reimburse each such center for such services as provided in the act. Provider payments, under this section shall be no less than before the effective date of this section.

Amend the bill by replacing sections 12 and 13 with the following:

12 Repeal. The following are repealed:

I. RSA 420-N:2, III, relative to an oversight committee.

II. RSA 420-N:3, relative to the joint health care reform oversight committee.

III. RSA 420-N:4, relative to implementation of the Act.

IV. RSA 420-N:7, I and IV, relative to prohibition on a state exchange.

V. RSA 161:11, relative to requiring the commissioner of health and human services to seek certain approval from the joint health care reform oversight committee.

VI. RSA 126-A:77, relative to the health and human services waiver advisory commission.

13 Effective Date.

I. Paragraph VI of section 12 of this act shall take effect December 31, 2014.

II. The remainder of this act shall take effect upon its passage.

### APPEAL OF THE RULING OF THE CHAIR

Rep. William O'Brien appealed the ruling of the Chair on the amendment being germane to **SS HB 1-FN-A**, relative to access to health insurance coverage.

The question being shall the ruling of the Chair be upheld.

Rep. Daniel Eaton requested a roll call; sufficiently seconded.

### MOTION TO INDEFINITELY POSTPONE

Rep. Vaillancourt moved that *SS HB 1-FN-A*, relative to access to health insurance coverage, be indefinitely postponed.

Reps. Vaillancourt, Cormier and Dan McGuire spoke in favor and yielded to questions.

Rep. Shurtleff requested a roll call; sufficiently seconded.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Kurk offered floor amendment (2434h).

### Floor Amendment (2434h)

Amend section 2 of the bill by inserting after RSA 126-A:77 the following new section:

126-A:78 Termination for Increase in Net State Costs. The New Hampshire access to health coverage program shall terminate no later than 180 days following a certification by the legislative budget assistant under RSA 14:31, VII that net state costs for the program for the most recent fiscal biennium exceeded the costs for the previous biennium by more than 12 percent. The commissioner of the department of health and human services shall notify the secretary of state, the governor, the speaker of the house of representatives, the president of the senate, and the director of legislative services of any termination of the program under this section.

Amend the bill by replacing all after section 11 with the following:

12 New Paragraph; Office of Legislative Budget Assistant; General Duties. Amend RSA 14:31 by inserting after paragraph VI the following new paragraph:

VII. Beginning July 1, 2017, the legislative budget assistant shall compare the net state costs for the New Hampshire access to health coverage program, as defined in RSA 126-A:68, XIII, for the most recent fiscal biennium with the next previous fiscal biennium. If the legislative budget assistant finds that net state costs for the most recent fiscal biennium exceeded the costs for the previous biennium by more than 12 percent, the legislative budget assistant shall certify his or her finding to the commissioner of the department of health and human services. In this section, "net state costs" means the total costs of the New Hampshire access to health coverage program minus the sum of federal funds received to pay for the program and increased state revenue attributable to the program from Medicaid premiums and the Medicaid enhancement tax.

13 Repeal. The following are repealed:

I. RSA 420-N:2, III, relative to an oversight committee.

II. RSA 420-N:3, relative to the joint health care reform oversight committee.

III. RSA 420-N:4, relative to implementation of the Act.

IV. RSA 420-N:7, I and IV, relative to prohibition on a state exchange.

V. RSA 161:11, relative to requiring the commissioner of health and human services to seek certain approval from the joint health care reform oversight committee.

VI. RSA 126-A:77, relative to the health and human services waiver advisory commission.  
14 Effective Date.

I. Paragraph VI of section 13 of this act shall take effect December 31, 2014.

II. The remainder of this act shall take effect upon its passage.

Rep. Kurk spoke in favor and yielded to questions.

Rep. Nordgren spoke against.

### **MOTION TO DIVIDE**

Rep. Hoell moved to divide Section 13 from floor amendment (2434h) and spoke in favor.

Rep. William O'Brien requested a roll call; sufficiently seconded.

and floor amendment (2434h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Dan McGuire offered floor amendment (2419h).

**Floor Amendment (2419h)**

Amend RSA 126-A:72, IV as inserted by section 2 of the bill by replacing it with the following:

IV. The individual premium assistance program shall not commence until such time when there are no fewer than 3 health insurance companies offering QHPs, at least one of which is a managed care organization.

Amend the bill by deleting section 8 and renumbering the original sections 9-13 to read as 8-12 respectively.

Amend the bill by replacing all after section 10 with the following:

11 Federal Health Care Reform; Reference Deletion. Amend RSA 420-N:9, III to read as follows:

III. The commissioner of health and human services may adopt rules, pursuant to RSA 541-A ~~[and subject to oversight committee approval under RSA 161:11]~~, as necessary to fulfill the purposes of this subdivision.

12 Repeal. The following are repealed:

I. RSA 420-N:2, III, relative to an oversight committee.

II. RSA 420-N:3, relative to the joint health care reform oversight committee.

III. RSA 420-N:4, relative to implementation of the Act.

IV. RSA 161:11, relative to requiring the commissioner of health and human services to seek certain approval from the joint health care reform oversight committee.

13 Effective Date. This act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill establishes the New Hampshire access to health coverage act to provide health insurance to the newly eligible population as provided under Section 1905(y) of the Social Security Act of 1935. The bill grants the commissioner of the department of health and human services rulemaking authority for the purposes of the bill.

Rep. Dan McGuire spoke in favor and yielded to questions.

Rep. Spratt spoke against and yielded to questions.

Rep. Baldasaro requested a roll call; sufficiently seconded.

and floor amendment (2415h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Hess offered floor amendment (2528h).

**Floor Amendment (2528h)**

Amend the bill by replacing all after section 11 with the following:

12 Repeal. The following are repealed:

I. RSA 420-N:4, relative to the authority of the commissioner of health and human services and the joint health care reform oversight committee relating to the implementation of the Patient Protection and Affordable Care Act.

II. RSA 126-A:77, relative to the health and human services waiver advisory commission.

13 Applicability. Sections 1-11 of this act, excluding RSA 126-A:71, I, RSA 126-A:72, II, and RSA 126-A:75 as inserted by section 2 of this act, shall take effect on the date the commissioner of the department of health and human services notifies the secretary of state, the governor, the speaker of the house of representatives, the president of the senate, and the director of legislative services that all waivers, or state plan amendments, or both which are necessary to implement the provisions of this act have been approved by the Centers for Medicare and Medicaid Services.

14 Effective Date.

I. Sections 1-11 of this act, excluding RSA 126-A:71, I, RSA 126-A:72, II, and RSA 126-A:75 as inserted by section 2 of this act, shall take effect as provided in section 13 of this act.

II. Paragraph II of section 12 of this act shall take effect December 31, 2014.

III. The remainder of this act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill establishes the New Hampshire access to health coverage act to provide health insurance to the newly eligible population as provided under Section 1905(y) of the Social Security Act of 1935, deletes the prohibition on a state-based health benefit marketplace, and grants the commissioner of the department of health and human services rulemaking authority for the purposes of the bill. The bill also requires approval of all necessary waivers or state plan amendments prior to the implementation of the act.

Rep. Hess withdrew floor amendment (2528h).

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Umberger offered floor amendment (2422h).

### Floor Amendment (2422h)

Amend the bill by replacing all after section 11 with the following:

12 Repeal. The following are repealed:

I. RSA 420-N:2, III, relative to an oversight committee.

II. RSA 420-N:3, relative to the joint health care reform oversight committee.

III. RSA 420-N:4, relative to implementation of the Act.

IV. RSA 420-N:7, I and IV, relative to prohibition on a state exchange.

V. RSA 161:11, relative to requiring the commissioner of health and human services to seek certain approval from the joint health care reform oversight committee.

VI. RSA 126-A:69, IV, relative to reimbursement for the New Hampshire access to health plan.

13 Effective Date.

I. Paragraph VI of section 12 of this act shall take effect December 31, 2016.

II. The remainder of this act shall take effect upon its passage.

Rep. Umberger withdrew floor amendment (2422h).

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Dan McGuire offered floor amendment (2420h).

### Floor Amendment (2420h)

Amend RSA 126-A:72, IV as inserted by section 2 of the bill by replacing it with the following:

IV. The individual premium assistance program shall not commence until such time as there are no fewer than 2 health insurance companies offering QHPs.

Rep. Dan McGuire spoke in favor.

Rep. Sherman spoke against.

Rep. Frederick Rice requested a roll call; sufficiently seconded.

and floor amendment (2420h) failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Rep. Steven Smith offered floor amendment (2430h).

**Floor Amendment (2430h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to access to health insurance coverage and requiring an insurer participating in the health exchange to include access to at least one hospital in each county of the state.

Amend the bill by inserting after section 11 the following and renumbering the original sections 12-13 to read as 13-14, respectively:

12 New Section; Health Exchange; Access to Hospital Required. Amend RSA 420-N by inserting after section 8 the following new section:

420-N:8-a Access to Hospitals Required. An insurer participating in the exchange under this chapter shall include access for its enrolled participants to at least one hospital, licensed under RSA 151, within each county of the state.

**AMENDED ANALYSIS**

This bill establishes the New Hampshire access to health coverage act to provide health insurance to the newly eligible population as provided under Section 1905(y) of the Social Security Act of 1935, deletes the prohibition on a state-based health benefit marketplace, and grants the commissioner of the department of health and human services rulemaking authority for the purposes of the bill.

The bill also requires insurers participating in the health exchange to include access to at least one hospital in each county of the state.

Rep. Steven Smith spoke in favor and yielded to questions.

Rep. Hansen requested a roll call; not sufficiently seconded.

On a division vote, 157 members having voted in the affirmative and 184 in the negative, floor amendment (2430h) failed.

The question being adoption of the majority committee report of Ought to Pass with Amendment.

**MOTION TO LIMIT DEBATE**

Rep. Campbell moved that debate on *SS HB 1-FN-A*, relative to access to health insurance coverage, be limited to 10 minutes on each side, including questions.

Rep. Vaillancourt moved to amend the motion to 30 minutes on each side, including questions.

Rep. Kappler requested a roll call; not sufficiently seconded.

On a division vote, 83 members having voted in the affirmative and 260 in the negative, the motion to amend failed.

Rep. Vaillancourt moved to amend the motion to 20 minutes on each side, including questions.

On a division vote, 82 members having voted in the affirmative and 261 in the negative, the motion to amend failed.

Rep. Vaillancourt moved to amend the motion to exclude questions from the 10 minute time limit for each side.

On a division vote, 84 members having voted in the affirmative and 259 in the negative, the motion to amend failed.

The question now being adoption of the motion to limit debate on *SS HB 1-FN-A*, relative to access to health insurance coverage, to 10 minutes on each side, including questions.  
Rep. Sylvia requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

**RESOLUTION**

Rep. Shurtleff offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time.

Adopted.

**LATE SESSION****Third reading and final passage**

**SS HB 1-FN-A**, relative to access to health insurance coverage.

**UNANIMOUS CONSENT**

Reps. Jones, Bailey, Perry, Jasper and Itse addressed the House.

**MOTION TO PRINT REMARKS**

Rep. Shurtleff moved that the remarks made by Rep. Jones be printed in the Permanent Journal.  
Adopted.

**REMARKS**

**Rep. Jones:** Thank you, Madam Speaker and thank you, Honorable colleagues. Former State Representative Al Bemis passed away on October 16<sup>th</sup> of this year at the age of 65 after a multi-year battle with cancer. He was a member of the House during the 2003-2004 term. He served on the House criminal justice and public safety committee. Public safety was a top priority for Al. With a background as a police officer and many years working in sales, he understood how important it was for law enforcement to have good relations with the public. After leaving the Legislature, he ran for police commissioner and served in that capacity for six years from 2008 until his death. I met Al at a meeting of the Rochester concerned taxpayers association back in 2009. I was impressed with his confident, outgoing, friendly personality and with his knowledge regarding law enforcement and public safety. Al was well liked by everyone and thought of others before he thought of himself. As Rochester Police Chief Allen once said, "Al had a kind and generous

heart.” Former Representative Bemis had many accomplishments during his time as a public servant. While a State Representative, he served on a study committee looking into ways to prevent prison breaks. In Rochester, he pushed for the use of Dodge chargers as police cruisers since that vehicle combines safety and fuel efficiency. The City of Rochester had acted on Al’s recommendation and had purchased three Dodge chargers at the time of his death. Al took public service very seriously. He understood that it is an honor to serve. He enjoyed responding to constituent concerns. When he was not at police commission meetings, he was listening to the police radio to keep up on what was going on. Public service is what kept him going. Even when he decided that he could not run for reelection this year because of his health, he still hoped that he would make a full recovery and planned to run again sometime in the future. May we all take to heart the outstanding example left to us by the Honorable Al Bemis, to care about others, to work hard and to understand what an honor it truly is to serve our constituents. Thank you.

### **MOMENT OF SILENCE**

A moment of silence was observed in honor and in memory of the former Representative from Rochester, the Honorable Al Bemis.

### **MOTION TO PRINT REMARKS**

Rep. Almy moved that the remarks made by Rep. Bailey be printed in the Permanent Journal. Adopted.

### **REMARKS**

**Rep. Bailey:** Thank you, Madam Speaker. Last week the State of New Hampshire and specifically the North Country lost an incredible public servant. Raymond S. Burton was raised on the family homestead in Bath. His ancestors reached back centuries in Northern New Hampshire. Ray knew early on that he wanted to help others, first as a teacher having graduated from Plymouth State College and then through political office. The first time Ray ran for the Executive Council was 1976. He won and served with Governor Thomson. He ran for reelection in 1978 and lost, but since regaining his seat in 1980, he won every election handily through last year. He worked with Governors Thomson, Gallen, Sununu, Gregg, Merrill, Shaheen, Benson, Lynch and our current Governor Hassan. He was fond of saying that the hardest job he had on the Executive Council was teaching the new Governor how to count to three. He was a grand public servant. His district stretched from the headwaters of the Connecticut River in Pittsburg down to the Lakes Region in Tilton. Ray would attend select board meetings, planning board meetings, economic development meetings, chamber dinners, senior center lunches, 4-H events, business grand openings, college functions, church suppers, graduations, baptisms, weddings, funerals and parades. No one loved parades more than Ray and no one loved the 4<sup>th</sup> of July more than Ray Burton. At the parades in Woodsville and Franconia, he relished walking down the street alongside one of his antique cars while waving to his constituents. They loved Ray. Shouting his name as he walked by, he would acknowledge them by tipping his “Burton for Certain” cap. What made Ray unique was his legendary constituent service. If you approached him with a problem, he would whip out one of his blank index cards and pen asking for more information. He said that he would get back to you and he did. If there was a snag somewhere in state government, he was the go-to guy for the North Country. He could cut through the red tape with a phone call. He could get answers when others could not. He never, ever let his constituents down. While Ray Burton was an old time Yankee Republican, he felt he represented all his constituents regardless of party. He believed that state government works best when we work together to solve our problems. He never had to raise his voice to make a point. He was not into settling scores or getting even. Tomorrow was always a new day to work on behalf of the people. It came to us as a shock that Ray was ill. We could not imagine him not being our councilor. We all held out hope that Ray would recover and continue as he had in the past. Ray kept his schedule right up to the end. About two weeks before Ray passed away, I called him to touch base on a constituent issue we were working on. He did not sound well. I asked him how he was feeling. He said that he had just received news that he could no longer fight his illness. There was nothing more the doctors could do. When I expressed concern for him, he remarked, “Hey, no regrets.” He enjoyed his life and relished being a public servant in the state he loved. To him, it was just that simple. The impact of Ray’s death is tremendous. It has hit us all very hard, but why? Because Ray was like a family member. He celebrated with us when we celebrated. He mourned

with us when we mourned. Always present, always there. A rock the North Country could lean on. We've heard it said that the road to hell is paved with good intentions. Something tells me that up North in heaven, Ray Burton has already helped secure funding to fill in some potholes, put down some new asphalt and repair a few bridges. Decades from now, people will still be telling stories to friends and family of how Ray helped them while being an Executive Councilor and Grafton County Commissioner. This is a testament to a true public servant of New Hampshire and today we mourn his passing. May Raymond S. Burton rest in peace. Thank you, Madam Speaker.

### MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the Executive Councilor from Bath, the Honorable Raymond S. Burton.

### MOTION TO PRINT REMARKS

Rep. Gary Richardson moved that the remarks made by Rep. Perry be printed in the Permanent Journal.  
Adopted.

### REMARKS

**Rep. Perry:** Thank you, Madam Speaker. Colleagues, time does not permit me to give this presentation the full measure of historical significance it deserves, but I hope it suffices. John F. Kennedy, the 35<sup>th</sup> President of the United States, was assassinated 50 years ago tomorrow, November 22, 1963. One bullet entered his back and exited his throat. Another entered his skull. We watched on television in real time his 34-year-old wife crawl across the trunk of the limousine in which they were riding, with the hope of retrieving a portion of his skull. I was a 13-year-old paperboy during the presidential election of 1960, delivering to 70 customers before getting ready for school. Caught up in the election, I was aware of his critics. He was said to be too young to be President. What could he know about the office? He was a Catholic, sure to be influenced by the Pope. He was a liberal, a communist. The Kennedy/Nixon debate of 1960 was the first time television was used for a presidential debate. Ironically, it was the first time a nation witnessed the assassination of a president on television, as it happened, in real time, being the same former Kennedy candidate. We witnessed America's most trusted news anchor, and many considered the most trusted man in America, Walter Cronkite, remove his glasses, look up at the newsroom clock, and with palpable emotion, voice quivering, announce to a horrified nation: "From Dallas, Texas, the flash apparently official, President Kennedy died at 1:00 p.m. Central Standard Time, 2:00 Eastern Standard Time, some 38 minutes ago." Shortly thereafter, the nation witnessed the murder of President Kennedy's assassin on television, as it happened, in real time. Many of us in this Hall were teenagers then, and despite the intervening 50 years, none of us can forget what we witnessed, nor what we were to endure later in the decade ... in Birmingham, high-pressure fire hoses and attack dogs used against a non-violent assembly of black men, women and children, whose only transgression was a simple demand for equal rights. Later in the decade, the assassinations of Robert F. Kennedy and Martin Luther King.

In April of 1943, having sought combat duty as a member of the United States Navy, Kennedy was given command of the Motor Torpedo boat PT 109. On August 1, 1943, his and other similar vessels were ordered to patrol and intercept Japanese warships in the Pacific near the Ferguson and Blackett Straits. In the dark of night, a Japanese destroyer traveling at 40 knots, slammed into PT 109, cutting it in half. The crew of the destroyer was unaware of the collision. It took Kennedy three hours to locate a badly burned member of the crew, Patrick Henry McMahon, and return him to a floating remnant of the vessel. Ten hours after the collision, Kennedy and ten survivors swam to an island barely visible three miles away. Kennedy had given McMahon a life jacket, and with the strap of the jacket clenched in his teeth, towed McMahon for five hours to the safety of the island, although survivors would not be rescued for more than a month. Kennedy was awarded the Navy and Marine Corps Medal of Honor for his heroics in the rescue of the crew of PT 109, as well as the Purple Heart for the injuries he sustained. In the fall of 1962, it became known to the Kennedy administration through clear photographic evidence that the Soviets had secretly placed on the Island of Cuba multiple missiles capable of being armed with nuclear warheads within days, a direct threat to the security of the United States. Despite receiving erroneous and inconsistent advice, and repeated calls by hawks to bomb the Island of Cuba during those harrowing 13 days

in October, the President instead gambled on finding an alternative to nuclear conflagration with the Russians, and found it in a secret deal made with Khrushchev, allowing the Premier to retreat from his bluster and averting mutual assured destruction. What came to be known as the Cuban Missile Crisis is acknowledged to be the closest the world has ever come to nuclear war. Following the tragic events in Birmingham, Alabama in May of 1963, President Kennedy took the bold step of transforming civil rights from a legal issue to a moral issue in his address to the nation on June 11, 1963, which I quote in part: "We are confronted primarily with a moral issue. It is as old as the scriptures and is as clear as the American Constitution. The heart of the question is whether all Americans are to be afforded equal rights and equal opportunities, whether we are going to treat our fellow Americans as we want to be treated. If an American, because his skin is dark, cannot eat lunch in a restaurant open to the public, if he cannot send his children to the best public school available, if he cannot vote for the public officials who represent him, if, in short, he cannot enjoy the full and free life which all of us want, then who among us would be content to have the color of his skin changed and stand in his place? Who among us would then be content with the counsels of patience and delay? One hundred years of delay have passed since President Lincoln freed the slaves, yet their heirs, their grandsons, are not fully free. They are not yet freed from the bonds of injustice. They are not yet freed from social and economic oppression. And this Nation, for all its hopes and all its boasts, will not be fully free until all its citizens are free." Eight days following his Civil Rights speech, President Kennedy asked Congress to enact what would become the most far-reaching civil rights law in our history. His life cut short 8 months earlier; the Civil Rights Act of 1964 was signed into law on July 2, by his successor, President Lyndon B. Johnson. Lesser-known facts about President John F. Kennedy: He authorized the "Green Beret" as the official headgear of the US Army Special Forces. The United States Navy's Sea, Air, and Land Teams, commonly known as Navy SEALs, were established by President Kennedy in 1962 as a small, elite maritime military force to conduct unconventional warfare. He established the Peace Corps in March 1961, whose volunteers 52 years later continue to help countless individuals around the world. He remains the youngest person elected president, at the age of 43 years, seven months when he took office in 1961. To John F. Kennedy, I say rest in peace, Mr. President and thank you for your service to our country on this, the 50<sup>th</sup> year following your untimely death. To those in this Honorable Hall, I thank you for listening and for your patience. Thank you.

The House recessed at 4:35 p.m.

#### RECESS

The House reconvened at 4:50 p.m.

**(Speaker Norelli in the Chair)**

#### SENATE MESSAGE

#### NONCONCURRENCE

*SS HB 1-FN-A*, relative to access to health insurance coverage.

#### MOTION TO ADJOURN

Rep. Shurtleff moved that the Special Session stand adjourned.  
Adopted.

The House adjourned at 5:05 p.m.

## CLERK'S NOTE

### OUTSTANDING BILLS

**At the time of adjournment from the 2013 session, the following bills remained laid on the table in the House:**

**HB 116**, relative to the powers of an executor or administrator to take control of a decedent's social networking websites.

**HB 344-FN-L**, relative to aid to school districts for the cost of special education.

**HB 420**, establishing orange, red, and yellow as the state colors.

**HB 576**, establishing Franklin Pierce Day.

**HB 615-FN-A**, relative to the New Hampshire national guard recruitment and retention scholarship fund and making an appropriation therefor.

**HB 619-FN**, prohibiting images of a person's residence to be taken from the air.

**HB 638**, recognizing the original Thirteenth Amendment to the United States Constitution.

**HB 678-FN-A-L**, relative to games of chance and establishing a gaming oversight authority and video lottery gaming.

**HB 683-FN**, relative to the retirement system status of the director and assistant director of the division of homeland security and emergency management.

**HCR 3**, affirming States' powers based on the Constitution for the United States and the Constitution of New Hampshire.

**HR 6**, commemorating the 40<sup>th</sup> anniversary of the *Roe v Wade* Supreme Court decision and affirming support for its holding and principles.

**HR 7**, urging the New Hampshire congressional delegation to sponsor and support a constitutional amendment to re-establish the authority of the states and Congress to regulate campaign spending by entities created by law.

**HR 8**, affirming revenue estimates for fiscal years 2013, 2014, and 2015.

**At the time of adjournment from the 2013 session, the following bills were not signed off in Committee of Conference:**

**HB 233**, relative to the care of the war memorial in Franconia Notch state park.

**HB 265**, relative to procedures by absentee voters.

**HB 314**, raising limits on single wagers in games of chance and relative to gross revenues received by charitable organizations participating in games of chance.

**HB 353**, relative to the regulation of private investigators and security guards.

**HB 357**, prohibiting an employer from using credit history in employment decisions.

**HB 414**, relative to privacy in the workplace.

**HB 442**, prohibiting residency restrictions for registered sex offenders and offenders against children.

**SB 19-FN**, repealing provisions relative to the sale of the former Laconia state school property and eliminating a ramp toll on the Everett turnpike in the town of Merrimack.

**At the time of adjournment from the 2013 session, the following bills were retained in committee for House action in the second year of the biennium:**

**HB 110**, requiring persons who record cruelty to livestock to report such cruelty and submit such recordings to a law enforcement agency.

**HB 114**, relative to abutter access over subdivided land.

**HB 120**, relative to hours of sales by off-premises liquor licensees.

**HB 125**, requiring the reporting of certain felony offenses by postsecondary educational institutions.

**HB 149**, relative to the information on fuel invoices.

**HB 150**, relative to inspectors of election at town and school district meetings.

**HB 151**, relative to duties of inspectors of election.

**HB 158**, relative to the issuance of waivers for lot loading or setback distances in condominium conversion.

**HB 166**, requiring the public utilities commission to make specific findings as to the public need for proposed transmission lines.

**HB 169**, establishing an employers' private right of action to enforce the payment of workers' compensation coverage.

**HB 170**, relative to the definition of a gift to an elected official, public official, public employee, constitutional official, or legislative employee.

- HB 173*, repealing the authority for supplemental allowances under the judicial retirement plan.
- HB 175*, relative to New Hampshire domestic liquor and wines.
- HB 203*, relative to workers' compensation coverage for contractors on state projects and state land timber sales.
- HB 217*, imposing an extended term of imprisonment for assault against a health care provider.
- HB 222*, relative to business names registered with the secretary of state.
- HB 226*, establishing a committee to study the promotion of New Hampshire wines.
- HB 227*, relative to property and casualty insurance.
- HB 243*, relative to the board of trustees of a chartered public school.
- HB 249-FN*, requiring employers to verify an employee's eligibility to work in the United States.
- HB 250-FN-A*, relative to campaign contributions and expenditures.
- HB 255-FN*, relative to the workers' compensation law.
- HB 256-FN*, relative to funding for the fish and game search and rescue fund.
- HB 258-FN*, prohibiting the taking of deer from baited areas.
- HB 263*, establishing a committee to study examination of elderly drivers.
- HB 284-FN*, providing for collection of the E-911 surcharge from certain prepaid cellular telephones.
- HB 286*, relative to broadband infrastructure.
- HB 292-FN-A*, requiring milfoil decals on private vessels registered in other states or countries and operating on the inland waters of New Hampshire.
- HB 294*, relative to voter database information provided for preparation of jury lists.
- HB 297*, relative to the management of trust funds and capital reserve funds.
- HB 299-FN*, relative to tuition payments for chartered public school pupils.
- HB 312*, restricting the collection of biometric data by state agencies, municipalities, and political subdivisions.
- HB 319-FN*, relative to benefits for state employees serving in the armed forces.
- HB 326-FN*, relative to licensure of polysomnographers by the board of respiratory care practitioners.
- HB 329-FN*, requiring purchasers of medical equipment to be notified of the actual cost of such equipment at time of sale.
- HB 331-FN*, relative to wine manufacturers.
- HB 336-FN*, prohibiting the retail sale of certain fireworks devices.
- HB 338-FN-L*, relative to the state contribution for water pollution control.
- HB 341-FN*, relative to the cost of fiscal analysis of legislation relating to the retirement system.
- HB 343-FN*, relative to laws regarding pawnbrokers.
- HB 350*, prohibiting discrimination against the unemployed.
- HB 351*, relative to appointment of inspectors of election.
- HB 366-FN*, relative to showing a ballot.
- HB 392-FN*, relative to political contributions and expenditures and relative to reporting by political committees.
- HB 397*, relative to state aid for wastewater and public water supply projects.
- HB 404-FN*, relative to earned time credits for inmates participating in rehabilitative programming.
- HB 415*, relative to ethics requirements for members of the general court.
- HB 419-FN*, establishing a deferred retirement option in the judicial retirement plan.
- HB 421*, relative to regulation of real estate brokerage and sales by the real estate commission.
- HB 422*, relative to the adoption, revision, and amendment of municipal charters.
- HB 424-FN*, relative to review of chartered public school applications by the state board of education.
- HB 427*, relative to tobacco tax laws.
- HB 430*, requiring insurance companies sending out solicitations for marketing purposes to include their insurance license number on such solicitations.
- HB 435-FN*, relative to funding for chartered public school pupils.
- HB 437-FN*, relative to the road toll.
- HB 439-FN*, relative to weekly workers' compensation payments.
- HB 449*, relative to the application process for a certificate for an energy facility.
- HB 456-FN*, relative to liquor manufacturers.
- HB 459*, relative to poker games and charitable gaming.
- HB 461-FN*, relative to long-term care services.
- HB 462-FN*, relative to an independent review process under the medical assistance program.

- HB 465**, repealing New Hampshire's atomic energy policy.
- HB 466-FN**, relative to determining qualifications of voters.
- HB 469**, relative to time limits for regulatory boards and commissions to hold disciplinary proceedings.
- HB 473-FN**, relative to retirement system status for members of the university system police force.
- HB 474**, relative to eligibility for in-state tuition rates at the university system of New Hampshire.
- HB 476**, relative to medical care price disclosure and transparency.
- HB 480-FN**, relative to solitary confinement.
- HB 484-FN-L**, requiring public approval prior to issuance of certain site evaluation certificates.
- HB 485-FN-A**, establishing keno.
- HB 490-FN-A**, relative to the tax on tobacco products other than cigarettes and establishing a tobacco use prevention and cessation program fund.
- HB 491-FN**, relative to New Hampshire farm wineries.
- HB 492-FN-L**, relative to the legalization and regulation of marijuana.
- HB 493-FN**, relative to emergency compacts.
- HB 494**, relative to the administration of glucagon injections for pupils.
- HB 495-FN**, relative to titles for motor vehicles.
- HB 496-FN**, relative to driving privileges for certain first-time DWI offenders.
- HB 498**, permitting the use of firearms by military or veterans groups in the compact part of a town for military or veterans events, or national holidays.
- HB 523-FN**, relative to voluntary certification for road salt applicators.
- HB 525-FN**, raising the age of minority for juvenile delinquency proceedings from 17 to 18 years of age.
- HB 529**, relative to the regulation of health clubs.
- HB 532**, relative to energy efficiency and clean energy districts.
- HB 533**, relative to the mathematics requirement for high school graduation.
- HB 534**, establishing a commission to study the sale of naming rights for certain structures.
- HB 540-FN-A**, establishing a credit against business profits taxes for motion picture production expenditures in New Hampshire.
- HB 544**, repealing the prohibition on a state-based health exchange.
- HB 545**, relative to rafting of boats.
- HB 548**, relative to ethics requirements and procedures for legislators and legislative employees.
- HB 562**, relative to the interest rate on title loans.
- HB 565**, relative to actions under the consumer protection law.
- HB 566**, regulating guaranteed price plans and prepaid contracts for heating oil, kerosene, or liquefied petroleum gas.
- HB 568**, requiring new electric transmission lines in New Hampshire to be buried.
- HB 569**, relative to the placement of all new electric transmission lines in New Hampshire.
- HB 572**, establishing a commission to study public-private partnerships for the treatment of abused and neglected children.
- HB 580**, establishing moratoriums on wind turbine plants and electric transmission line projects.
- HB 582**, repealing early offers for medical injury claims.
- HB 584**, relative to covered prescription drugs.
- HB 585**, relative to insurance parity for optometrists.
- HB 586**, establishing a one-year moratorium on applications for certificates for electric transmission facilities.
- HB 587**, relative to medical examination requirements for commercial drivers' licenses.
- HB 590**, relative to the unauthorized practice of law.
- HB 592-FN**, regulating the use of electronic tracking devices.
- HB 597-FN**, relative to mandatory drug testing for certain health care workers.
- HB 600-FN**, relative to voter registration.
- HB 608**, relative to the slaughter of poultry and rabbits.
- HB 618**, relative to disclosure of annulled criminal records.
- HB 627-FN**, requiring unused vacation and sick leave to be converted to service time for purposes of calculating retirement system benefits.
- HB 645-FN**, relative to an extended term of imprisonment for persons with 2 prior convictions.
- HB 646-FN**, relative to New Hampshire correctional industries.

**HB 649-FN**, relative to earned time credits for certain prisoners participating in educational and rehabilitative programming.

**HB 650-FN-A**, making an appropriation to start a bus service between Claremont and Lebanon.

**HB 653-FN-A**, relative to funding law enforcement prosecution of Internet crimes against children.

**HB 654-FN**, relative to licensure and renewal fees.

**HB 657-FN**, requiring state agencies to submit efficiency expenditure requests as part of the biennial budget process.

**HB 658-FN**, relative to registration for medical technicians.

**HB 660-FN**, requiring the labeling of genetically engineered foods and agricultural commodities.

**HB 663-FN**, relative to appeals within the department of environmental services.

**HB 666-FN**, relative to penalties for speeding offenses.

**HB 671-FN**, restoring state payment of fees for attorneys in child abuse and neglect cases where the parents are indigent.

**HB 672-FN**, relative to the property tax exemption for water and air pollution control facilities.

**HB 674-FN-L**, relative to state highway aid.

**HB 675-FN**, authorizing and regulating the use of license plate scanning devices.

**HB 677-FN**, relative to the certificate of need board.

**HB 682-FN**, relative to credit card fees.

**HB 684**, relative to bridge replacement and bridge aid funds.

**HB 685**, relative to state agency communications under the right-to-know law.

**SB 3-FN**, eliminating certain ramp tolls on the Everett turnpike in the town of Merrimack.

**SB 15**, naming a portion of route 101 after the 101st Airborne Division Screaming Eagles.

**SB 29**, relative to the motorist service signing program.

**SB 82**, establishing a commission to identify strategies needed for developing and implementing a competency-based public education system.

**SB 88**, relative to the Honor and Remember Flag as an official symbol to recognize and honor fallen members of the armed forces.

**SB 92**, prohibiting multiple prescription drug failures.

**SB 116-FN**, relative to the licensure of liquefied propane installation and service technicians.

**SB 169**, relative to non-covered services under dental insurance plans.

**SB 180**, establishing a recovery fund for victims of the Financial Resources Mortgage (FRM) fraud and continually appropriating a special fund.

**SB 190-FN**, relative to admission fees for certain persons at state parks and historical sites.

**SB 196-FN**, relative to the definition of push-polling.

**CACR 5**, relating to bribery and corruption. Providing that no person incarcerated for a crime, under a conditional release from incarceration, completing an order of restitution for a crime, nor any person who has been convicted of intentional murder shall hold any office of trust in the New Hampshire government.

**At the time of adjournment from the 2013 session, the following House bills remained in Senate Committees:**

**HB 118**, providing immunity from criminal prosecution for seeking medical assistance with an emergency drug or alcohol overdose event.

**HB 153**, prohibiting the designation of industrial hemp as a controlled substance.

**HB 186**, relative to the authority of the department of state.

**HB 200**, relative to an employer's burden of proof in unemployment compensation hearings.

**HB 230**, relative to administrative supervision of insurers.

**HB 234**, relative to occupational and professional boards and commissions procedures concerning military service and occupational experience or training.

**HB 346**, establishing a committee to study low-profit limited liability companies.

**HB 426**, relative to payment of costs and fees in guardianship cases.

**HB 489-FN**, relative to the New Hampshire medical malpractice joint underwriting association.

**HB 583**, relative to proceedings of medical injury claims screening panels.

**HB 591**, relative to an abusive work environment and the health and safety of public employees.

**2013**  
**HOUSE JOURNAL**  
**NUMERICAL INDEX**

This index, arranged by bill and resolution numbers, gives page numbers for all action in the House on each numbered bill and resolution. They are listed in the following order:

HB	House Bill
HCO	House Concurrent Order
HCR	House Concurrent Resolution
HJR	House Joint Resolution
HR	House Resolution
SB	Senate Bill
SCR	Senate Concurrent Resolution
SJR	Senate Joint Resolution
CACR	Constitutional Amendment Concurrent Resolution

To find a bill by its subject see the Subject Index immediately following this NUMERICAL Index. All matters not relating to bills and resolutions will be found in the Subject Index.

The abbreviations listed below are used in the Numerical Index:

adop	adopted
am	amended, amendment
Com	re-referred to committee
conc	concurred, concurrence
conf	conference committee
Criminal Justice	referred to the committee on Criminal Justice and Public Safety
enr	enrolled
Finance	referred to the committee on Finance
intro	introduced, introduction
IP	indefinitely postponed
K	killed (Inexpedient to Legislate)
LT	laid on the table
nonconc	nonconcurred
opin	opinion
psd	passed
RC	roll call
rcmt	recommitted
